RISKS IN RELATION TO THE FIRST OFFER

This being the first public issue of the Equity Shares of our Company, there has been no formal market for the Equity Shares of our Company. The face value of the Equity Shares is ₹ 2 each. The Floor Price, Cap Price and Offer Price (determined by our Company in consultation with the book running lead managers (“BRLMs”), in accordance with the SEBI ICDR Regulations and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process, as stated under “Basis for Offer Price” on page 149), should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding active and/or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their entire investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India (“SEBI”), nor does SEBI guarantee the accuracy or adequacy of the contents of this Draft Red Herring Prospectus. Specific attention of the investors is invited to “Risk Factors” on page 39.

ISSUER’S AND SELLING SHAREHOLDERS’ ABSOLUTE RESPONSIBILITY

Our Company, having made all reasonable inquiries, accepts responsibility for and confirms that this Draft Red Herring Prospectus contains all information with regard to our Company and the Offer, which is material in the context of the Offer, that the information contained in this Draft Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions, misleading in any material respect. Further, each Selling Shareholder, severally and not jointly, accepts responsibility for and only confirms statements expressly and specifically made by each such Selling Shareholder in this Draft Red Herring Prospectus solely in relation to such Selling Shareholder and its respective portion of the Offered Shares and confirms that such statements are true and correct in all material respects and are not misleading in any material respect. No Selling Shareholder assumes any responsibility for any other statements, disclosures and undertakings, including without limitation, any of the statements, disclosures or undertakings made or confirmed by or in relation to our Company or our Company’s business, or any other Selling Shareholders or any other person(s), in this Draft Red Herring Prospectus.

Further, relevant disclosures in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus.

CJ DARCL LOGISTICS LIMITED

Our Company was originally incorporated as 'Delhi Assam Roadways Corporation Private Limited', a private limited company under the Companies Act, 1956, with a certificate of incorporation issued by the Registrar of Companies, Delhi and Haryana on December 10, 1986. Our Company was incorporated, inter alia, to purchase and take over the transport business that was carried on by Delhi Assam Roadways Corporation, a partnership firm. Pursuant to the provisions of section 43A (1A) of the Companies Act, 1956, the word "Private" was deleted with effect from July 1, 1994, and our Company became a deemed public limited company. Our Company was converted from a deemed public limited company to a public limited company vide the special resolution passed by the Shareholders on March 17, 1997. The certificate of incorporation was subsequently amended on December 1, 1998. Pursuant to a special resolution passed by our shareholders on February 16, 2010, the name of our Company was changed to 'Darcl Logistics Limited' to facilitate brand value of our Company, as short name can be easily popularized and, a fresh certificate of incorporation was issued by the RoC on February 23, 2010. Thereafter, pursuant to a special resolution passed by our shareholders dated August 10, 2017, the name of our Company was further changed to 'CJ Darcl Logistics Limited', by virtue of the Shareholders' Agreement entered with CJ Logistics Corporation and a fresh certificate of incorporation was issued by the RoC on September 13, 2017. For further details of change in name and Registered Office of our Company, see "History and Certain Corporate Matters – Brief history of our Company" and "History and Certain Corporate Matters – Changes in Registered and Corporate Office" pages 236 and 236, respectively.

In case of any revision in the Price Band, the Bid/ Offer Period will be extended by at least three additional Working Days after such revision in the Price Band, subject to the total Bid/ Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar circumstances, our Company may, in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid/ Offer Period for a minimum of one Working Day, subject to the Bid/ Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/ Offer Period, if applicable, shall be widely disseminated by notification to the Stock Exchanges, by issuing a public notice, and also by indicating the change on the respective websites of the BRLMs and at the terminals of the Syndicate Members and by intimation to the Self-Certified Syndicate Banks ("SCSBs"), other Designated Intermediaries and the Sponsor Bank, as applicable.

The Offer is being made in terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended ("SCRR") read with Regulation 31 of the SEBI ICDR Regulations. This Offer is being made through the Book Building Process in accordance with Regulation 6(1) of the SEBI ICDR Regulations wherein not more than 50% of the Net Offer shall be available for allocation on a proportionate basis to Qualified Institutional Buyers ("QIBs" and such portion, "QIB Portion"), provided that our Company in consultation with the BRLMs may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis ("Anchor Investor Portion"). One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from the domestic Mutual Funds at or above the Anchor Investor Allocation Price in accordance with the SEBI ICDR Regulations. In the event of under-subscription, or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the QIB Portion (other than Anchor Investor Portion) ("Net QIB Portion"). Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. However, if the aggregate demand from Mutual Funds is less than 5% of the Net QIB Portion, the balance Equity Shares available for allocation in the Mutual Fund Portion will be added to the remaining Net QIB Portion for proportionate allocation to QIBs. Further, (a) not less than 15% of the Net Offer shall be available for allocation to Non-Institutional Bidders (out of which one third shall be reserved for Bidders with Bids exceeding ₹ 0.20 million and up to ₹ 1.00 million and two-thirds shall be reserved for Bidders with Bids exceeding ₹ 1.00 million) and (b) not less than 35% of the Net Offer shall be available for allocation to Retail Individual Bidders ("RIBs") in accordance with the SEBI ICDR Regulations, subject to valid Bids being received from them at or above the Offer Price. All potential Bidders, other than Anchor Investors, are mandatorily required to participate in the Offer through the Application Supported by Blocked Amount ("ASBA") process by providing details of their respective ASBA Account (as defined hereinafter) and UPI ID in case of UPI Bidders (defined hereinafter), which will be blocked by the Self-Certified Syndicate Banks ("SCSBs") or the Sponsor Bank(s), as the case may be, to the extent of their respective Bid Amounts. Anchor Investors are not permitted to participate in the Anchor Investor Portion through the ASBA process. For details, see the section titled "Offer Procedure" on page 445.

RISKS IN RELATION TO THE FIRST OFFER

This being the first public issue of the Equity Shares of our Company, there has been no formal market for the Equity Shares of our Company. The face value of the Equity Shares is ₹2 each. The Floor Price, Cap Price and Offer Price (determined by our Company in consultation with the BRLMs, in accordance with the SEBI ICDR Regulations and on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process, as stated under "Basis for Offer Price" on page 149), should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding active and/or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their entire investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Draft Red Herring Prospectus. Specific attention of the investors is invited to "Risk Factors" on page 39.

All references to time in this Draft Red Herring Prospectus are to Indian Standard Time.

Financial Data

Unless stated otherwise or the context otherwise requires, the financial information in this Draft Red Herring Prospectus have been derived from our Restated Consolidated Summary Statements.

The Restated Consolidated Summary Statements of our Company, along with our Subsidiaries as of and for the financial years ended March 31, 2025, March 31, 2024 and March 31, 2023, comprising: (i) restated consolidated statement of assets and liabilities of our Company as at March 31, 2025, March 31, 2024 and March 31, 2023; (ii) the restated consolidated statement of profit and loss (including other comprehensive income) and restated consolidated statement of cash flows and changes in equity for the financial years ended March 31, 2025, March 31, 2024 and March 31, 2023; (iii) notes and annexures thereto and (iv) the material accounting policies, and other explanatory information, which are based on audited consolidated financial statements of our Company, along with our Subsidiaries, as of and for the financial years ended March 31, 2025, March 31, 2024 and March 31, 2023 each prepared in accordance with Ind AS and restated in accordance with the requirements of Section 26 of Part I of Chapter III of the Companies Act, the SEBI ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the ICAI, each as amended from time to time.

In this Draft Red Herring Prospectus, any discrepancies in any table between the total and the sums of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal and all percentage figures have been rounded off to two decimal places.

Our Company’s financial year commences on April 1 of the immediately preceding calendar year and ends on March 31 of that particular calendar year; accordingly, all references to a particular financial year or fiscal, unless stated otherwise, are to the 12 months period commencing on April 1 of the immediately preceding calendar year and ending on March 31 of that particular calendar year. Reference in this Draft Red Herring Prospectus to the terms Fiscal or Fiscal Year or Financial Year is to the 12 months ended on March 31 of such year, unless otherwise specified.

The degree to which the financial information included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting policies and practices, Ind AS, the Companies Act and SEBI ICDR Regulations. Any reliance by persons not familiar with the aforementioned policies and laws on the financial disclosures presented in this Draft Red Herring Prospectus should be limited. There are significant differences between Ind AS, Indian GAAP, U.S. GAAP and IFRS. Our Company does not provide a reconciliation of its financial statements with Indian GAAP, IFRS or U.S. GAAP requirements. Our Company has not attempted to explain those differences or quantify their impact on the financial data included in this Draft Red Herring Prospectus and it is urged that you consult your own advisors regarding such differences and their impact on our financial data. For further details in connection with risks involving differences between Ind AS and other accounting principles, see *“Risk Factors – Significant differences exist between Ind AS and other accounting principles, such as US GAAP and IFRS, which may be material to investors’ assessments of our financial condition.”* on page 72.

Unless the context otherwise indicates, any percentage amounts or ratios (excluding certain operational metrics), as set forth in *“Risk Factors”, “Our Business”* and *“Management’s Discussion and Analysis of Financial Condition and Results of*

Operations” beginning on pages 39, 208 and 366, respectively, and elsewhere in this Draft Red Herring Prospectus have been calculated on the basis of amounts derived from our Restated Consolidated Summary Statements, as applicable.

Non-GAAP Financial Measures

Certain non-GAAP financial measures presented in this Draft Red Herring Prospectus such as EBITDA, EBITDA margin, Return on Net Worth, Return on Equity, Net Asset Value per Equity Share and Net debt have been included in this Draft Red Herring Prospectus as a supplemental measure of our performance and liquidity that are not required by, or presented in accordance with, Ind AS, Indian GAAP, or IFRS. Further, these Non-GAAP Measures are not a measurement of our financial performance or liquidity under Ind AS, Indian GAAP, or IFRS and should not be considered in isolation or construed as an alternative to cash flows, profit / (loss) for the year / period or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS, Indian GAAP, or IFRS. In addition, these Non-GAAP financial measures and other information relating to financial performance may not be computed on basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial measures of operating performance or liquidity defined by Ind AS. Further, these non-GAAP financial measures are not a standardised term and, therefore, a direct comparison of similarly titled Non-GAAP Measures between companies may not be possible. Other companies may calculate the Non-GAAP Measures differently from us, limiting their usefulness as a comparative measure. Although the Non-GAAP Measures are not a measure of performance calculated in accordance with applicable accounting standards, our Company’s management believes that they are useful to an investor in evaluating us because these are widely used measures to evaluate a company’s operating performance. See *“Risk Factors – Certain non-GAAP financial measures and certain other statistical information relating to our operations and financial performance like EBITDA, EBITDA margin, Return on Net Worth, Return on Equity, Net Asset Value per Equity Share, Net debt, ROE, ROCE and others have been included in this Draft Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable.”*, *“Other Financial Information – Non-GAAP Measures”* and *“Management’s Discussion and Analysis of Financial Condition and Results of Operations”* on pages 70, 363 and 366, respectively.

Currency and Units of Presentation

All references to:

- “Rupees” or “₹” or “INR” or “Rs.” are to Indian Rupee, the official currency of the Republic of India;
- “USD” or “US\$” or “\$” or “U.S. Dollar” are to United States Dollar, the official currency of the United States of America; and
- “NPR” are to the Nepalese Rupee, the official currency of the Federal Democratic Republic of Nepal.

Our Company has presented certain numerical information in this Draft Red Herring Prospectus in “million” units or in whole numbers where the numbers have been too small to represent in such units. One million represents 1,000,000, one billion represents 1,000,000,000 and one trillion represents 1,000,000,000,000. One lakh represents 100,000 and one crore represents 10,000,000.

Figures sourced from third-party industry sources may be expressed in denominations other than million or may be rounded off to other than two decimal points in the respective sources, and such figures have been expressed in this Draft Red Herring Prospectus in such denominations or rounded-off to such number of decimal points as provided in such respective sources.

Exchange Rates

This Draft Red Herring Prospectus contains conversion of certain other currency amounts into Indian Rupees that have been presented solely to comply with the SEBI ICDR Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth, for the years indicated, information with respect to the exchange rate between the Rupee and other currencies:

Currency	As at			(in ₹)
	March 31, 2025	March 31, 2024	March 31, 2023	
1 USD	85.58	83.37	82.22	
1 NPR	0.62	0.63	0.63	

Source: www.fbil.org.in, www.rbi.org.in and www.exchangerates.org.uk

Notes:

(1) Exchange rate is rounded off to two decimal points.

(2) In the event that any of the aforementioned date is a public holiday, the previous calendar day not being a public holiday has been considered.

Industry and Market Data

Unless stated otherwise, industry and market data used in this Draft Red Herring Prospectus has been obtained or derived from publicly available information as well as industry publication and sources. Further, the information has also been derived from the reported titled “*Industry report on logistics market in India*” dated September 2025, exclusively prepared by CRISIL and, commissioned and paid for by our Company specifically in connection with the Offer, pursuant to an engagement letter dated June 26, 2025. The CRISIL Report is available at <https://cjdarecl.com/investor-relations/> and has also been included in “*Material Contracts and Documents for Inspection – Material Documents*” on page 547. There can be no assurance that such third-party statistical, financial and other industry information is either complete or accurate. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, for further details in relation to risks in commissioned reports, see “*Risk Factors – This Draft Red Herring Prospectus contains industry-related information derived from the industry report commissioned from CRISIL Limited and paid for by our Company. Investors are advised not to place undue reliance on such information.*” on page 69. CRISIL is an independent agency which has no relationship with our Company, our Promoters, any of our Directors, Key Managerial Personnel, Senior Management or the Book Running Lead Managers.

CRISIL has required us to include the following in connection with the CRISIL Report:

“Crisil Intelligence, a division of Crisil Limited, provides independent research, consulting, risk solutions, and data & analytics to its clients. Crisil Intelligence operates independently of Crisil’s other divisions and subsidiaries, including, Crisil Ratings Limited. Crisil Intelligence’s informed insights and opinions on the economy, industry, capital markets and companies drive impactful decisions for clients across diverse sectors and geographies. Crisil Intelligence’s strong benchmarking capabilities, granular grasp of sectors, proprietary analytical frameworks and risk management solutions backed by deep understanding of technology integration, makes it the partner of choice for public & private organisations, multi-lateral agencies, investors and governments for over three decades.

For the preparation of this report, Crisil Intelligence has relied on third party data and information obtained from sources which in its opinion are considered reliable. Any forward-looking statements contained in this report are based on certain assumptions, which in its opinion are true as on the date of this report and could fluctuate due to changes in factors underlying such assumptions or events that cannot be reasonably foreseen. This report does not consist of any investment advice and nothing contained in this report should be construed as a recommendation to invest/disinvest in any entity. This industry report is prepared for use in the Offer Documents to be filed by the Company with the RoC, SEBI and the Stock Exchanges in India.”

Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable. Accordingly, no investment decisions should be made based on such information. The excerpts of the industry report are disclosed in the Offer Documents and there are no parts, information, data (which may be relevant for the proposed Offer), left out or changed in any manner. Data from these sources may also not be comparable. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates and assumptions that may prove to be incorrect.

References to various segments in the CRISIL Report and information derived therefrom are references to industry segments and in accordance with the presentation, analysis and categorisation in the CRISIL Report. Our segment reporting in our financial statements is based on the criteria set out in Ind AS 108, Operating Segments and we do not present such industry segments as operating segments.

The extent to which the market and industry data used in this Draft Red Herring Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which the business of our Company is conducted, and methodologies and assumptions may vary widely among different industry sources.

Accordingly, no investment decision should be made solely on the basis of such information. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those disclosed in “*Risk Factors*” on page 39

In accordance with the SEBI ICDR Regulations, “*Basis for Offer Price*” on page 149 includes information relating to our listed peer group companies. Such information has been derived from publicly available sources, and neither we, nor the BRLMs or any of their affiliates have independently verified such information. Accordingly, no investment decision should be made solely on the basis of such information.

Notice to Prospective Investors in South Korea

The Equity Shares have not been recommended by, nor registered with, any securities commission or regulatory authority in the Republic of Korea. Furthermore, the foregoing authorities have not confirmed the accuracy or determined the adequacy of this Draft Red Herring Prospectus or approved or disapproved the Equity Shares. Any representation to the contrary may constitute a violation of Korean law.

In making an investment decision, investors must rely on their own examination of our Company and the terms of the Offer, including the merits and risks involved.

The Equity Shares have not been and will not be registered under the Financial Investment Services and Capital Markets Act of Korea (the “FSCMA”), and, unless so registered, may not be offered, sold, or delivered, directly or indirectly, to any person in Korea, or to any resident of Korea, except to promoters or as otherwise permitted under the FSCMA and the applicable regulations thereunder.

Accordingly, the Equity Shares may not be offered or sold, and bids may not be made, by any person in Korea, other than to certain “qualified professional investors” (as defined under the FSCMA), and only in compliance with the FSCMA and the applicable regulations thereunder.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India or any other jurisdiction outside India, and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

FORWARD-LOOKING STATEMENTS

This Draft Red Herring Prospectus contains certain “forward-looking statements”. All statements contained in this Draft Red Herring Prospectus that are not statements of historical fact constitute “forward-looking statements”. All statements regarding our expected financial condition, cash flow and results of operations, business, plans and prospects are “forward-looking statements”. These forward-looking statements generally can be identified by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “likely to”, “may”, “seek to”, “shall”, “objective”, “plan”, “project”, “will”, “will continue”, “will pursue”, “can”, “could”, “goal”, “should” or other words or phrases of similar import. Similarly, statements that describe our strategies, objectives, plans or goals are also forward-looking statements. However, these are not the exclusive means of identifying forward looking statements. All forward-looking statements whether made by us or any third parties in this Draft Red Herring Prospectus are based on our current plans, estimates, presumptions and expectations and are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement, including but not limited to, regulatory changes pertaining to the industry in which we have businesses and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in the industry.

Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- Reliance on our top 10 customers;
- Absence of long-term contracts with several of our customer;
- Dependence on customers in the metal and minerals industries;
- Dependence on generation of sufficient freight volumes and optimise revenue to achieve desired profit margins and avoid losses;
- High fixed costs and uncertainty on passing increase in costs to our customers;
- Uncertainty on increasing our profit for the year margin in the future;
- Termination of contracts by our customers;
- Dependence on our partners/ vendors and absence of long-term contracts with most of them;
- Inability to manage our diversified operations and expand businesses leading to concentration of revenue”; and
- Increase in price and age of our vehicles.

Certain information in “*Industry Overview*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 168, 208 and 366, respectively, of this Draft Red Herring Prospectus has been obtained from the report titled “*Industry report on logistics market in India*” dated September 2025, exclusively prepared by CRISIL and, commissioned and paid for by our Company specifically in connection with the Offer, pursuant to an engagement letter dated June 26, 2025. The CRISIL Report is available on the website of our Company at <https://cjdarcl.com/investor-relations/>

For further discussion of factors that could cause the actual results to differ from the expectations, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 39, 208 and 366, respectively. By their nature, certain market risk disclosures are only estimates, and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated and are not a guarantee of future performance.

Forward-looking statements reflect current views as of the date of this Draft Red Herring Prospectus and are not a guarantee of future performance. There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

These statements are based on our management’s belief and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based on are reasonable, any of these assumptions could prove to be inaccurate and the forward-looking statements based on these assumptions could

be incorrect. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance. Neither our Company, our Promoters, our Directors, the BRLMs nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the requirements of SEBI, our Company shall ensure that investors in India are informed of material developments from the date of the Draft Red Herring Prospectus in relation to the statements and undertakings made by them in this Draft Red Herring Prospectus until the time of the grant of listing and trading permission by the Stock Exchanges for this Offer. Further, each of the Selling Shareholders shall ensure that investors in India are informed of material developments from the date of the Draft Red Herring Prospectus in relation to the statements and undertakings specifically made or confirmed by such Selling Shareholder in this Draft Red Herring Prospectus until the time of the grant of listing and trading permission by the Stock Exchanges for this Offer.

OFFER DOCUMENT SUMMARY

This section is a general summary of certain disclosures and terms of the Offer included in this Draft Red Herring Prospectus and is not exhaustive, nor does it purport to contain a summary of all the disclosures in this Draft Red Herring Prospectus or all details relevant to prospective investors. This summary should be read in conjunction with, and is qualified in its entirety by, the more detailed information appearing elsewhere in this Draft Red Herring Prospectus, including the sections titled “Risk Factors”, “The Offer”, “Capital Structure”, “Objects of the Offer”, “Industry Overview”, “Our Business”, “Our Promoters and Promoter Group”, “Financial Information”, “Outstanding Litigation and Other Material Developments”, “Offer Procedure” and “Description of Equity Shares and Terms of the Articles of the Association” on pages 39, 78, 93, 137, 168, 208, 269, 282, 402, 445 and 468, respectively.

Summary of primary business of our Company

We are a logistics company with over 39 years of operational experience, offering integrated multimodal logistics and warehousing and distribution services to enterprise customers across India and overseas markets. Over the years, we have evolved into an integrated logistics service provider, offering a variety of services which include (i) integrated multimodal logistics (including full truck load, rail transportation, air cargo transportation, shipping/coastal transportation, project logistics, freight forwarding); and (ii) warehousing and distribution. We have a pan-India operational presence covering over 6,691 locations through our network of 202 branch offices and 6 administrative offices, 14 warehousing facilities and 1 railway stock yard as of March 31, 2025.

Summary of industry

The overall logistics market size including all modes (Road, Rail, Air cargo (domestic), coastal) and Industrial warehousing is estimated to be ₹ 10 to ₹ 11 trillion in Fiscal 2025. By fiscal 2030, the market will reach to ₹ 15 to ₹ 17 trillion and industrial warehousing will reach to ₹ 2 to ₹ 3 trillion, growing with a 9-10% CAGR and 11-12% CAGR, respectively, outpacing India’s GDP growth rate of 6.5-7.5% over the period of fiscal 2025-2030. Structural changes in logistics, technological advances, government focus, infrastructure outlay and steadfast economic growth will help in the growth of logistics market (*Source: CRISIL Report*).

Risk factors

Specific attention of Bidders is invited to the section “*Risk Factors*” on page 39. Bidders are advised to read the risk factors carefully before taking an investment decision in the Offer. Set forth below are the top 10 risk factors applicable to our Company:

Risk Factor No. in the DRHP	Category of the Risk	Description of the Risk
1	Operational risk	We derive a significant portion of our revenue from operations from our top 10 customers. Our top ten customers contributed to 42.96%, 46.41% and 45.93% of our revenue from operations during Fiscal 2025, Fiscal 2024 and Fiscal 2023, respectively. Loss of one or more of these customers or a reduction in the amount of business we obtain from them could have an adverse effect on our business, results of operations, financial condition and cash flows.
2	Operational risk	We do not have long-term contracts with several of our customers. In order to retain some of our existing customers we may also be required to offer terms to such customers which we may place restraints on our resources.
3	Operational risk	We are dependent on the performance of our customers operating in the metals and minerals and coal industries for our revenue from operations from our integrated multimodal transportation vertical, which comprised 55.61%, 55.27% and 54.65% of revenue from operations during Fiscal 2025, Fiscal 2024 and Fiscal 2023, respectively. Fluctuations in the performance of such industries may result in a loss of such customers, leading to a decrease in the volume of work we undertake or the price at which we offer our services.
4	Operational risk	Our success depends on our ability to generate sufficient freight volumes and optimise revenue to achieve desired profit margins and avoid losses. Any failure on our part to achieve desired operating or net profit margins could have an adverse impact on our business, results of operations, financial condition and cash flows.
5	Operational risk	We may not be able to pass on any increase in costs levied by our business partners to our customers. Conversely, we may not be able to pass on any decline in prices we charge our customers to our business partners. We are also exposed to risks related to an escalation in fuel prices.
6	Financial position risk	Our restated profit for the year margin was 1.80%, 1.80% and 1.61% during Fiscals 2025, 2024 and 2023. We cannot assure that we will be able to significantly increase our restated profit for the year margin in the future, which may have an adverse impact on our growth and consequently may adversely impact our business, results of operations, financial condition and cash flows.
7	Operational risk	Our customer contracts can be terminated by our customers without cause on short notice and without compensation. Further, our business consists of spot business with several of our customers. We cannot assure that our business with such customers will not be terminated abruptly or that they will be carried on in accordance with the terms favourable to us, within the anticipated timeframe, or at all.
8	Operational risk	We depend on our business partners and vendors/suppliers in certain aspects of our operations and unsatisfactory services provided by them or failure to maintain relationships with them could disrupt our operations. Further, we have not entered into any long-term contracts with most of our suppliers for supply of the transport vehicles required by us for steady functioning of our business operations.
9	Operational risk	Our inability to manage our diversified operations and expand new businesses may have an adverse effect on our business, results of operations, financial condition and cash flows. Failure to improve diversification of our revenue streams exposes us to risk of concentration of revenue from the integrated multimodal transportation vertical.
10	Operational risk	The increase in the age of our vehicles and an increase in the prices of vehicles may adversely affect our business and results of operations.

Summary of contingent liabilities

The following is a summary table of our contingent liabilities as derived from the Restated Consolidated Summary Statements as per Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets, as at March 31, 2025:

Notes:

1. Valued added tax/ sales tax matters mainly relates the demands raised by VAT/ sales tax authorities of various states on account of online transit forms not prepared by drivers under laws of those states. The matters are contested by the Group at various commissionerate level against the authorities.
2. Demands raised by the income tax authorities relates to disputes on disallowance related to sec 14A and bad debts etc. The matters are contested by the Group at various appellate authorities against the tax authorities.
3. In view of the large number of cases pending at various forums / courts, it is not practicable to furnish the details of each case. Based on the discussions with the solicitors / favorable decisions in similar cases / legal opinion taken by the Group, the management believes that the Group has a strong chance of success in the cases.
4. Bank guarantee primarily pertains to performance guarantee given to various customers of the Group.
5. The Payment of Bonus Act, 1965 ("the Act") was amended vide the Payment of Bonus (Amendment) Act, 2015 notified on January 01, 2016. The Act, inter-alia, has been amended to take retrospective effect with effect from April 01, 2014 and accordingly the revised bonus by way of arrears related to the year ended March 31, 2015 is required to be paid to the eligible employees. Based on advisors opinion obtained by the Group stay orders from various High Courts across the country against the amendment to the Payment of Bonus Act to the extent that it gives retrospective effect from April 01, 2014, the statutory bonus for financial year 2014-15 amounting to ₹ 24.00 million has not been recognized and treated as contingent liability in the current year as well as in the previous year. The Group will remain vigilant to watch the actual Court proceeding and clarification / notification from the Central Government and will review the accounting impact as on March 31, 2025.

For further details of contingent liabilities as derived from the Restated Consolidated Summary Statements as per Ind AS 37 – ‘Provisions, Contingent Liabilities and Contingent Assets’, please see “Restated Consolidated Summary Statements – Note 39” on page 351.

Details of Pre-IPO Placement

Our Company in consultation with the Book Running Lead Managers, may consider a Pre-IPO Placement, as may be permitted under applicable law for up to 5,294,000 Equity Shares of face value of ₹ 2 each, at its discretion, prior to the filing of the Red Herring Prospectus with the RoC. The Pre-IPO Placement, if undertaken, will be at a price to be decided by our Company in consultation with the BRLMs. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with rule 19(2)(b) of the SCRR. The Pre-IPO Placement, if undertaken, shall not exceed 20% of the size of the Fresh Issue. Prior to the completion of the Offer, our Company shall appropriately intimate the subscribers to the Pre-IPO Placement, prior to allotment pursuant to the Pre-IPO Placement, that there is no guarantee that our Company may proceed with the Offer, or the Offer may be successful and will result into listing of the Equity Shares on the Stock Exchanges. Our Company shall report any Pre-IPO Placement to the Stock Exchanges, within 24 hours of such Pre-IPO Placement (in part or in entirety) and as may be required under applicable law. Further, relevant disclosures in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus.

Issuance of Equity Shares in the last one year for consideration other than cash

Our Company has not issued any Equity Shares for consideration other than cash during a period of one year preceding the date of this Draft Red Herring Prospectus.

Split or consolidation of equity shares in the last one year

Except as disclosed in “*Capital Structure – Equity share capital history of our Company*” on page 95, our Company has not undertaken a split or consolidation of the Equity Shares in the one year preceding the date of this Draft Red Herring Prospectus.

Exemption from complying with any provisions of securities laws, if any, granted by SEBI

Our Company has not sought any exemption from SEBI from complying with any provisions of securities laws, as on the date of this Draft Red Herring Prospectus.

SECTION II: RISK FACTORS

An investment in Equity Shares involves a high degree of risk. You should carefully consider all the information in this Draft Red Herring Prospectus, including the risks and uncertainties described below, before making an investment in the Equity Shares. The risks and uncertainties described in this section are not the only risks relevant to us or our Equity Shares and the industry in which we operate or propose to operate. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also have an adverse effect on our business, prospects, results of operations, financial condition and cash flows. If any or a combination of the following risks, or other risks that are not currently known or are now deemed immaterial, actually occurs, our business, financial condition, results of operations and cash flows could suffer, the price of our Equity Shares could decline, and you may lose all or part of your investment. Furthermore, some events may be material collectively rather than individually. The financial and other implications of risks, wherever quantifiable, have been disclosed in the risk factors mentioned below. However, there are risks where the effect is not quantifiable and hence have not been disclosed in the applicable risk factors. Prospective investors should read this section together with “Our Business”, “Industry Overview” and “Management’s Discussions and Analysis of Financial Condition and Results of Operations” on pages 208, 168 and 366, respectively, as well as the other financial and statistical information contained in this Draft Red Herring Prospectus. In making an investment decision, prospective investors should rely on their own examination of our Group and the terms of the Offer, including the merits and risks involved. You should consult your tax, financial and legal advisors about the particular consequences to you of an investment in our Equity Shares. Potential investors should pay particular attention to the fact that our Company is incorporated under the laws of India and is subject to legal and regulatory environment which may differ in certain respects from that of other countries.

This Draft Red Herring Prospectus also contains forward-looking statements that involve risks, assumptions and uncertainties where actual results could materially differ from those anticipated in these forward-looking statements as a result of certain factors, including but not limited to the considerations described below and elsewhere in this Draft Red Herring Prospectus. For further details, see “Forward-Looking Statements” on page 20.

We have included certain Non-GAAP financial measures and other performance indicators relating to our financial performance and business in this Draft Red Herring Prospectus, each of which are supplemental measures of our performance and liquidity and are not required by, or presented in accordance with the Ind AS, Indian GAAP, IFRS or U.S. GAAP. Such measures and indicators are not defined under Ind AS, Indian GAAP, IFRS or U.S. GAAP, and therefore, should not be viewed as substitutes for performance, liquidity or profitability measures under Ind AS, Indian GAAP, IFRS or U.S. GAAP. In addition, such measures and indicators are not standardized terms, and a direct comparison of these measures and indicators between companies may not be possible. Other companies may calculate these measures and indicators differently from us, limiting their usefulness as a comparative measure. Although such measures and indicators are not a measure of performance calculated in accordance with applicable accounting standards, our Company’s management believes that they are useful to an investor in evaluating us as they are widely used measures to evaluate a company’s operating performance. For risks relating to Non-GAAP Measures, see “– Certain non-GAAP financial measures and certain other statistical information relating to our operations and financial performance like EBITDA, EBITDA margin, Return on Net Worth, Return on Equity, Net Asset Value per Equity Share, Net debt, ROE, ROCE and others have been included in this Draft Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable.” on page 70.

Our fiscal year ends on March 31 of each year, and references to a “Fiscal” are to the 12 months ended March 31 of that year. Unless otherwise specified, all other references to any particular year refers to the relevant calendar year. Unless otherwise indicated or the context requires otherwise, the financial information included herein for Fiscals 2025, 2024 and 2023, is based on the Restated Consolidated Summary Statements included in this Draft Red Herring Prospectus. For further information, see “Restated Consolidated Summary Statements” on page 282.

*Unless stated otherwise, industry and market data used in this Draft Red Herring Prospectus is derived from the report titled, “Industry report on logistics market in India” dated September, 2025 (“**CRISIL Report**”) prepared by CRISIL India Limited (“**CRISIL**”), appointed by our Company pursuant to an engagement letter dated June 26, 2025 and such CRISIL Report has been commissioned by and paid for by our Company, exclusively in connection with the Offer. The CRISIL Report is available on the website of our Company at <https://ejdarcl.com/investor-relations/> from the date of this Draft Red Herring Prospectus until the Bid/Offer Closing Date and has also been included in “Material Contracts and Documents for Inspection – Material Documents” on page 547. See “– This Draft Red Herring Prospectus contains industry-related information derived from the industry report commissioned from CRISIL Limited and paid for by our Company. Investors are advised not to place undue reliance on such information.” on page 69 and information derived from the CRISIL Report are in accordance with the presentation, analysis and categorization in the CRISIL Report. CRISIL is an independent agency and is not a related party of our Company, our Subsidiaries, Directors, Promoters, Key Managerial Personnel, Senior Management or the Book Running Lead Managers Unless otherwise indicated, financial, operational, industry and other related information derived from the CRISIL Report and included herein with respect to any particular year refers to such information for the relevant calendar year.*

INTERNAL RISK FACTORS

Risks related to our business

1. *We derive a significant portion of our revenue from operations from our top 10 customers. Our top ten customers contributed to 42.96%, 46.41% and 45.93% of our revenue from operations during Fiscal 2025, Fiscal 2024 and Fiscal 2023, respectively. Loss of one or more of these customers or a reduction in the amount of business we obtain from them could have an adverse effect on our business, results of operations, financial condition and cash flows.*

Our business operations are highly dependent on our top customers, which exposes us to a high risk of customer concentration. The following table summarizes the revenue proportion of our top customers for the respective years indicated:

Particulars	Fiscal 2025		Fiscal 2024		Fiscal 2023	
	Amount (in ₹ million)	% of total revenue from operations	Amount (in ₹ million)	% of total revenue from operations	Amount (in ₹ million)	% of total revenue from operations
Revenue from top 10 customers	22,170.80	42.96%	21,324.16	46.41%	19,363.33	45.93%

Note: The top 10 customers are the top 10 customers in terms of revenue for each of the respective years and may not necessarily be the same customers.

Our dependence on these customers subjects us to various risks which may include, but are not limited to, reduction, delay or cancellation of orders from our key customers, failure to renew contracts with one or more of our key customers, failure to renegotiate favourable terms with our key customers or the loss of these customers entirely (due to factors such as disputes with customers, financial hardship including due to bankruptcy or liquidation, migration of customers to our competitors, or adverse market conditions affecting the industry in which our customer operates or the economic environment generally. While we have not had any instances of loss of our top 10 customers by revenue in the last three Fiscals, there can be no assurance that it will not happen in the future. Any of the aforesaid factors could have a material adverse effect on our business, financial condition, cash flows and results of operations.

2. *We do not have long-term contracts with several of our customers. In order to retain some of our existing customers we may also be required to offer terms to such customers which we may place restraints on our resources.*

We do not have long-term contracts with several of our customers and the success of our business is accordingly significantly dependent on us maintaining cordial relationships with our customers. We derive a significant portion of our revenue from certain old long-standing customers, and accordingly, a material percentage of our future revenues will be dependent upon the successful continuation of our relationships with these customers or finding customers of similar size and scope. The following table summarizes the revenue contribution from our customers with longstanding relationships for the years indicated:

Customer being served for more than	Fiscal 2025			Fiscal 2024			Fiscal 2023		
	Number of customers	Revenue (in ₹ million)	% of revenue from operations	Number of customers	Revenue (in ₹ million)	% of revenue from operations	Number of customers	Revenue (in ₹ million)	% of revenue from operations
3 years	792	44,728.34	87.77%	744	40,322.74	87.76%	702	37,002.01	86.66%
6 years	387	38,391.37	75.49%	372	34,420.59	74.92%	363	31,827.00	74.39%
9 years	243	33,484.96	69.09%	232	30,898.23	67.25%	233	29,128.66	64.88%

The loss of any of our long-standing customers, or any inability on our part to renew contracts with them on terms and conditions that are commercially favorable, or a decision by such customers to reduce, vary, or terminate the services availed from us, could materially and adversely affect our business operations. Our top customers contribute a significant portion of our revenues, and there can be no assurance that we will be able to maintain these relationships in the future. Any such loss, reduction in scope of services, or non-renewal of agreements may result in a decline in our revenues, adversely impact our profitability, and harm our results of operations and cash flows.

Our contracts are typically renewed periodically and our contracts with our top 10 customers (based on their contribution to our revenue from operations in Fiscal 2025) typically have a tenure ranging from nine months to eight years. Some of our customers also award us business based on e-mail for which internal work orders are created. While there have been no such instances of abrupt termination during the last three Fiscals, we cannot assure that our business with such customers will not be terminated abruptly or that they will be carried on in accordance with the terms favourable to us, within the anticipated timeframe, or at all.

In order to retain some of our existing customers we may also be required to offer terms to such customers which we may place restraints on our resources. We cannot assure you that we will be able to maintain historical levels of business with our top customers or negotiate commercially favourable arrangements in the future.

3. ***We are dependent on the performance of our customers operating in the metals and minerals and coal industries for our revenue from operations from our integrated multimodal transportation vertical, which comprised 55.61%, 55.27% and 54.65% of revenue from operations during Fiscal 2025, Fiscal 2024 and Fiscal 2023, respectively. Fluctuations in the performance of such industries may result in a loss of such customers, leading to a decrease in the volume of work we undertake or the price at which we offer our services.***

We are dependent on the performance of our customers operating in certain industries, particularly metals and minerals. Following table sets forth our industry-wise revenue contribution from the integrated multimodal transportation vertical for the years indicated:

Industry	Revenue from operations attributable to industry (in ₹ million and % of revenue from operations from the integrated multimodal transportation vertical)					
	Fiscal 2025		Fiscal 2024		Fiscal 2023	
	Amount (in ₹ million)	%	Amount (in ₹ million)	%	Amount (in ₹ million)	%
Metal	18,736.74	37.06%	17,487.07	38.52%	15,761.93	37.64%
Minerals and Coal	9,379.78	18.55%	7,608.21	16.76%	7,123.38	17.01%
Chemicals	7,184.47	14.21%	6,949.65	15.31%	6,066.80	14.49%
Engineering and construction	5,064.22	10.02%	4,581.70	10.09%	4,672.92	11.16%
FMCG	4,623.18	9.14%	3,813.37	8.40%	3,828.44	9.14%
Agriculture	2,667.10	5.28%	2,207.90	4.86%	2,031.71	4.85%
Green Energy	994.93	1.97%	777.16	1.71%	374.71	0.89%
Auto and auto ancillary	788.05	1.56%	828.38	1.82%	786.58	1.88%
Glass	734.27	1.45%	852.34	1.88%	851.83	2.03%
Others	387.62	0.77%	296.30	0.65%	379.40	0.91%
Total	50,560.36	100.00%	45,402.08	100.00%	41,877.70	100.00%

The business of our customers depends on the performance of, amongst others, sectoral business outlook like metals, minerals and coal, chemicals, FMCG, engineering and construction, agriculture, auto and auto ancillary, glass, and green energy sectors where our company is predominantly doing transportation activities. These industries may be sensitive to factors beyond our control, including general economic conditions such as consumer demand, consumer confidence, inflation, employment and disposable income levels, interest rate levels, demographic trends, technological changes, increasing environmental, health and safety regulations, government policies, political instability and fuel prices. A loss of, or a significant decrease in business from top customers particularly in the metals and minerals industry could materially and adversely affect our business, results of operations, cash flows and financial condition.

Our business is closely linked to the performance and growth of the industries in which our customers operate. Any downturn, volatility, or adverse developments in such industries may result in the loss of customers, a reduction in the volume of business we undertake, or increased pricing pressure on the services we provide. We may not be able to pass on the impact of such adverse developments to our customers, which could lead to lower margins. Consequently, any sustained weakness or fluctuations in these industries could materially and adversely affect our business, financial condition, cash flows, and results of operations.

4. ***Our success depends on our ability to generate sufficient freight volumes and optimise revenue to achieve desired profit margins and avoid losses. Any failure on our part to achieve desired operating or net profit margins could have an adverse impact on our business, results of operations, financial condition and cash flows.***

Our business is dependent on our ability to attract sufficient freight volumes from our customers to achieve desired margins and avoid losses. Set forth below are the details of cargo transported by us during the years indicated:

Particulars	Fiscal 2025	Fiscal 2024	Fiscal 2023
Cargo transported			
-Cargo transported through owned fleet (million MTs)	2.05	1.73	1.32
-Cargo transported through partnered fleet (including rail and others) (million MTs)	20.37	18.02	16.62
Rail transportation (twenty feet equivalent unit (TEUs))	52,436	49,337	45,353.00

Particulars	Fiscal 2025	Fiscal 2024	Fiscal 2023
Air cargo transportation (Tonnes)	4,315.64	9,579.79	3,446.13

Cargo transported by our owned fleet and operating leased vehicles collectively contributed 12.47%, 10.72% and 8.91% of our revenue from operations during Fiscals 2025, 2024 and 2023, respectively. Whereas cargo transported by partnered fleet contributed (including rail and others) contributed 85.49%, 88.10% and 90.42% of our revenue from operations during Fiscals 2025, 2024 and 2023, respectively.

The high fixed costs typical of our business remain largely unchanged despite fluctuations in freight volumes or the number of consignments handled. As a result, even small changes in freight volumes, occupancy, or freight rates can significantly impact our results of operations and cash flows. As a result, the success of our business depends on our ability to optimize freight volumes and revenues. If we are unable to optimize freight volume and revenues sufficiently, we may not be able to achieve desired operating or net profit margins, and our business, results of operations, financial condition and cash flows could be adversely affected.

Our international transportation, cross border projects, trade movements and container handling operations are significantly affected by various factors including trade barriers, sanctions imposed, economic growth, natural disaster, war, hostilities, pandemic, epidemics or terrorism consequent to which our freight volumes may decrease resulting in decline in profit margins and thereby adversely affecting our business, results of operations and cash flows. For example, due to ongoing Russia-Ukraine conflict, US sanction has been imposed on Russia in which context our Corporate Promoter, CJ Logistics Corporation has expressed concerns on executing the import-based contracts of logistics transportation from Russia to India citing the reputational risk due to which our Company is also not desirous to participate in project consignment from Russia to India.

Further, in relation to our owned vehicles, we are dependent on the availability of sufficient return load in order to optimize utilization and maintain cost efficiency. While there have been no instances of inadequate return load during the last three Fiscals, there can be no assurance that such trends will continue in the future. Any inability to consistently generate adequate return load may result in higher idle time, increased operating costs, and lower margins, which could adversely affect our business, prospects, results of operations, cash flows, and overall financial condition.

5. ***We may not be able to pass on any increase in costs levied by our business partners to our customers. Conversely, we may not be able to pass on any decline in prices we charge our customers to our business partners. We are also exposed to risks related to an escalation in fuel prices.***

Our business is characterised by high fixed costs, principally due to lorry hire, haulage and other ancillary cost in relation to transportation vehicles including expenses incurred on running of trucks and rail container owned/leased by us. During Fiscals 2025, 2024 and 2023, lorry hire, haulage and other ancillary cost amounted to ₹ 45,194.19 million, ₹ 40,637.87 million and ₹ 37,795.60 million, respectively, accounting for 87.57%, 88.45% and 89.65%, of our revenue from operations during the respective year.

Our business partners support our logistics operations, including transportation, warehousing, and distribution services. While outsourcing certain functions offers flexibility and cost efficiencies, dependency on our business partners introduces inherent risks that could impact our operations and financial performance. Proactive vendor management, rigorous due diligence, contractual safeguards, and contingency plans are essential to ensure the continuity and resilience of our logistics operations.

We typically pass on the charges we receive from our business partners to our customers in the pricing of services we offer. However, we may not be able to immediately pass on any short-term increases in these charges to our customers until our contracts are reviewed with our customers, or until we negotiate the renewal terms of our customer contracts. We may be susceptible to certain unforeseen costs if our business partners decide to impose these additional costs on us in the interim period. We cannot assure you that we will be able to pass on any such unanticipated increases in costs to our customers in the future, either wholly or in part.

Similarly, if there are any fluctuations in the performance of the industries in which our customers operate or in the event of an economic slowdown in India, our customers may negotiate a lower price for our services and we may not be able to pass on any decrease in our prices to our business partners. Disagreements on such costs may lead to a loss of customers and may also affect the reliability and quality of the services provided by our business partners.

Fuel costs, toll charges and vehicle hiring cost represent some of our significant operating costs. While the contracts for road transportation typically contain diesel escalation/de-escalation clauses, customers exercise the option at their discretion in case of de-escalation and issue debit note wherever de-escalation clause is applicable. However, in case of escalation no such credit note is issued to us without specific request/automatically. The cost of fuel has increased in recent years and fluctuates significantly due to various factors beyond our control, including international prices of crude oil and petroleum products, global and regional demand and supply conditions, geopolitical uncertainties, import

cost of crude oil, government policies and regulations and availability of alternative fuels. Although historically we have generally been able to pass on any increases in the cost of fuel or other operating costs to our customers through periodic increases in our freight rates, there can be no assurance that we will be able to pass on any such increases in the future to our customers either wholly or in part, and our profitability, results of operations and cash flows may be adversely affected.

While we have not faced any significant increase in costs which is not commensurate with our growth in business operations in the last three Fiscals, in the event of a significant or long-term increase in our operating costs, whether as a result of increases in fuel prices, third-party transportation service charges, rent or other costs, our inability to pass on such increases in costs to our customers or any decline in prices to our business partners, or our inability to adopt effective cost control-measures, may materially and adversely affect our operating margins and, consequently, our business, results of operations, financial condition and cash flows.

6. ***Our restated profit for the year margin was 1.80%, 1.80% and 1.61% during Fiscals 2025, 2024 and 2023. We cannot assure that we will be able to significantly increase our restated profit for the year margin in the future, which may have an adverse impact on our growth and consequently may adversely impact our business, results of operations, financial condition and cash flows.***

We operate in a highly competitive sector and our business is dependent on our ability to attract sufficient freight volumes from our customers. We rely on our ability to anticipate, understand and address the preferences of our existing and prospective customers as well as to understand the evolving industry trends while determining our pricing strategy. Our operating costs have a direct impact on our restated profit for the year margin. In the event of a significant or long-term increase in our operating costs, whether as a result of increases in fuel prices due to geo-political tensions and inflations, third-party transportation service charges, increased level of competition in the industry from the unorganized players in FTL transportation business, change in the emission norms for environment protection, rent or other costs, our inability to adopt effective cost control-measures, may materially and adversely affect our operating margins and, consequently, our business, results of operations, financial condition and cash flows.

The following table summarizes the revenue from operations, restated profit for the years and restated profit for the year margin for the respective years:

Particulars	Fiscal 2025	Fiscal 2024	Fiscal 2023
Revenue from operations (₹ million) (A)	51,611.09	45,944.14	42,158.26
Restated profit for the year (₹ million) (B)	931.19	827.80	677.01
Restated Profit for the year margin (%) C=(B)/(A)	1.80%	1.80%	1.61%

We cannot assure that we will be able to significantly increase our profit margin in the future, which may have an adverse impact on our growth and consequently may adversely impact our business, results of operations, financial condition and cash flows.

7. ***Our customer contracts can be terminated by our customers without cause on short notice and without compensation. Further, our business consists of spot business with several of our customers. We cannot assure that our business with such customers will not be terminated abruptly or that they will be carried on in accordance with the terms favourable to us, within the anticipated timeframe, or at all.***

Our contracts are typically renewed periodically and our contracts with our top 10 customers (based on their contribution to our revenue from operations in Fiscal 2025) typically have a tenure ranging from nine months to eight years. Some of our customers also award us business based on e-mail for which internal work orders are created. We cannot assure that our business with such customers will not be terminated abruptly or that they will be carried on in accordance with the terms favourable to us, within the anticipated timeframe, or at all. Since we do not have binding agreements with some of our customers, they may avail the services of our competitors resulting in the loss of business to us, which may adversely affect our results of operations and cash flows. Further, in accordance with historical practices, we continue to provide services to certain customers at negotiated rates under the terms set forth in our agreements with them that may have expired or are about to expire, and we cannot assure you that such agreements will be renewed on terms favourable to us, or at all.

While there have been no such instances during the last three Fiscals, our agreements with our customers may be terminated by giving a short or no prior notice and without compensation and we may be required to indemnify our customers with respect to any negligent act or omission by or misconduct of our employees. Our business could be adversely affected if our contracts with our customers are not renewed within the anticipated timeframe, or at all.

Certain of our agreements with customers require us to comply with prescribed terms, conditions, and codes of conduct determined by them. These requirements may increase our compliance costs and operational burdens. Failure to adhere

to such obligations, whether due to factors within or outside our control, could result in contractual breaches. In such circumstances, we may be required to, among other things, (i) pay compensation, penalties, or liquidated damages to our customers; (ii) bear consequential losses; (iii) face restrictions on our ability to continue providing services; or (iv) suffer reputational harm. Any such developments could materially and adversely affect our business, results of operations, cash flows, and financial condition.

We typically lease or license certain logistics assets/facilities from third parties for operating our warehouses and transportation assets such as shipping containers, vehicles, railway terminal in order to provide our logistics solutions and services to certain customers. We maintain or increase these logistics assets/facilities on the basis of actual demand or our projections of future demand, which may involve uncertainties. In the event our customers decide to terminate, or not renew, their contracts with us and we are not able to use the available assets/facilities in the manner we anticipated, we may incur additional lease costs for such assets/facilities which could in turn adversely affect our profit margins.

Our inability to secure new contracts to offset the loss of the terminated contracts or our inability to accurately forecast the renewal of customer contracts may create uncertainties with respect to our revenues from our customer contracts, any of which may in turn materially and adversely affect our business, results of operations, financial condition and cash flows. We cannot assure you that in the future our customers will not terminate any contract without cause and without compensation.

8. *We depend on our business partners and vendors/suppliers in certain aspects of our operations and unsatisfactory services provided by them or failure to maintain relationships with them could disrupt our operations. Further, we have not entered into any long-term contracts with most of our suppliers for supply of the transport vehicles required by us for steady functioning of our business operations.*

The intermediaries comprising cargo carriers, vendors, brokers, vehicle suppliers, freight forwarders, etc. form an integral part of our business operations and help us in providing our services. The performance of our business partners and vendors may not meet the relevant terms and conditions or performance parameters, which could result in disruption of our business operations and a deterioration in our brand value. Further, certain assets necessary for our operations such as cargo, vehicles and moving equipment, warehouses and manpower are leased from third parties. We cannot assure you that we will continue to receive an uninterrupted supply of these assets to us in a timely manner or in quantities or prices that are commercially acceptable to us, or at all. Events beyond our control may also affect the cost or availability of transport assets or related equipment. Hiring additional ad hoc third-party transport assets also significantly increases our operational expenses, which could adversely affect our cost structure and in turn our profitability. As of March 31, 2025, we had over 376,000 vendors with a relationship of over 5 years. Our relationship with over 554,781 business partners as of March 31, 2025, has enabled our success as an aggregator. As of March 31, 2025, we had a network of over 955,000 partnered fleet in our portfolio, through a vendor base of over 554,000 business partners built on longstanding relationships. We generate a significant portion of our revenue through our business partners and vendors/suppliers, failure to maintain relationships with them could disrupt our operations and may adversely impact our cash flows and results of operations.

The services offered by our business partners may result in disputes, which could negatively impact our relationships with both the service providers and our customers. Although there have been no adverse performance-related incidents involving our business partners that have led to disputes in the past three Fiscals, we cannot guarantee that we will consistently retain the trust of our customers or secure future transportation business on a continuous basis.

Further, we may not have control over the servicing, upkeep, and maintenance of certain transport assets that we utilize. While there have been no such adverse instances during the last three Fiscals, any non-availability or delays in obtaining such transport assets, or breakdowns, on-road repairs, or service interruptions, may result in delays in the delivery of goods, cancellation of orders, or failure to meet customer expectations. Such events could lead to client dissatisfaction, loss of business opportunities, adverse impact on customer relationships, and consequently may materially and adversely affect our business, results of operations, cash flows, and financial condition.

Additionally, although, we have entered into formal agreements with some of our intermediaries, we have not entered into any long-term agreements with most of our suppliers for supply of the transport vehicles required by us for steady functioning of our business operations, therefore the costs of hiring such assets are generally based on mutual terms and the prevailing market price. Absence of such agreements involves inherent risks such as inability to enforce obligations in case of breach. We cannot assure you that we will be able to maintain amicable relations with our intermediaries or continue to renew the arrangements with these third parties on terms that are commercially acceptable to us, or at all.

We operate in a competitive environment, and our competitors may offer more attractive terms, pricing, or service conditions. As a result, our vendors may choose to prioritize their business with competitors or serve them alongside

us on a preferential basis. Any such shift in vendor focus or allocation of resources could adversely affect our ability to procure inputs or services on favourable terms, potentially resulting in increased costs, delays, or interruptions in our operations. These factors could materially and adversely impact our business, results of operations, financial condition, and cash flows.

If any of the foregoing risks materialize, our business, operations, reputation, financial condition, results of operations and cash flows may be adversely affected.

9. *Our inability to manage our diversified operations and expand new businesses may have an adverse effect on our business, results of operations, financial condition and cash flows. Failure to improve diversification of our revenue streams exposes us to risk of concentration of revenue from the integrated multimodal transportation vertical.*

Our logistics services with multimodal capabilities across verticals include (i) integrated multimodal logistics (including FTL, rail, transportation, air cargo transportation, shipping/coastal transportation, project logistics, freight forwarding); and (ii) W&D. The following table sets out the vertical-wise revenue proportion during the years indicated:

Verticals	Revenue from operations						CAGR (Fiscal 2023 to 2025) (in %)
	Fiscal 2025		Fiscal 2024		Fiscal 2023		
	(in ₹ million)	%	(in ₹ million)	%	(in ₹ million)	%	
Integrated multimodal transportation	50,560.36	97.96	45,402.06	98.82	41,877.71	99.33	9.88
W&D	1,050.73	2.04	542.08	1.18	280.55	0.67	93.53
Total	51,611.09	100.00	45,944.14	100.00	42,158.26	100.00	10.64

We generate significant portion of our revenue from operations from the integrated multimodal transportation vertical. While we aspire to transform from a predominantly multimodal logistics solutions provider to a ‘total logistics provider’, failure to improve diversification of our revenue streams exposes us to risk of concentration of revenue from the integrated multimodal transportation vertical.

During Fiscals 2025, 2024, and 2023, our Company’s integrated multimodal transportation vertical contributed 97.96%, 98.82% and 99.33% respectively, to our revenue from operations. Additionally, public sector undertaking’s contribution in the integrated multimodal transportation vertical accounted for 4.14%, 4.15% and 3.98%, of our revenue from operations during the same year. While this concentration has historically offered stability and growth prospects, it also presents risks that could affect our financial performance and operational stability. The railway and PSU sectors are highly regulated, and changes in regulations, policies, or government priorities could affect our ability to secure contracts, maintain margins, or comply with new requirements.

Our management requires considerable expertise and skill to manage and allocate an appropriate amount of time and attention to our diverse service verticals. Our cost controls, internal controls, and accounting and reporting systems must be integrated and upgraded on a continual basis to support our diversified business. In order to manage and integrate our business effectively, we will be required to, among other things, maintain customer relationship, implement and continue to improve our operational, financial and management systems, develop the management skills and continue to train, motivate and manage our manpower.

We cannot assure you that we will be successful managing and expanding our business verticals. If we are unable to manage our diversified operations, our business, prospects, reputation, results of operations, financial condition and cash flows may be adversely affected. In the past, we have strategically decided to close our operations in less than truckload (“LTL”) vertical in April 2023, in view of the losses and future sustainability of this vertical.

10. *The increase in the age of our vehicles and an increase in the prices of vehicles may adversely affect our business and results of operations.*

As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders. The table below sets forth the details of the revenue from our owned fleet and operating lease vehicle for the years, as indicated:

Particulars	Revenue from operations					
	Fiscal 2025		Fiscal 2024		Fiscal 2023	
	(in ₹ million)	%	(in ₹ million)	%	(in ₹ million)	%
Revenue from owned fleet and operating lease vehicle	6,436.61	12.47	4,924.52	10.72	3,754.36	8.91

As of March 31, 2025, 50.93% of our owned vehicles were over five years old and 49.07% were less than five years old.

As our fleet ages, we expect maintenance costs, downtime, and the risk of breakdowns to increase, which may in turn affect operational efficiencies and service levels. In addition, the acquisition of new vehicles, whether to replace aging ones or to expand our business, may expose us to increased capital expenditure given the continuing rise in vehicle prices, fluctuations in input costs, changes in emission norms, and availability constraints in the domestic market. If we are unable to expand or upgrade our fleet in a timely manner or procure vehicles on commercially favourable terms, our operating costs could rise significantly, and we may face reduced competitiveness and profitability.

While we have not experienced material disruptions in our operations due to aging vehicles or significant delays in acquiring replacement vehicles during the last three Fiscals, there can be no assurance that similar circumstances will not arise in the future. Any delays in vehicle procurement, accelerated wear and tear, unexpected maintenance issues, or inability to replace vehicles in a timely manner could lead to operational inefficiencies, delayed deliveries, higher maintenance costs, and reduced service capacity. Such events could adversely affect our ability to meet customer expectations, harm our reputation, and materially and adversely impact our business, financial condition, cash flows, and results of operations.

- 11. *There have been certain instances of non-compliances of the Foreign Exchange Management Act, 1999 such as delays and/or non-filing in relation to certain corporate actions such as capital investment made by our Company in Darcl Logistics Nepal Private Limited, our Subsidiary, in 2013 and 2019. Any future non-compliances may result in the application of penalties.***

There have been certain procedural instances of non-compliances of FEMA Notification No. 120R/B such as delays and/or non-filing in relation to certain corporate actions taken by our Company in the past. For example, our Company did not report, in a timely manner, equity capital investment made by our Company in Darcl Logistics Nepal Private Limited, our Subsidiary, in 2013 and 2019. Pursuant to our application dated May 23, 2023, our Company has paid late submission fees aggregating to ₹ 0.02 million to the RBI. Further, as of March 31, 2025, (i) our payable balances include an amount of ₹ 95.41 million payable in foreign currency due for more than six months, and (ii) our trade receivables include an amount of ₹ 91.99 million recoverable from various debtors in foreign currencies due for more than nine months. Our Company is in the process of discussing with AD bank/ RBI for remittance, receipt or regularization of such amounts.

There can be no assurance that any future non-compliances will not result in the application of any penalties or arise again, or that we will be able to rectify or mitigate any such non-compliances, in a timely manner or at all.

- 12. *We have incurred negative cash flows from investing activities and may have negative cash flows in the future. We cannot assure you that our net cash used in investing activities will be positive in the future which could adversely affect our ability to, among others, fund our operations or pay debts in a timely manner.***

We have experienced negative cash used in investing activities in the years which have been set out below:

Particulars	For the years ended		
	March 31, 2025	March 31, 2024	March 31, 2023
	(₹ million)		
Net cash flow generated from operating activities	1,203.54	1,019.27	1,266.81
Net cash flows (used in) investing activities	(1,475.39)	(1,064.07)	(1,522.29)
Net cash flows from / (used in) financing activities	269.74	(16.41)	212.96
Net (decrease) in cash and cash equivalents	(2.11)	(61.21)	(42.52)

In Fiscal 2025, net cash (used in) investing activities amounted to ₹1,475.39 million which increased from ₹ 1,064.07 million in Fiscal 2024 which was primarily due to (i) purchase of property plant and equipment (including CWIP) of ₹ 1,360.13 million; (ii) purchase of intangible assets (including intangible assets under development) of ₹ 2.18 million; (iii) net investment in fixed deposits with banks other than cash & cash equivalents of ₹ 68.45 million; and (iv) net investment in the leases of ₹ 312.28 million.

For further details, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on page 366. We cannot assure you that our net cash used in investing activities will be positive or that we will generate sufficient cash from such activities in the future. Any shortfall in cash inflows from investments may limit our ability to fund operations, meet our debt obligations on a timely basis, or make necessary capital expenditures. This could materially and adversely affect our business, financial condition, results of operations, and cash flows.

- 13. *Any disruptions which affect our ability to utilize our transportation network in an uninterrupted manner could result in delays, additional costs or a loss of reputation or profitability.***

With a significant portion of the goods in India being transported by road, air, water and rail, our business operations are dependent on the steady functioning of all transport forms. Certain factors which could adversely affect any of these and result in delays, additional costs or unreliability include bad weather conditions, natural calamities, time-consuming and complex inter-state travel, political unrest, regional disturbances, fatigue or improper conduct of drivers, accidents, water leakage, shortage/pilferage, improper packaging, loading or unloading under supervision of untrained staff, breakdowns of vehicles and third-party negligence. Our cargo transported through any of these modes could suffer delays and additional costs due to, among others, personnel strikes, advent of unfavourable policy or regulatory framework, increased costs of cargo booking, mishandling of cargo by personnel. We cannot assure you that these factors and conditions will not affect our supply chain and logistics schedules, including last-mile connectivity, or our ability to operate without disruption. Any prolonged or significant downtime of, or damage to, our fleet or other related equipment may cause disruptions to our operations. If any of these risks materialize, our business, operations, financial condition, results of operations and cash flows may be materially and adversely affected. While we owe to our customers' certain contractual obligations such as timely delivery of goods, any failure on our part to provide such services in an effective manner, we may become liable to claims by customers, suffer adverse publicity and suffer substantial loss as a result of deficiency which could adversely affect our business, results of operations and cash flows.

Our daily operations rely heavily on the orderly, efficient, and timely development and maintenance of infrastructure critical to our logistics services. We are significantly dependent on government-owned and managed infrastructure, including roads, rail networks, and telecommunication and internet systems. Any deficiencies, delays, or disruptions in such infrastructure, changes in government policies relating to transportation, imposition of unfavorable taxes or levies, or other regulatory restrictions could adversely affect our ability to provide services efficiently, resulting in operational delays, increased costs, or reduced service quality. Any such developments could materially and adversely affect our business, operations, results of operations, cash flows, and financial condition.

14. *Any development resulting in imposition of trade barriers may negatively affect the growth of trade volumes, including the import and export volumes. Any such adverse developments impacting growth of trade volumes will have a negative impact on our business, cash flows and results of operations.*

Our results of operations are affected by the volume of our business, which in turn depends on worldwide trade volumes as well as the import and export volumes in India. Global trade volumes and the import and export volumes in India are affected by changes in global, regional and local economic, financial and political conditions and freight rates that are outside of our control, including as a result of:

- the imposition of trade barriers, sanctions, boycotts and other measures;
- changing economic cycles and other macroeconomic developments;
- trade disputes and work stoppages, particularly in the logistics services industry;
- acts of war, hostilities, natural disasters, pandemic, epidemics or terrorism; and
- changes in spot freight rates.

Any obstruction in trade in the markets from which we receive cargo, or to which cargo passing through our facilities is exported, slowing economic growth (due to factors such as economic fluctuations, wars or hostilities, natural disasters or internal developments such as political realignments) or the imposition of new trade barriers (such as rail, road and other tariffs; minimum prices; political, economic or military sanctions; export subsidies and import restrictions or duties) could lead to lower growth or a decline in the volume of trade and, consequently, to a decline or slower growth in cargo container handling. Given our dependence on the volume of container traffic and freight rates, any such negative developments resulting in imposition of trade barriers could adversely affect our business, results of operations and financial condition.

15. *We are subject to various risks associated with transportation and we may face debarment by client claims relating to loss or damage to cargo, personal injury claims or other operating risks that are not adequately insured.*

Our business is subject to various risks inherent in the logistics industry, including potential liability to our customers which could result from, among other circumstances, personal injury to persons or damage to property arising from accidents or incidents involving vehicles operated by us. In the normal course of business, we may be exposed to claims from our customers arising from theft, damage or loss of the materials. There have been instances in past, wherein we are accused of not efficiently delivering the materials or negligently handling the goods. For example, one of our customers debarred our Company for transportation due to reported adulteration in food product during transit while being carried by hired vehicles; and awarded the work to other logistics service provider at our risk and cost. We may, in certain circumstances, be required to compensate our customers in the event of any damage or loss of

goods transported by us. Air, rail, water and road transport services involve many risks and hazards, including mechanical breakdowns; however, insurance cover may be expensive, or may not be available, for certain of these risks. We may become subject to liability for hazards which we cannot, or may not elect to, insure because of high premium costs or other reasons, or for occurrences which exceed maximum coverage under our policies.

We operate a mix of our own vehicles and vehicles engaged on a hire-basis for specific consignments. Despite training the drivers and crew members and giving necessary instructions to vehicle owners/ representatives, we bear the risk of vehicles carrying the cargo being involved in collusion, malfunctioning, manufacturing defect, title issue which may lead to non-delivery of cargo on a timely basis or at all. Further, while there have been no adverse instances during the last three Fiscals, we may also have to suffer losses on account of repair of the vehicles (in the case of owned vehicles) and losses on account of human injuries while in the case of hired vehicles, we remain exposed to risks arising from the actions, omissions, or defaults of third-party owners, including failure to maintain vehicles or provide adequate insurance. We also run the risk of contamination by unauthorized carrying of contraband items resulting in confiscation of the vehicles along with materials and cargo.

Certain of the raw materials that we transport are corrosive and flammable and require skilled handling. Any failure or mishandling of hazardous freight, leakages, explosion or any adverse incident related to the freight or otherwise during the transportation, handling or warehousing, may cause accidents, fire, loss of human life and property, damage to our and third-party property and, or, environmental damage, require shutdown of one or more of our warehouses and expose us to civil or criminal liability. If any such event were to occur we could be subject to significant penalties, other actionable claims and, in some instances, criminal prosecution. In addition to adversely affecting our reputation, any such accidents, may result in a loss of our vehicles and/or disruption in our warehouses entirely, which may have an adverse effect on our results of operations, cash flows and financial condition.

While we generally maintain insurance covering certain assets and operations at levels that we believe to be adequate, we cannot assure you that there will not be any claims relating to loss or damage to goods, personal injury claims or other operating risks that are not adequately insured. The table below sets forth the particulars of our insurance coverage as at the dates indicated:

Particulars	As at		
	March 31, 2025	March 31, 2024	March 31, 2023
Total insurance coverage (₹ million)	7,329.54	5,707.24	4,741.00
Insurance coverage as a percentage of total insured assets (consisting of property, plant and equipment (excluding freehold land), right-of-use assets, capital work in progress, investment property and inventories)	134.27%	123.35%	119.67%

Value of consignments is typically very high than the freight value. In the event of any disruption wherein we face customer claims and may not have adequate back-up, we may have to incur liabilities, and consequently our business, prospects, financial condition, results of operations and cash flows may be adversely affected. While there have been no instances of losses/ damages caused to our operation due to inadequate coverage during the last three Fiscals, we cannot assure you that the terms of our insurance policies will be adequate to cover any such damage or loss suffered or that such coverage will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims, or that the insurer will not disclaim coverage as to any future claim.

Further, we enter into contracts with our customers for inter-alia transportation of goods and material, where primary responsibility lies with us to safely transport the goods to customers through owned / leased fleet or through third party suppliers. The terms of our contracts with our customers wherein our Company, the customer, or any other business partner is required to procure insurance policies to mitigate any risks arising out of damage or theft or loss as may be incurred to goods during transportation. We cannot assure that the insurance partner will not reject the insurance claim or deny fulfilment of its obligations, in such instances we may be required to bear the cost of damage or loss of consignment. While there have been no such instances during the last three Fiscals, we cannot assure you that we will be able to fully recover, claim or seek reimbursement of insurance amounts, from respective insurance partners.

Furthermore, any accident or incident involving vehicles operated by third party suppliers, even if these vehicles are fully insured or we are held not to be liable, could negatively affect our reputation among customers and the public, thereby making it difficult for us to compete effectively, and could significantly affect the cost and availability of insurance in the future. To the extent that any such uninsured risks materialize, our business, financial condition, results of operations and cash flows may be materially and adversely affected.

16. ***Our funding requirements and proposed deployment of the Net Proceeds of the Fresh Issue are based on management estimates. We have not entered into any definitive arrangements to utilize certain portions of the Net***

Proceeds of the Fresh Issue. We have relied on the quotations received from third parties for estimation of the cost for our capital expenditure requirements and have not been independently appraised by a bank or a financial institution.

We propose to utilise the Net Proceeds of the Fresh Issue for objects as described in “*Objects of the Offer*” on page 137. The objects of the Fresh Issue comprise (i) Repayment/ prepayment, in full or in part, of certain outstanding borrowings availed by our Company; (ii) Funding capital expenditure requirements of our Company towards purchase of equipment; and (iii) general corporate purposes.

Further, we intend to expand our owned fleet of vehicles and propose to utilise ₹2,038.57 million out of the Net Proceeds towards purchase of equipment. We are yet to place orders for the total capital expenditure. There can be no assurance that we will be able to place orders for such equipment, in a timely manner or at all. We have not entered into any definitive agreements to utilize the Net Proceeds for this object of the Fresh Issue and have relied on the quotations received from third parties for estimation of the cost. While we have obtained the quotations from several vendors in relation to such capital expenditure, these quotations are valid for a certain period of time and may be subject to revisions, and other commercial and technical factors. Furthermore, since these quotations are valid for limited periods and there can be no assurance that we will be able to obtain new quotations from these or other suppliers on the same terms. Additionally, in the event of any delay in placement of such orders, the proposed schedule implementation and deployment of the Net Proceeds may be extended or may vary accordingly. We cannot assure you that we will be able to undertake such capital expenditure within the cost indicated by such quotations or that there will not be cost escalations. For details, see “*Objects of the Offer*” on page 137.

The objects of the Fresh Issue have not been appraised by any bank or financial institution, and our funding requirements and the proposed deployment of the Net Proceeds are based on management estimates based on current market conditions. In the absence of such independent appraisal, the deployment of the Net Proceeds is at our discretion. We may have to revise our expenditure and funding requirements as a result of variations in costs, estimates, quotations or other external factors, which may not be within the control of our management. This may entail rescheduling, revising or cancelling planned expenditure and funding requirements at the discretion of our Board. Further, we will appoint a monitoring agency for monitoring the utilisation of Net Proceeds in accordance with Regulation 41 of the SEBI ICDR Regulations and the monitoring agency will submit its report to us on a quarterly basis in accordance with the SEBI ICDR Regulations.

17. *Our failure to provide services in accordance with our customer contracts could result in encashment of bank guarantees given by us. Any such invocation of bank guarantee may have an adverse impact on our business operations, reputation and results of operations.*

Certain of our agreements require us to provide bank guarantees, which are released only upon the successful completion of our obligations under the respective agreements. In the event we fail to fulfil our obligations or face delays in service delivery, our customers have the right to invoke these bank guarantees. As of March 31, 2025, contingent liabilities in relation to outstanding bank guarantees aggregated to ₹1,606.09 million, primarily relating to performance guarantees provided to our customers.

While there have been no instances of invocation during the last three Fiscals, there can be no assurance that such trends will continue. Any invocation of bank guarantees could result in immediate cash outflows, adversely affecting our liquidity position and constraining our ability to fund operations, meet other financial obligations, or invest in growth initiatives. Furthermore, such invocation may adversely impact our relationships with customers and partners, harm our reputation in the market, and lead to additional legal or financial liabilities. Any of these events could materially and adversely affect our business, results of operations, cash flows, and overall financial condition.

18. *Delay in providing vehicles, whether through our owned/leased fleet or business partners, may result in penalties or claims being imposed by our customers as outlined under their contracts. Recovering these amounts from the third-party suppliers may not always be feasible.*

Our Company is responsible for delivering vehicles within the agreed-upon timelines specified in contracts with its customers. Any delay in providing vehicles, whether through our owned or leased fleet or via third-party suppliers, may result in penalties being imposed by customers, which our Company would be obligated to bear. Except as stated below, there have been no instances of such delays during the last three Fiscals:

Particulars	(in ₹ million)		
	Fiscal 2025	Fiscal 2024	Fiscal 2023
Penalty on account of not providing vehicles or delay in providing vehicles	37.44	28.53	32.49

We also rely on third-party suppliers to assign and allocate suitable vehicles at the loading point in accordance with customer requirements and to ensure the safe and timely delivery of cargo to the designated delivery points. While there have been no adverse instances during the last three Fiscals, any negligence, mismanagement, or failure on the part of these third-party suppliers that results in loss, damage, or delay may obligate our Company to compensate customers under contractual terms or to take other measures to maintain business relationships. Recovery of such amounts from the relevant third-party suppliers may not always be feasible or may be subject to delays, which could expose our Company to financial losses.

In addition to the potential financial impact, any such incidents could materially and adversely affect our Company's reputation, erode customer confidence, and impair its ability to retain existing customers or attract new business. These risks, individually or collectively, could materially and adversely affect our Company's business, results of operations, cash flows, and financial condition.

- 19. *Our business is exposed to various inherent risks such as increased transportation costs, supply chain planning challenges, shortage of skilled drivers, accidents and safety concerns, regulatory compliance, reputational risks etc. We cannot assure you that we will be able to manage these risks at all times. If we are unable to successfully manage these risks, it could adversely impact our business operations, cash flows and results of operations.***

The logistics industry is subject to volatile fuel prices, maintenance costs, and other operational expenses. Sudden and significant increases in these costs may adversely affect our profitability and financial performance. Ineffective supply chain planning may lead to disruptions, delays, and inefficiencies. Failure to anticipate and respond to changes in demand, supplier issues, or other disruptions may impact our ability to meet customer expectations and could result in financial losses. The shortage of skilled and qualified drivers is a persistent challenge in the transportation sector. Recruiting and retaining skilled drivers is crucial to maintaining the efficiency and reliability of our services. Any shortage or turnover in our driver pool could negatively impact our operations. Transportation operations inherently involve risks of accidents, collisions, and other safety incidents. These events may result in property damage, injury, loss of life, legal liabilities, and reputational damage. Adequate safety measures and compliance with industry regulations are imperative to mitigate these risks. The logistics industry is subject to a complex and evolving regulatory landscape. Changes in regulations, environmental standards, or other compliance requirements may necessitate adjustments to our operations, potentially resulting in increased costs or disruptions. The reputation of our Company is critical to attracting and retaining customers. Service disruptions, accidents, or other negative events can harm our reputation. Failure to address customer concerns promptly and effectively may result in a loss of business and damage to our brand.

Our business, financial condition, and results of operations are influenced by broader macroeconomic and industry-specific conditions, both in India and globally. Factors such as changes in consumer spending patterns, fluctuations in manufacturing and industrial activity, variations in trade volumes, inflationary pressures, fuel price volatility, interest rate changes, currency fluctuations, and global economic events can materially affect the demand for our transportation and logistics services.

Economic slowdowns, recessions, trade disruptions, or other adverse macroeconomic developments may lead to reduced order volumes, lower freight rates, delayed payments from customers, and increased operating costs. Such developments could adversely impact our revenue, profitability, cash flows, and overall financial condition. Additionally, prolonged economic instability or downturns could affect our ability to expand operations, invest in new assets, or maintain existing service levels, potentially harming our competitive position and business prospects.

- 20. *Any decline in logistics costs nationwide may lead to intensified price competition among industry players which could impact our profit margins and revenue streams. Any such reduction in profit margins or revenue streams may have an adverse impact on our business, results of operations and cashflows.***

As logistics expenses decrease due to factors such as improved infrastructure, technological advancements, or regulatory changes, our Company may face pressure to lower its prices to remain competitive in the market. This reduction in logistics costs could lead to intensified price competition among industry players, potentially affecting our profit margins and revenue streams. A significant decline in logistics costs could directly impact our Company's profitability, especially if our Company is unable to adjust its pricing strategies or operational efficiencies to offset the reduction. Lower logistics costs may result in narrower profit margins for us. Changes in logistics infrastructure or pricing dynamics may require our Company to reconfigure its supply chain, distribution networks, and transportation strategies. Adapting to these changes may incur additional costs, disrupt existing operations, and require significant investments in technology, training, or infrastructure upgrades. Customers may demand faster delivery times, lower shipping fees, or enhanced services as a result of cost savings in logistics. Meeting these evolving customer demands while maintaining profitability could pose challenges for us, requiring investments in customer service, fulfilment capabilities, and technological innovations.

Changes in government policies, regulations, or trade agreements affecting the logistics, transportation, and supply chain sectors could materially impact our operations, business model, and cost structure. While favourable regulatory reforms, infrastructure investments, or incentives could reduce logistics costs and improve operational efficiency, other regulatory developments could introduce new compliance requirements, licensing obligations, tariffs, duties, or trade barriers, increasing our operational complexities and costs.

Any such changes may require us to modify our business practices, invest in additional resources to ensure compliance, or adjust pricing to offset increased costs. We cannot assure you that we will be able to adapt to regulatory changes in a timely or cost-effective manner. Failure to do so could adversely affect our competitiveness, profitability, cash flows, and overall financial condition.

21. *Our success in the logistics industry relies heavily on various critical factors that enable effective multimodal operations. While these factors, including scale and technology, geographical reach, optimal asset mix, and a diversified customer base, are essential for our competitive advantage and growth, their dependency also exposes us to certain risks.*

Our ability to leverage technology and scale efficiently is crucial for enhancing operational efficiency, reducing costs, and meeting customer demands. However, dependence on technological infrastructure and scaling capabilities introduces risks related to system failures, cybersecurity threats, or inadequate scalability. Any disruptions or shortcomings in technology or scaling efforts could impact our operational performance, customer satisfaction, and competitiveness.

Our geographical reach enables us to serve diverse markets and cater to the logistics needs of a wide range of customers. However, reliance on geographical expansion exposes us to regulatory challenges, political instability, infrastructure limitations, and economic downturns in specific regions. Adverse developments in any of these areas could disrupt our operations, impair revenue streams, and undermine our competitive position.

Maintaining an optimal mix of assets, including vehicles, warehouses, and equipment, is essential for meeting varying customer demands, optimizing costs, and enhancing operational flexibility. However, changes in market demand, technological advancements, or regulatory requirements may render certain assets obsolete or underutilized, leading to inefficiencies. Failure to adapt our asset mix dynamically to evolving market conditions poses a significant risk to our profitability and competitiveness.

A diversified customer base mitigates reliance on any single client or market segment, reducing the impact of customer-specific disruptions or economic downturns. Dependence on a diverse customer base introduces risks related to customer retention, creditworthiness, and demand fluctuations across industries. Any adverse developments, such as the loss of key customers, changes in purchasing behaviour, or industry-specific challenges, could adversely affect our revenue streams and financial stability.

Integrating various critical factors for effective multimodal operations requires efficient execution and management capabilities. Any deficiencies in project management, operational execution, or integration efforts could lead to delays, cost overruns, or operational disruptions. Failure to effectively integrate and execute our strategies may result in missed opportunities, customer dissatisfaction, and reputational damage, impacting our long-term competitiveness and growth prospects.

22. *There are certain instances of delays in payment of statutory dues. Any delay in payment of statutory dues or non-payment of statutory dues in dispute may attract financial penalties from the respective government authorities, which may have an adverse impact on our business, financial condition, cash flows and results of operations.*

We are required to pay certain statutory dues including provident fund contributions and employee state insurance contributions under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and the Employees' State Insurance Act, 1948, respectively, and professional taxes. The table below sets forth the details of the statutory dues paid by us in relation to our employees for the years indicated below:

**Negligible.*

While our Company has subsequently made payment of all pending statutory dues, we cannot assure that we will not incur delays in payment of statutory dues in the future. Further, any failure or delay in payment of such statutory dues may expose us to statutory and regulatory action, as well as significant penalties, which may adversely affect our business, results of operations, cash flows and financial condition.

23. *Our business is significantly dependent on technology and any disruption or failure of our technology systems may affect our operations.*

Technology is an important aspect of our “asset-right” business model. Our technological ecosystem is built on an integrated architecture that connects our core operational systems with enterprise platforms, analytics tools, and specialized logistics applications. This architecture enables real-time data flow, process automation, and comprehensive visibility across our entire logistics value chain. We leverage our cloud-based transport management platform, MoveX, to facilitate end-to-end workflow including order booking, shipment planning, trip execution, and vendor coordination. Further, all our drivers are connected via pilot applications which enables them to report trip-related issues, manage expenses, and track settlements. We have also adopted a warehouse management system (“WMS”) which delivers precise and traceable control over inbound, outbound, picking, and inventory operations and optimizes warehouse processes by directing put-away to the right location, reclassifying and relocating damaged stock after quality checks, and ensuring accurate picking through zone-based and FIFO rules.

We believe that our technological capabilities play a key role in helping us effectively manage our pan-India and overseas operations, maintain operational and fiscal controls, and support our efforts to enhance customer service levels. Our business is significantly dependent on the efficient and uninterrupted operation of our technology infrastructure and systems such as MoveX for proprietary data and technology to forecast demand. Our technology systems or infrastructure is vulnerable to interruption by events beyond our control including defects, errors or malfunctions, system failures, unexpected high volume of transactions, distributed denial-of-service and other cyberattacks, infrastructure changes, human error, natural disasters, power losses, disruptions in telecommunications services, terrorist attacks, legal or regulatory takedowns, computer viruses, ransomware, malware, or other events. We are also subject to hacking or other attacks on our IT systems and while there have been no instances of hacking or other attacks on our IT systems during the last three Fiscals, we cannot assure you that we will be able to successfully block or prevent all such attacks. While we are insured from such cyber-attacks or crimes, any breaches of our IT systems may require us to incur further expenditure on repairs or more advanced security systems. While there have been no such instances during the last three Fiscals, a significant system failure could adversely affect our ability to manage overall operations, thereby affecting our ability to deliver our services to our clients, affecting our reputation and revenues.

We expect our customers to continue to demand more sophisticated and customized solutions. We may lose customers and our business could be affected if we fail to implement and maintain our technology systems or fail to upgrade or replace our technology systems to handle increased volumes, meet the demands of our customers and protect against disruptions of our operations. Our operating efficiency may decline, and our growth may suffer if our technology

systems are unable to handle additional volume of our operations as we grow. Some of our existing technologies and processes in the business may become obsolete or perform less efficiently compared to newer and better technologies and processes in the future. Certain of our competitors may have access to similar or superior technology or may have better adapted themselves to technological changes. The logistics industry could also experience unexpected disruptions from technology-based start-ups. The cost of upgrading or implementing new technologies, upgrading our equipment or expanding their capacity could be significant and could adversely affect our business, operations, financial condition, results of operations and cash flows.

24. *We operate in a highly fragmented and competitive industry and may not be able to maintain our market position which may adversely affect our business, financial condition, results of operation and cash flows.*

We operate in a competitive industry across our business verticals. In particular, the road transport industry is highly unorganised and fragmented in nature, and comprises players providing transportation services, intermediaries, such as transport contractors, booking agents and brokers, and consignors (*Source: CRISIL Report*). In the logistics industry, we compete with a variety of local, regional and global logistics service providers of varying sizes, operations and financial resources. Additionally, we operate in a highly competitive industry and segment in which we operate, such as transportation of goods through road, have low barriers to entry resulting in a highly fragmented market. Increased competition from other organized and unorganized third-party logistics providers may lead to a reduction in our revenues, reduced profit margins or a loss of market share. Further, our competitors may successfully attract our customers by matching or exceeding the commercial terms that we offer, expanding their transportation network or increasing the frequency in their existing routes, benefiting from greater economies of scale (if they are larger than us), operating efficiencies such as a broader logistics network, larger brand recognition or greater financial resources, offering a wider range of services and devoting greater resources to pricing and promotional programmes.

Our service quality, reliability, price and the ability to understand evolving industry trends as well as the ability to anticipate, understand and address customer requirements, and timely service, are important competitive factors. The availability and configuration of vehicles and other facilities that are able to comprehensively address varying requirements of different industries and specific customer needs is also another factor. Our competitors may successfully attract our clients by matching or exceeding what we offer. Among other things, our competitors may:

- expand their transportation network or increase the frequency in their existing routes;
- reduce, or offer discounts on their prices; or
- benefit from greater economies of scale, if they are larger than us, and operating efficiencies such as a broader logistics network, a wider range of services, larger brand recognition or greater financial resources than we do, and may be able to devote greater resources to pricing and promotional programs.

We may be unable to compete effectively with our competitors, some of whom may have more experience. Our inability to compete effectively could affect our ability to retain our existing customers or attract new customers which may in turn materially and adversely affect our business, prospects, financial condition, results of operations and cash flows.

25. *We have a long-standing relationship as an aggregator with an Indian public sector enterprise that provides intermodal logistics and container transportation services, which is currently controlled by the Government. If there is a change in control in this public sector enterprise, it could adversely affect our relationship with it.*

Our logistics services across our verticals include rail transportation, which involves reliance on key service providers, including with an Indian public sector enterprise that provides intermodal logistics and container transportation services, under the Ministry of Railways and other rail operators. In November 2019, the Government of India approved the strategic sale of a portion of its shares in the aforementioned public sector enterprise, along with management control. While there has been no announcement regarding the completion of such sale as of the date of this Draft Red Herring Prospectus, any change in ownership or management of the aforementioned public sector enterprise could alter the terms, conditions, or nature of our existing arrangements with it.

We cannot assure you that we will be able to continue our current relationship with this public sector enterprise or other rail/multimodal service providers on the prevailing terms, or at all. Any deterioration in these relationships, reductions in service capacity, changes in pricing, or modifications to operational processes could materially affect our ability to offer rail or multimodal services efficiently. Additionally, disruptions in rail infrastructure, regulatory changes, delays in cargo handling, or congestion at rail terminals could lead to service delays, increased costs, or loss of business.

Our reliance on a limited number of strategic rail and multimodal service providers increases our exposure to operational and strategic risks. Any adverse developments in this business could negatively impact our service quality,

client relationships, revenue, profitability, cash flows, and overall financial condition. Furthermore, competitive pressures in rail and multimodal logistics may limit our ability to negotiate favorable terms, potentially affecting our margins and growth prospects.

26. *We depend on a number of key personnel, including our Promoters, Key Managerial Personnel and Senior Management Personnel as well as skilled and qualified personnel, and if we are unable to recruit and retain such personnel, our ability to operate or grow our business could be adversely affected.*

Our performance depends significantly on the efforts and abilities of our Promoters, Key Managerial Personnel, Senior Management Personnel and skilled and qualified personnel in logistics solutions. See, “*Our Management*” and “*Our Promoters and Promoter Group*” on pages 248 and 269, respectively. Inputs and experience of our Promoters, Key Managerial Personnel and Senior Management Personnel are valuable for the growth and development of business and operations and the strategic directions taken by our Company. Our success also depends, in part, on customer relationships forged by members of our senior management. We cannot assure that members of our management team will not leave our Company and join our competitors, and that we will be able to find suitable replacements for them, in a timely manner or at all. This could result in an increase in our expenses, a decline in performance of our business, or damage to our reputation.

Further, through expertise and support of our Corporate Promoter CJ Logistics Corporation, we aim to strengthen our capabilities and bring global competencies to our business, including by focusing on consumer-packaged goods/e-commerce, innovating sales approaches and securing reliable delivery systems. We also benefit from association with CJ Logistics Corporation in terms of access to growth capital, its customer base and increased governance standards. Any impact on the business and operations of CJ Logistics Corporation in South Korea or any negative news pertaining to CJ Logistics Corporation may impact the due diligence process of our customers, which, in turn, may adversely impact our reputation, business and prospects. Any unfavourable change in management of CJ Logistics Corporation may also adversely affect our business plan and thereby growth prospects.

The shareholding pattern of CJ Logistics Corporation as on June 30, 2025 is as follows:

Sr. No.	Name of shareholders	Number of shares	% holding
1	CJ CheilJedang Corporation	9,162,522	40.16
2	Public Shareholding	10,782,607	47.27
3.	Treasury Stock	2,867,215	12.57
Total		22,812,344	100

Further, our operations are dependent on a large force for our logistics operations. As of March 31, 2025, we had 5,996 employees on our payroll. Further, for certain operations and services, we engage contract labour. As of March 31, 2025, we had 3,063 contract labour accounting for 33.81% of our total manpower. Our success in expanding our business will also depend on our ability to attract, retain and motivate skilled and qualified personnel. We may experience difficulty in hiring and retaining personnel with appropriate qualifications, and we may not be able to fill positions in a timely manner or at all. If we fail to attract new personnel or to retain our current personnel, our business and operations could be harmed. Our attrition rate during Fiscals 2025, 2024 and 2023 was 42.81%, 36.86% and 38.22%. respectively. Higher attrition rates lead to an increase in our training and recruitment costs, which may adversely affect our business and profitability. Further, a shortage of drivers for our operations could affect our ability to meet targeted delivery schedules or provide quality services to our customers. In addition, we may need to increase employee compensation levels in order to retain our existing team and attract any additional personnel we may require.

27. *Our inability to successfully implement some or all our business strategies in a timely manner or at all could have an adverse effect on our business.*

Our ability to execute our growth strategies will depend, among others, on our ability to retain our customers, brand building, diversify and differentiate our multimodal solutions and pricing to compete effectively, and grow our logistics network. Other significant factors in diversification of our revenue streams, among others, include our ability to cross-sell our services; developing own or partnered capabilities in business verticals; building strong human capital which can provide the quality solutions to customers and deliver excellence in output and customer experience; our association with CJ Logistics Corporation to allow us to discover innovative business models; enhancements in technology and improvement in process efficiencies; and regulatory environment in logistics industry. We cannot assure you that our current policies and systems will adequately address any of these business challenges. We may not be able to continue to grow our business which could materially and adversely affect our business, financial condition, results of operations and cash flows.

We have witnessed consistent growth in our business operations over the past three years as is evident from the increase in our revenue from operations by 12.33% to ₹51,611.09 million in Fiscal 2025 from ₹ 45,944.14 million in Fiscal

2024, which increased by 8.98% from ₹ 42,158.26 million in Fiscal 2023. As part of our strategy aimed towards business growth, we intend to implement several business strategies, which include:

- Expansion across industries, customers and penetration in existing business
- Expansion of specialized services with integrated multimodal services
- Strengthen our new businesses by strategic investments and cross selling of services
- Expansion in branch network aligned with growing industrial activity
- Continue to focus on enhancements in technology.
- Clean energy focus and sustainable growth.

For further details, please see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on page 366.

- 28. *We rely on an ‘asset-right’ business wherein our road transportation business is carried on using the operational assets, such as commercial vehicles, multi axles and containers etc., which are either owned, procured on an operating lease or are provided by a large network of our business partners. We do not have direct control over the day-to-day activities of these business partners exposing us to the risk of disruption in services. Any disruptions or change in contingent factors including increase in rates charged for the services offered by these business partners can have an adverse effect on our business, results of operations, financial conditions and cash flows.***

As per our ‘asset-right’ business model, we have maintained a limited base of owned fleet and capitalised on our large network of business partners from whom we hire the required vehicles. As of March 31, 2025, we had a network of 955,023 partnered fleet in our portfolio, through a vendor base of 5,54,781 business partners built on longstanding relationships. As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders. Access to large vehicle network enables us to scale our business as the demand increases and also cater to large business opportunities.

As a part of our business model, we work with, and rely on, our network of business partners such as third-party service providers and vendors/suppliers who provide us with the assets/facilities necessary for our operations, i.e., vehicles, warehouses, railway rakes and wagons etc. Other than certain assets which are owned by us, we are dependent on infrastructure and assets/equipment obtained on a leasehold or spot contract basis from our network partners, third-party service providers and vendors based on demand, or anticipated demand, from our customers. The selection criteria for our service providers and vendors are primarily based on the technical experience and financial requirements of the projects we are involved with. We do not have direct control over the day-to-day activities of these third-party service providers or vendors, and we rely on them to perform their services in accordance with the relevant arrangements.

Thus, our heavy reliance on these third-party business partners may lead to a disruption in our regular business operations, if they decide to increase the market prices or charge higher rates for their services/ any other potential detrimental instance which in turn can potentially adversely impact our business operations, financial condition and cash flows.

We cannot assure that the ‘asset right’ business model we have in place will perform efficiently and profitably in the future. Further, any competitor who is working under an asset-heavy model may potentially disrupt the market rates and industry regular charges in order to gain market share. We cannot assure that will be able to compete effectively with such entities at the prices they might offer to disrupt the competition which may have a potential adverse effect on our business, results of operations, financial conditions and cash flows.

- 29. *Not all of our Directors have prior experience with listed entities, which may require additional time for them to fully understand their roles and responsibilities. This could potentially affect our corporate governance standards, investor confidence, and operational performance.***

Our Board of Directors includes Directors who are serving as directors of a listed company for the first time. A majority of our Directors do not have prior experience as directors of listed entities in India or internationally. While our directors bring valuable expertise and experience from various industries, they may require additional time to fully understand and comply with the regulatory requirements, governance standards, and responsibilities applicable to listed companies in India.

Any lack of experience of our directors in managing the specific demands of a listed entity, including compliance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other statutory requirements, may affect the efficiency of decision-making processes and the overall governance of our Company. Furthermore, any lapses or delays in implementing governance frameworks or ensuring compliance with regulatory obligations could lead to penalties, reputational loss, and adverse effects on our business, financial condition, and results of operations.

We are committed to providing the necessary training and resources to our directors to familiarize them with the requirements of listed entities. However, we cannot assure you that their inexperience will not impact our corporate governance standards, investor confidence, or operational performance.

30. ***We have a higher net debt and lower EBITDA when compared to our listed peers. If we are not able to maintain optimum level of net debt to EBITDA ratio, it may expose us to challenges in meeting financial obligations as they come due. Any such failure could adversely impact our business, cash flows and results of operations.***

We currently have a higher net debt and lower EBITDA relative to certain of our listed industry peers. For the Fiscals 2025, 2024, and 2023, our net debt to EBITDA ratios were 3.00 times, 2.87 times, and 3.20 times, respectively.

If we are unable to maintain an optimal level of net debt relative to EBITDA, we may face challenges in meeting our financial obligations as they become due, including repayment of borrowings, interest payments, or other financial commitments. High leverage could also limit our financial flexibility, restrict our ability to raise additional debt on favorable terms, and increase our vulnerability to adverse changes in interest rates, market conditions, or cash flow fluctuations. Any such developments could materially and adversely affect our business, results of operations, financial condition, and cash flows.

31. ***There may be delays or defaults in payment by our customers, which could negatively affect our cash flows. Moreover, we experience significant working capital requirements and our inability to meet our working capital requirements may materially and adversely affect our business, financial condition, results of operations and cash flows.***

We are exposed to counterparty credit risk in the usual course of our business dealings with our customers or vendors/third-party service providers who may delay or fail to make payments or perform their other contractual obligations. Our business requires a significant amount of working capital to finance our logistics operations and our inability to meet our working capital requirements may adversely affect our cash flow cycle. We require a significant amount of working capital to offer credit to our customers and fulfil our payment obligations towards our vendors. Our working capital requirements increase primarily due to a considerable difference between the holding levels of our trade payables and our trade receivables.

The table below sets forth details relating to our revenue from operations and holding levels of our trade payables, trade receivables and working capital, as of and for the years indicated:

Particulars	As of and for the year ended March 31, 2025	As of and for the year ended March 31, 2024	As of and for the year ended March 31, 2023
Working capital (₹ million) ⁽¹⁾	3,548.04	3,115.06	3,349.87
Revenue from operations (₹ million)	51,611.09	45,944.14	42,158.26
Trade receivables (₹ million)	10,070.16	8,412.66	7,686.42
Trade payables (₹ million)	1,834.82	1,151.78	1,079.11
Working capital days (number of days) ⁽²⁾	24	26	27
Trade receivables days ⁽³⁾	66	64	67
Trade payables days ⁽⁴⁾	12	10	11

⁽¹⁾ Working capital has been calculated as current assets less current liabilities.

⁽²⁾ Working capital days is calculated as average working capital / daily revenue. Where in average working capital is average current assets – average current liabilities and daily revenues is derived as revenue from operations for the year divided by 365 days.

⁽³⁾ Trade receivable days is calculated as average trade receivable / daily revenue. Where in average trade receivable is average of opening trade receivable and closing trade receivable and daily revenues is derived as revenue from operations for the year divided by 365 days.

⁽⁴⁾ Trade payable days is calculated as average trade payable / daily cost of services. Where in average trade payable is average of opening trade payable and closing trade payable and daily cost of services is derived as cost of services for the year divided by 365 days.

In terms of our contracts with our customers, we are entitled to receive payment after completion of our services. We extend credit to our customers, with post-billing credit terms of up to 95 days, and in certain cases, we may experience delays in payments by our customers even beyond the credit period afforded to them. As a result, we have, and may continue to have, high levels of outstanding receivables. Such high levels of outstanding receivables may have an adverse impact on our profitability.

Trade receivables are non-interest bearing and are generally on 30-180 days credit terms. The longer credit period granted to our customers compared to that offered by our vendors/third parties may potentially result in certain cash flow mismatches.

Moreover, delays in payment under on-going contracts or reduction of advance payments due to lower order intake or inventory and work in progress increases and/or accelerated payments to third party service providers or vendors, could adversely affect our working capital, lower our cash flows and materially increase the amount of working capital to be funded through external debt financings. We may also be unable to adequately finance our working capital requirements on account of various extraneous factors, including delay in disbursements under our financing arrangements, increased interest rates, insurance or other costs, or borrowing and lending restrictions or finance our working capital requirements on commercially acceptable terms or at all, each of which may have a material adverse effect on our business, prospects, financial condition, results of operations and cash flows. Our working capital requirements may further increase if the holding level of trade receivables is further increased or if there is a further decrease in holding period of trade payables. We cannot assure you that we will continue to be successful in arranging adequate working capital for our existing or expanded operations on acceptable terms or at all, which may materially and adversely affect our business, financial condition, results of operations and cash flows. If we decide to raise additional funds through the incurrence of debt, our interest and debt repayment obligations will increase, and could have a significant effect on our profitability and cash flows and we may be subject to additional covenants, which could limit our ability to access cash flows from operations.

During Fiscals 2025, 2024 and 2023, we had bad debts, advances and claims written off (adjusted from reversal of allowances for doubtful debts and advances) aggregating to ₹ 2.80 million, ₹ 3.44 million and ₹ 5.99 million, respectively. We cannot assure you of the continued viability of our counterparties or that we will accurately assess their creditworthiness. We also cannot assure you that we will be able to collect the whole or any part of any overdue payments. Any failure on our part to realise trade receivables or overdue payments may have an adverse impact on our profitability and business operations.

The financial condition of our customers vendors/ third parties and other counterparties may be affected by the performance of their business which may be impacted by several factors including general economic conditions.

32. *We have certain contingent liabilities as per Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets, disclosed in the Restated Consolidated Summary Statements, which, if materialized, may adversely affect our financial condition, results of operations and cash flows.*

The following is a summary table of our contingent liabilities as derived from the Restated Consolidated Summary Statements as per Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets, as of March 31, 2025:

(in ₹ million)	
Particulars	Amount as of March 31, 2025
Claims against the Group not acknowledged as debts	
-Value added tax/ sales tax matters	12.09
-Income tax matters	24.43
-Other claims	209.86
ESI	11.60
Bank guarantee outstanding	1,606.09
Unpaid bonus	24.00

Notes:

1. *Valued added tax/ sales tax matters mainly relates the demands raised by VAT/ sales tax authorities of various states on account of online transit forms not prepared by drivers under laws of those states. The matters are contested by the Group at various commissionerate level against the authorities.*
2. *Demands raised by the income tax authorities relates to disputes on disallowance related to sec 14A and bad debts etc. The matters are contested by the Group at various appellate authorities against the tax authorities.*
3. *In view of the large number of cases pending at various forums / courts, it is not practicable to furnish the details of each case. Based on the discussions with the solicitors / favourable decisions in similar cases / legal opinion taken by the Group, the management believes that the Group has a strong chance of success in the cases.*
4. *Bank guarantee primarily pertains to performance guarantee given to various customers of the Group.*
5. *The Payment of Bonus Act, 1965 ("the Act") was amended vide the Payment of Bonus (Amendment) Act, 2015 notified on January 01, 2016. The Act, inter-alia, has been amended to take retrospective effect with effect from April 01, 2014 and accordingly the revised bonus by way of arrears related to the year ended March 31, 2015 is required to be paid to the eligible employees. Based on advisors opinion obtained by the Group stay orders from various High Courts across the country against the amendment to the Payment of Bonus Act to the extent that it gives retrospective effect from April 01, 2014, the statutory bonus for financial year 2014-15 amounting to ₹ 24.00 million has not been recognized and treated as contingent liability in the current year as well as in the previous year. The Group will remain vigilant to watch the actual Court proceeding and clarification / notification from the Central Government and will review the accounting impact as on March 31, 2025.*

For further information of contingent liability as at March 31, 2025, as per Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Capital Commitments and Contingent Liabilities” on page 394.

Any or all of the abovementioned contingent liabilities may materialize and become actual liabilities. In the event that any of our contingent liabilities become non-contingent, our financial condition, results of operations and cash flows may be adversely affected. Furthermore, there can be no assurance that we will not incur similar or increased levels of contingent liabilities in the current financial year or in the future.

33. *Our Promoter and Promoter Group may have interests in entities, which are in businesses similar to ours and this may result in conflict of interest with us.*

Our Promoter and Promoter Group may have interests in entities, to the extent of their shareholding and/or directorships, which are in businesses similar to ours and this may result in conflict of interest with us. While there are non-compete and non-solicitation obligations imposed on certain individual promoters pursuant to an Inter-se Agreement dated April 23, 2025 executed by and between the Individual Promoters, the KKA Family Group, DKA Family Group, NA Family Group, NKA Family Group, each defined in Schedule IV of the Inter-se Agreement and CJL, we cannot assure you that our Promoter or Promoter Group will not provide competitive services or otherwise compete in business lines in which we are already present or will enter into in the future. For further details, see “History and Certain Corporate Matters – Inter-se Agreements” on page 243.

In the event that any conflicts of interest arise, our Promoter and Promoter Group may make or influence decisions regarding our operations, financial structure or commercial transactions that may not be in our shareholders’ best interest. It may also enable a competitor to take advantage of a corporate opportunity at our expense. Such decisions could have a material adverse effect on our business, financial condition, results of operations and prospects. Should we face any such conflicts in the future, there is no guarantee that they will be resolved in our favor.

Our Promoters holding Equity Shares may also take or block actions with respect to our business which may conflict with the best interests of our Company or that of minority shareholders. For further details, see “Capital Structure” on page 93.

34. *Our international operations are subject to a number of risks, including foreign currency exchange rate fluctuation.*

We provide logistics services in particular freight forwarding and barge movement in some of the overseas jurisdictions, including Bangladesh, Bhutan and Nepal. As a result, we are subject to multiple legal and regulatory requirements in the jurisdictions we operate. Further, our operations are subject to risks that are specific to each country in which we operate, including: coordinating and managing international operations; social, economic, political, geopolitical conditions and adverse weather conditions, such as natural disasters, civil disturbance, terrorist attacks, war or other military action; different economic and business conditions; difficulties in staffing and managing foreign operations; import, export and transit regulations; immigration and labour laws; compliance with anti-corruption and anti-bribery laws; foreign currency exchange rate fluctuations. In addition, our international operations are exposed to risks related to restrictive governmental actions, and laws and policies of India and foreign governments affecting trade and foreign investment.

We have exposure in foreign currencies such as U.S. Dollar in respect of overseas transactions. Our foreign currency receivables for more than nine months as on March 31, 2025, 2024 and 2023 were ₹91.99 million, ₹92.26 million and ₹59.65 million, respectively, constituting 0.18%, 0.20% and 0.14% of our revenue from operations, respectively. Our foreign currency payables for payment more than six months as on March 31, 2025, 2024 and 2023 were ₹95.41 million, ₹130.12 million and ₹118.00 million, respectively, constituting 0.18%, 0.28% and 0.28% of our revenue from operations, respectively. These outstanding balances are unhedged as at the year end. Fluctuations in foreign currency exchange rates against the Indian Rupee may have an adverse effect on our reported revenues and financial results.

There can be no assurance that these risks and other adverse developments in the economic conditions of any of the markets in which we are present, will not have a material adverse impact on our ability to increase or maintain our foreign sales or on our business, financial condition, results of operations and cash flows.

35. *Our indebtedness and the restrictive covenants under our financing arrangements may adversely affect our business, financial condition, results of operations, cash flows, and ability to pursue growth opportunities.*

As of July 31, 2025, our total borrowings, comprising current and non-current borrowings, amounted to ₹ 7,794.99 million, which includes unsecured borrowings repayable on demand aggregating to ₹ 1,464.49 million, constituting 18.79% of our total borrowings. These unsecured borrowings, which include bill discounting facilities and working capital demand loans, are required to be repaid either on demand or as a bullet payment at the end of the term. In the event that any lender demands repayment and we are unable to repay the outstanding amounts at such time, it would constitute an event of default under the relevant borrowing arrangement and may trigger cross-default clauses in other financing arrangements. Such events could adversely impact our creditworthiness and the availability of future financing.

While our Promoter Group, Directors, Subsidiary, or other related entities are not parties to such unsecured borrowings, one of our Promoters, CJ Logistics Corporation, has provided a corporate guarantee for loans availed from KEB Hana Bank and KB Kookmin Bank. Details of these borrowings, including material conditions and repayment obligations, are set out below:

Sr. No.	Lender	Agreement / Sanction letter date	Material conditions / covenants
1.	KEB Hana Bank	Sanction letter dated July 30, 2025	Bullet repayment at the time of maturity
2.	KB Kookmin Bank	Sanction letter dated September 24, 2024 and April 23, 2025	Bullet repayment at the time of maturity

For further details, see “*Financial Indebtedness*” on page 399.

Our financing agreements also impose certain operational and financial covenants that may restrict our business activities. These covenants may require us to obtain prior consent from lenders for activities such as mergers or amalgamations, changes in equity or management structure, and amendments to our constitutional documents. Non-compliance with these covenants could lead to suspension or withdrawal of credit facilities, levy of penal interest, acceleration of repayment obligations, or enforcement of any security provided.

Our ability to meet our obligations under these financing arrangements depends on the cash generated from our operations. If our future cash flows or other capital resources are insufficient to service our debt or meet other liquidity requirements, we may be required to sell assets or refinance our indebtedness. Any refinancing could be on less favorable terms, including higher interest rates and more restrictive covenants, which may further limit our operational flexibility. Additionally, any failure to make timely payments of interest or principal could adversely affect our creditworthiness or credit ratings, which could, in turn, impair our ability to raise additional financing on acceptable terms.

Given the above, our indebtedness and the restrictions under our financing arrangements could materially and adversely affect our business, financial condition, results of operations, cash flows, and ability to pursue strategic or growth initiatives.

36. *Our Company has seen a sudden increase in non-current borrowings in Fiscal 2025 due to requirements under our customer contracts and our plans to expand our rail/multimodal business.*

Our Company has seen a sudden increase in non-current borrowings from ₹ 1,982.84 million in Fiscal 2024 to ₹ 2,380.31 million in Fiscal 2025. This increase was primarily due to increase in capital expenditure for purchase of trucks and containers and warehousing equipment in Fiscal 2025. This increase in non-current borrowings can be attributed to the following reasons:

- Expansion of owned fleet capacity through purchase of trucks and containers to support higher freight volumes.
- Investment in warehouse equipment to enhance operational efficiency.

We had availed term loans during Fiscal 2025 to finance the purchase of the above-mentioned purchase, and the details of the term loans availed are given below:

Name of Lender	Amount Borrowed (in ₹ Million)	Period of Term loan
Axis Bank	300.00	72 Months
HDFC Bank Limited	250.00	72 Months
Kotak Mahindra Bank Limited	350.00	60 Months
State Bank of India	412.71	72 Months

The material covenants of these loans have been disclosed in the section titled “*Financial Indebtedness*” on page 399.

37. *Our financing agreements impose certain restrictions on our operations, and our failure to comply with operational and financial covenants may adversely affect our reputation, business, financial condition, results of operations and cash flows.*

As of July 31, 2025, our total borrowings (consisting of current and non-current borrowings) amounted to ₹ 7,794.99 million. Our ability to meet our obligations under our debt financing arrangements, which comprise term loans and working capital facilities from time to time, and repayment of our outstanding borrowings will depend primarily on the cash generated by our business. We are required to obtain prior consent from some of our lenders to

carry out certain activities such as enter into any scheme of merger or amalgamation, change in equity, management and operating structure of our Company, and amendments to constitutional documents of our Company. These covenants vary depending on the requirements of the financial institution extending the loan and the conditions negotiated under each financing document and may restrict or delay certain actions or initiatives that we may propose to take from time to time. For further details of the restrictive covenants under our financing documents, see “*Financial Indebtedness*” on page 399.

Any inability to comply with the conditions and covenants under our financing agreements that is not waived by our lenders could lead to discontinuation of our credit facilities, levy of penal interest, acceleration of all amounts due under such facilities and the enforcement of any security provided. If the obligations under any of our financing agreements are accelerated, we may have to dedicate a substantial portion of our cash flow from operations to make payments under such financing documents, thereby reducing the availability of cash for our working capital requirements and other general corporate purposes.

If our future cash flows from operations and other capital resources are insufficient to pay our debt obligations or our contractual obligations, or to fund our other liquidity needs, we may be forced to sell assets or attempt to restructure or refinance our existing indebtedness. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations. In addition, any failure to make payments of interest or principal on our outstanding indebtedness on a timely basis would likely result in a reduction of our creditworthiness or credit rating, which could harm our ability to incur additional indebtedness on acceptable terms.

38. *There are outstanding litigation proceedings involving our Company, and certain of our Subsidiaries, Promoters, Directors, Key Managerial Personnel and members of the Senior Management, which if determined adversely, could affect our business, results of operations and cash flows.*

In the ordinary course of our business, our Company and certain of our Subsidiaries, our Promoters, our Directors, our Key Managerial Personnel and members of the Senior Management are involved in certain legal proceedings, pending at varying levels of adjudication before various courts.

A summary of outstanding litigation proceedings involving our Company, Subsidiaries, Promoters and Directors, as disclosed in “*Outstanding Litigation and Other Material Developments*” on page 402 in terms of the SEBI ICDR Regulations as at the date of this Draft Red Herring Prospectus is provided below.

*To the extent quantifiable.

As on the date of this Draft Red Herring Prospectus, our Group Companies are not parties to any pending litigation which will have a material impact on our Company. For further details, see “*Outstanding Litigation and Other Material Developments*” on page 402.

We cannot assure you that any of the outstanding legal proceedings will be settled in our favour, or that no additional liability will arise out of these proceedings. We may incur significant expenses and management time in such legal proceedings and may have to make provisions in our financial statements, which could increase our expenses and liabilities. An adverse outcome in any of these proceedings could have an adverse effect on our business, prospects, financial condition, results of operations and cash flows. Moreover, even if we ultimately prevail in the litigation, regulatory action or investigation, we could suffer significant harm to our reputation, which could adversely affect our prospects and future growth.

For instance, a chargesheet dated April 2, 2016 had been filed against Krishan Kumar Agrawal, one of our Promoter Directors, pursuant to a FIR dated March 22, 2013 filed by Tata Global Beverages Limited (“**TGBL**”) against our Company, Siddhi Vinayak Logistics Limited and their collection agents, in his capacity as the Chairman and Managing Director of our Company at the time of the complaint. TGBL had alleged that our Company and other logistics company, Siddhi Vinayak Logistics Limited, had adulterated the goods entrusted to them for transportation due to which TGBL suffered a loss of ₹69.80 million. Krishan Kumar Agrawal has been granted bail by the Court of the Chief Judicial Magistrate at Alipore (“**Court**”). He has also filed an application before the Court under section 239 of the Code of Criminal Procedure, 1973 for discharging him from the above-mentioned case submitting inter-alia that there was no circumstantial evidence that had been collected to implicate him in the case, he had not been specifically named in the FIR and the concept of vicarious liability was not applicable in criminal law. The application for discharge was however rejected by order dated May 20, 2025 (“**Order**”). A criminal revision petition dated July 9, 2025 challenging the Order has been filed and is pending before the Calcutta High Court. Additionally, an application dated March 11, 2025 for further investigation has also been filed before the Court. Vide order dated September 03, 2025, the Calcutta High Court admitted the revisional application and provided an interim stay on further proceedings before the Court.

Further, a criminal proceeding is also currently pending against Roshan Lal Aggarwal, one of the members of our Promoter Group and an erstwhile promoter and director of our Company, pursuant to an investigation conducted by the Central Bureau of Investigation (“**CBI**”). It was alleged by CBI that Roshan Lal Aggarwal, who was also a director on the board of R.V.S Petrochemical Limited (“**RVS**”) along with the other directors of RVS and certain others were parties to a criminal conspiracy during the year 2001 in the matter of purchase of 5,500 MTs of imported Naphtha. An application for bail was filed by Roshan Lal Aggarwal before the Special Magistrate, CBI Court, Haryana at Ambala (“**Court**”), which was granted till the conclusion of the case. The Court has passed conviction order dated February 18, 2025 (“**Conviction Order**”) and awarded him an imprisonment of 2 years with right given to appeal. Post the passing of the Conviction Order by the Court, Roshan Lal Aggarwal ceased to be a director on the Board. Roshan Lal Aggarwal has preferred appeal before the Special Judge, CBI, Panchkula and the matter is currently pending.

There can be no assurance that the judicial and regulatory authorities will not take any further action against Roshan Lal Aggarwal which may adversely impact our reputation, goodwill, and financial condition.

39. *Failure to obtain or renew approvals, licenses and registrations to operate our business in a timely manner, or at all, may adversely affect our business, prospects, financial condition, results of operations and cash flows.*

We require certain approvals, licenses, registrations and permissions for operating our business in India. In relation to certain of our operating locations, we are required to maintain and avail certain material approvals and licenses, including obtaining registration under the Carriage by Road Act, 2007, Multimodal Transport Operators Rules, 1992. We have also obtained registrations under the shops and establishment laws of the states in which our business operations are located. Further, we are also in the process of renewing/procuring certain approvals and licenses. For further details, see “*Government and Other Approvals*” on page 414.

Certain warehouses that we lease or license from third parties are subject to land-use restrictions, approvals and other conditions under applicable laws. Our lessors in most cases are required to comply with such restrictions and maintain requisite approvals. In the event, our lessors are unable to comply with such restrictions or apply for or obtain approvals, we may be required to discontinue our use of such warehouse and seek alternative sites, which, in turn, could disrupt our business and adversely affect our results of operations and cash flows.

Government approvals and licenses are subject to numerous conditions, of which some may be onerous and may require us to undertake substantial compliance-related expenditure. If we fail to obtain some or all of these approvals or licenses, or renewals thereof, in a timely manner or at all, or if we fail to comply with applicable conditions or it is claimed that we have breached any such conditions, our approval or license for carrying on a particular activity may be suspended or cancelled and we may not be able to carry on such activity and may result in imposition of penalties

by relevant authorities, which could adversely affect our business, results of operations, financial condition and cash flows. In certain locations, regulatory authorities may exercise considerable discretion in matters of enforcement and interpretation of applicable laws, regulations and standards.

The growth in size or scope of our business, expansion of our footprint in existing regions in which we operate and entry into new geographies will also expose us to regulatory regimes with which we have no prior direct experience and expansion into new areas could lead to our becoming subject to additional or different laws and regulations. Changes in laws and regulations, more stringent enforcement or alternative interpretation of existing laws and regulations in geographies in which we currently operate may make compliance with all applicable laws and regulations more challenging and could affect us adversely by tightening restrictions, reducing our freedom to do business, increasing our costs of doing business, or reducing our profitability.

40. *Our operations are labour intensive and we have high attrition rates during Fiscals 2025, 2024 and 2023. Our operations may be subject to strikes and work stoppages by our employees. We are susceptible to risks relating to compliance with labour laws.*

As of March 31, 2025, we had 5,996 employees on our payroll. As of March 31, 2025, we had 3,063 contract labour accounting for 33.81% of our total manpower. We engage contract labour primarily for activities like security of offices, house-keeping activities, and in warehousing business for loading, unloading, data entry operation, operating material handling equipment, packaging, and supervision activities. The success of our operations depends on maintaining good relationships with our workforce. Our attrition rate for employees during Fiscal 2025, 2024 and 2023 was 42.81% 36.86% and 38.22%, respectively. Shortage of skilled personnel or work stoppages caused by strikes or disagreements with employees could adversely affect our business, results of operations, financial condition and cash flows. While there are no instances in the last three Fiscals of our employees unionising, we cannot assure you that they will not unionise in the future. If our employees unionise, it may become difficult for us to maintain flexible labour policies. Further, while we have not experienced disputes with our workforce during the last three Fiscals and have not experienced any disruption in our business operations due to strikes, disputes or other problems with our workforce, we cannot assure you that we will not experience any such disruption in the future.

Further, for certain operations and services, we engage contract labour. Engagement of such labour is regulated by labour laws in India and we may be held responsible in the event of any default by the independent contractor engaged by us in making payment of wages or providing benefits such as payment of, or contribution to, provident fund. Any adverse decision by a regulatory body or court requiring us to fund such payments or employ such contract labour may materially and adversely affect our business, operating margins, results of operations and cash flows.

We are subject to various labour laws. Amendments to labour laws could adversely affect our business, operating costs and margins. In the event the new labour laws and regulations requires us to increase payment of employee benefits, avail new licenses and approvals, we cannot assure you that we will be able to recover such increased labour and compliance costs from our customers, which may adversely affect our business, operations, operating margins, results of operations and cash flows.

41. *Our business is subject to various laws and regulations which are constantly evolving. If we or our third-party network partners are deemed to be non-compliant with any of these laws and regulations, our business, reputation, financial condition, cash flows and results of operations may be adversely affected.*

Our business is subject to various laws and regulations which are constantly evolving. If we or our third-party network partners are deemed to be non-compliant with any of these laws and regulations, our business, reputation, financial condition, cash flows and results of operations may be materially and adversely impacted. Certain of logistics industry related legal and regulatory compliance and challenges, among others, include:

- We carry the goods largely on said-to-contain basis. We therefore do not verify the contents of the goods transported by us, thereby exposing us to the risks associated with the transportation of goods in violation of applicable laws.
- We are exposed to risk of carrying excess load due to unorganised vendor community and inadvertent lapses of control on loading of goods in excess of prescribed limits under applicable laws and regulations.
- Changes in the taxation laws in India could adversely affect our business. For example, our vendors are exempt from TDS deduction based on furnishing certificate that the vendors do not own more than 10 goods carriages. In case of unfavourable changes taxation laws, our vendors may face stringent procedural challenges, which may result in shortage of vehicles for hiring by us.

- Our Company may be held non-compliant with applicable laws or contractual obligations on account of sharing principal-agent relationship with owners of hired vehicles in certain cases, whereby driver or owner of the vehicle is involved in any illegal load or upkeep of contraband carriage.
- Our operations are subject to various domestic and foreign laws and regulations governing, among other things, noise control, emissions to air, environmental concerns (including concerns about global climate change and its impact such as greenhouse gas emissions), fuel economy standards, health and safety of employees, labour and accounting laws.

42. *Failure to maintain confidential information of our customers could adversely affect our reputation, business, financial condition, results of operations and cash flows.*

Our business generates and processes a large quantity of confidential customer and vendors data. Failure to protect our customers or vendors data through improper handling or unauthorised access could damage our reputation and substantially harm our business, reputation, prospects, results of operations and cash flows. The data relating to our customers, vendors and other intermediaries involved in our business operations is processed through ERP and data base for the same is outsourced with third party. Any breach or compromise in data either by us or outsourced centre may materially and adversely affect our business, reputation, prospects, results of operations and cash flows.

Any failure or perceived failure by us to prevent information security breaches or to comply with privacy policies or privacy-related legal and contractual obligations could cause our customers to lose trust in us and our services. Further, assertions of misappropriation of confidential information or the intellectual property of our customers, vendors and other intermediaries against us, if successful, could have an adverse effect on our business, financial condition, results of operations and cash flows. Even if such assertions against us are unsuccessful, they may cause us to incur reputational harm and divert management's attention.

Additionally, in 2023, the Digital Personal Data Protection Act, 2023 (the “**DPDP Act**”) has been enacted which provides for the processing of digital personal data for lawful purposes and protection of personal data. Our ability to collect, use, disclose and transfer information with respect to our counterparties will be further restricted. Our failure to take reasonable security precautions and safeguard personal information in the future may have a material adverse effect on our business, financial condition, results of operations and cash flows.

43. *Any failure to protect or enforce our rights to own or use trademarks and brand name and identity could have an adverse effect on our business and competitive position.*

Our logo  is registered under class 39 under the Trade Marks Act, 1999. If we are unable to renew or register our trademark for various reasons including our inability to remove objections to any trademark application, or if any of our unregistered trademark are registered in favour of or used by a third party in India or abroad, we may not be able to claim registered ownership of such trademark and consequently, we may not be able to seek remedies for infringement of those trademarks by third parties other than relief against passing off by other entities, causing damage to our business prospects, reputation and goodwill in India and abroad. Apart from this, any failure to register or renew registration of our registered trademark may affect our right to use such trademark in future. Further, our efforts to protect our intellectual property in India and abroad may not be adequate and any third-party claim on any of our unprotected intellectual property may lead to erosion of our business value and our reputation, which could adversely affect our operations. Third parties may also infringe or copy our registered brand name in India and abroad which has been registered by us in India. We may not be able to detect any unauthorized use or take appropriate and timely steps to enforce or protect our trademarks in India and abroad.

Further, if we do not maintain our brand name and identity, which we believe is one of the factors that differentiates us from our competitors, we may not be able to maintain our competitive edge in India and abroad. If we are unable to compete successfully, we could lose our customers, which would negatively affect our financial performance and profitability. Moreover, our ability to protect, enforce or utilize our brand name is subject to risks, including general litigation risks. Furthermore, we cannot assure you that such brand name will not be adversely affected in the future by actions that are beyond our control, including customer complaints or adverse publicity from any other source in India and abroad. Any damage to our brand name, if not immediately and sufficiently remedied, could have an adverse effect on our business and competitive position in India and abroad.

44. *We are susceptible to risks relating to accidents due to human error, which can lead to injury or loss of human life and cause interruptions and disruptions to our logistics operations. Moreover, misconduct or errors by manpower engaged by us could expose us to business risks.*

Our business operations are subject to various risks such as accidents due to human error, which can lead to injury or loss of human life and cause interruptions and disruptions to our logistics operations. Any injury or loss of human life,

interruption and disruption could lead to a loss of reputation and may significantly reduce our ability to manage and carry out our business operations. If prolonged, such interruption could impact our ability to service our customers and our business, results of operations, financial condition and cash flows may be adversely affected.

Further, misconduct or errors by manpower engaged by us could expose us to business risks or losses, including regulatory sanctions, penalties and serious harm to our reputation. Such misconduct includes breach of security requirements, misappropriation of funds, hiding unauthorized activities, failure to observe our stringent operational standards and processes and improper use of confidential information. These employees were suspended after investigation by our Company. It may not always be possible to detect and prevent such misconduct, and the precautions we take to prevent and detect such misconduct may not be effective. The ability to control the workplace environment in such circumstances may be limited.

The risks associated with the deployment of manpower engaged by us across several locations include, among others, possible claims relating to (i) actions or inactions, including matters for which we may have to indemnify our customers; (ii) our failure to adequately verify personnel backgrounds and qualifications resulting in deficient services; (iii) failure of manpower engaged by us to adequately perform their duties or absenteeism; (iv) errors or malicious acts or violation of security, privacy, health and safety regulations; and (v) damage to our customers' facilities or property due to negligence or criminal acts.

These claims may give rise to litigation and claims for damages, which could be time-consuming. These claims may also result in negative publicity and adversely impact our reputation and brand name. Further, we may be required to indemnify our customers against losses or damages suffered by our customers as a result of negligent acts of manpower engaged by us. We may also be affected in our operations by the acts of third-party service providers or vendors. While there have been no such instances during the last three Fiscals, any claims and proceedings for alleged negligence as well as regulatory actions may, in-turn, adversely affect our brand image and reputation, and consequently, our business, financial condition, results of operations, prospects and cash flows.

45. *Our owned and leased premises, including warehouses and branch offices, are subject to operating risks, and the termination, non-renewal or non-registration of certain lease agreements could adversely affect our business.*

Our Registered and Corporate Office is operated by us on owned property. We operate through 202 branch offices as of March 31, 2025, out of which 9 are located on freehold basis and 193 are operated on leasehold basis. Additionally, as of March 31, 2025, we have 14 warehouses managed and operated by us, which are on leased premises. Lease agreements are generally renewed or allowed to expire in the ordinary course of business.

Not all of our lease agreements, including in respect of certain warehouses, have been registered with the relevant authorities as required under applicable law. Non-registration may affect the enforceability of such agreements and expose us to potential disputes or challenges with lessors, which could materially and adversely impact our ability to continue operations from such premises.

As of March 31, 2025, we have not leased any properties from our Promoters, Directors, Subsidiary, or any other related entity. However, as on March 31, 2025, a few of our properties are leased from our Promoter Group, on an arm's length basis, the details of which is given below:

Lessor	Purpose	Property details	Term of lease

	Godown (W&D)	Mouza Asanbani, Thana No. 325, Halka No. 11, Block and P.S Chandil, under the sub-Registry Office at Seraikela, District, Seraikela, Kharsawan, Jharkhand	5 years (with an option to renew)
	Workshop	Mouza Asanbani, Thana No. 325, Halka No. 11, Block and P.S Chandil, under the sub-Registry Office at Seraikela, District, Seraikela, Kharsawan, Jharkhand	11 months

We are also susceptible to risks relating to interruptions and disruptions at our warehouses and branch offices. The operations at our warehouses and branch offices are also subject to various operating risks such as the breakdown or failure of equipment, power supply or processes, natural disasters, and accidents. Any interruption of our operations at our various logistics and warehousing facilities could significantly reduce our ability to manage and carry out our business operations.

Moreover, if any of these leases are terminated for any reason or are not renewed on favourable terms or at all, or we are required to vacate the premises, we may suffer a material disruption in our operations or increased costs, or both, which may materially and adversely affect our business, financial condition, results of operations and cash flows.

46. *We may undertake investments and alliances, acquisitions and mergers in the future, which may be difficult to integrate and manage. These may expose us to uncertainties and risks, any of which could adversely affect our business, financial condition, result of operations and cash flows.*

One of our strategies to grow is to pursue inorganic growth on opportunistic basis. We may continue to pursue strategic investments and alliances as a mode of expanding our operations. Going forward, we may undertake acquisitions, mergers, investments, and expansions to enhance our operations. There can be no assurance that we will be able to raise sufficient funds to finance such strategies for growth. Further, expansion and acquisitions may require us to incur or assume new debt, expose us to future funding obligations, legal claims, past liabilities, regulatory probes or integration risks and we cannot assure you that such expansion or acquisitions will contribute to our profitability.

We may not be able to realise the benefits we might anticipate from any such acquisitions, which may adversely affect our growth prospects, results of operations and cash flows. Moreover, we may expend significant management attention trying to do so but may not see results. In addition, there can be no assurance that we will be able to consummate our expansions, acquisitions, mergers, or alliances in the future on terms acceptable to us, or at all.

Our business expansion may be exposed to various additional challenges, including obtaining the necessary governmental approvals, identifying and collaborating with local business and partners with whom we may have no previous working relationship, successfully gauging market conditions in the local markets in which we have no previous familiarity, attracting potential clients in a market in which we do not have significant experience or visibility, being susceptible to local laws, including taxation in additional geographical areas in India and overseas, and adapting our marketing strategy and operations to the different regions. Due to the aforementioned challenges, if we are unable to expand our current operations on favourable terms or at all it may adversely affect our business prospects, financial condition, results of operations and cash flows.

47. *Inability to focus on clean energy and sustainable growth in efficient manner could adversely affect our business, financial conditions, result of operations and cash flows.*

One of our strategic initiatives is to focus on clean energy and sustainable growth. We aim to adopt a business model that increasingly utilizes commercial electric vehicles (Evs) and alternative-fuel-powered commercial vehicles to promote eco-friendly operations and reduce our environmental footprint.

However, we cannot assure you that we will be able to successfully implement this strategy in a timely, efficient, or cost-effective manner, or at all. The adoption of new technologies, such as Evs or alternative-fuel vehicles, may involve significant capital expenditure, operational challenges, supply chain constraints, or delays in technology deployment.

Further, environmental, social, and governance laws, regulations, and reporting requirements in India are evolving continuously. Compliance with these regulations may require us to incur additional expenses beyond our current estimates, and any failure or delay in complying with ESG norms could result in regulatory penalties, reputational damage, or restrictions on operations.

If we are unable to expand our operations in alignment with our clean energy and ESG strategy, or if we fail to comply with applicable ESG requirements, it may adversely affect our business prospects, financial condition, results of operations, cash flows, and overall reputation.

48. *Any downgrade of our credit ratings could adversely affect our business.*

As of the date of this Draft Red Herring Prospectus, we have received the following credit ratings on our debt and credit facilities.

Instrument or rating type	Amount of facilities/ public deposits (in ₹ million)	Date	Rating
Bank loan facilities (Long term rating)	9,000.00	January 17, 2025	Crisil A/Positive (Outlook revised from 'Stable', Rating Reaffirmed)
Bank loan facilities (Short term rating)		January 17, 2025	Crisil A1 (Reaffirmed)
Fixed deposits*	450.00	January 17, 2025	Crisil A/Positive (Outlook revised from 'Stable'; Rating Reaffirmed)

* Credit rating of fixed deposits of our Company was done in accordance with the provisions of Rule 3(8)(a) of the Companies Acceptance of Deposit Rules, 2014.

These ratings assess our overall financial capacity to pay our obligations and are reflective of our ability to meet financial commitments as they become due. While there was no rating downgrading in Fiscals 2025, 2024 and 2023, there can be no assurance that our ratings will not be revised or changed by the rating agency due to various factors.

Any downgrade made to our credit ratings could lead to high borrowing costs and limit our access to capital and lending markets and, as a result, could adversely affect our business. In addition, downgrades of our credit ratings could increase the possibility of additional terms and conditions being added to any new or replacement financing arrangements.

49. *Our Promoters, Directors, Key Managerial Personnel and members of our Senior Management have interest in our Company other than reimbursement of expenses incurred or normal remuneration or benefits.*

Certain of our Promoters, Directors, Key Managerial Personnel and members of our Senior Management are interested in our Company, in addition to regular remuneration or benefits and reimbursement of expenses, to the extent of their shareholding in our Company and benefits arising therefrom. One of our member's of our Senior Management, Dinesh Radheshyam Goyal, is also interested in a risk reward mechanism. Mr. Dinesh Radheshyam Goyal was paid ₹ 18.60 million, ₹ 31.52 million and ₹ 16.65 million as incentives under the profit-sharing plan for the Fiscals 2025, 2024 and 2023, respectively. Further, one of our members of our Senior Management, Ishant Agarwal who is the President of coastal business unit of our Company is entitled to an incentive plan with risk and reward for coastal business. Under this, he is entitled to 25% of excess profit from this business as incentive in case the annual profit before tax of this business exceeds ₹ 10.00 million. Further he is entitled to bear 25% in case of loss from this business. Any such payouts pursuant to the profit-sharing plan may increase our administrative cost and expenses. For further information, see "Our Management – Bonus or profit-sharing plan of the Key Managerial Personnel and Senior Management" on page 267.

As on the date of this Draft Red Herring Prospectus, our Promoters hold approximately 66.01% of the paid-up Equity Share capital of our Company on a fully diluted basis. Our Promoters holding Equity Shares may take or block actions with respect to our business which may conflict with the best interests of our Company or that of other shareholders. Further, there can be no assurance that our Promoters, Directors, Key Managerial Personnel and members of our Senior Management will exercise their rights as shareholders to the benefit and best interests of our Company.

50. *Our Promoters will continue to have significant shareholding in our Company after the Offer, which will allow them to exercise significant influence over us.*

As on the date of this Draft Red Herring Prospectus, our Promoters hold approximately 63.07% of the paid-up Equity Share capital of our Company. After the completion of the Offer, our Promoters will continue to have significant shareholding in our Company. Our Promoters will therefore have the ability to influence our operations significantly. This will include the ability to appoint Directors to our Board and the right to approve significant actions at Board and Shareholders' meetings including issue of Equity Shares, payment of dividends, determining business plans, mergers and acquisitions strategies and amendments to our Memorandum of Association and Articles of Association. Further, if, in the future, our Promoters are unwilling to dilute their equity stake in our Company and do not, or are unable to, fund us, our growth may be affected. Further, this significant shareholding could impede a merger, consolidation, takeover or other business combination involving our Company, or discourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of our Company even if it is in our Company's best interest.

Additionally, our Individual Promoters, Corporate Promoter and certain other Shareholders have also agreed on certain inter-se rights that shall come into effect upon the listing of our Equity Shares. For details, see “*History and Certain Corporate Matters – Inter-se Agreements*” on page 243.

51. *Any variation in the utilisation of the Net Proceeds or in the terms of any contract as disclosed in this Draft Red Herring Prospectus would be subject to certain compliance requirements, including prior shareholders’ approval.*

We propose to utilise the Net Proceeds of the Fresh Issue for objects as described in “*Objects of the Offer*” on page 137. The objects of the Fresh Issue have not been appraised by any bank or financial institution, and our funding requirements and the proposed deployment of the Net Proceeds are based on management estimates based on current market conditions. In accordance with Section 27 of the Companies Act, 2013, we cannot undertake any variation in the utilisation of the Net Proceeds or in the terms of any contract as disclosed in this Draft Red Herring Prospectus without obtaining the Shareholders’ approval through a special resolution. In the event of any such circumstances that require us to undertake variation in the disclosed utilisation of the Net Proceeds, we may not be able to obtain the Shareholders’ approval in a timely manner, or at all. Any delay or inability in obtaining such Shareholders’ approval may adversely affect our business or operations.

Further, our Promoters would be required to provide an exit opportunity to the shareholders who do not agree with our proposal to change the objects of the Offer or vary the terms of such contracts, at a price and manner as prescribed by SEBI. Additionally, the requirement on the Promoters to provide an exit opportunity to such dissenting shareholders may deter the Promoters from agreeing to the variation of the proposed utilisation of the Net Proceeds, even if such variation is in our interest. Further, we cannot assure you that our Promoters will have adequate resources at their disposal at all times to enable them to provide an exit opportunity at the price prescribed by SEBI.

In light of these factors, we may not be able to undertake variation of objects of the Fresh Issue to use any unutilised proceeds of the Fresh Issue, if any, or vary the terms of any contract referred to in this Draft Red Herring Prospectus, even if such variation is in our interest. This may restrict our ability to respond to any change in our business or financial condition by re-deploying the unutilised portion of the Net Proceeds, if any, or varying the terms of any contract, which may adversely affect our business, results of operations and cash flows.

52. *We will not receive any proceeds from the Offer for Sale.*

The Offer consists of a Fresh Issue and an Offer for Sale. The Selling Shareholders will be entitled to their respective portion of the proceeds from the Offer for Sale (after deducting applicable Offer expenses) in proportion of the Equity Shares offered by the Selling Shareholders as part of the Offer for Sale. Our Company will not receive any proceeds from the Offer for Sale. See “*Objects of the Offer*” on page 137.

53. *Our Statutory Auditors’ examination report on our Restated Consolidated Summary Statements discloses certain modifications included in their auditors report and in annexure to their auditor’s report under Companies (Auditor’s Report) Order, 2020 on audited consolidated financial statements as at and for the years ended March 31, 2025, 2024 and 2023.*

Our Statutory Auditors’ examination report on our Restated Consolidated Summary Statements discloses certain modifications included in their auditors report and in annexure to their auditor’s report under Companies (Auditor’s Report) Order, 2020 on audited consolidated financial statements as at and for the years ended March 31, 2025, 2024 and 2023:

- The Auditor’s report dated June 24, 2025 and June 24, 2024, on Audited Consolidated Financial Statements for the year ended March 31, 2025, and March 31, 2024, respectively, includes a modification relating to audit trail feature is not enabled in respect of Holding Company and one Subsidiary.
- The Auditor’s report dated June 24, 2025, on Audited Consolidated Ind AS Financial Statements as at and for the year ended March 31, 2025, includes a factual reporting relation to the disqualification of the one of the directors of the Holding Company and one subsidiary.

In addition, our Statutory Auditors are required to comment upon the matters included in the Companies (Auditor’s Report) Order, 2020 (the “**CARO Report**”) issued by the Central Government of India under Section 143(11) of the Companies Act, 2013. The observations included in the annexure to the auditor’s report issued under Companies (Auditor’s Report) Order, 2020 on the audited consolidated financial statements of the Group as at and for the years

ended March 31, 2025, March 31, 2024 and March 31, 2023 which does not require any corrective adjustments to the Restated Consolidated Summary Statements, are as follows:

- (i) The title deeds of immovable properties (other than properties where our Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of our Company except one immovable properties as indicated in the below mentioned case as at March 31, 2025, March 31, 2024 and March 31, 2023 for which title deeds were not available with our Company and hence the Statutory Auditor's unable to comment on the same:

Description of Property	Gross carrying value (in ₹ million)	Held in name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in the name of Company
Building in West Bengal	0.16	Roshan Lal Aggarwal	Yes	Since November 22, 2001	Our Company is in the process of getting the title deed registered in its name

- (ii) No material fraud by the Holding Company or no material fraud on the Holding Company has been noticed or reported during the year ended March 31, 2025 and March 31, 2023.

- (iii) Statutory dues generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases, for the year ended March 31, 2025 and March 31, 2024.

We cannot assure you that our Statutory Auditors' observations for any future financial period will not contain similar remarks, modifications required to be reported under the Companies (Auditor's Report) Order, 2020, and that such matters will not otherwise affect our results of operations and cashflows.

54. *We have in the past entered into related party transactions and may continue to do so in future. We cannot assure you that we could not have achieved more favourable terms had such transactions not been entered into with related parties.*

We have in the past entered into related party transactions and may continue to do so in future. Such transactions are for, among others, employee benefit expense, rent, loan taken, purchase of intangible assets, expenses reimbursed, cost of services (lorry hire, haulage and other ancillary cost), advertisement paid, sale of property, plant and equipment, revenue from operations, management fee and manpower support. The table below provides details of arithmetic aggregated absolute total of related party transactions and the percentage of such related party transactions to our revenue from operations in the years indicated:

Particulars	Fiscal 2025	Fiscal 2024	Fiscal 2023
	(In ₹ million, except percentages)		
Arithmetic aggregated absolute total of related party transactions*#	525.66	482.16	596.61
Arithmetic aggregated absolute total of related party transactions*# as a percentage of revenue from operations	1.02%	1.05%	1.42%

*Excluding related party transactions eliminated during the year, but including debits, credits, and balance sheet transactions without netting off.

Arithmetic aggregation of all debit, credit and balance sheet transactions without netting off includes all transactions entered with related parties during the respective Fiscal.

For further information on our related party transactions, see "Offer Document Summary – Summary of Related Party Transactions" on page 28.

While all such transactions have been conducted on an arm's length basis and are in compliance with the relevant provisions of Companies Act, 2013, we cannot assure you that we could not have achieved more favourable terms had such transactions not been entered into with related parties.

While we are required to conduct all related party transactions post-listing of the Equity Shares subject to the Audit Committee, our Board or Shareholders' approval, as applicable, and in compliance with the provisions of Companies Act, 2013, the SEBI Listing Regulations and other applicable law, such related party transactions may potentially involve conflicts of interest, which may be detrimental to our Company and may have an adverse impact on our Company, and which our Company will endeavour to duly address as and when they may arise. However, we cannot assure you that any such future transactions, individually or in the aggregate, may not involve potential conflicts of interest which will not have an adverse effect on our business, results of operations, financial condition and cash flows.

55. *Our ability to pay dividends in the future will depend on our future earnings, cash flows, working capital requirements, capital expenditures and financial condition.*

Our Company has not declared any dividends in the last three Fiscals, and the period from April 1, 2025 until the date of this Draft Red Herring Prospectus. The amount of our future dividend payments, if any, will be at the sole discretion of our Board of Directors and will depend on our future earnings, cash flows, working capital requirements, capital expenditures and financial condition, applicable Indian legal restrictions and other factors. There can be no assurance that we will pay dividends. We may decide to retain all of our earnings to finance the development and expansion of our business and, therefore, may not declare dividends on our Equity Shares. Additionally, in the future, we may be restricted by the terms of our financing agreements in making dividend payments unless otherwise agreed with our lenders. We may be unable to pay dividends in the near or medium term and our future dividend policy will depend on our capital requirements, financial condition and results of operations. For further details, see “Dividend Policy” on page 281.

56. *Our Company is unable to trace certain filings pertaining to historical secretarial information, minutes of board and shareholders’ meetings, copies of share transfer forms and certain records from the statutory registers. We have also relied on affidavits furnished by or on behalf of promoters, promoter group and allottees, as applicable, of such issuance to affirm that the shares have been allotted and the shareholding is in accordance with applicable laws.*

Our Company is unable to trace certain filings pertaining to historical secretarial information, minutes of board and shareholders’ meetings, copies of share transfer forms, certain records from the statutory registers and filings with the RoC. These include Form 2s and Form 23s required to be filed with regulatory authorities for allotment of equity shares until 1989 and during early 2000s. Accordingly, we have relied on signed minutes of the Board of Directors, its committees and/or shareholders’ meetings, statutory registers and annual reports, to the extent available. Similarly, for the build-up of our Promoters’ shareholding in our Company, we have unable to trace certain share transfer forms and related documents, and therefore relied on the signed minutes of the Board meetings and committees, share transfer deeds, statutory registers, demat statements and bank statements, gift deeds executed for the transfers including delivery instruction slips (DIS) and form FC-TRS acknowledgments from the authorised banks to the extent available and applicable. We have also placed reliance on the certificate dated September 30, 2025, from M/s. Rajesh Garg & Co., Practicing Company Secretaries. We have also conducted independent searches by a practising company secretary through the relevant databases and at the office of the RoC. Further, our Company has also intimated the RoC vide a letter dated September 30, 2025, with respect to such missing records. However, we have been unable to obtain all the relevant forms and thus relied on remaining documents to verify the details of the allotment and transfers.

While we have conducted an extensive search to trace our records, and a search in the records of the RoC, we have not been able to retrieve the aforementioned documents. We believe that the aforesaid records have been duly executed and requisite forms were filed in a timely manner, however, we have not been able to obtain copies of all these documents from the RoC and/or any respective authorities, or otherwise. We have also relied on affidavits furnished by or on behalf of promoters, promoter group and allottees, as applicable, of such issuance to affirm that the shares have been allotted and the shareholding is in accordance with applicable laws. We cannot assure you that any such records will be available in the future.

57. *This Draft Red Herring Prospectus contains industry-related information derived from the industry report commissioned from CRISIL Limited and paid for by our Company. Investors are advised not to place undue reliance on such information.*

This Draft Red Herring Prospectus contains industry-related information derived from the CRISIL Report prepared by CRISIL Limited, which has been commissioned and paid for by our Company. Our Company commissioned the CRISIL Report for the purposes of confirming our understanding of the industry in connection with the Offer. Our Company, our Promoters, our Directors, and our Key Managerial Personnel and Senior Management are not related to CRISIL. Further, the CRISIL Report is prepared based on information as of specific dates and may no longer be current or reflect current trends. The CRISIL Report has also based its information on estimates, projections, forecasts and assumptions that may prove to be incorrect. The CRISIL Report also uses certain methodologies for market sizing and forecasting. There are no standard data gathering methodologies in the markets in which we operate, and methodologies and assumptions vary widely among different industry sources. Such assumptions may change based on various factors. While CRISIL Limited may have taken due care and caution while preparing its report, it does not guarantee the accuracy, adequacy or completeness of the data. Accordingly, investors are advised not to place undue reliance on the CRISIL Report or extracts thereof as included in this Draft Red Herring Prospectus, when making their investment decision.

The CRISIL Report or any other industry data or sources are not recommendations to invest in our Company. You should consult your own advisors and undertake an independent assessment of information in this Draft Red Herring

Prospectus based on, or derived from, the CRISIL Report. Also, see “Industry Overview” on page 168. For the disclaimer associated with the CRISIL Report, see “Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation” on page 16.

- 58. *Certain non-GAAP financial measures and certain other statistical information relating to our operations and financial performance like EBITDA, EBITDA margin, Return on Net Worth, Return on Equity, Net Asset Value per Equity Share, Net debt, ROE, ROCE and others have been included in this Draft Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable.***

Certain non-GAAP financial measures and certain other statistical information relating to our operations and financial performance like EBITDA, EBITDA margin, Return on Net Worth, Return on Equity, Net Asset Value per Equity Share, Net debt, ROE, ROCE and others have been included in this Draft Red Herring Prospectus. We compute and disclose such non-GAAP financial measures and such other statistical information relating to our operations and financial performance as we consider such information to be useful measures of our business and financial performance.

These Non-GAAP Measures are not a measurement of our financial performance or liquidity under Ind AS and should not be considered in isolation or construed as an alternative to cash flows, profit/ (loss) for the years or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS. In addition, these are not standardised terms, hence a direct comparison of these Non-GAAP Measures between companies may not be possible. Other companies may calculate these Non-GAAP Measures differently from us, limiting its usefulness as a comparative measure. These non-GAAP financial measures and other statistical and other information relating to our operations and financial performance may not be computed on the basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial measures and statistical information of similar nomenclature that may be computed and presented by other companies and are not measures of operating performance or liquidity defined by Ind AS and may not be comparable to similarly titled measures presented by other companies.

EXTERNAL RISK FACTORS

Risks relating to India

- 59. *Political, economic or other factors that are beyond our control may have an adverse effect on our business, results of operations and cash flows.***

Our Company is incorporated in India and a significant portion of our operations are located in India. As a result, we are dependent on prevailing economic conditions in India and our results of operations and cash flows are significantly affected by factors influencing the Indian economy. Factors that may adversely affect the Indian economy, and hence our results of operations and cash flows, may include:

1. any increase in Indian interest rates or inflation;
2. any exchange rate fluctuations;
3. any scarcity of credit or other financing in India, resulting in an adverse impact on economic conditions in India and scarcity of financing for our expansions;
4. prevailing income conditions among Indian consumers and Indian corporates;
5. volatility in, and actual or perceived trends in trading activity on India’s principal stock exchanges;
6. changes in India’s tax, trade, fiscal or monetary policies;
7. political instability, terrorism or military conflict in India or in countries in the region or globally, including in India’s various neighboring countries;
8. occurrence of natural or man-made disasters;
9. prevailing regional or global economic conditions, including in India’s principal export markets;
10. any downgrading of India’s debt rating by a domestic or international rating agency;
11. financial instability in financial markets; and

12. other significant regulatory or economic developments in or affecting India or its construction sector.

In addition, any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could adversely affect our business, results of operations, cash flows and financial condition and the price of the Equity Shares.

Furthermore, the imposition of any tariffs or trade restrictions may also adversely affect our business. For example, any changes to United States trade policies and tariffs, including with respect to China, India or other countries may have a material adverse effect on global economic conditions and the stability of global financial markets. There can be no assurance that such developments or other restrictions will not have an adverse impact on our business, or require us to modify our supply chain organization or other business practices.

60. *Natural disasters, fires, epidemics, pandemics, acts of war, terrorist attacks, civil unrest and other events could materially and adversely affect our business.*

Natural disasters (such as cyclones, flooding, storms, tsunamis, tornadoes, fires, explosions and earthquakes), epidemics, pandemics such as COVID-19, acts of war, terrorist attacks and other events, many of which are beyond our control, may lead to economic instability, including in India or globally, which may in turn materially and adversely affect our business, financial condition, results of operations and cash flows. Our operations may be adversely affected by fires, natural disasters and/or severe weather, which can result in damage to our property or inventory and generally reduce our productivity and may require us to evacuate personnel and suspend operations. Any terrorist attacks or civil unrest as well as other adverse social, economic and political events in India or countries to who we export our products could have a negative effect on us. Such incidents could also create a greater perception that investment in Indian companies involves a higher degree of risk and could have an adverse effect on our business and the price of the Equity Shares. A number of countries in Asia, including India, as well as countries in other parts of the world, are susceptible to contagious diseases and, for example, have had confirmed cases of diseases such as the highly pathogenic H7N9, H5N1 and H1N1 strains of influenza in birds and swine and more recently, the COVID-19 virus. A worsening of the outbreak of COVID-19 pandemic or future outbreaks of COVID-19 virus or a similar contagious disease could adversely affect the Indian economy and economic activity in the region. As a result, any present or future outbreak of a contagious disease could have a material adverse effect on our business and the trading price of the Equity Shares.

61. *Changing laws, rules, regulations, government policies, and legal uncertainties, including any adverse application of tax laws and regulations across the multiple states we operate in, could have a material adverse effect on our business, financial condition, results of operations and cash flows.*

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. For details, see “Key Regulations and Policies in India” on page 230. While we did not have any material non-compliance with the applicable laws and regulations during the last three Fiscals, any failure or alleged failure to comply with the applicable laws, regulations or requirements could subject us to inspection, enforcement actions and penalties imposed by authorities. Our business could be adversely affected by any change in laws, municipal plans or interpretation of existing laws, or promulgation of new laws, rules and regulations applicable to us. We cannot assure you that we will be able to comply with the revised norms or any other additional regulation applicable to us, or pass any cost arising from the compliance with the revised norms to our consumers, and if we are not able to do so, our business, financial condition and prospects may be adversely affected.

In addition, unfavorable changes in or interpretations of existing, or the promulgation of new laws, rules and regulations including foreign investment laws governing our business, operations and group structure could result in us being deemed to be in contravention of such laws or may require us to apply for additional approvals. We may incur increased costs and other burdens relating to compliance with such new requirements, which may also require significant management time and other resources, and any failure to comply may adversely affect our business, results of operations, cash flows and prospects. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may affect the viability of our current business or restrict our ability to grow our business in the future.

62. *High levels of inflation in the Indian economy may result in a decline in our profits.*

Inflation rates in India have been volatile in recent years, and such volatility may continue. In recent years, India has experienced consistently high inflation, which has increased the price of, among other things, our rent, raw materials and wages. If this trend continues, we may be unable to accurately estimate or control our costs of production and this could have an adverse effect on our business and results of operations. High fluctuations in inflation rates may make

it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our expenses, which we may not be able to adequately pass on to our customers, whether entirely or in part, and may adversely affect our business and financial condition. If we are unable to increase our revenues sufficiently to offset our increased costs due to inflation, it could have an adverse effect on our business, prospects, financial condition, results of operations and cash flows. Further, the Government of India has previously initiated economic measures to combat high inflation rates, and it is unclear whether these measures will remain in effect. We cannot assure you that Indian inflation levels will not worsen in the future.

63. *Investors may not be able to enforce a judgment of a foreign court against us.*

Our Company is a company incorporated under the laws of India. Certain of our Company's Directors and officers are residents of India and all of our assets and certain assets of such persons are located in India. As a result, it may not be possible for investors to effect service of process upon our Company or such persons in jurisdictions outside India, or to enforce judgements obtained against such parties outside India. Furthermore, it is unlikely that an Indian court would enforce foreign judgements if that court was of the view that the amount of damages awarded was excessive or inconsistent with public policy, or if judgements are in breach or contrary to Indian law. In addition, a party seeking to enforce a foreign judgement in India is required to obtain approval from the RBI to execute such a judgement or to repatriate outside India any amounts recovered.

Recognition and enforcement of foreign judgements is provided for under Section 13, Section 14 and Section 44A of the Code of Civil Procedure, 1908 ("CPC"). India has reciprocal recognition and enforcement of judgements in civil and commercial matters with only a limited number of jurisdictions, such as the United Kingdom, Singapore, Hong Kong and the United Arab Emirates. In order to be enforceable, a judgement from a jurisdiction with reciprocity must meet certain requirements established in the CPC. The CPC only permits the enforcement and execution of monetary decrees in the reciprocating jurisdiction, not being in the nature of any amounts payable in respect of taxes, other charges, fines or penalties. Judgements or decrees from jurisdictions which do not have reciprocal recognition with India, including the United States, cannot be enforced by proceedings in execution in India. Therefore, a final judgement for the payment of money rendered by any court in a non-reciprocating territory for civil liability, whether or not predicated solely upon the general laws of the non-reciprocating territory, would not be directly enforceable in India. The party in whose favour a final foreign judgement in a non-reciprocating territory is rendered may bring a fresh suit in a competent court in India based on the final judgement within three years of obtaining such final judgement. However, it is unlikely that a court in India would award damages on the same basis as a foreign court if an action were brought in India or that an Indian court would enforce foreign judgements if it viewed the amount of damages as excessive or inconsistent with the public policy in India.

64. *Significant differences exist between Ind AS and other accounting principles, such as US GAAP and IFRS, which may be material to investors' assessments of our financial condition.*

The Restated Consolidated Summary Statements included in this Draft Red Herring Prospectus has been derived from our audited consolidated financial statements at and for Fiscals ended March 31, 2025, March 31, 2024 and March 31, 2023 prepared in accordance with Ind AS and restated in accordance with the SEBI ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the ICAI. Ind AS differs from accounting principles with which prospective investors may be familiar, such as Indian GAAP, IFRS and U.S. GAAP. We have not attempted to quantify their impact of US GAAP or IFRS on the financial data included in this Draft Red Herring Prospectus nor do we provide a reconciliation of our financial statements to those of US GAAP or IFRS. US GAAP and IFRS differ in significant respects from Ind AS. Prospective investors should review the accounting policies applied in the preparation of our financial statements and consult their own professional advisers for an understanding of the differences between these accounting principles and those with which they may be more familiar. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should be limited accordingly.

65. *Rights of shareholders under Indian laws may be more limited than under the laws of other jurisdictions.*

Indian legal principles related to corporate procedures, directors' fiduciary duties and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights including in relation to class actions, under Indian law may not be as extensive as shareholders' rights under the laws of other countries or jurisdictions. Investors may have more difficulty in asserting their rights as shareholder in an Indian company than as shareholder of a corporation in another jurisdiction.

66. *We may be affected by competition laws, the adverse application or interpretation of which could adversely affect our business.*

The Competition Act, 2002, of India, as amended ("Competition Act"), seeks to prevent business practices having an appreciable adverse effect on competition in the relevant market in India ("AAEC"). Under the Competition Act, any

formal or informal arrangement, understanding or action in concert between enterprises, whether formal or informal, which causes or is likely to cause an AAEC is considered void and attracts substantial monetary penalties. Further, any agreement among competitors which directly or indirectly involves the determination of purchase or sale prices, limits or controls production, supply, markets, technical development, investment or the provision of services or shares the market or source of production or provision of services in any manner, including by way of allocation of geographical area, type of goods or services or number of customers in the relevant market or directly or indirectly results in bid-rigging or collusive bidding is presumed to have an AAEC and is considered void.

The Competition Act also prohibits abuse of a dominant position by any enterprise. If it is proved that the contravention committed by a company took place with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of such a company, that person shall also be guilty of contravention and may be punished.

On March 4, 2011, the Government notified and brought into force the combination regulation (merger control) provisions under the Competition Act with effect from June 1, 2011. These provisions require acquisitions of shares, voting rights, assets or control or mergers or amalgamations that cross the prescribed asset and turnover based thresholds to be mandatorily notified to and pre-approved by the Competition Commission of India (“CCI”). Additionally, on May 11, 2011, the CCI issued Competition Commission of India (Procedure for Transaction of Business Relating to Combinations) Regulations, 2011, as amended, which sets out the mechanism for implementation of the merger control regime in India.

The Competition (Amendment) Act, 2023 (“**Competition Amendment Act**”) was notified on April 11, 2023, which amends the Competition Act and gives the CCI additional powers to prevent practices that harm competition and the interests of consumers. The Competition Amendment Act, among others, modifies the scope of certain factors used to determine AAEC, reduces the overall time limit for the assessment of combinations by the CCI from 210 days to 150 days and empowers the CCI to impose penalties based on the global turnover of entities, for anti-competitive agreements and abuse of dominant position.

The Competition Act aims to, among others, prohibit all agreements and transactions, including agreements between vertical trading partners i.e., entities at different stages or levels of the production chain in different markets, which may have an AAEC in India. Consequently, all agreements entered into by us could be within the purview of the Competition Act. Further, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside India if such agreement, conduct or combination has an AAEC in India. However, the impact of the provisions of the Competition Act on the agreements entered into by us cannot be predicted with certainty at this stage. However, if we are affected, directly or indirectly, by the application or interpretation of any provision of the Competition Act, or any enforcement proceedings initiated by the CCI, or any adverse publicity that may be generated due to scrutiny or prosecution by the CCI or if any prohibition or substantial penalties are levied under the Competition Act, it would adversely affect our business, results of operations, cash flows and prospects.

67. *A downgrade in ratings of India, may affect the trading price of the Equity Shares.*

Our borrowing costs and our access to the debt capital markets are affected by the credit ratings of India. India’s sovereign debt rating could be downgraded due to various factors, including changes in tax or fiscal policy or a decline in India’s foreign exchange reserves, which are outside our control.

Name of Agency	Rating	Outlook
Fitch	BBB-	Stable
Moody’s	Baa3	Stable
DBRS	BBB	Stable

Any adverse revisions to India’s credit ratings for domestic and international debt by domestic or international rating agencies may adversely impact our ability to raise additional financing, and the interest rates and other commercial terms at which such additional external financing is available. A downgrading of India’s credit ratings may occur for reasons beyond our control, such as upon a change of government fiscal policy. This could have an adverse effect on our business and future financial performance, ability to obtain financing for capital expenditures and the trading price of the Equity Shares.

68. *Financial instability in other countries may cause increased volatility in Indian financial markets.*

The Indian financial market and the Indian economy are influenced by economic and market conditions in other countries, particularly in the emerging market in Asian countries. Financial turmoil in Asia, Europe, the United States and elsewhere in the world in recent years has affected the Indian economy. Although economic conditions are different in each country, investors’ reactions to developments in one country can have a material adverse effect on

the securities of companies in other countries, including India. A loss in investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets and, indirectly, in the Indian economy in general. Any global financial instability, including continued volatility in global financial markets due to the economic slowdown in China and the increase in the federal interest rates by the United States Federal Reserve, could also have a negative impact on the Indian financial markets and economy.

69. *Currency exchange rate fluctuations may have an adverse effect on our results of operations and value of the Equity Shares.*

Our financial information is presented in Indian Rupees. There is no guarantee that we may be able to manage our foreign currency risk effectively or mitigate exchange exposures, at all times and our inability may harm our results of operations and cause our results to fluctuate and/or decline. The exchange rate between the Indian Rupee and the USD, Euro and other foreign currencies has changed considerably in recent years and may fluctuate substantially in the future. Fluctuations in the exchange rate between the Indian Rupee and other currencies may affect the value of a non-resident investor's investment in the Equity Shares.

A non-resident investor may not be able to convert Rupee proceeds into USD, Euro or any other currency or the rate at which any such conversion may occur could fluctuate. In addition, our market valuation could be seriously harmed by the devaluation of the Rupee, if United States or other non-resident investors analyze our value based on the USD, Euro or any other currency equivalent of our financial condition and results of operations. For historical exchange rate fluctuations, see "*Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation*" on page 16.

Risks relating to the Equity Shares and this Offer

70. *The determination of the Price Band is based on various factors and assumptions and the Offer Price of the Equity Shares may not be indicative of the market price of the Equity Shares upon listing on the Stock Exchanges. Investors bear the risk of fluctuations in the price of Equity Shares and there can be no assurance that a liquid market for our Equity Shares will develop following the listing of our Equity Shares on the Stock Exchanges.*

There has been no public market for our Equity Shares prior to the Offer. The determination of the Price Band is based on various factors and assumptions and will be determined by our Company in consultation with the BRLMs. Furthermore, the Offer Price of the Equity Shares will be determined by our Company, in consultation with the BRLMs, through the Book Building Process. This price will be based on numerous factors, as described under in "*Basis for Offer Price*" on page 149. This price may not necessarily be indicative of the market price of the Equity shares after the Offer is completed. You may not be able to re-sell your Equity Shares at or above the Offer price and may as a result lose all or part of your investment.

The price at which the Equity Shares will trade at after the Offer will be determined by the marketplace and may be influenced by many factors, including:

- our financial condition, results of operations and cash flows;
- the history of and prospects for our business;
- an assessment of our management, our past and present operations and the prospects for as well as timing of our future revenues and cost structures;
- results of operations that vary from those of our competitors;
- announcements by us or our competitors of significant acquisitions, strategic alliances, joint operations or capital commitments;
- announcements of significant claims or proceedings against us;
- new laws and government regulations that directly or indirectly affect our business;
- additions or departures of Key Managerial Personnel or Senior Management Personnel;
- changes in interest rates;
- fluctuations in stock market prices and volume; and
- general economic conditions.

The Indian stock markets have, from time to time, experienced significant price and volume fluctuations that have affected market prices for the securities of Indian companies. As a result, investors in the Equity Shares may experience a decrease in the value of the Equity Shares regardless of our financial condition, results of operations and cash flows.

The Equity Shares are expected to trade on NSE and BSE after the Offer, but there can be no assurance that active trading in our Equity Shares will develop after the Offer, or if such trading develops that it will continue. Investors may not be able to sell our Equity Shares at the quoted price if there is no active trading in our Equity Shares.

71. *A third party could be prevented from acquiring control of our Company because of anti-takeover provisions under Indian law.*

There are provisions in Indian law that may delay, deter or prevent a future takeover or change in control of our Company, even if a change in control would result in the purchase of your Equity Shares at a premium to the market price or would otherwise be beneficial to you. Such provisions may discourage or prevent certain types of transactions involving actual or threatened change in control of our Company. Under the Takeover Regulations, an acquirer has been defined as any person who, directly or indirectly, acquires or agrees to acquire shares or voting rights or control over a company, whether individually or acting in concert with others. Although these provisions have been formulated to ensure that interests of investors/shareholders are protected, these provisions may also discourage a third party from attempting to take control of our Company. Consequently, even if a potential takeover of our Company would result in the purchase of the Equity Shares at a premium to their market price or would otherwise be beneficial to its stakeholders, it is possible that such a takeover would not be attempted or consummated because of the Takeover Regulations. Further, there are requirements under the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and the Takeover Regulations if the shareholding of any entity exceeds the specified threshold.

72. *Investors will not be able to immediately sell on an Indian stock exchange any of the Equity Shares they purchase in the Offer.*

Subject to requisite approvals, the Equity Shares will be listed on the Stock Exchanges. Pursuant to applicable Indian laws, certain actions must be completed before the Equity Shares can be listed and trading in the Equity Shares may commence. Investors' book entry, or 'demat' accounts with depository participants in India, are expected to be credited within one working day of the date on which the Basis of Allotment is approved by the Stock Exchanges. The Allotment of Equity Shares in this Offer and the credit of such Equity Shares to the applicant's demat account with depository participant could take approximately two Working Days from the Bid Closing Date and trading in the Equity Shares upon receipt of final listing and trading approvals from the Stock Exchanges is expected to commence within three Working Days of the Bid Closing Date. There could be a failure or delay in listing of the Equity Shares on the Stock Exchanges. Any failure or delay in obtaining the approval or otherwise commence trading in the Equity Shares would restrict investors' ability to dispose of their Equity Shares. There can be no assurance that the Equity Shares will be credited to investors' demat accounts, or that trading in the Equity Shares will commence, within the time periods specified in this risk factor. We could also be required to pay interest at the applicable rates if allotment is not made, refund orders are not dispatched or demat credits are not made to investors within the prescribed time periods.

For further details, see "Offer Procedure" on page 445.

73. *Any future issuance of Equity Shares, or convertible securities or other equity-linked securities by us may dilute your shareholding and any sales of the Equity Shares by our major shareholders may adversely affect the trading price of the Equity Shares.*

Any future issuance of the Equity Shares, convertible securities or securities linked to the Equity Shares by us, including through exercise of employee stock options, if any, issued by us in future, shareholders may dilute your shareholding in our Company. Further any such future issuance of the Equity Shares or future sales of the Equity Shares by any of our major shareholders may also adversely affect the trading price of the Equity Shares and our ability to raise capital through an issue of our securities. Additionally, the disposal, pledge or encumbrance of the Equity Shares by any of our major shareholders, or the perception that such transactions may occur, may affect the trading price of the Equity Shares. There can be no assurance that we will not issue further Equity Shares or that our existing Shareholders including our Promoter will not dispose of further Equity Shares after the completion of the Offer (subject to compliance with the lock-in provisions under the SEBI ICDR Regulations) or pledge or encumber their Equity Shares. Any future issuances could also dilute the value of shareholders' investment in the Equity Shares and adversely affect the trading price of our Equity Shares. Such securities may also be issued at prices below the Offer Price. In addition, any perception by investors that such issuances or sales might occur could also affect the trading price of the Equity Shares.

74. *You may be subject to stamp duty and Indian taxes arising out of capital gains on the sale of the Equity Shares.*

Under current Indian tax laws, unless specifically exempted, capital gains arising from the sale of equity shares in an Indian company is generally taxable in India. Investors may be subject to payment of long-term or short-term capital gains tax in India, in addition to payment of securities transaction tax (“STT”), on the sale of any Equity Shares held for more or less than 12 months immediately preceding the date of transfer. While non-residents may claim tax treaty benefits in relation to such capital gains income, generally, Indian tax treaties do not limit India’s right to impose a tax on capital gains arising from the sale of shares of an Indian company.

The Government of India announced the interim union budget for Financial Year 2025-2026, following which the Finance Bill, 2025 (“**Finance Bill**”) was introduced in the Lok Sabha on February 1, 2024. The Finance Bill received the assent from the President of India and became the Finance Act, 2025, with effect from April 1, 2025.

Further, pursuant to amendments notified by the Finance (No. 2) Act, 2024, long term capital gains exceeding the exempted limit of ₹125,000 arising from the sale of listed equity shares on the stock exchange are subject to tax at the rate of 12.5% (plus applicable surcharge and cess), without benefit of indexation. Further, any capital gains realized on the sale of listed equity shares held for a period of 12 months or less immediately preceding the date of transfer will be subject to short term capital gains tax at the rate of 20% (plus applicable surcharges and cess) for transfers taking place after July 23, 2024. A STT will be levied on and collected by an Indian stock exchange on which our Equity Shares are sold.

Any gain realized on the sale of our Equity Shares other than on a recognized stock exchange (where no STT has been paid), will also be subject to short term capital gains tax or long-term capital gains tax, at such rates as may be applicable under the Income Tax Act. Further, capital gains arising from the sale of our Equity Shares will be exempt from taxation in India in cases where an exemption is provided under a treaty between India and the country of which the seller is a resident, subject to certain conditions being met. Subject to any relief available under an applicable tax treaty or under the laws of their own jurisdictions, residents of other countries may be liable for tax in India as well as in their own jurisdictions on gains arising from a sale of our Equity Shares. Investors are advised to consult their own tax advisors to understand their tax liability as per the laws prevailing on the date of disposal of Equity Shares.

The Finance Act, 2019 amended the Indian Stamp Act, 1899 with effect from July 1, 2020 and clarified that, in the absence of a specific provision under an agreement, the liability to pay stamp duty in case of sale of securities through stock exchanges will be on the buyer, while in other cases of transfer for consideration through a depository, the onus will be on the transferor. The stamp duty for transfer of certain securities, other than debentures, on a delivery basis is currently specified at 0.015% and on a non-delivery basis is specified at 0.003% of the consideration amount.

Under the Finance Act 2020, any dividends paid by an Indian company will be subject to tax in the hands of the shareholders at applicable rates. Such taxes will be withheld by the Indian company paying dividends. The Company may or may not grant the benefit of a tax treaty (where applicable) to a non-resident shareholder for the purposes of deducting tax at source pursuant to any corporate action including dividends. Investors are advised to consult their own tax advisors and to carefully consider the potential tax consequences of owning Equity Shares. Investors are advised to consult their own tax advisors to understand their tax liability as per the laws prevailing on the date of disposal of Equity Shares. Further, pursuant to the Finance Act 2024 II, any payment received by the shareholders from the Company pursuant to buyback of shares undertaken after October 1, 2024 on account of buy back of shares shall be taxable as dividend and no deduction from such dividend income shall be allowed.

We cannot predict whether any amendments made pursuant to the Finance Acts would have an adverse effect on our business, results of operations and financial condition. Unfavorable changes in or interpretations of existing laws, rules and regulations, or the promulgation of new laws, rules and regulations including foreign investment and stamp duty laws governing our business and operations could result in us being deemed to be in contravention of such laws and may require us to apply for additional approvals.

75. *Foreign investors are subject to investment restrictions under Indian law that limit our ability to attract foreign investors, which may adversely affect the trading price of the Equity Shares.*

Under foreign exchange regulations currently in force in India, transfers of shares between non-residents and residents are freely permitted (subject to certain restrictions), if they comply with the valuation and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such requirements and does not fall under any of the exceptions, then prior approval of the relevant regulatory authority is required. Additionally, shareholders who seek to convert Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India require a no-objection or a tax clearance certificate from the Indian income tax authorities. As provided in the foreign exchange controls currently in effect in India, the RBI has provided that the price at which the Equity Shares are transferred be calculated in accordance with internationally accepted pricing methodology for the valuation of shares at an arm’s length basis, and a higher (or lower, as applicable) price per share may not be permitted. We cannot assure you that any required approval from the RBI or any other

governmental agency can be obtained with or without any particular terms or conditions. Further, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020, issued by the Department for Promotion of Industry and Internal Trade, Government of India, and the Foreign Exchange Management (Non-debt Instruments) Amendment Rules, 2020, which came into effect from April 22, 2020, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares a land border with India or investments where the beneficial owner of the Equity Shares is situated in or is a citizen of a country which shares land border with India, can only be made through the Government approval route, as prescribed in the FDI Policy and FEMA Non-debt Rules. These investment restrictions shall also apply to subscribers of offshore derivative instruments. For further information, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 466. Our ability to raise foreign capital under the FDI route is therefore constrained by Indian law, which may adversely affect our business, financial condition, results of operations and cash flows.

- 76. *QIBs and Non-Institutional Bidders are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after the submission of their Bid, and Retail Individual Bidders are not permitted to withdraw their Bids after closure of the Bid/ Offer Closing Date.***

Pursuant to the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are required to pay the Bid Amount on submission of the Bid and are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid. However, Retail Individual Investors can revise their Bids during the Bid/Offer Period and withdraw their Bids until Bid/Offer Closing Date. While our Company is required to complete all necessary formalities for listing and commencement of trading of the Equity Shares on all Stock Exchanges where such Equity Shares are proposed to be listed including Allotment pursuant to the Offer within such period as may be prescribed under applicable law, events affecting the Bidders’ decision to invest in the Equity Shares, including adverse changes in international or national monetary policy, financial, political or economic conditions, our business, results of operation, cash flows or financial condition may arise between the date of submission of the Bid and Allotment. Our Company may complete the Allotment of the Equity Shares even if such events occur, and such events limit the Bidders’ ability to sell the Equity Shares Allotted pursuant to the Offer or cause the trading price of the Equity Shares to decline on listing.

- 77. *Pursuant to listing of the Equity Shares, we may be subject to pre-emptive surveillance measures like Additional Surveillance Measure (ASM) and Graded Surveillance Measures (GSM) by the Stock Exchanges in order to enhance market integrity and safeguard the interest of investors.***

SEBI and the Stock Exchanges have introduced various pre-emptive surveillance measures in order to enhance market integrity and safeguard the interests of investors, including ASM and GSM. ASM and GSM are imposed on securities of companies based on various objective criteria such as significant variations in price and volume, concentration of certain client accounts as a percentage of combined trading volume, average delivery, securities which witness abnormal price rise not commensurate with financial health and fundamentals such as earnings, book value, fixed assets, net worth, price / earnings multiple and market capitalization.

Upon listing, the trading of our Equity Shares would be subject to differing market conditions as well as other factors which may result in high volatility in price, low trading volumes, and a large concentration of client accounts as a percentage of combined trading volume of our Equity Shares. The occurrence of any of the abovementioned factors or other circumstances may trigger any of the parameters prescribed by SEBI and the Stock Exchanges for placing our securities under the GSM and/or ASM framework or any other surveillance measures, which could result in significant restrictions on trading of our Equity Shares being imposed by SEBI and the Stock Exchanges. These restrictions may include requiring higher margin requirements, requirement of settlement on a trade for trade basis without netting off, limiting trading frequency, reduction of applicable price band, requirement of settlement on gross basis or freezing of price on upper side of trading, as well as mentioning of our Equity Shares on the surveillance dashboards of the Stock Exchanges. The imposition of these restrictions and curbs on trading may have an adverse effect on market price, trading and liquidity of our Equity Shares and on the reputation and conditions of our Company.

[^] Our Company in consultation with the Book Running Lead Managers, may consider a Pre-IPO Placement, as may be permitted under applicable law for up to 5,294,000 Equity Shares of face value of ₹ 2 each, at its discretion, prior to the filing of the Red Herring Prospectus with the RoC. The Pre-IPO Placement, if undertaken, will be at a price to be decided by our Company in consultation with the BRLMs. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with rule 19(2)(b) of the SCRR. The Pre-IPO Placement, if undertaken, shall not exceed 20% of the size of the Fresh Issue. Prior to the completion of the Offer, our Company shall appropriately intimate the subscribers to the Pre-IPO Placement, prior to allotment pursuant to the Pre-IPO Placement, that there is no guarantee that our Company may proceed with the Offer, or the Offer may be successful and will result into listing of the Equity Shares on the Stock Exchanges. Our Company shall

report any Pre-IPO Placement to the Stock Exchanges, within 24 hours of such Pre-IPO Placement (in part or in entirety) and as may be required under applicable law. Further, relevant disclosures in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus.

- (1) The Offer has been approved by a resolution of our Board dated September 28, 2025, and the Fresh Issue has been authorized by a special resolution of our Shareholders, dated September 28, 2025.
- (2) For details of the Selling Shareholders participating in the Offer, please see "List of Selling Shareholders" on page 15.
- (3) Our Board has taken on record the consent letters by the Selling Shareholders to participate in the Offer for Sale, pursuant to its resolution dated September 30, 2025. Each Selling Shareholder, severally and not jointly, confirms that the Offered Shares have been held by them for a period of at least one year prior to the filing of this Draft Red Herring Prospectus, and are accordingly eligible for being offered for sale in the Offer as required by the SEBI ICDR Regulations. For more details, see "Capital Structure" beginning on page 93. The Selling Shareholders have confirmed and approved its participation in the Offer for Sale. Further, for details of consents to participate in the Offer for Sale from all the Selling Shareholders, see "List of Selling Shareholders" on page 15.
- (4) Unless the Employee Reservation Portion is under-subscribed, the value of allocation to an Eligible Employee shall not exceed ₹ 200,000. In the event of under-subscription in the Employee Reservation Portion, the unsubscribed portion will be available for allocation and Allotment, proportionately to all Eligible Employees who have Bid in excess of ₹ 200,000 (net of Employee Discount), subject to the maximum value of Allotment made to such Eligible Employee not exceeding ₹ 500,000 (net of Employee Discount). The unsubscribed portion, if any, in the Employee Reservation Portion (after allocation up to ₹ 500,000), shall be added to the Net Offer and subject to compliance with Regulation 6(1) of the SEBI ICDR Regulations. In case of under-subscription in the Net Offer (other than in the QIB Portion), spill over to the extent of such under-subscription shall be permitted to the Employee Reservation Portion subject to compliance with Regulation 6(1) of the SEBI ICDR Regulations and Rule 19(2)(b) of the SCRR.
- (5) Our Company, in consultation with the BRLMs, may offer an Employee Discount of up to [●]% (equivalent of ₹ [●]) per Equity Share, which shall be announced at least two Working Days prior to Bid/Offer Opening Date.
- (6) Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in any category, except the QIB Portion, would be allowed to be met with spill-over from other category or a combination of categories of Bidders at the discretion of our Company in consultation with the BRLMs and the Designated Stock Exchange, subject to applicable law. Further, a Bidder bidding in the Employee Reservation Portion can also Bid under the Net Offer and such Bids will not be treated as multiple Bids. In the event of under-subscription in the Offer, Equity Shares shall be allocated in the manner specified in the section "Terms of the Offer" on page 434. Our Company may, in consultation with the BRLMs, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with SEBI ICDR Regulations. The QIB Portion will accordingly be reduced for the Equity Shares allocated to Anchor Investors. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds only, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription in the Anchor Investor Portion, the remaining Equity Shares shall be added to the Net QIB Portion. 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. In the event the aggregate demand from Mutual Funds is less than as specified above, the balance Equity Shares available for Allotment in the Mutual Fund Portion will be added to the Net QIB Portion and allocated proportionately to the QIB Bidders in proportion to their Bids. For details, see "Offer Procedure" on page 445.
- (7) Allocation to Bidders in all categories, except Anchor Investors, if any, Non-Institutional Investors and Retail Individual Investors, shall be made on a proportionate basis subject to valid Bids received at or above the Offer Price. The allocation to each Retail Individual Investors shall not be less than the minimum Bid Lot, subject to availability of Equity Shares in the Retail Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis. Not less than 15% of the Net Offer shall be available for allocation to Non-Institutional Investors of which one third of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹ 0.20 million and up to ₹ 1.00 million and two-thirds of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹ 1.00 million and under-subscription in either of these two sub-categories of Non-Institutional Portion may be allocated to Bidders in the other sub-category of Non-Institutional Portion. The allocation to each Non-Institutional Investors shall not be less than the minimum application size, subject to availability of Equity Shares in the Non-Institutional Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis.

Allocation to all categories, other than Anchor Investors, if any, Non-Institutional Portion and Retail Individual Investors, shall be made on a proportionate basis, subject to valid Bids received at or above the Offer Price, as applicable. The allocation to each Retail Individual Investor shall not be less than the minimum Bid Lot, subject to availability of Equity Shares in the retail category and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis. The allocation to each Non-Institutional Investor shall not be less than ₹ 200,000, subject to the availability of Equity Shares in Non-Institutional Investors' category, and the remaining Equity Shares, if any, shall be allocated on a proportionate basis or in any other manner as introduced under applicable laws. For details, see "Offer Procedure" on page 445.

Book Building Process

Book building, in the context of the Offer, refers to the process of collection of Bids from investors on the basis of the Red Herring Prospectus and the Bid cum Application Forms (and the Revision Forms) within the Price Band, which will be decided by our Company in consultation with the BRLMs, will be advertised in all editions of the English national daily newspaper [●] and all editions of the Hindi national daily newspaper [●] (a widely circulated Hindi national daily newspaper, Hindi also being the regional language of Haryana, where our Registered and Corporate Office is located), at least two Working Days prior to the Bid/Offer Opening Date and shall be made available to the Stock Exchanges for the purpose of uploading on their respective websites. The Offer Price shall be determined by our Company in consultation with the BRLMs, on or after the Bid/Offer Closing Date. For further details, see “*Offer Procedure – Book Building Procedure*” on page 446 .

All Bidders, except Anchor Investors, are mandatorily required to use the ASBA process for participating in the Offer by providing details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by SCSBs. In addition to this, the UPI Bidders may participate through the ASBA process by either (a) providing the details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by the SCSBs; or (b) through the UPI Mechanism. Anchor Investors are not permitted to participate in the Offer through the ASBA process.

In accordance with the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are not allowed to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. RIBs Bidding in the Retail Portion can revise their Bids during the Bid/Offer Period and withdraw their Bids on or before the Bid/Offer Closing Date. Further, Anchor Investors cannot withdraw their Bids after the Anchor Investor Bidding Date.

Allocation to Qualified Institutional Buyers, will be on a proportionate basis, subject to valid Bids received at or above the Offer Price. Allocation to the Anchor Investors will be on a discretionary basis.

The Book Building Process under the SEBI ICDR Regulations and the Bidding Process are subject to change from time to time. Bidders are advised to make their own judgement about an investment through this process prior to submitting a Bid in the Offer. Each Bidder, by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

The Bidders should note that the Offer is also subject to obtaining (i) the final approval of the RoC after the Prospectus is filed with the RoC; and (ii) final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment as per the prescribed timelines in compliance with the SEBI ICDR Regulations. For further details on the method and procedure for Bidding, see “*Terms of the Offer*” and “*Offer Procedure*” beginning on pages 434 and 445, respectively.

Underwriting Agreement

On or after the Pricing Date and prior to the filing of the Prospectus with the RoC, our Company and the Selling Shareholders will enter into an Underwriting Agreement with the Underwriters and the Registrar to the Offer for the Equity Shares proposed to be offered through the Offer. The extent of underwriting obligations and the Bids to be underwritten in the Offer shall be as per the Underwriting Agreement. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters will be several and will be subject to certain conditions to closing, as specified therein. The Underwriting Agreement is dated [●]. The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

(This portion has been intentionally left blank and will be filled in before filing of the Prospectus with the RoC.)

Name, Address, Telephone Number and Email Address of the Underwriters	Indicative Number of Equity Shares to be Underwritten	Amount Underwritten (in ₹ million)
[●]	[●]	[●]

The abovementioned underwriting commitments are indicative and will be finalised after determination of Offer Price and actual allocation in accordance with provisions of the SEBI ICDR Regulations.

In the opinion of our Board (based on representations made to our Company by the Underwriters), the resources of the abovementioned Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The abovementioned Underwriters are registered with the SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchanges. Our Board/ IPO Committee, at its meeting held on [●], has accepted and entered into the Underwriting Agreement mentioned above on behalf of our Company.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitment set forth in the table above.

⁽¹⁾ For details in relation to the changes in the authorised share capital of our Company in the last ten years, see "History and Certain Corporate Matters – Amendments to the Memorandum of Association" on page 237.

⁽²⁾ Our Board has authorised the Offer, pursuant to their resolution dated September 28, 2025. Our Shareholders have authorised the Fresh Issue pursuant to their special resolution dated September 28, 2025. Our Board has taken on record the consent and authorisation of the Selling Shareholders to participate in the Offer for Sale pursuant to its resolution dated September 30, 2025.

⁽³⁾ Each of the Selling Shareholders, severally and not jointly, confirms that their respective portions of the Offered Shares are eligible for being offered for sale in the Offer in accordance with Regulation 8 of the SEBI ICDR Regulations. Each of the Selling Shareholders has, severally and not jointly, confirmed and authorised their participation in the Offer for Sale. For details, see "Other Regulatory and Statutory Disclosures – Authority for the Offer" on page 421.

⁽⁴⁾ Our Company in consultation with the Book Running Lead Managers, may consider a Pre-IPO Placement, as may be permitted under applicable law for up to 5,294,000 Equity Shares of face value of ₹ 2 each, at its discretion, prior to the filing of the Red Herring Prospectus with the RoC. The Pre-IPO Placement, if undertaken, will be at a price to be decided by our Company in consultation with the BRLMs. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with rule 19(2)(b) of the SCRR. The Pre-IPO Placement, if undertaken, shall not exceed 20% of the size of the Fresh Issue. Prior to the completion of the Offer, our Company shall appropriately intimate the subscribers to the Pre-IPO Placement, prior to allotment pursuant to the Pre-IPO Placement, that there is no guarantee that our Company may proceed with the Offer, or the Offer may be successful and will result into listing of the Equity Shares on the Stock Exchanges. Our Company shall report any Pre-IPO Placement to the Stock Exchanges, within 24 hours of such Pre-IPO Placement (in part or in entirety) and as may be required under applicable law. Further, relevant disclosures in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus.

⁽⁵⁾ Unless the Employee Reservation Portion is under-subscribed, the value of allocation to an Eligible Employee shall not exceed ₹ 200,000. In the event of under-subscription in the Employee Reservation Portion, the unsubscribed portion will be available for allocation and Allotment, proportionately to all Eligible Employees who have Bid in excess of ₹ 200,000 (net of Employee Discount), subject to the maximum value of Allotment made to such Eligible Employee not exceeding ₹ 500,000 (net of Employee Discount). The unsubscribed portion, if any, in the Employee Reservation Portion (after allocation

up to ₹ 500,000), shall be added to the Net Offer and subject to compliance with Regulation 6(1) of the SEBI ICDR Regulations. In case of under-subscription in the Net Offer (other than in the QIB Portion), spill over to the extent of such under-subscription shall be permitted to the Employee Reservation Portion subject to compliance with Regulation 6(1) of the SEBI ICDR Regulations and Rule 19(2)(b) of the SCRR.

Note: To be updated at the Prospectus stage.

Our Promoters have given consent to include such number of Equity Shares held by them, in aggregate, as may constitute 20% of the fully diluted post-Offer equity share capital of our Company as the Minimum Promoters' Contribution. Our Promoters have agreed not to sell, transfer, charge, pledge or otherwise encumber in any manner, the Minimum Promoters' Contribution from the date of filing of this Draft Red Herring Prospectus, until the expiry of the lock-in period specified above, or for such other time as required under SEBI ICDR Regulations, except as may be permitted, in accordance with the SEBI ICDR Regulations.

Our Company undertakes that the Equity Shares that are being locked-in are not and will not be ineligible for computation of Minimum Promoters' Contribution in terms of Regulation 15 of the SEBI ICDR Regulations. In this connection, we confirm the following:

- (i) The Equity Shares offered for Minimum Promoters' Contribution do not include Equity Shares acquired in the three immediately preceding years (a) for consideration other than cash, and revaluation of assets or capitalization of intangible assets; or (b) have resulted from bonus issue by utilization of revaluation reserves or unrealized profits of our Company or bonus issue against Equity Shares, which are otherwise ineligible for computation of Minimum Promoters' Contribution;
 - (ii) The Minimum Promoters' Contribution does not include any Equity Shares acquired during the immediately preceding one year at a price lower than the price at which the Equity Shares are being offered to the public in the Offer;
 - (iii) Our Company has not been formed by conversion of one or more partnership firms or a limited liability partnership firm;
 - (iv) The Equity Shares forming part of the Minimum Promoters' Contribution are not subject to any pledge; and
 - (v) All the Equity Shares held by the Promoters are held in dematerialised form.
- (d) **Other Lock-in requirements**
- (i) In terms of Regulation 17 of the SEBI ICDR Regulations, except for the Minimum Promoters' Contribution and any Equity Shares held by our Promoters in excess of Minimum Promoters' Contribution, which shall be locked in as above, the entire pre-Offer equity share capital of our Company, shall, unless otherwise permitted under the SEBI ICDR Regulations, be locked in for a period of six months from the date of Allotment in the Offer. In terms of Regulation 17I of the SEBI ICDR Regulations, Equity Shares held by a venture capital fund or alternative investment fund of category I or category II or a foreign venture capital investor shall not be locked-in for a period of six months from the date of Allotment, provided that such Equity Shares shall be locked in for a period of at least six months from the date of purchase by such shareholders.
 - (ii) In terms of Regulation 21 of the SEBI ICDR Regulations, the Equity Shares held by our Promoters, which are locked-in as per Regulation 16 of the SEBI ICDR Regulations, may be pledged only with scheduled commercial banks, public financial institutions, NBFC-Sis or housing finance companies as collateral security for loans granted by such entities, provided that such loans have been granted for the purpose of financing one or more of the objects of the Offer and pledge of the Equity Shares is a term of sanction of such loans.
 - (iii) In terms of Regulation 22 of the SEBI ICDR Regulations, the Equity Shares held by our Promoters, which are locked-in may be transferred to and amongst the members of the Promoter Group including other Promoters or to any new promoter, subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with the SEBI Takeover Regulations, as applicable and such transferee shall not be eligible to transfer them till the lock-in period stipulated in SEBI ICDR Regulations has expired.
 - (iv) 50% of the Equity Shares allotted to Anchor Investors under the Anchor Investor Portion shall be locked-in for a period 30 days from the date of Allotment and the remaining 50% shall be locked-in for a period of 90 days from the date of Allotment.

- (v) As required under Regulation 20 of the SEBI ICDR Regulations, our Company shall ensure that the details of the Equity Shares locked-in are recorded by the relevant Depository.
- (e) Except as disclosed in “– *Build-up of the equity shareholding of our Promoters in our Company*”, “– *Notes to the Capital Structure – (b) Preference share capital of our Company*”, “– *Secondary Transactions of equity shares involving the Promoters, Promoter Group and the Selling Shareholders*” on pages 118, 107 and 135, none of our Promoters, the members of the Promoter Group, our Directors or their relatives, directors of our Corporate Promoter have purchased, acquired or sold any Equity Shares or other specified securities of our Company during the period of six months immediately preceding the date of filing of this Draft Red Herring Prospectus.

Fresh Issue

The net proceeds of the Fresh Issue, i.e., gross proceeds of the Fresh Issue excluding the Offer expenses apportioned to our Company (“Net Proceeds”) are proposed to be utilised in the following manner:

Particulars	Amount ⁽¹⁾
Gross proceeds of the Fresh Issue	[●]*^
(Less) Offer related expenses in relation to the Fresh Issue ⁽²⁾	[●]
Net Proceeds	[●]

* Subject to full subscription of the Fresh Issue component.

^ Our Company in consultation with the Book Running Lead Managers, may consider a Pre-IPO Placement, as may be permitted under applicable law for up to 5,294,000 Equity Shares of face value of ₹ 2 each, at its discretion, prior to the filing of the Red Herring Prospectus with the RoC. The Pre-IPO Placement, if undertaken, will be at a price to be decided by our Company in consultation with the BRLMs. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with rule 19(2)(b) of the SCRR. The Pre-IPO Placement, if undertaken, shall not exceed 20% of the size of the Fresh Issue. Prior to the completion of the Offer, our Company shall appropriately intimate the subscribers to the Pre-IPO Placement, prior to allotment pursuant to the Pre-IPO Placement, that there is no guarantee that our Company may proceed with the Offer, or the Offer may be successful and will result into listing of the Equity Shares on the Stock Exchanges. Our Company shall report any Pre-IPO Placement to the Stock Exchanges, within 24 hours of such Pre-IPO Placement (in part or in entirety) and as may be required under applicable law. Further, relevant disclosures

in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus.

⁽¹⁾ To be finalised upon determination of the Offer Price and will be updated in the Prospectus prior to filing with the RoC. The amount utilised for general corporate purposes shall not exceed 25% of the Gross Proceeds.

⁽²⁾ For details with respect to sharing of fees and expenses amongst our Company and the Selling Shareholders, see “– Offer Expenses” at page 146.

Requirement of funds

Our Company proposes to utilise the Net Proceeds towards funding the following objects:

1. Repayment/ prepayment, in full or in part, of certain outstanding borrowings availed by our Company;
2. Funding capital expenditure requirements of our Company towards purchase of equipment; and
3. General corporate purposes.

(collectively, referred to herein as the “**Objects**”).

The main objects clause and objects incidental and ancillary to the main objects, as set out in the Memorandum of Association enables our Company to undertake (i) its existing business activities, and (ii) the activities proposed to be funded from the Net Proceeds. Additionally, our Company expects to receive the benefits of listing of the Equity Shares on the Stock Exchanges, including enhancement of our Company’s visibility, brand image among our existing and potential customers and creation of a public market for our Equity Shares in India.

Prior to the completion of the Offer, our Company shall appropriately intimate the subscribers to the Pre-IPO Placement, prior to allotment pursuant to the Pre-IPO Placement, that there is no guarantee that our Company may proceed with the Offer, or the Offer may be successful and will result into listing of the Equity Shares on the Stock Exchanges. Our Company shall report any Pre-IPO Placement to the Stock Exchanges, within 24 hours of such Pre-IPO Placement (in part or in entirety) and as may be required under applicable law. Further, relevant disclosures in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus.

Pursuant to a resolution dated September 30, 2025 passed by our Board, our Company has approved the utilization of the Net Proceeds for the Objects, in accordance with the aforementioned schedule of implementation and deployment. The fund requirements, proposed deployment of funds and the intended use of the Net Proceeds set out above is based on our current business plan, internal management estimates, prevailing market conditions and other commercial considerations. However, these fund requirements and proposed deployment of Net Proceeds have not been appraised by any external/independent agency or any bank or financial institution. We may have to revise our funding requirement on account of various factors, such as financial and market conditions, interest rate fluctuations, access to capital, competitive landscape and other external factors such as changes in the business environment or regulatory climate, which may not be within the control of our management. This may also entail rescheduling of the proposed deployment of the Net Proceeds at the discretion of our management, subject to compliance with applicable laws. Further, in the event, the Net Proceeds are not utilized (in full or in part) for the objects of the Offer during the period stated above due to any reason, including (i) the timing of completion of the Offer; (ii) market conditions outside the control of our Company; and (iii) any other economic, business and commercial considerations, the remaining Net Proceeds shall be utilized in subsequent periods as may be determined by our Company, in accordance with applicable laws. Further, such factors could also require our Company to advance the utilisation before the scheduled deployment as disclosed above. For details, see “Risk Factors – Our funding requirements and proposed deployment of the Net Proceeds of the Fresh Issue are based on management estimates. We have not entered into any definitive arrangements to utilize certain portions of the Net Proceeds of the Fresh Issue. We have relied on the quotations received from third parties for estimation of the cost for our capital expenditure requirements and have not been independently appraised by a bank or a financial institution.” on page 48. Our Statutory Auditors have provided no assurance or services related to any prospective financial information

In case of any surplus amount after utilization of the Net Proceeds towards any of the aforementioned Objects, we may use such surplus towards general corporate purposes, provided that the total amount to be utilized towards general corporate purposes does not exceed 25% of the Gross Proceeds from the Fresh Issue in accordance with applicable law. Further, in case of any variations in the actual utilisation of funds earmarked towards funding of our proposed Objects as set forth above, then any increased fund requirements for a particular object may be financed by surplus funds, if any, available in respect of the other objects for which funds are being raised in this Offer, subject to utilisation towards general corporate purposes not exceeding 25% of the Gross Proceeds from the Fresh Issue. Subject to applicable laws, in the event of any increase in the actual requirement of funds earmarked for the purposes set forth above, such additional fund requirement will be met by our Company by exploring a range of options available to us, including utilising our internal accruals, additional equity funding and/or seeking additional debt from existing and future lenders.

Means of finance

The fund requirements for the Objects of the Offer are proposed to be entirely funded from the Net Proceeds. Accordingly, we confirm that there is no requirement for our Company to make firm arrangements of finance, under the SEBI ICDR Regulations, through verifiable means towards at least 75% of the stated means of finance, excluding the Net Proceeds or through existing identifiable internal accruals. In case of a shortfall in the Net Proceeds or any increase in the actual utilisation of funds earmarked for the Objects, our Company may explore a range of options including utilizing our internal accruals.

Details of the Objects of the Net Proceeds

1. Repayment/ prepayment, in full or in part of certain outstanding borrowings availed by our Company

Our Company enters into various financial arrangements from time to time, with banks and financial institutions. The loan facilities availed by our Company include borrowing in the form of, inter alia, term loans and working capital facilities including fund based and non-fund-based borrowings. As of July 31, 2025, the total indebtedness of our Company amounted to ₹ 7,794.99 million, on a consolidated basis. For further details in relation to our borrowings, see “Financial Indebtedness” on page 399. Our Company proposes to utilise an estimated amount of ₹ 2,750.00 million from the Net Proceeds towards full or partial repayment or pre-payment of certain of such outstanding borrowings availed by our Company. Our Company may from time to time, repay, refinance, enter into further financing arrangements and/or draw down further funds under existing loans from time to time. Therefore, our Company may choose to repay or pre-pay certain borrowings, other than those identified in the table below, which may include additional borrowings availed after the filing of this Draft Red Herring Prospectus.

The selection of borrowings proposed to be repaid/pre-paid amongst our borrowing arrangements provided in the table below, which has been approved pursuant to a resolution passed by our Board on September 30, 2025 is based on various factors including (i) cost of borrowing, including applicable interest rates, (ii) any conditions attached to the borrowings (including levy of any prepayment penalties and the quantum thereof) restricting our ability to prepay the borrowings and time taken to fulfil or obtain waiver for such requirements, (iii) receipt of consents for prepayment or waiver from any conditions attached to such prepayment from our respective lenders, prior to completion of the Offer, (iv) provisions of any laws, rules and regulations governing such borrowings, and (v) other commercial considerations including, the amount of the loans outstanding and the remaining tenor of the loan.

Given the nature of these borrowings and the terms of repayment or prepayment, the aggregate outstanding amounts under the borrowings, given in the table below, may vary from time to time. The amounts outstanding under these borrowings as well as the sanctioned limits are dependent on several factors and may vary with our business cycle with multiple intermediate repayments, drawdowns and enhancement of sanctioned limits. Payment of interest, prepayment penalty or premium, if any, and other related costs shall be made by our Company out of the Net Proceeds. Accordingly, our Company may utilise the Net Proceeds for part prepayment of any such refinanced facilities or repayment of any additional facilities obtained by our Company. However, the aggregate amount to be utilised from the Net Proceeds towards repayment and/or prepayment, in part or full, of certain borrowings (including refinanced or additional facilities availed, if any), would not exceed ₹ 2,750.00 million. In light of the above, at the time of filing the Red Herring Prospectus, the table below shall be suitably updated to reflect the revised amounts or additional loans, as the case may be.

We believe that such repayment and/or pre-payment will help reduce our outstanding indebtedness, debt servicing costs, improve our debt-to-equity ratio and enable utilisation of our internal accruals for further investment in our business growth and expansion. Additionally, we believe that the leverage capacity and improved debt-equity ratio of our Company will improve our ability to raise further resources in the future to fund our potential business development opportunities and plans to grow and expand our business.

The following table provides the details of outstanding borrowings availed by our Company as of July 31, 2025, which we have identified to repay or prepay, in full or in part, from the Net Proceeds:

Notes:

(1) In accordance with Clause 9(A)(2)(b) of Part A of Schedule VI of the SEBI ICDR Regulations which requires a certificate from the statutory auditor certifying the utilization of loan for the purpose availed, our Company has obtained the requisite certificate dated 30 September 2025 from our Statutory Auditors in respect of loans outstanding as of March 31, 2025.

(2) In accordance with Clause 9(A)(2)(b) of Part A of Schedule VI of the SEBI ICDR Regulations, Manian & Rao, Chartered Accountants, bearing firm registration number 001983S, have given a certification that the loans have been utilised for the purpose for which they were availed, pursuant to certificate dated September 30, 2025 for the periods not audited by our Statutory Auditors as of the date of this Draft Red Herring Prospectus.

For the purposes of the Offer, our Company has obtained necessary consents and notified the relevant lenders, as is required under the relevant facility documentation. Further, to the extent our Company may be subject to the levy of prepayment penalties or premiums and other related costs, depending on the facility being repaid/prepaid, the conditions specified in the relevant documents governing such credit facility and the amount outstanding/being pre-paid/repaid, as applicable, payment of such penalty or premium and other related costs shall be made from the Net Proceeds. If the Net Proceeds are insufficient to the extent required for making payments for such prepayment penalties or premiums, such excessive amount shall be met from our internal accruals.

No portion of the Net Proceeds, that will be utilised for repayment/ prepayment, in full or part, of certain borrowings availed by our Company, will be directly or indirectly routed to our Promoters, members of the Promoter Group, Directors, Key Managerial Personnel, members of Senior Management or Group Companies.

2. Funding capital expenditure requirements of our Company towards purchase of equipment

We follow a dynamic 'asset-right' business model under which vehicles are sourced through our vendor network, while selectively either owning commercial vehicles or taking on operating lease. This model combines elements of asset ownership with the operational flexibility of an asset-light approach. As of March 31, 2025, we had access to 955,023 partnered fleet through a vendor base of 554,781 business partners, built over longstanding relationships. This network supports our ability to scale operations in response to demand fluctuations and to serve multiple sectors across various regions in India. Further, we maintain a limited base of owned fleet, which is strategically deployed for critical routes, specialised cargo movement, and to support service reliability. As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders.

In alignment with our 'asset right' business model and our strategy of expansion across industries, customers and penetration in existing business, we intend to expand our owned fleet of vehicles and propose to utilise ₹ 2,038.57 million out of the Net Proceeds towards purchase of heavy commercial vehicles. Our existing owned fleet is of lower capacity which leads to lower margin per vehicle. Additionally, our customers have gradually increased their requirement for an owned fleet as opposed to partnered fleet.

Estimated cost

As of the date of this Draft Red Herring Prospectus, we have obtained valid quotations for equipment aggregating up to ₹ 2,038.57 million, which will be funded from Net Proceeds. While we propose to utilize ₹ 2,038.57 million towards purchasing equipment, based on our current estimates, the specific number and nature of such equipment to be procured by our Company will depend on our business requirements and the details of our equipment to be procured from the Net Proceeds will be suitably updated at the time of filing of the Red Herring Prospectus with the RoC. With respect to the purchase of such equipment, we have not (i) not placed any orders as of the date of this Draft Red Herring Prospectus, or (ii) entered into definitive agreements with any of the aforesaid vendors, and there can be no assurance that the same vendors would be engaged to eventually supply the equipment or at the same costs. The quantity of equipment to be purchased is based on the present estimates of our management. All quotations received from the vendors mentioned above are valid as on the date of this Draft Red Herring Prospectus. If we engage someone other than the identified third-party vendors from whom we have obtained quotations or if the quotations obtained expire, such vendor's estimates and actual costs for the items listed above may differ from the current estimates. No second-hand or used vehicle is proposed to be purchased out of the Net Proceeds.

Our Company shall have the flexibility to deploy the net proceeds as per the internal estimates of our management and business requirements, including the specific models or sizes of the equipment. This may vary depending on the demand for replacement in our existing equipment. The actual mode of deployment has not been finalised as on the date of this Draft Red Herring Prospectus. For details, see *"Risk Factors – Our funding requirements and proposed deployment of the Net Proceeds of the Fresh Issue are based on management estimates. We have not entered into any definitive arrangements to utilize certain portions of the Net Proceeds of the Fresh Issue. We have relied on the quotations received from third parties for estimation of the cost for our capital expenditure requirements and have not been independently appraised by a bank or a financial institution."* on page 48.

3. General Corporate Purposes

Our Company proposes to deploy the balance Net Proceeds, aggregating to ₹ [●] million, towards general corporate purposes as approved by our management from time to time, subject to such utilisation not exceeding 25% of the Gross Proceeds, in compliance with the SEBI ICDR Regulations. The general corporate purposes for which our Company proposes to utilise Net Proceeds may include, business development initiatives, strengthening marketing capabilities, expenses related to employees and other personnels, rent, administration costs, insurance premiums, repairs and maintenance, payment of taxes and duties, and similar other expenses incurred in the ordinary course of our business or towards any exigencies, subject to compliance with applicable laws. The quantum of utilisation of funds towards each of the above purposes will be determined by our Board or a duly constituted committee thereof, based on the amount actually available under this head and the business requirements of our Company, from time to time, subject to compliance with applicable law. Our management, in accordance with the policies of the Board, shall have the flexibility in utilizing surplus amounts, if any. In the event that we are unable to utilize the entire amount that we have currently estimated for use out of Net Proceeds in a Fiscal, we will utilize such unutilized amount(s) in the subsequent Fiscals.

Interim use of Net Proceeds

The Net Proceeds pending utilisation for the purposes stated in this section, shall be deposited only with scheduled commercial banks included in the Second Schedule of the Reserve Bank of India Act, 1934, as amended. Such investments will be approved by our Board from time to time. In accordance with Section 27 of the Companies Act, our Company confirms that it shall not use the Net Proceeds for buying, trading or otherwise dealing in equity shares of any other listed company or for any investment

in the equity markets. No lien in any manner shall be created on the Net Proceeds till such Net Proceeds are utilized towards the Objects of the Offer.

Bridge Financing Facilities

Our Company has not raised any bridge loans from any bank or financial institution as on the date of this Draft Red Herring Prospectus, which are proposed to be repaid from the Net Proceeds.

Offer Expenses

The total Offer related expenses are estimated to be approximately ₹ [●] million. The Offer related expenses primarily include fees payable to the legal counsels, fees payable to the Statutory Auditors, brokerage, selling commission and underwriting commission payable to the BRLMs, commission payable to Registered Brokers, RTAs, CDPs, SCSBs' fees, Escrow Collection Bank(s), Sponsor Banks' fees, Registrar's fees, printing and stationery expenses, advertising and marketing expenses and all other incidental and miscellaneous expenses for listing the Equity Shares on the Stock Exchanges.

All Offer expenses, except (a) listing fees and stamp duty payable on issue of Equity Shares pursuant to Fresh Issue, which will be solely borne by our Company; and (b) stamp duty payable on transfer of the Offered Shares pursuant to the Offer for Sale and fees for counsel to the Selling Shareholders, if any, which shall be solely borne by the respective Selling Shareholders, our Company and each of the Selling Shareholders agree to share all costs, fees and expenses (including all applicable taxes) with respect to the Offer shall be shared by the Selling Shareholders, on a pro rata basis, in proportion to the number of Equity Shares issued and Allotted by our Company through the Fresh Issue and sold by each of the Selling Shareholders through the Offer for Sale, respectively, in accordance with applicable law. All the expenses relating to the Offer shall be paid by our Company in the first instance. For all such payments that shall be made by our Company on behalf of the Selling Shareholders, including fees for counsel to the Selling Shareholders (in accordance with the appointment or engagement letter or memoranda of understanding or agreements with such entities), each of the Selling Shareholders agree that it shall, upon successful completion of the Offer, reimburse our Company, on a *pro rata* basis, in proportion to its respective portion of the Offered Shares, for any expenses incurred by our Company on behalf of such Selling Shareholder.

In the event of withdrawal of the Offer or the Offer is not successful or consummated, all costs and expenses with respect to the Offer shall be borne solely by our Company and Selling Shareholders on a pro rata basis, in proportion to the number of Equity Shares offered by our Company through the Fresh Issue and offered by each of the Selling Shareholders through the Offer for Sale, in accordance with applicable law.

The break-up for the estimated Offer expenses is set forth below:

BASIS FOR OFFER PRICE

The Price Band, Offer Price and discount (if any) will be determined by our Company in consultation with the BRLMs, on the basis of assessment of market demand for the Equity Shares by the Book Building Process and on the basis of the following quantitative and qualitative factors as described below. The face value of the Equity Shares is ₹2 each and the Offer Price is [●] times of the face value at the lower end of the Price Band and [●] times the face value at the higher end of the Price Band. Bidders should also refer to “*Our Business*”, “*Risk Factors*”, “*Restated Consolidated Summary Statements*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 208, 39, 282 and 366, respectively, to have an informed view before making an investment decision.

Qualitative Factors

Some of the qualitative factors which form the basis for computing the Offer Price are:

1. **Scaled and integrated multimodal logistics operations with leadership in the domestic B2B road transportation vertical** – We have a pan-India operational presence covering over 6,691 locations through our network of 202 branch offices and 1 railway stock yard as of March 31, 2025. As of March 31, 2025, we had a network of 955,023 partnered fleet in our portfolio, supported by a vendor base of 554,781 business partners. Further, as of March 31, 2025, we owned 2,403 containers, including 1,899 specialized containers, for use in our multimodal logistics operations.
2. **‘Asset-right’ business model resulting in higher efficiencies** – As of March 31, 2025, we had 376,165 vendors with a relationship of over 5 years. Further, our relationship with over 554,781 business partners as of March 31, 2025, has enabled our success as an aggregator and underscores the depth and continuity of our network. We maintain a limited base of owned fleet, which is strategically deployed for critical routes, specialised cargo movement, and to support service reliability. As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders.
3. **Parentage of CJ Logistics and well established and experienced Promoters, management and employees** – Our Corporate Promoter, CJ Logistics Corporation is a logistics company based in South Korea. CJ Logistics Corporation is listed in KOSPI Korea Exchange and had consolidated sales of KRW 12,116,761.15 million (i.e., aggregating to USD 8,196.25* million) during year ended December 31, 2024 (CJ Logistics Corporation follows a January to December financial year, which differs from the April to March financial year conventionally followed in India). As of March 31, 2025, we had 5,996 employees, of which 792 employees had been with us for more than or equal to 10 years.
**Converted to USD based on the conversion rate as on December 31, 2024.*
4. **Long standing relationship with diverse set of customers across industries** - Our ability to enter into long-term contracts with customers has contributed to the establishment and maintenance of multi-decade relationships with some of India’s largest public and private enterprises. Such longevity reflects our operational reliability and ability to adapt solutions to evolving customer needs. Notable examples include over 34 years with a multinational oil & gas company and a stainless-steel manufacturer; over 27 years with a state-owned steel producer; over 25 years with a public sector conglomerate; over 24 years with a mining & metals company; over 18 years with an integrated steel producer; and over 20 years with an oil & gas exploration company, crude oil refiners & oil marketing companies, and an engineering conglomerate.
5. **Customized and technology driven logistics solutions increasing efficiency and quality of services** - We have placed significant emphasis on technology, which has empowered us to provide cost-efficient and customized logistics solutions to our customers. Our technology systems have also enabled us to control and oversee operations more efficiently, conduct real-time tracking of vehicles, offer end-to-end visibility of our operations, and promptly implement corrective measures when necessary. Our freight intelligence, built on our shipment data and operational experience, enhances fulfilment accuracy and competitiveness through dynamic pricing, seasonal forecasting, and optimized routing. Post-investment in our Company in Fiscal 2018 by CJ Logistics Corporation, our Corporate Promoter, we have adopted their warehousing management system (“WMS”), which has helped us expand the warehousing & distribution solutions

Quantitative Factors

Some of the information presented below relating to our Company is derived from the Restated Consolidated Summary Statements. For details, see “*Restated Consolidated Summary Statements*” on page 282.

Some of the quantitative factors which may form the basis for calculating the Offer Price are as follows:

I. Basic and Diluted Earnings per Equity Share (“EPS”), adjusted for changes in capital:

Fiscal	Basic EPS (in ₹)	Diluted EPS (in ₹)	Weight
Fiscal 2025	8.22	8.22	3
Fiscal 2024	7.31	7.31	2
Fiscal 2023	5.97	5.97	1
Weighted Average	7.54	7.54	-

Notes:

- EPS has been calculated in accordance with the Indian Accounting Standard 33 – “Earnings per Share”. The face value of equity shares of our Company is ₹2.
- Basic EPS & diluted EPS are calculated by dividing the net profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.
- Weighted average = aggregate of financial year-wise weighted EPS divided by the aggregate of weights i.e. (EPS x weight) for each financial year/period /total of weights.

II. Price/Earning (“P/E”) ratio in relation to Price Band of ₹ [●] to ₹ [●] per Equity Share:

Particulars	P/E at the lower end of the Price Band (number of times)*	P/E at the higher end of the Price Band (number of times)*
Based on basic EPS for Fiscal 2025	[●]	[●]
Based on diluted EPS for Fiscal 2025	[●]	[●]

*Will be populated after finalisation of price band.

Industry P/E Ratio:

	Industry P/E*
Highest	22.44
Lowest	22.44
Industry Composite	22.44

Source: Based on peer set provided later in this chapter. For further details, see “V- Comparison with Listed Peers” on page 151.

III. Return on Net Worth (“Return on Net Worth”):

Financial Year	Return on Net Worth (%)	Weight
Fiscal 2025	12.40%	3
Fiscal 2024	12.54%	2
Fiscal 2023	11.74%	1
Weighted Average	12.34%	-

Notes:

- Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation, in accordance with Regulation 2(1)(hh) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended. Our Company has calculated net worth as the aggregate value of the equity share capital retained earnings, securities premium, general reserves, and capital redemption reserve.
- Return on Net Worth (%) is computed as Profit for the year divided by the net worth as of at the end of the year.
- The weighted average return on net worth is a product of return on net worth and respective assigned weight, dividing the resultant by total aggregate weight.

IV. Net Asset Value (“NAV”) per Equity Share:

NAV per Equity Share	₹
As on March 31, 2025	66.27
After the Offer	
At Floor Price [#]	[●]
At Cap Price [#]	[●]
At Offer Price [#]	[●]

[#] To be computed after finalisation of price band

Notes:

- Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation, in accordance with Regulation 2(1)(hh) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended. Our Company has calculated net worth as the aggregate value of the equity share capital retained earnings, securities premium, general reserves, and capital redemption reserve.
- NAV per equity share represents net worth at the end of the year divided by number of equity shares outstanding at the end of the year.

Description on the historic use of the KPIs by our Company to analyze, track or monitor the operational and/or financial performance of our Company

In evaluating our business, we consider and use certain KPIs, as presented above, as a supplemental measure to review and assess our financial and operating performance. The presentation of these KPIs is not intended to be considered in isolation or as a substitute for the Restated Consolidated Summary Statements. We use these KPIs to evaluate our financial and operating performance. Some of these KPIs are not defined under Ind AS and are not presented in accordance with Ind AS. These KPIs have limitations as analytical tools.

Further, these KPIs may differ from the similar information used by other companies and hence their comparability may be limited. Therefore, these KPIs should not be considered in isolation or construed as an alternative to Ind AS measures of performance or as an indicator of our operating performance, liquidity, profitability or results of operation. Although these KPIs are not a measure of performance calculated in accordance with applicable accounting standards, our Company's management believes that it provides an additional tool for investors to use in evaluating our ongoing

operating results and trends and in comparing our financial results with other companies in our industry because it provides consistency and comparability with past financial performance, when taken collectively with financial measures prepared in accordance with Ind AS.

Investors are encouraged to review the GAAP measures and to not rely on any single financial or operational KPI to evaluate our business.

SPECIAL DIRECT TAX BENEFITS AVAILABLE TO THE COMPANY AND SHAREHOLDERS OF THE COMPANY

DIRECT TAXATION

Outlined below are the Special tax benefits available to the Company and its Shareholders under the Income-tax Act, 1961 ('the Act') as amended by the Finance Act 2025, applicable for the Financial Year 2025-26 relevant to the Assessment Year 2026-27.

A. SPECIAL DIRECT TAX BENEFITS AVAILABLE TO THE COMPANY

1) Lower corporate tax rate under section 115BAA of the Act

Section 115BAA has been inserted in the Act by the Taxation Laws (Amendment) Act, 2019 ("the Amendment Act, 2019") w.e.f. April 1, 2020 (A.Y. 2020-21). Section 115BAA of the Act grants an option to a domestic company to be governed by the section from a particular assessment year. If a company opts for section 115BAA of the Act, it can pay corporate tax at a reduced rate of 25.168% (22% plus surcharge of 10% and education cess of 4%). Section 115BAA of the Act further provides that domestic companies availing the option will not be required to pay Minimum Alternate Tax (MAT) on their 'book profits' under section 115JB of the Act.

However, such a company will no longer be eligible to avail specified exemptions / incentives under the Act and will also need to comply with the other conditions specified in section 115BAA of the Act. Also, if a company opts for section 115BAA of the Act, the tax credit (under section 115JAA), if any, which it is entitled to on account of MAT paid in earlier years, will no longer be available. Further, it shall not be allowed to claim set-off of any brought forward loss arising to it on account of specified incentives provided under section 115BAA of the Act and unabsorbed depreciation on account of additional depreciation.

2) Deduction under section 35D of the Act

In accordance with and subject to fulfilment of conditions as laid out under Section 35D of the Act, the Company is entitled to amortize preliminary expenditure, being expenditure incurred in connection with the issue for public subscription, under section 35D of the Act, subject to the limit specified in section 35D(3) of the Act. The deduction is allowable for an amount equal to one-fifth of such expenditure for each of five successive assessment years beginning with the assessment year in which the business commences or as the case may be, the previous year in which the extension of the undertaking is completed, or the new unit commences production or operation.

3) Deduction under section 35DD of the Act

In accordance with and subject to fulfilment of conditions as laid out under Section 35DD of the Act, the Company is entitled to amortize expenditure incurred wholly and exclusively for the purposes of amalgamation or demerger of an undertaking. The deduction is allowable for an amount equal to one-fifth of such expenditure for each of five successive assessment years beginning with the assessment year in which the amalgamation or demerger takes place.

4) Deduction under section 80JJAA of the Act

As per the provisions of Section 80JJAA of the Act, where the gross total income of an assessee, to whom provisions of section 44AB of the Act applies, includes any profit and gains derived from business, then such assessee shall be entitled to claim a deduction of an amount equal to thirty percent of additional employee cost incurred in the course of such business in the previous year, for three assessment years including the assessment year relevant to the previous year in which such employment is provided. The eligibility to claim the deduction is subject to fulfilment of prescribed conditions specified in sub-section (2) of section 80JJAA of the Act. The deduction under the subject provision is available even where the Company has opted for concessional tax rate under Section 115BAA of the Act.

5) Deduction under section 80M of the Act

As per the provisions of Section 80M of the Act, where the gross total income of an assessee includes any income by way of dividends from any other domestic company or a foreign company or a business trust, then such assessee shall be entitled to claim a deduction of an amount equal to so much of the amount of income by way of dividends received from such other domestic company or foreign company or business trust as does not exceed the amount of dividend distributed by it on or before the due date (i.e., date one month prior to the date for furnishing the return of income under sub-section (1) of section 139 of the Act). The deduction under the subject provision is available even where the Company has opted for concessional tax rate under Section 115BAA of the Act.

B. SPECIAL DIRECT TAX BENEFITS AVAILABLE TO THE SHAREHOLDERS

- 1) As per Section 112A of the Act, long-term capital gains, arising from transfer of an equity share, or a unit of an equity-oriented fund or a unit of a business trust on or after 23 July 2024, shall be taxed at 12.5% (without indexation) of such capital gains subject to fulfilment of prescribed conditions under the Act as well as per Notification No. 60/2018/F.o.370142/9/2017-TPL dated 1 October 2018. It is worthwhile to note that tax shall be levied where such capital gains exceed INR 1,25,000.
- 2) Section 112 of the Act provides for taxation of long-term capital gains.

In case of a domestic company/ resident, amount of income-tax on long-term capital gains, arising from the transfer of a capital asset on or after 23 July 2024, shall be computed at the rate of 12.5% (without indexation).

In case of non-resident (not being a company) or a foreign company, the amount of income-tax on long-term capital gains, arising from the transfer of a capital asset (being unlisted securities or shares of a company not being a company in which the public are substantially interested) on or after 23 July 2024, shall be calculated at the rate of 12.5% without giving effect to the first and second proviso to section 48.
- 3) As per Section 111A of the Act, short term capital gains, arising from transfer of an equity share, or a unit of an equity-oriented fund or a unit of a business trust, on or after 23 July 2024, shall be taxed at 20% subject to fulfilment of prescribed conditions under the Act.

Except for the above, the Shareholders of the Company are not entitled to any other special tax benefits under the Act.

Notes:

1. The above annexure of Direct Tax benefits (“**Annexure-1**”) sets out the special tax benefits available to the Company and its shareholders under the current tax laws presently in force in India.
2. The benefits in A and B above are as per the current tax laws as amended by the Finance Act, 2025.
3. This Annexure is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences, the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the issue.
4. We note that the Company has opted for concessional income tax rate under section 115BAA of the Act, and thus, surcharge shall be levied at the rate of 10% irrespective of the amount of total income. Further, Health and Education Cess @ 4% on the tax and surcharge is payable by all category of taxpayers.
5. This Annexure does not discuss any tax consequences in the country outside India of an investment in the Shares. The subscribers of the Shares in the country other than India are urged to consult their own professional advisers regarding possible income-tax consequences that apply to them.
6. In respect of non-residents, the tax rates and the consequent taxation mentioned above may be further subject to any benefits available under the applicable Double Taxation Avoidance Agreement, if any, between India and the country in which the non-resident has fiscal domicile.
7. The above Statement covers only above-mentioned tax laws benefits and does not cover any indirect tax law benefits or benefit under any other law.

Our views expressed in this annexure are based on the facts and assumptions as indicated in this annexure. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes.

 - (c) Governmental agencies, which has taken registration under the Central Goods and Services Tax Act, 2017 (12 of 2017) only for the purpose of deducting tax under Section 51 and not for making a taxable supply of goods or services.
- by way of exemption vide Entry no. 22B of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 21B of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017 as amended from time to time.
8. The specific tax benefit of not charging GST on services by way of giving on hire a means of transportation of goods to a goods transport agency is available to service provider by way of exemption vide Entry No. 23(b) of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 22(b) of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017, as amended from time to time.
9. The specific tax benefit of not charging GST on services provided by way of loading, unloading, packing, storage or warehousing of rice vide Entry No. 25 of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 24 of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017, as amended from time to time.
10. The specific tax benefit of not charging GST on services provided by way of warehousing of minor forest produce vide Entry No. 25A of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 24A of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017, as amended from time to time.
11. The specific tax benefit of not charging GST on services provided by way of storage or warehousing of cereals, pulses, fruits and vegetables vide Entry No. 25B of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017, as substituted vide Notification No. 04/2022 -Integrated Tax (Rate) dated 13-07-2022 w.e.f. 18-07-2022/ Entry no. 24B of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017.
12. The specific tax benefit of not charging GST on services by way of loading, unloading, packing, storage or warehousing of agricultural produce is available to the service provider by way of exemption vide Entry No. 57(e) of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 54 of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017, as amended from time to time.
13. Exemption from payment of tax on interest income earned from bank deposits and other non-current Investments.

The Company is entitled to avail exemption on interest income earned from bank deposits and other non-current investments in terms of Entry No. 28(a) of the Notification No. 9/2017-Integrated Tax (Rate) dated 28 June 2017 / Entry no. 27(a) of the Notification No. 12/2017-Central Tax (Rate) dated 28 June 2017, as amended from time to time.

14. Zero rated benefit under GST on export of services

The specific tax benefit of not charging GST on supply of services considered as 'export of services' in terms of Section 2(6) of the IGST Act is available to the service provider under Section 16 of the IGST Act upon fulfilment of the specified conditions.

As per Section 2(6) of the IGST Act, the services shall qualify as 'export of services' when:

- a) the supplier of service is located in India;
- b) the recipient of service is located outside India;
- c) the place of supply of service is outside India;
- d) the payment for such service has been received by the supplier of service in convertible foreign exchange or in Indian rupees wherever permitted by the Reserve Bank of India; and
- e) the supplier of service and the recipient of service are not merely establishments of a distinct person in accordance with Explanation 1 in section 8

15. Liability for payment of tax to be borne by recipient of services in certain cases.

Entry No. 9 of the Notification No. 8/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 9 of the Notification No. 11/2017-Central Tax (Rate) dated 28 June 2017 as amended from time to time, provides two different rates for supply of services by GTA i.e. 5% and 18%.

Further, Entry No. 2 of Notification No. 10/2017-Integrated Tax (Rate) dated 28 June 2017/ Entry no. 1 of the Notification No. 13/2017-Central Tax (Rate) dated 28 June 2017, as amended from time to time, provides that liability for payment of tax shall be borne by the recipient of services in case where:

- Supplier has not paid IGST at the rate of 18%; and
- Recipient of such services is falling under the following category of specified recipients:
 - a) Any factory registered under or governed by the Factories Act, 1948(63 of 1948); or
 - b) any society registered under the Societies Registration Act, 1860 (21 of 1860) or under any other law for the time being in force in any part of India; or
 - c) any co-operative society established by or under any law; or
 - d) any person registered under the CGST Act or the IGST Act or the State GST Act or the UT GST Act; or
 - e) any body corporate established, by or under any law; or
 - f) any partnership firm whether registered or not under any law including association of persons; or
 - g) any casual taxable person

Except specified above, there are no special Indirect Tax benefits available to the Company.

B. SPECIAL INDIRECT TAX BENEFITS AVAILABLE TO THE SHAREHOLDERS

There are no special Indirect Tax benefits available to the shareholders of the Company.

1. Macroeconomic Review

India’s GDP is projected to clock 6-7% CAGR between fiscals 2026-2030

India has emerged as the world’s fifth-largest economy and continues to be the fastest-growing among major economies. Between FY2020 and FY2025, the Indian economy registered a compound annual growth rate (CAGR) of 5.3%. This period of steady growth was underpinned by favourable macroeconomic conditions, including benign crude oil prices, soft interest rates, and a manageable current account deficit.

Additionally, structural reforms and strategic government initiatives introduced in the preceding years, such as the implementation of the Goods and Services Tax (GST), the Insolvency and Bankruptcy Code (IBC), the ‘Make in India’ programme, and efforts towards financial inclusion also played a pivotal role in laying the foundation for this growth. The gradual liberalization of key sectors like retail, e-commerce, defence, railways, and insurance for foreign direct investment (FDI) further bolstered economic momentum, contributing to the sustained 5.3% CAGR over the FY2020–2025 period.

CRISIL forecasts India’s GDP growth at 6.5% for fiscal 2026, sustaining the momentum from fiscal 2025. This growth reflects the resilience of the Indian economy, underpinned by solid domestic fundamentals, including robust services exports and steady domestic demand. However, downside risks persist due to external headwinds.

Rising trade tensions between the U.S. and India, marked by the recent imposition of significant tariffs by the U.S remains a key monitorable, and is presenting a substantial challenge to India's export-driven economy. This tariff hike, which for some products has resulted in a combined duty of 50%, places Indian exporters at a competitive disadvantage, directly impacting labour-intensive sectors like textiles, gems and jewellery, and marine products. The ultimate impact will depend on the outcome of trade negotiations between India and the U.S. These uncertainties may have a bearing on the investment sentiments in the country as well.

Despite these challenges, India’s competitive services sector and resilient consumption base are expected to support overall economic performance in FY2026, highlighting the economy’s ability to navigate global volatility. Over the medium term, India’s GDP is projected to grow at a CAGR of 6-7% between fiscal 2026 and fiscal 2030, reflecting the economy’s growth trajectory.

Review of other key economies

- The US economy experienced a downturn in the first quarter of 2025, with a 0.2% contraction in real GDP, compared with the 2.4% growth recorded in the previous quarter, according to the second estimate. The contraction in GDP was primarily attributed to a surge in imports (42.6% vs -1.9%), a slowdown in consumer expenditure (1.2% vs 4.0%), and a reduction in government outlays (-0.7% vs 3.1%).
- The euro area economy expanded 0.6% in the first quarter of 2025, compared with 0.3% in the previous quarter. Germany's growth rebounded to 0.4%, recovering from a 0.2% contraction, and Italy growth improved to 0.3% from 0.2% previous quarter. Meanwhile, Spain's growth slowed slightly to 0.6% from 0.7%.
- The UK manufacturing sector slowed in May. Although the S&P Global UK Manufacturing PMI rose to 46.4 from 45.4 in April, it remained in contraction territory for the eighth consecutive month. The CPI inflation rose by 3.4% in May, compared with 3.5% last month. This was supported by softening in core inflation to 3.5% from 3.8% the previous month. However, the food and non-alcoholic beverages saw inflation rise to 4.4% from 3.4% in the previous month. Additionally, price growth picked up in goods (2.0% vs 1.7%) and services slowed (4.7% vs 5.4%).
- In the first quarter of 2025, Japan's GDP witnessed seasonally adjusted annualised contraction of 0.2%, compared with a 2.2% expansion in the previous quarter. The downturn was primarily due to a decline in exports and a sharp increase in imports. Meanwhile, government spending and public investment decreased, although private consumption growth edged up to 0.6% from 0.4%.
- China's manufacturing sector slowed down in May, with the Caixin China General Manufacturing PMI declining to 48.3 from 50.4 in April. The reading fell below 50 for the first time in eight months and hit its lowest level since September 2022. In contrast, the Caixin China General Services Business Activity Index rose to 51.1 in May from 50.7 in April, indicating continued expansion.

Amid global uncertainties and downward revisions in growth projections for major economies, India remains poised to lead global economic growth. Backed by robust fundamentals and proactive government measures, the country is well-equipped to overcome emerging challenges. Ongoing reforms in infrastructure, innovation, and financial inclusion are further strengthening India's position as a vital force in the global economy. The IMF's projections highlight this resilience, reinforcing India's growing influence on the world economic stage.

Retail inflation eased to 2.1% in June 2025, the lowest in 5 years driven by easing food & fuel inflation

- In June, the Consumer Price Index-based inflation eased to 2.1%, from 2.8% in May as food inflation turned negative and fuel inflation continued easing. June inflation is value of 2.1% is close to the lower end of flexible target range of 2-6% set by the Monetary Policy Committee of the Reserve Bank of India (RBI). This creates more policy space for, yet another repo rate cut in the current cycle.
- Both rural and urban inflation eased significantly: the former eased to 1.7% from 2.6% in May, while the latter eased to 2.6% from 3.1%.
- Food inflation turned negative for the first time since February 2019 due to broad-based easing across almost all major categories. Sequentially, food prices declined 0.5% on-month (seasonally adjusted).
- Fuel inflation declined to 2.6% from 2.8%, led by easing inflation in electricity and firewood and chips (the two categories with the highest weights in the fuel index) even as liquefied petroleum gas (LPG) inflation rose marginally.
- Core inflation eased slightly to 4.4% in July from 4.2 in May, by a broad-based uptick across various sub-categories, including surging gold inflation.
- The Wholesale Price Index (WPI)-based inflation turned negative for the first time since October 2023, printing at -0.1% in June (compared to 0.4% rise in May) because of a relatively steeper deflation in the food category (excluding manufactured foods).
- The RBI's monetary policy committee (MPC) has cut policy rates by 100 bps so far, bringing repo rate to 5.5% in June. A change in the policy stance to neutral indicated the central bank would take a more data-dependent approach to further easing of the monetary policy.

Range bound Private Final Consumption Expenditure (PFCE) at 56-58% of GDP continues to drive India's growth story

Private final consumption expenditure (PFCE) reflects the overall consumption patterns and spending capacity of households within an economy. When PFCE increases it often translates to increased demand for various goods and services.

Figure 3: PFCE at constant prices

PE – Provisional Estimate

Source: First Advance Estimates 2024-25, MoSPI, CRISIL Intelligence

PFCE rose from ₹49 trillion in FY12 to a projected ₹106.2 trillion in FY25, indicating sustained growth in domestic demand. While PFCE as a share of GDP remained relatively stable around 56–58%, it peaked at 58.1% in FY22 and FY23 before moderating to 56.5% in FY25. This trend underscores the resilience of India’s consumption-driven economy and highlights the role of rising income levels, urbanization, and government policy initiatives such as Make in India and Atmanirbhar Bharat in supporting household spending.

India’s economic surge is driven by a combination of domestic resilience, proactive policy interventions, and global realignments

India’s economic surge is driven by a combination of domestic resilience, proactive policy interventions, and global realignments. As highlighted by government releases, World Bank reports, and global agencies, these are the critical growth levers shaping India’s trajectory:

Figure 4: Key drivers for economic growth

Foreign Direct Investment (FDI)

- FDI reached USD 81 billion in FY24-25, a 14% rise from the previous year, indicating strong investor confidence in India’s growth potential, policy stability, and business environment, especially in manufacturing, infrastructure, and services.

Capital Markets & Investment Activity

- Retail investors in stock markets grew from 4.9 crore in 2019 to 13.2 crore by March 2025. Mutual fund AUM surpassed ₹55 lakh crore, and IPO fund-raising hit a record ₹1.54 lakh crore (Apr–Dec 2024), reflecting deeper financial inclusion and robust investor confidence.

Manufacturing & Exports Performance

- Total exports reached USD 824.9 billion in 2024-25, up 6.01% YoY, driven by services and high-value manufacturing. This marks a strong export momentum, up from USD 466.22 billion in 2013-14, with strategic sectors like defense and electronics playing a key role.

Manufacturing Growth

- GVA from manufacturing rose from ₹15.6 lakh crore in 2013-14 to ₹27.5 lakh crore in 2023-24, with the sector’s share in GDP holding steady at ~17.3%, indicating expansion in base and capacity.

Source: PIB, CRISIL Intelligence

India’s economic performance over the past year demonstrates not just growth but also a stronger sense of stability and strategic direction. With real GDP expanding by 6.5% and inflation declining to multi-year lows, the country has effectively managed to balance robust economic expansion with price stability. Additionally, resilient exports and foreign exchange reserves, and

the growing participation in capital markets reflect rising confidence among investors and stakeholders, both domestically and internationally.

Key sectors such as manufacturing, services, and infrastructure continue to advance, bolstered by steady investments and focused policy support. While external uncertainties persist, India's sound economic fundamentals provide a solid foundation. In a global landscape fraught with challenges, India's consistent and broad-based growth signals its readiness to lead, driving towards a stronger, more inclusive, and resilient future.

Make in India

Make in India operates on four strategic pillars, new processes, advanced infrastructure, priority sector expansion, and a government-industry partnership model. Its flagship schemes (PLI, smart infrastructure, FDI liberalisation, digital business environment, and startup promotion) collectively aim to transform India into a globally relevant manufacturing hub, driven by innovation, international investment, and inclusive job growth.

2. India's Logistics Market Review

Logistics comprises service providers as well as infrastructure

Logistics is an integral part of any country, providing efficient and cost-effective flow of raw materials and finished goods, and facilitating transactions between the consuming and producing parts of the economy. The logistics sector encompasses various

modes of transportation, enabling infrastructure, and associated services, which complement and enhance the competitiveness of the overall flow of goods.

Figure 6: Value chain – Logistics

Source: CRISIL Intelligence

Table 1: Key sub-segments of logistics

Segment	Key characteristics
Surface transport (Road & Rail)	Road transportation involves the movement of goods from one location to another. Valued for its exceptional flexibility and ability to provide door-to-door service, road transport is fundamental for commercial logistics & last-mile delivery, serving as a critical artery for economic activity. It is also a preferred mode for transport of non-bulk items and supports both short-haul distribution and long-distance freight movement across the country. Key players - Mahindra Logistics Ltd (MLL), Transport Corporation of India Ltd (TCIL), CJ Darcl Logistics Ltd (CJDL), Western Carriers India Ltd (WCIL), Varuna Integrated Logistics Private Ltd (VIL), V-Trans India Ltd (VTIL) Rail freight is generally preferred for medium to long distance hauls for bulk and container cargo. These services are offered either by the Indian Railways (as in case of coal, iron ore, etc) or Container train operators (CTOs), in case of container logistics
Warehousing & Distribution	Warehousing involves the storage of goods and merchandise to protect the quality and quantity of stored product. It is an integral part of the logistics value chain, facilitating the collection, storage, sorting and dissemination of goods Some of the key warehousing/3PL players include Delhivery, Safe express, TVS Supply chain, MLL, TCIL, DHL, Central Warehousing Corporation, Amazon Transportation Services, Instakart Services (Flipkart's logistics arm), & Allcargo Logistics
Rail freight terminals (including PFTs & GCTs)	A goods shed is a rail freight terminal that facilitates loading, unloading and in-transit storage of commercial cargo transported by the Indian Railways. Rail linked private terminals (PFT/GCTs) serves domestic cargo, facilitating access to rail transport, and providing services such as warehousing and transportation for incoming and outgoing cargo, including last mile

Segment	Key characteristics
	connectivity. Some rail linked private terminals also provide value-added services such as cargo aggregation and packaging Key PFT players include CONCOR, Adani Logistics, Gateway Rail, Allcargo Logistics, cement & steel players
Container train operators (CTOs)	CTOs are licensed by the Indian Railways to provide EXIM/domestic container haulage services. CONCOR, a PSU, is the largest player across CTOs. Most of the CTOs also operate rail-linked ICDs/private freight terminals (PFTs) & Gati Shakti Multi Modal Cargo Terminals (GCTs). Key CTO players include Adani Logistics, CONCOR, DP World, Gateway Rail, Hind Terminals, JM Baxi and Pristine Logistics

Source: CRISIL Intelligence

Surface transportation accounts for ~85% of the logistics spend

Going forward, logistics efficiency is expected to improve, driven by initiatives such as implementation of GST, investments towards road infrastructure, development of inland waterways and coastal shipping, and thrust towards DFCs. India has already improved its LPI ranking from 44th in 2018 to 38th in 2023, thanks to policy interventions enhancing infrastructure, international shipments, and logistics competence. The National Logistics Policy (NLP), launched in September 2022, aims to improve India's Logistics Performance Index (LPI) ranking to within the top 25.

In logistics, market size of key segments – surface transport (Road Full Truck Load (FTL) & Less than Truck Load (LTL), express & rail transport), air cargo domestic, coastal transport, all modes combined is estimated to be ~Rs 10-11 trillion & warehousing & distribution is estimated to be ~Rs 1.4-1.5 trillion in fiscal 2025. Overall, the logistics market has grown at 10.0% CAGR from Rs ~7.0 trillion in fiscal 2020. Key observation sectors are as follows.

Performance of rail-linked sectors was relatively better vis-à-vis other sectors. Rail transport grew over 10% CAGR from fiscal 2020 to fiscal 2025, while CTOs and rail freight terminals registered a double-digit growth at ~12% each. In container logistics, higher hinterland exports and increased haulage through rail aided CTOs/ICDs to perform better vis-à-vis CFSs. Improved haulage also helped increase rail linked private terminals' penetration. Road transport too is expected to have increased at a ~9% CAGR over the same period. While Warehousing grew at 8% CAGR over the same period.

Road & Rail modal mix remained rangebound during fiscal 2020-2025

CRISIL Intelligence believes surface freight in tonne-kilometre (TKM) terms (Road & rail combined) to have grown by ~6-7% CAGR during fiscal 2020-25. In between, COVID impacted the overall growth rate as primary freight movement fell by ~8% on-year in fiscal 2021 compared with an estimated 4% de-growth in fiscal 2020. Slowdown in primary freight growth in

fiscal 2021 was largely due to a contraction in industrial output, construction activities and lower exports due to multiple lockdowns announced on account of the pandemic, despite some cushioning from higher agricultural produce.

International players are increasingly partnering with Indian companies to gain a foothold in the market

The partnerships to the likes of DHL-Blue Dart, FedEx-Delhivery, UPS-MOVIN, Darcl-CJ Logistics are driven by the need for efficient and reliable supply chain solutions, as well as the growing demand for logistics services in India. The partnerships are expected to drive growth, innovation, and improved services in the Indian logistics industry.

Overall, these partnerships demonstrate the commitment of international players to the Indian market, driven by the country's growing economy, increasing demand for logistics services, and the need for efficient and reliable supply chain solutions. These partnerships are expected to drive growth, innovation, and improved services in the Indian logistics industry.

The Indian logistics industry is expected to continue to attract significant investment and attention from international players in the coming years.

1. DHL-Blue Dart

- **Partnership:** DHL, a global logistics leader, acquired a majority stake in Blue Dart, a leading Indian logistics company, in 2005.
- **Commitment:** DHL has committed to investing in Blue Dart's expansion plans, including the development of new logistics infrastructure and the enhancement of its services.
- **Impact:** The partnership has enabled Blue Dart to leverage DHL's global network and expertise, while DHL has gained a strong foothold in the Indian market.
- **Benefits:** The partnership has resulted in improved services, increased efficiency, and enhanced customer experience for Blue Dart's customers.

2. UPS-InterGlobe enterprises

- **Partnership:** UPS, a global logistics leader, partnered (Joint Venture) with InterGlobe enterprises to launch MOVIN, a logistics brand in 2022.
- **Commitment:** UPS has committed to supporting MOVIN's growth plans, including the expansion of its logistics infrastructure and the development of new services.
- **Impact:** The partnership has enabled MOVIN to leverage UPS's global network and expertise, while UPS has gained a strong partner in the Indian market.
- **Benefits:** The partnership has resulted in improved services, increased efficiency, and enhanced customer experience for MOVIN's customers, particularly in the e-commerce and pharmaceutical sectors.

3. Darcl-CJ Logistics

- **Partnership:** Darcl Logistics, a leading Indian logistics company, partnered with CJ Logistics, a global logistics leader, in 2017.
- **Commitment:** CJ Logistics has committed to supporting Darcl's growth plans, including the expansion of its logistics infrastructure and the development of new services.
- **Impact:** The partnership has enabled Darcl to leverage CJ Logistics' global network and expertise, while CJ Logistics has gained a strong partner in the Indian market.
- **Benefits:** The partnership has resulted in improved services, increased efficiency, and enhanced customer experience for Darcl's customers, particularly in the automotive and industrial sectors.

Role of technology in logistics in shaping the success of the industry

India's logistics sector, a critical backbone of its economy, is undergoing a significant transformation driven by technology. The adoption of modern technologies is rapidly changing its landscape, fostering greater success and competitiveness.

1. Enhancing Efficiency and Reducing Costs:

- **Truck utilization improvement:** Technology enables higher utilization rates and faster load discovery. This maximizes vehicle utilization, reduces "empty miles" (trucks returning without a load), and lowers the per-unit cost of transportation.
- **Route Optimization and Fleet Management:** Given India's vast and often challenging road network, optimizing routes is crucial. Technologies like GPS tracking, AI-powered route planning, and telematics help reduce fuel consumption, transit times, and operational costs.
- **Warehouse Automation:** With the booming e-commerce sector, warehouse efficiency is paramount. Integration of technologies like IoT, robotics, and data analytics are playing a pivotal role in automating Inventory Management. Barcode scanning and RFID tracking, inventory optimization, Automated storage and retrieval systems (AS/RS), Computer-controlled systems that store and retrieve inventory, minimizing manual labour and increasing efficiency. Pick-to-light and put-to-light visual displays that guide warehouse staff to the correct storage locations, reducing errors and increasing picking efficiency.

Example: Large e-commerce players have invested heavily in automated storage and retrieval systems (AS/RS), robotic arms for sorting, and conveyor belts in their fulfilment centres. This automation reduces manual errors, speeds up order processing, and optimizes storage space, leading to faster delivery to customers. Smaller players are also gradually adopting more automated solutions.

- **Digital Documentation and Paperless Operations:** Moving away from traditional paper-based processes.

Example: The e-Way Bill system, introduced by the Indian government, has digitized the movement of goods across states, significantly reducing transit times and check-post delays by eliminating manual verification and paperwork. FASTag, an RFID-based system, has automated toll payments, further streamlining highway logistics.

2. Improving Visibility and Transparency:

- **Real-time Tracking (IoT & GPS):** Knowing the exact location and status of goods is vital.

Example: Logistics service providers (LSPs) and even individual truck owners use GPS devices to track their fleet. For sensitive cargo like pharmaceuticals or cold chain products, IoT sensors are used to monitor temperature and humidity throughout the journey, ensuring product integrity. Companies like Gati and TCI Express provide customers with detailed real-time tracking information.

- **Blockchain for Supply Chain Traceability:** While still in nascent stages, blockchain holds immense potential for building trust and transparency.

Example: In the pharmaceutical sector, blockchain could be used to track the origin and journey of medicines, combating counterfeiting and ensuring genuine products reach consumers. This is particularly relevant in India, a major pharmaceutical hub.

3. Data-Driven Decision Making:

- **AI and Machine Learning for Demand Forecasting:** Predictive analytics helps businesses anticipate demand fluctuations.

Example: FMCG companies and large retailers in India use AI and ML algorithms to analyse historical sales data, seasonal trends, and even social media sentiment to forecast demand for various products. This enables them to optimize inventory levels, reducing holding costs and stockouts.

- **Big Data Analytics for Network Optimization:** Analysing large datasets helps identify bottlenecks and opportunities for improvement.

Example: Logistics companies can analyse traffic patterns, delivery success rates, and customer feedback to optimize their hub-and-spoke networks, identify high-demand areas, and even predict potential disruptions due to weather or social events.

Table 2: Status of technology in logistics

Technology Area	Key Technologies	Impact on Indian Logistics
Operational Efficiency	TMS, WMS, Automation, Robotics	Reduced transit times, optimized routes, lower labour costs, fewer errors
Visibility & Transparency	GPS, RFID, IoT, Blockchain	Real-time tracking, improved security, better communication, fraud reduction
Data-Driven Decisions	AI, ML, Big Data Analytics	Accurate demand forecasting, predictive maintenance, optimized inventory
Customer Experience	Last-mile delivery platforms, Mobile Apps, Chatbots	Faster deliveries, real-time updates, personalized services

The Indian logistics industry is poised for continued technological evolution. With strong government support, increasing investment from private players, and the ever-growing demands of e-commerce, the adoption of advanced technologies like AI, IoT, blockchain, and potentially even drones and autonomous vehicles for specific use cases, will further propel the industry towards greater efficiency, sustainability, and global competitiveness. The focus will increasingly be on creating a truly integrated, smart, and resilient logistics ecosystem across the nation.

Role of sustainability (e.g. use of alternate fuel fleet) in logistics

The Indian logistics sector is also a significant source of greenhouse gas (GHG) emissions. With India's ambitious target of achieving net-zero carbon emissions by 2070, the logistics industry is increasingly focusing on sustainability, with the adoption of alternate fuel fleets being a crucial component of this transformation.

Indian logistics companies are adopting various sustainable practices to reduce their environmental impact. These include modal shift to rail and waterways, fleet modernization with electric and alternative fuels, which is a part of long-term shift, but it has started taking shape, and warehouse optimization with energy-efficient features. Additionally, companies are utilizing technology for route optimization and load consolidation, reducing packaging waste with eco-friendly materials, and implementing reverse logistics to manage returns and recycling. These initiatives aim to minimize carbon footprint, reduce emissions, and promote a more sustainable logistics industry in India.

With increasing govt regulation like transition from BS4 (Bharat Stage 4) to BS6, organised players share of the overall market will rise, as they are relatively better positioned to navigate this transition, supported by scale and the ability to invest in compliant and efficient logistics infrastructure. Also, regulations like increased norms like AC cabins will increase the role of organised players.

Alternate Fuel Fleet in Indian Logistics: Current Scenario and Outlook

The shift to alternate fuel vehicles in India's logistics sector is gaining momentum, though it faces challenges.

1. Electric Vehicles (EVs):

Strengths: Ideal for last-mile delivery and intracity logistics due to lower operating costs, zero tailpipe emissions, and government incentives (FAME II subsidy, state-level policies).

Challenges: Limited range for heavy-duty trucks, high upfront cost, and the need for robust charging infrastructure, especially for long-haul routes.

Outlook: The EV market for logistics is poised for significant growth, especially in the 3-wheeler and LCV segments. Several OEMs like Tata Motors, Ashok Leyland, and Eicher are launching electric commercial vehicles.

2. Liquefied Natural Gas (LNG):

Strengths: Offers a cleaner alternative to diesel for long-haul heavy trucking, with lower emissions and comparable operating costs in the long run.

Challenges: Higher upfront cost of LNG trucks (almost double that of diesel), nascent refuelling infrastructure, and the need for a mature ecosystem.

Outlook: Expected to see meaningful adoption in the next 1-2 years, with significant scaling over 5-6 years as infrastructure develops. Petronet and other energy companies are actively setting up LNG stations.

3. Compressed Natural Gas (CNG):

Strengths: Well-established infrastructure, lower running costs than diesel, and significantly cleaner emissions. Dominant in intracity and short-haul segments.

Challenges: Limited range for long-haul heavy trucks compared to diesel/LNG.

Outlook: Will continue to be a strong alternative for lighter and medium commercial vehicles in urban and peri-urban areas.

4. Hydrogen and Biofuels:

Outlook: These are longer-term solutions. Hydrogen is considered promising for heavy-duty, long-haul applications, but the technology and infrastructure are still in very early stages of development and commercial viability. Biofuels are also being explored but face challenges related to feedstock availability and cost.

Sustainability, particularly through the adoption of alternate fuel fleets, is an undeniable force shaping the future of Indian logistics. While significant challenges remain, including infrastructure development, high upfront costs, and the need for skill development, the commitment from the government, the increasing awareness among businesses, and the emergence of viable technologies are paving the way for a greener, more efficient, and ultimately more successful logistics sector in India. The emphasis will continue to be on a multi-pronged approach, combining modal shifts, technological innovation, and strategic infrastructure development.

3. India's Logistics Market Outlook

Market size to grow by 9-10% CAGR by fiscal 2030 to reach Rs 17-19 trillion

Key logistics segments are road transport (FTL, & LTL), rail transport, air cargo transport, coastal transport, & industrial warehousing.

The market size of all modes (Road, Rail, Air cargo (domestic), coastal) and Industrial warehousing is estimated to be ~Rs 10-11 trillion & ~Rs 1.3 trillion in fiscal 2025, respectively. By fiscal 2030, the market will reach to Rs ~15-17 trillion and Industrial warehousing will reach to ~Rs 2-3 trillion, growing with a 9-10% CAGR and 11-12% CAGR, respectively, outpacing India's GDP growth rate of 6.5-7.5% over the period of fiscal 2025-2030. Structural changes in logistics, technological advances, government focus, infrastructure outlay and steadfast economic growth will help in the growth of logistics market. The segmental contribution in market size is shown in the chart below:

Segment	Size, FY25E (Rs billion)	CAGR (FY20-25E)	CAGR (FY25-30P)	Remarks
Surface transport (Road)	~7,300	9%	9%	Road transport continued to grow at a 9% CAGR backed by strong GDP growth and persistent demand for this mode of transportation. Road transport will continue to be a dominant mode going forward.
- B2B road transportation/FTL	~6,000	8%	7%	
- Others	~1,300	13%	14%	
Surface transport (Rail)	~2000	10%	11%	FTL/ B2B road transportation grew at 8% CAGR and is expected to grow at a similar rate of 7-8%. Rail fared relatively well during the pandemic-impacted fiscal 2021. Primary freight remained strong post COVID. Fiscal 2025 market was seen at 1.4 times of fiscal 2021 revenues, led by strong volume as well as freight rates Going forward, DFC-led efficiencies will also improve rail's modal share. However, roads to maintain a dominant share as the dedicated rail routes are limited & roads are preferred for last mile connectivity.
Air Cargo	~450	10%	11%	Air cargo grew at 10% in FY25. Outlook is relatively better due to higher focus on cargo focused operations.
Coastal transport	~120	6%	8%	Coastal transport is expected to remain healthy. Growing non-bulk movement is positive, in addition to the bulk commodities, which have a majority share.
Multimodal logistics	~450	10%	12%	The share of rail is expected to improve considerably as DFC comes online. Focus on hub and spoke models by container operators is expected to improve the multimodality in the sector.
- Rail containers	~150	7%	10%	
- Road containers	~300	8%	8%	

Segment	Size, FY25E (Rs billion)	CAGR (FY20-25E)	CAGR (FY25-30P)	Remarks
				Going forward, rail-based container movement will remain strong on back of DFC.
Industrial warehousing	~1400-1500	9%	11%	E-retail and 3PL players are expected to drive warehousing investments. Increased initiatives by transporters in improving supply chain and developing competencies will aid in better 3PL penetration.
- 3PL	~700	9%	13%	
Freight forwarding	~1,250	7%	9%	Revival in EXIM container traffic and international air traffic will aid the freight forwarding segment

Surface transport on a high-growth trajectory: government push, economic demand, and technology paving the way

India's surface transport sector, encompassing both road and rail networks, is experiencing a period of unprecedented growth, fuelled by a combination of ambitious government initiatives, burgeoning economic demand, and rapid technological advancements. A massive infrastructure push, aimed at enhancing connectivity, improving logistics efficiency, and the nation's "Make in India" ambitions are driving the sector's growth.

The government's proactive policy framework is a primary catalyst for this transformation. Flagship programs like the Bharatmala Pariyojana are aggressively expanding the national highway network, with a focus on building economic corridors, inter-corridors, and feeder routes. The pace of highway construction has witnessed a significant acceleration, aiming to improve connectivity to remote areas and reduce travel times. Similarly, the Sagarmala Programme, by focusing on port-led development, is creating a ripple effect on the road and rail infrastructure required for efficient freight movement to and from maritime gateways.

In a move to bring synergy and integrated planning to the forefront, the PM Gati Shakti National Master Plan is revolutionizing infrastructure development. This digital platform brings together 16 ministries, including railways and roadways, for coordinated planning and implementation of infrastructure connectivity projects, breaking down silos and ensuring a holistic approach to development. The National Infrastructure Pipeline (NIP), with a projected investment of over Rs 111 trillion, further underscores the government's commitment to building world-class infrastructure, with a significant portion allocated to the transport sector.

The Indian Railways, the lifeline of the nation's transport system, is also undergoing a massive modernization drive. The focus is on increasing the speed and capacity of both passenger and freight trains. The development of Dedicated Freight Corridors (DFCs) across the country is a game-changer, promising to segregate freight and passenger traffic, leading to faster and more efficient movement of goods.

Fuelling this infrastructure push is the robust demand from various sectors of the economy. The rise of e-commerce has created an urgent need for a highly efficient and reliable logistics network to cater to last-mile delivery in both urban and rural areas. The expanding manufacturing sector, a key focus of the "Make in India" initiative, requires seamless multimodal connectivity to transport raw materials and finished goods. The agricultural sector also stands to benefit immensely from improved road and rail networks, which will help in the faster transportation of perishable goods and reduce post-harvest losses.

Furthermore, rapid urbanization and a growing population are necessitating the development of robust urban transport infrastructure, including metro rail networks and well-planned road systems, to cater to the increasing mobility needs of citizens. Technological advancements are acting as a force multiplier in this growth story. Digitalization is streamlining toll collection through systems like FASTag, reducing waiting times and improving transparency. The use of Artificial Intelligence (AI) is being explored for better traffic management, predictive maintenance of infrastructure, and optimizing logistics.

The private sector is playing an increasingly crucial role in this transformation. The government is actively encouraging Public-Private Partnerships (PPPs) and has streamlined policies to attract both domestic and Foreign Direct Investment (FDI) into the surface transport sector. This influx of private capital is not only augmenting government spending but also bringing in global expertise and efficiency. The continued focus on expanding and modernizing the road and rail networks will be critical in realizing India's vision of becoming a global economic powerhouse.

Road transport to remain a dominant mode & grow at 9% CAGR till fiscal 2030

Road transport continued to grow at a 9% CAGR for a fiscal period of 2020-2025, backed by strong GDP growth and persistent demand for this mode of transportation. Road will continue to be a dominant mode going forward.

FTL grew at 8% CAGR and is expected to grow at a similar rate of 7-8%. LTL has gained traction post GST, as customers have relatively increased the smaller and direct shipments to retailers compared with warehouse-routed shipments. LTL witnessed a higher growth trajectory, largely backed by higher demand for consolidation services

Road transport's fragmented and unorganised nature provides an opportunity for organised players to tap the growing logistics market

The road transport industry is unorganised and fragmented, and comprises players providing transportation services, and intermediaries such as transport contractors, booking agents and brokers, and consignors. Transport operators are broadly classified into small fleet operators (SFOs, owning up to five trucks), medium fleet operators (MFOs, owning 6-20 trucks) and large fleet operators (LFOs, owning more than 20 trucks). Based on ownership, LFOs account for 10-15% share, while 85-90% share is still held by SFO and MFOs, which gives an opportunity for LFOs/organised players to tap the growing logistics market.

Primary transportation in the industry entails movement over medium- (350-800 km) and long-haul (>800 km) routes, while secondary transportation covers redistribution demand over short-haul (50-350 km) routes and last-mile distribution (<50 km). Secondary transportation comprises to 10-15% in overall pie (in BTKM terms), while primary transportation requires for 85-90%.

Figure 11: Road transport: Industry structure

Source: Industry, CRISIL Intelligence

Indian logistics is highly fragmented and has over several active participants including major local players, & global industry leaders. The industry includes transportation, warehousing, and value-added services like packaging, labelling, and inventory management. With the advent of technology, India's logistics industry has witnessed tremendous development including operational efficiency, lowering costs and improving customer service in recent years.

India's trucking industry is highly unorganized. It is marked by non-standard equipment such as pallets and truck dimensions. Only 10% of truck operators in India own a fleet exceeding 25 trucks, where too, most drivers own single trucks and rely on third parties to handle their orders. This provides an opportunity for organized players to tap on the unorganized market. Additionally, most of the organized players in the industry have started going beyond the metros, in tier 2 and 3 cities which have the vast majority of fragmented MSMEs. The Indian rail network, while the fourth largest in the world, also contribute to the fragmented logistics market of India. Many of India's regions aren't viable for railways, which is another problem that the railroads in India face.

Figure 12: Road transport: Market fragmentation (FY25)

Source: Industry, CRISIL Intelligence

Going forward, the share of organised players is expected to grow

Established players who have large fleets of more than 500-1,000 trucks are better placed to expand footprints in road transportation. Organised players are expected to benefit in the long run, and to garner higher market share by virtue of their size, service offerings and competitive pricing to its customers. Organized players move beyond simple point-to-point transportation to offer a full suite of integrated logistics services.

- **Warehousing and Distribution:** Many large players own or partner with a network of strategically located warehouses and distribution centres. This allows them to offer end-to-end solutions, including storage, inventory management, order fulfilment, and last-mile delivery, all under a single contract.
- **Specialized Transport:** They have the resources to invest in a diverse fleet of vehicles, including refrigerated trucks for perishable goods, specialized trailers for oversized cargo, and dedicated vehicles for high-value items. This allows them to cater to a broader range of industries and customer needs.
- **Reliability and Transparency:** With advanced technology and a professional workforce, organized players can offer a level of reliability and transparency that is difficult for smaller players to match. Customers can track their shipments in real-time, receive proactive updates, and have a single point of contact for all their logistics needs.
- **Organized players have the financial resources and vision to invest in advanced technologies that small operators cannot.** These investments are the foundation for greater efficiency and transparency. Most of the SFOs has ageing fleet - inefficient with high pollution - large clients require less emitting vehicles and efficient transportation to adhere to their internal emission targets
- **Fleet Management and Telematics:** They equip their fleets with IoT devices and telematics systems for real-time tracking, monitoring driver behaviour, and optimizing fuel consumption. This data-driven approach allows for predictive maintenance, reducing costly breakdowns and ensuring timely deliveries.
- **AI and Route Optimization:** Using sophisticated software and AI-driven algorithms, they can plan the most efficient routes, avoiding traffic congestion and poor road conditions. This not only saves time and fuel but also provides more accurate estimated times of arrival (ETAs) for customers.
- **Digital Platforms:** They develop or utilize robust digital platforms that automate processes, from booking and load matching to invoicing and payments. This reduces administrative overhead, minimizes human error, and provides a seamless experience for both shippers and transporters.
- **Scale is a powerful advantage that organized players use to their benefit and to the benefit of the customers they serve.**
- **Cross-Utilization of Assets:** A large network allows them to efficiently move goods between different locations and even offer multi-modal solutions (e.g., road-rail-air). This flexibility is a significant advantage over small operators who are often limited to specific routes.

- **Network Optimization:** By operating a large fleet, they can efficiently consolidate smaller shipments LTL from various clients into a single truck. This maximizes vehicle utilization, reduces "empty miles" (trucks returning without a load), and lowers the per-unit cost of transportation.
- **Bulk Purchasing and Negotiation:** With many vehicles, they can negotiate better prices for fuel, tires, spare parts, and vehicle insurance. These cost savings are then passed on to customers, allowing them to offer competitive pricing.

B2B road transport/FTL remains a dominant segment contributing over~80% to overall road transportation

B2B Road Transport refers to the transportation of goods from one business to another, typically involving large quantities of cargo. This mode of transportation is often used by manufacturers, wholesalers, and distributors to move goods from their warehouses or factories to their customers' facilities. In B2B Road Transport/ FTL transportation, a single shipper's cargo fills an entire truck, and the truck is dedicated to that shipper's cargo only.

B2B Road Transport typically involves:

- **Dedicated truck capacity:** A single truck is dedicated to a single shipper's cargo, ensuring that the cargo is not mixed with other shipments.
- **Large cargo volumes:** B2B Road Transport typically involves large quantities of cargo, often requiring multiple pallets or containers.
- **Point-to-point transportation:** Cargo is transported directly from the shipper's location to the consignee's location, without intermediate stops or transfers.

Railway freight traffic logged 5.4% CAGR during fiscals 2019-24 Vs 3.0% CAGR during fiscals 2014-19

Railway freight traffic has grown faster in recent years

The Indian Railways (IR) is among the world's largest rail networks, meeting the demand of the country's huge population. It caters to the freight transportation demand of the economy, especially bulk commodities, such as cement, coal, iron ore, fertilisers, petroleum and food grains.

Freight traffic on the IR logged 5.4% CAGR during fiscals 2019-2024 vis-à-vis 3.0% CAGR during fiscals 2014-2019. This can be attributed to the network improvements, as well as higher growth in bulk commodities, which form majority of the traffic on the IR.

Figure 14: Freight traffic growth on IR

Source: Statistical statements of IR

Bulk commodities dominate freight basket of IR

Bulk commodities dominate the IR's freight mix, making it vulnerable to demand shocks from end users of these commodities. Notably, coal alone contributes 48-50% of freight traffic volumes for the railways, indicating the high dependency on coal demand from the thermal power, cement and steel sectors. The schematic below provides the trend in the IR's freight segment by volumes and composition.

Figure 15: Commodity composition in IR's freight basket

Note: RMSP - raw materials for steel plants other than iron ore

Sources: Statistical statements of Indian Railways, industry, CRISIL

Railways' freight growth broad-based, led by containers and RMSP

All commodities contributed to the IR's freight growth over the past five years. Notably, all commodities saw volume growth during fiscals 2019-2024 vis-à-vis the previous five-year period. Increase in the railways' competitiveness due to network improvements and key demand drivers across sectors kept the overall freight demand buoyant. For instance, the government's focus on domestic production, demand from steel plants and open auctions were key enablers for coal. Meanwhile, higher exports contributed to increase in iron ore movement and cement and steel sectors were bolstered through investments in infrastructure.

Figure 16: Commodity-wise traffic on IR (million tonne) and growth rates

Mineral rich hinterlands contribute to higher traffic on IR

To ensure efficient management and operations across the country, the rail network has been divided into 17 zones. The zones located in eastern India — East Central Railway (ECeR), South-Eastern Railway (SER), South-East Central Railway (SECR) and East Coast Railway (ECOR) — account for ~63%% of the overall originating traffic. These regions are rich in minerals and house major steel and power plants of the country.

Figure 17: Location of railway zones

Reforms to improve the competitiveness of railways

- Enhancement of service standards
- PPP initiatives
- Efficiency improvement
- Improved tonnage capacity
- Steady tariff regime

- Improvement in handling infrastructure
- Increase in average speed of freight trains
- Wagon additions
- Long-term tariff contracts
- National Rail Plan
- Other initiatives *such as increasing number of private freight terminals (PFTs), revamped Auto Freight Train Operator (AFTO), Special Freight Train Operator (SFTO) and Wagon Investment Schemes etc.*

Rail BTKM growth is expected to outperform overall BTKM growth till FY30

Rail to outperform roads in the long run. We expect growth in road freight traffic to increase at a compounded annual growth rate (CAGR) of 6-8% in BTKM terms between the fiscals 2025 and 2030. In the same period, railways are expected to grow at a CAGR of 7-9%, growing faster than roads. Rail share further to rise due to increased rail capacity, full commissioning of DFC, high diesel prices and high road freight rates. Impact to be witnessed from fiscal 2026 onwards and will help rail to claw back share it had earlier lost owing to capacity constraints. The improvement of supply of locomotives and wagons will also aid to this growth. Railway share expected to witness healthy increase in Port based Container Traffic; DFC to create new markets such as automobile traffic.

Dedicated freight corridor aimed at easing railways capacity constraints

Constructed exclusively for movement of goods train, the first phase of the dedicated freight corridor (DFC) project includes the Western DFC, running from Mumbai to Dadri, near Delhi, and the Eastern DFC, running from Dankuni in West Bengal to Ludhiana in Punjab. The western corridor will cater mainly to containers as 60% of container traffic originates from this region. The eastern corridor will cater primarily to dry bulk cargo.

We expect rail transport market to grow at 11% CAGR till fiscal 2030 and reach Rs 3200-3400 billion.

Demand of Grade A warehouses propels due to superior operational efficiency

The demand for Grade A warehouses in India is experiencing robust growth as industries across various sectors, including retail, manufacturing, 3PL, and automotive are increasingly shifting towards modern, high-quality, and technologically advanced warehouses that meet global standards for safety, efficiency, and sustainability.

This has led to significant investments in the construction of new Grade A warehouses, particularly near major industrial hubs like Mumbai, Ahmedabad, Delhi-NCR, Pune, Chennai, Hyderabad, Bangalore and Kolkata. Various industries shifting to Grade A warehouses to leverage better inventory management, faster turnaround times and lower operational costs.

GST led changes in warehousing

CRISIL Intelligence analysis indicates that the implementation of the Goods and Services Tax (GST) led to consolidation of the warehousing sector largely driven by the consumer durables and fast-moving consumer goods (FMCG) industries. Post GST, companies were realigning their supply chains for market efficiencies and not tax efficiencies anymore. Large format, technology enabled warehouses are preferred by corporates leading to multi-user spaces with cost and scale efficiencies for Third Party Logistics (3PL) players who also provide value-added services.

GST triggered consolidation of fragmented warehousing operations into fewer and larger warehouses. Advancements in technology, particularly automation are pushing up need for end-to-end logistics services. As a result, the Indian warehousing segment is witnessing a favourable structural shift with a rise in demand for modern warehousing. 3PL and e-commerce players have gained significant share in occupied stock over the past 5 years, and they are expected to drive future growth in the organised warehousing sector.

GST-led consolidation was largely seen in consumer durables industry

GST-led consolidation had been adapted across consumer durable players. They had witnessed a reduction of 15-20% in the number of warehouses required. Players closed their captive warehouses/ distribution centres in cities and now store products in mother hubs outside consumption centres. The lower rentals on the outskirts have led to reduction in warehousing cost by 40-50%.

Consolidation of warehouses has occurred across the distribution leg of the value chain, where players have decreased the number of small warehouses. Also, players in the consumer durables industry have started incentivising large traders who take direct delivery from manufacturing, further reducing the need for warehousing space.

CRISIL Intelligence estimates that maximum consolidation has taken place in the consumer durables space, followed by FMCG, owing to the higher turnaround time (TAT) of ~48 hours for the former, in comparison with 24 hours for the latter. In the FMCG sector though, consolidation has been at a slower pace, as FMCG players continue to operate close to consumption centres, as they did in the pre-GST era, due to the need for on-shelf availability and lower TAT. Industry participants have indicated that FMCG players are maintaining close to 50% active-inventory at their distribution legs to service demand.

Table 4: GST led cost savings

Parameters	Reduction in cost	Reduction in no of warehouses
Consumer durables	40-50%	50-60%
FMCG	10-15%	15-20%

Industrial Warehousing demand to witness continued growth driven by sustained demand from 3PL, E-commerce & Manufacturing

Over the long term, the annual demand for Grade A & Grade B warehouses in top 8 Indian cities is expected to grow at a CAGR of 10-15% between fiscals 2025 and 2029. The annual supply is also expected to grow at a similar CAGR of 13-18% in the said period.

Market size & outlook for W&D (Rs billion)

The market size is projected to increase from 1,400-1,500 billion in FY25E to 2,300-2,500 in FY30P at a CAGR of 10-13%. This growth suggests strong underlying factors such as strategic investments, market demand, and supportive policies driving the expansion. The upward trend reflects a robust and sustained increase in capacity and performance over the next five years.

3PL segment to be the largest driver of industrial warehousing demand going forward

The COVID-19 pandemic boosted India's e-commerce industry, adding many first-time buyers who are likely to continue using these platforms due to their convenience. E-commerce companies aim for quicker deliveries, including same-day services, requiring operational points near city limits.

The retail industry has shifted towards omni-channel sales, maintaining higher inventories near city limits to speed up demand servicing and reduce replenishment cycles. The e-retail industry is expanding to fulfilment centres and dark stores near supply and demand centres, with turnaround times ranging from less than a day to four days.

Demand from 3PL (third-party logistics) is robust, as sectors like electronics, retail, and FMCG offload inventory management to optimize costs. 3PL companies' analytical strengths make them attractive for optimizing logistics and supply chains. Annual warehousing demand from e-commerce and 3PL segments is expected to contribute 55-60%.

Figure 25: Annual demand in warehousing led by e-commerce and 3PL end-use segments

Tech-led value-added services to help 3PL players gain further market share from captive warehouses over the long term

Companies that run their own warehouses often face high capital costs for technology and automation. By partnering with a technologically advanced 3PL, these companies can access state-of-the-art logistics capabilities without the massive upfront investment. This allows them to become more efficient, reduce costs, improve customer service, and focus on their core business activities. Over the long term, this trend is expected to lead to a significant market share shift from captive models to outsourced 3PL models.

Tech-led Value-Added Services (VAS): These are services that go beyond the basic storage and movement of goods. They leverage technology to provide greater efficiency, visibility, and intelligence. Examples include:

- **Advanced Analytics:** Using AI and machine learning for demand forecasting, inventory optimization, and network planning.
- **Automation & Robotics:** Implementing automated guided vehicles (AGVs), robotic arms for picking and packing, and automated storage/retrieval systems (AS/RS).
- **Sophisticated Software:** Offering integrated Warehouse Management Systems (WMS) and Transportation Management Systems (TMS) that provide clients with real-time visibility and control over their inventory.
- **IoT (Internet of Things):** Using sensors for real-time tracking of shipments, monitoring temperature-sensitive goods, and managing warehouse assets.
- **Customization and Kitting:** Assembling product packages, labeling, or performing other light manufacturing tasks within the warehouse.

Outlook for 3PL (Rs billion – Next five years)

3PL - Retail and e-commerce driving the segment

3PL market in India was pegged at Rs 700 billion in fiscal 2025, comprising ~5% of the logistics sector. Share of 3PL in logistics market is expected to increase by ~200 bps in 3-5 years. Auto and auto components sector leads in 3PL market, with a combined share of over 50%. Share of other sectors are as follows:

Figure 27: Key sectors for 3PL market, estimated market share* (%)

*Estimates for fiscal 2025

Source: Industry, CRISIL Intelligence

The market size is projected to almost double from Rs ~700 bn in FY25 to Rs 1,300 bn in FY30P, with a CAGR of 12-13% over the next five years. This significant growth indicates strong underlying factors driving the expansion, such as strategic investments, market demand, and policy support. The upward trend suggests a robust and sustained increase in capacity and performance over the next five years. CRISIL Intelligence projects the e-commerce industry to cross Rs 6.5 trillion by fiscal 2027, logging a CAGR of 21-26% between FY24 and FY27

Freight forwarding (NVOCC is a sub segment) to grow at 9-10% CAGR to Rs ~1,900 billion by fiscal 2030

The shipping industry is a critical component of global trade, facilitating the movement of goods across the world. Within the freight forwarding industry, NVOCCs (Non-Vessel Operating Common Carrier) play a significant role. An NVOCC is a company that does not own any ships but operates as a carrier by issuing its own bills of lading or air waybills. Essentially, NVOCCs act as intermediaries between the shipper and the shipping line, offering a range of services including freight forwarding, customs clearance, and warehousing. They consolidate cargo from various shippers into a single shipment, which is then moved on a vessel operated by a shipping line.

Review and Outlook (Value terms)

Freight forwarders (NVOCC) act as a single window for international shipments

CRISIL Intelligence estimates the freight forwarding market to be ~Rs.1,236 billion in fiscal 2025. Over the next five years, we project the freight forwarding market to grow at 9-10% CAGR to Rs ~1,900 billion by fiscal 2030.

Figure 30: Freight forwarding – Market size (Rs billion)

Project logistics market size is estimated at Rs ~115 bn in fiscal 2025; to grow at 13% CAGR till fiscal 2030

Project logistics in India is a specialized field that deals with the transportation and management of oversized, heavy-lift, and critical cargo for large-scale industrial projects across various sectors like infrastructure, power, oil & gas, manufacturing, and renewables. It requires meticulous planning, specialized equipment, and extensive coordination.

Steel demand is expected to grow by 8.5-9.5% in fiscal 2026; 7-9% till fiscal 2030

Demand from supportive allied sectors like B&C, infra and transport segments is anticipated to drive overall steel demand in India

The domestic demand growth projected in fiscal 2026 is driven by a healthy demand pull across the segments.

- Infrastructure is expected to witness a growth rate of 10-12% year-on-year.
- The building and housing segments are expected to witness a growth rate of 7-9% year-on-year. A healthy housing market in the top 7 cities and an increase in individual house construction across the country are supporting this segment. Additionally, it has been observed that traditional brick and mortar construction methods are being replaced with RCC (Reinforced Cement Concrete) type construction to increase the pace of construction and reduce overall costs. Meanwhile, in the commercial space, the trend of prefabricated steel buildings is gaining increased adoption in India. Government initiatives, such as the Pradhan Mantri Awas Yojana (PMAY), are further supporting this segment.
- In the transport segment, production growth rates are expected to rise from a lower base. The increase in commercial vehicle (CV) production growth in fiscal 2026 is influencing this segment.

Growth by steel type: Flat steel is forecast to increase by 12-14% year-on-year, whilst long steel is predicted to rise by 5.5-7.5% year-on-year. The flat steel sector is expected to experience higher growth due to strong demand and increasing usage of flat steel in end-user sectors such as building and construction, infrastructure, transport, and capital goods. Furthermore, steady progress in urban housing is driving demand for flat steel and continues to boost its uptake.

Review: In fiscal 2025, Steel demand witnessed an estimated growth of 11.5%, driven by strong demand from end-user sectors such as building and construction, infrastructure, and capital goods. However, the transport sector experienced a slowdown in the steel-intensive commercial vehicle segment, primarily affecting Medium and Heavy Commercial Vehicles (MHCV). Flat steel has achieved a growth rate of 15% year on year. A notable rapid surge in consumption has been seen in the non-alloy segment, with CR coils/sheets, GP/GC sheets/coils & Galvalume and large-diameter steel pipes experiencing growth of 7.16%, 24.7%, and 33.13% respectively. Meanwhile, the long steel segment has experienced a growth rate of 9% year on year, with non-alloy bars and rods increasing by 9.9%.

The flat steel segment has witnessed higher growth amid strong demand and rising flat steel intensity in the allied segments like B&C infrastructure and capital goods. Further, healthy urban housing progress is ensuring and continues to push demand for flats (in applications such as railings, doors, staircases, and outdoor construction)

On an overall level, across product categories, healthy demand from steel consuming segments like B&C, infra and capital goods have supported the growth rate.

Figure 32: Year-wise steel demand growth trend and projection

Note: The consumption numbers are in line with revisions made by the Joint Plant Committee (JPC)

Metals and Mining (Iron Ore, Limestone)

Limestone consumption projected to rise by 6.5-7.5% CAGR between fiscal 2025-2030

Limestone consumption in India is substantial and is primarily driven by the cement industry, which accounts for most of its usage. India is a major global player in limestone, being the third-largest producer worldwide.

Figure 33: Limestone consumption trend and outlook

Source: Ministry of Mines. Crisil Intelligence

Iron ore consumption estimated to rise by 8.5-9.5% CAGR between fiscal 2025-2030

Iron ore consumption in India is overwhelmingly dominated by the steel industry, which uses it as the primary raw material for producing iron and subsequently, steel. India is a significant player in the global iron ore market, being the 4th largest producer of iron ore.

Figure 34: Iron ore consumption trend and outlook

Source: Ministry of Mines. Crisil Intelligence

Hence, the iron ore consumption is projected to rise by 8.5-9.5% CAGR between fiscal 2025-2030, in line with the steel demand growth.

Consumer durables to grow with volume growth of 7-9% in fiscal 2026; 9-11% till fiscal 2030

In fiscal 2025, a consumption slowdown was observed in urban middle class. The urban middle class felt the dual pinch of increased food inflation and high interest rates. Growth in premium products, like side-by-side refrigerators and larger TVs (>55”), was largely driven by higher-income groups in urban areas, who are less sensitive to price. Rural areas showed signs of revival. Cooling products, such as ACs and refrigerators, are estimated to have driven growth in fiscal 2025 on account of high summer temperatures. May recorded the highest average temperature since 1988. Thus, the sector clocked 8-9% volume growth in fiscal 2025. Tax relief, low inflation, interest rate cuts and increased cash in hand for rural to aid consumer durable, with volume growth of 7-9% in fiscal 2026 primarily driven by ACs.

FMCG revenue to see a mild recovery to 6-8% in fiscal 2026; 8-9% CAGR till fiscal 2030

Urban demand recovery to be gradual, rural demand to remain steady, credit profiles to be stable

The fast-moving consumer goods (FMCG) sector should see revenue rebound 100 to 200 basis points (bps) to 6-8% in fiscal 2026, compared with a more modest 5-6% expected in fiscal 2025* as volume rises 4-6% on a gradual recovery in urban, and steady rural, demand. A modest recovery is expected in volume as moderating food inflation, easing interest rates and tax relief measures announced in the Union Budget for fiscal 2026 encourage urban demand. Rural demand will grow steadily given continuing allocation to welfare schemes and a hike in minimum support prices

Another ~2% revenue uptick should come from realisations as FMCG companies partly pass on the impact of inflation in key categories such as soaps, biscuits, coffee, hair oil and tea. The pricing actions will be driven by elevated prices of key inputs such as palm oil (a key input for all three segments - F&B, personal care and home care), coffee, copra and wheat.

Market size for the sector is estimated at Rs 5.9 lakh crore revenue this fiscal. The urban segment accounts for ~60% of revenue and rural markets the rest. By category, food and beverages generates nearly half of the sector's revenue, and personal care and home care a quarter each.

Cement demand growth to rebound to 6.5-7.5% in fiscal 2026 & log a 7.5-8.5% CAGR till fiscal 2030

Crisil intelligence expects a revival in cement demand growth in fiscal 2026, with on-year growth of 6.5-7.5%, after a moderation in fiscal 2025, which witnessed growth of ~ 5.0% on three consecutive high bases. The moderation was majorly owing to a slowdown during the first half of the fiscal on account of general elections, followed by an erratic monsoon. In fiscal 2026, rural housing is expected to remain the key demand driver, followed by I&C sector, while the infrastructure segment is likely to continue to support growth at a steady pace.

In the long term, from fiscal 2026 to fiscal 2030, Crisil Intelligence expects cement demand to log a CAGR of 7.5-8.5%, marginally higher than ~7% CAGR in the previous five years (fiscals 2021 to 2025) fuelled by a raft of infrastructure investments and healthy support from the housing and I&C segments.

Coal consumption estimated to rise by 1.5-2.5% CAGR between fiscal 2025-2030

Crisil Intelligence expects domestic non-coking coal consumption to log a CAGR of 1.5-2.5% over fiscals 2025-2030. This is expected on account of lower coal-based power generation as India braces to reach its Panch Amrit target of 50% non-fossil-based power generation by fiscal 2030. Consumption of thermal coal will be mainly driven by higher consumption of inputs for national infrastructure projects such as upcoming airports, metro and highways. However, since input sectors such cement, sponge iron etc. have a low share in overall non-coking coal consumption, overall trend is expected to only increase marginally. Coking coal imports to remain the main source of steel led coking coal demand, which is expected to sustain at stable levels over the next five years.

Over the long term, between fiscal 2025-30, thermal coal consumption is expected to increase by 1.5-2.5% to 1,310-1,320 million tonnes. This is expected on account of lower coal-based power generation as India braces to reach its Panch Amrit target of 50% non-fossil-based power generation by fiscal 2030. Consumption of thermal coal will be mainly driven by higher consumption of inputs for national infrastructure projects such as upcoming airports, metro and highways. However, since input sectors such cement, sponge iron etc. have a low share in overall non-coking coal consumption, overall trend is expected to only increase marginally.

Specialty chemical is expected to grow to \$78 billion (Rs ~6600 billion) at ~9% CAGR till fiscal 2030

India to corner a larger share of the global chemical pie

The chemical industry in India is projected to expand at a sharp 9-10% CAGR between 2024 and 2030 to \$410 billion vis-à-vis a global CAGR of ~4%. The growth will ride on government initiatives such as the Production Linked Incentive scheme and dedicated chemical promotion programmes.

Figure 35: Global chemical sales and India's share

P – Projected

Source: Industry, Crisil Intelligence

Solar modules market to grow at 12-14% CAGR till fiscal 2030

Crisil Intelligence expects a surge in solar power capacity additions, reaching 140-160 GW from fiscal years 2026 to 2030, significantly surpassing the 78 GW added between fiscal years 2020 and 2025. This growth is primarily spurred by robust government backing, demonstrated through an aggressive tendering strategy. Key catalysts include technological advancements (e.g., floating solar and module efficiency), affordable financing, and supportive policies. However, infrastructural challenges such as land and connectivity availability are impacting project momentum as on date.

The solar additions momentum from previous fiscal has not faltered in fiscal 2025, with close to 21 GW solar capacity already added in 11M fiscal, an 235% rise compared to same duration previous fiscal. With a robust pipeline project and easing supply chain pressures, fiscal 2025 is expected to have add 24-27 GW and fiscal 2026 is expected to continue momentum adding 24-29 GW, supported by moderating raw material prices.

5. Regulatory Framework

National Logistics Policy

The National Logistics Policy (NLP), launched in September 2022, aims to improve India's Logistics Performance Index (LPI) ranking to within the top 25. The Comprehensive Logistics Action Plan (CLAP) supports these goals through initiatives like the United Logistics Interface Platform (ULIP) for data integration and the Ease of Logistics Services (E-LogS) platform for grievance redressal. The policy emphasizes modal-mix optimization, particularly increasing the share of rail transport. India has already improved its LPI ranking from 44th in 2018 to 38th in 2023, thanks to policy interventions enhancing infrastructure, international shipments, and logistics competence.

Figure 36: Components of Comprehensive Logistics Action Plan (CLAP)

Source: Logistics.gov.in

It lays out the following tools for roll out of the policy:

- United Logistics Interface Platform (ULIP): ULIP is a digital platform bringing together high frequency logistics data available from different sectors, such as FOIS, FASTag, NPCI, Customs, LDB, etc. This will improve the traceability and trackability of cargo. As per news reports, the government has already signed the first round of non-disclosure agreements with entities who are provided access for ULIP
- Ease of logistics services (E-LogS) platform is envisioned for efficient grievance redressal through continued interactions among investors/users and regulators
- The Service Improvement Group will comprise senior officers from the user ministries to resolve issues highlighted through consultative mechanisms including E-LogS

Modal-mix optimisation, with an increased share of Indian Railways in primary transport will also be critical to achieve the target of logistics cost reduction and improve the LPI scores of the country.

Gati Shakti Scheme

The PM Gati Shakti National Master Plan (NMP) has onboarded 44 Central Ministries and 36 States/UTs, integrating 1,614 data layers to ensure data accuracy and coordination. Key accomplishments include planning over 8,891 km of roads and more than 27,000 km of railway lines using NMP principles.

Gati Shakti Scheme or National Master Plan for multi-modal connectivity plan, was unveiled in October 2021, with an objective of curtailing the logistics cost for the country, by coordinating the infrastructure creation activity different government entities. Major characteristics of the scheme are

- Digital platform for coordination across 16 ministries, including roadways and railways
- ‘Gati Shakti’ platform will subsume the infrastructure projects announced under National Infrastructure Pipeline (valued at Rs 111 trillion)
- Existing infrastructure schemes across ministries, such as Bharatmala (Roads), Sagarmala (Ports), UDAN (Air), Inland Waterways, Dry ports etc. will be incorporated in the platform
- The platform will also provide spatial data and implementation status for different projects
- Eleven industrial corridors and two defence corridors are also planned in the scheme, covering clusters for textile, pharmaceutical, fishing, electronics, agriculture etc.
- Key targets set for different heads under the scheme are:
- Ports: Capacity of the major ports to be increased from 1,282 million tonnes in fiscal 2020 to 1,759 million tonnes in fiscal 2025

- National Waterways: Cargo movement to be ramped from 74 million tonnes to 95 million tonnes during fiscal 2020-25 period
- Railways: Target of 1,600 million tonnes by fiscal 2025, vis-à-vis 1,210 million tonnes in fiscal 2020
- MMLPs: Indian railways will setup 500 multimodal cargo terminals by fiscal 2025
- Others: Gas pipeline length to be doubled from 17,000 Km to 34,500 Km, incremental renewable capacity of ~150 GW, power line capacity target of ~452,000 circuit Km by fiscal 2025
- An integrated platform to monitor the progress of projects and logistics initiatives spanning across different ministries will certainly aid in increasing coordination and planning infrastructure creation and connectivity.

Bharatmala Pariyojana

Bharatmala Pariyojana (BMP) is a comprehensive road development initiative launched by the Indian government in 2015 to enhance the efficiency of the country's road infrastructure. The project aims to construct 65,000 km of highways, including national corridors, economic corridors, inter-corridor roads, and feeder roads. Phase I of BMP, expected to be completed by 2027-28, involves developing 34,800 km of roads across 31 states and Union Territories. As of now, 26,425 km have been awarded, and 17,411 km have been constructed. Despite facing challenges like increased land acquisition costs, the project is set to significantly improve connectivity and support economic growth in India.

Key Highlights:

- The project aims to develop approximately 26,000 km of economic corridors, which, along with the Golden Quadrilateral (GQ) and North-South and East-West (NS-EW) Corridors, will carry the majority of road freight traffic.
- About 8,000 km of interstate corridors and 7,500 km of feeder routes have been identified to improve the effectiveness of these economic corridors.
- The Ministry of Road Transport and Highways (MoRTH) has defined a Vision 2047 for the National Highways sector, aiming to provide access to high-speed corridors within 100-150 km for all citizens and improve passenger convenience with world-class amenities.

National Rail Policy

The National Rail Policy or the National Rail Plan 2030 is a plan to develop a 'future-ready' railway system by 2030. It seeks to devise strategies that focus on enhancing operational capacities and implementing commercial policy measures to boost the Railway's share in freight transport to 45%. a plan to develop a 'future-ready' railway system by 2030. It seeks to devise strategies that focus on enhancing operational capacities and implementing commercial policy measures to boost the Railway's share in freight transport to 45%.

Indian Railways is the fourth largest railway network in the world by size, with a total track length of 121,407 km or 75,439 miles, and its route spans 67,368 km. Indian Railways carries an average of 8.26 billion passengers annually and transports 1.16 billion tonnes of freight.

Gati Shakti Multi-Modal Cargo Terminal (GCT) Policy

The Master circular released 'Gati Shakti Multimodal Cargo Terminal (GCT)' in December 2021 supersedes the existing Private Siding Policy 2016 and Master Circular on Private Freight Terminals 2020. Private siding terminal/siding opting to migrate to GCT policy will need to sign an additional agreement.

Key features

- Simplified Application and Approval Process: Quick and hassle-free approvals.
- No Departmental Charges: Applicants are not levied any departmental charges.
- No Land License Fees: No fees for the Railway land used for connectivity.
- No Cost of Commercial Staff: The cost of commercial staff is not charged to the applicant.
- Maintenance by Railways: Railways will maintain all common-user traffic facilities at the serving station.

- **Freight Rebate:** Terminals providing 1 MT or more outward traffic receive a 10% freight rebate.
- **Asset Maintenance:** Railways will maintain all assets (track, signalling, OHE) except the yard and loading/unloading lines.

This policy is part of the broader Gati Shakti National Master Plan, which aims to develop integrated infrastructure and improve logistics efficiency across India.

Multimodal logistics parks

A logistics park is a notified area that facilitates domestic and foreign trade by providing services such as warehousing, cold storage, multi-modal transport facilities and container freight stations. This area also acts as a place where a company can unload cargo for distribution, redistribution, packaging and repackaging. Most logistics parks are developed close to established and emerging industrial hubs in the country to tap their logistic needs.

MMLPs (Multimodal logistics Parks) refers to a hub providing integrated logistic facilities with mechanised handling and inventory management. However, there is no regulatory definition for MMLPs yet in India. MMLPs are being designed to act as one-stop solutions with facilities such as custom clearance services, warehouses, cold storage, vehicle parking area, and other value-added services. Multimodal Logistics Parks (MMLPs) are being developed to provide integrated logistics facilities, with 35 locations approved across India.

Impact of GST and e-Way Bill on logistics

The reformed tax structure has significantly changed road transportation, with companies vying for operational efficiency rather than mere tax efficiency. Introduction of the e-Way Bill has provided an added boost to the sector.

Figure 37: Key benefits of GST and e-way bill implementation

Impact of GST 2.0 on logistics

A revamped tax system, dubbed GST 2.0, is promising a more streamlined tax framework, reduced bureaucratic hurdles, and a boost to consumer spending. Meanwhile, the logistics industry is poised to reap benefits from the overhaul, with anticipated improvements in operational efficiency, diminished wait times, and a strengthened position for India in the global market, ultimately having a profound impact on companies operating within the logistics ecosystem.

Table 6: GST rate rationalisation on transportation services and motor vehicles for the transport of goods

S. No.	Type of service	From	To
1	Supply of Transport of Goods by Goods Transport Agency (GTA)	5% without ITC* (RCM/FCM*) / 12% with ITC	5% without ITC (RCM/FCM) / 18% with ITC
2	Supply of renting of goods carriage where fuel cost is included in consideration	12% with ITC	5% with ITC of input services (in same line of business) / 18% with ITC
3	Supply of Multimodal transport of goods within India	12% with ITC	5% where no leg of transport is through air, with restricted ITC (i.e: 5% of input service of goods transportation) / 18% with ITC
4	Supply of transport of Goods in containers by Rail by any person other than Indian Railway	12% with ITC	5% without ITC / 18% with ITC
5	Motor vehicles for the transport of goods / Chassis fitted with engines, for the motor vehicles / Bodies (including cabs), for the motor vehicles / Parts and accessories of the motor vehicles	28%	18%

Source: Ministry of Finance PIB, Sep 2025, CRISIL Intelligence

The main issue with the old GST system was the broken ITC chain. The GTAs' biggest business expense, the purchase of commercial vehicles (trucks, etc.), was taxed at a high rate of 28%. Under the 5% option, GTAs could not claim back the 28% GST they paid on their vehicles. This created a significant embedded cost. The new GST 2.0 reforms solve this problem:

- **Reduced Tax on Commercial Vehicles:** The GST on new commercial vehicles has been slashed from 28% to 18%. This is a massive change that immediately lowers the capital cost for transporters. This lowers their overall cost of doing business, even if they choose the 18% outward tax rate. The savings from the ITC on their vehicles can be substantial, allowing them to remain competitive and potentially even lower their base freight charges.
- **Rationalized GTA Tax Rate:** The new system offers two clear choices for GTAs:
 - **5% GST without ITC:** This option remains for those who prefer a lower rate and are working with clients who cannot claim ITC.
 - **18% GST with full ITC:** This is the new, more rational option. Now that the GST on commercial vehicles is also 18%, the ITC chain is fully restored. The 18% tax on the vehicle can now be claimed as a credit against the 18% GST charged on the transportation service. This eliminates the cascading effect of taxes and reduces the overall cost of operations for transporters.
- **Encourages Formalization:** The new structure incentivizes GTAs to opt for the 18% option with full ITC. This will bring more transactions under the formal tax system and improve compliance.
- **Increased Competitiveness:** Lower overall logistics costs make the entire supply chain more efficient. This benefits not only the transportation sector but also manufacturers, farmers, and exporters, making Indian goods more competitive on the global stage.

Impact on logistics players

- Move of part load players under GTA (Conventional: Non express) from 12% to 18% GST slab will reduce the differentiation with express service provider vis-à-vis their move to 5% will be a clear differentiation in product offering.
- The shift of large fleet owners to the 18% GST slab may increase working capital requirements, particularly in contractual FTL services. While customer payments are typically received after 60–90 days, transporters must deposit GST by the 20th of the following month, creating a cash flow gap.
- Multimodal logistics players will also get impacted in similar way as road transportation, either by loss of ITC or by increased working capital.

Overall Economic Impact

The GST 2.0 reforms are not just about a single tax rate. They are a holistic approach to lower logistics costs for the entire country. The reduction in prices of commercial vehicles, fuel costs, and other inputs will lead to a more efficient and competitive logistics sector. This benefits all consumers in the form of lower prices for goods. The goal is that the price reduction on the end-product will more than offset any increase in transport costs for the final delivery, benefiting everyone.

In conclusion, the lower cost of vehicle ownership and a more efficient supply chain—are expected to lead to lower prices on the goods themselves, ultimately benefiting the consumer. The option to choose the 5% rate also provides a way for GTAs to continue serving their non-GST registered clients without a significant price shock.

Table 7: Expected outcome of various government policies on transportation & warehousing

Policy	B2B Road Transportation	Rail Transportation	Warehousing
National Logistics Policy (NLP)	Aims to reduce logistics costs and improve efficiency. It promotes technology adoption (e.g., FASTag), better planning, and an integrated digital system to streamline movement, thereby reducing transit times and improving vehicle utilization.	Encourages modal shift to rail by improving infrastructure, simplifying processes, and promoting a predictable rail freight system. It aims to increase rail's share in freight transport.	Promotes the development of modern, organized, and technology-driven warehouses. The policy's focus on an integrated logistics ecosystem helps in better planning of warehouse locations and improving first and last-mile connectivity.
Gati Shakti Scheme	This is a master plan for multi-modal connectivity. It will help in better planning and execution of road projects, ensuring that roads are integrated with other modes of transport. This reduces bottlenecks and improves last-mile connectivity.	Significant focus on expanding and upgrading the rail network. The scheme integrates new rail lines and freight corridors with other infrastructure projects, making rail a more viable and efficient option for long-distance transport.	Accelerates the development of integrated logistics parks and multi-modal terminals. This helps in strategic placement of warehouses near transport hubs, improving connectivity and reducing costs.
Bharatmala Pariyojana	Focuses on constructing and upgrading national highways, including economic corridors and expressways. This directly improves road transportation efficiency, reduces travel time, and enhances safety, making long-haul B2B logistics more reliable.	While primarily a road project, it is designed to complement other transport modes. The improved road network provides better first and last-mile connectivity to rail and port terminals.	The development of new highways and economic corridors opens new locations for warehousing and logistics hubs, particularly along these key routes, encouraging decentralized and more efficient storage networks.
National Rail Policy (NRP)	The policy's focus on increasing the share of rail freight puts pressure on road transporters to become more competitive. However, it also creates new opportunities for road transport in first and last-mile delivery, as rail is primarily for long-distance hauls.	Aims to modernize the Indian rail network, increase its freight capacity, and improve its speed and reliability. It focuses on developing dedicated freight corridors and increasing the share of non-bulk cargo, making rail more attractive for a wider range of goods.	Promotes the development of railway-owned warehouses and logistics parks at rail terminals. It encourages better integration of rail freight with warehouse operations, reducing handling time and costs.
Gati Shakti Multi-Modal Cargo Terminal (GCT) Policy	These terminals are designed to improve the interface between road and rail. B2B road transport benefits from a seamless and efficient transfer of goods at these terminals, reducing waiting times and improving truck turnaround time.	Aims to create new terminals and upgrade existing ones to handle a variety of cargo efficiently. This policy is a key component of the Gati Shakti master plan, facilitating the easy movement of goods between road and rail.	GCTs are essentially large-scale logistics parks. They integrate warehousing with transport infrastructure, allowing for storage, value-added services, and efficient transfer of goods. This is a game-changer for modern warehousing.
Multimodal Logistics Parks (MMLPs)	MMLPs serve as major freight aggregation and distribution hubs. They reduce traffic congestion on city roads and streamline the movement of goods, as trucks can drop off/pick up cargo at a single location for onward multimodal transport.	Rail infrastructure is a core component of MMLPs, with dedicated rail lines and sidings. The parks enable seamless and cost-effective transfer of cargo from trucks to trains and vice-versa, promoting rail as a primary transport mode.	MMLPs are a new-age warehousing solution. They offer state-of-the-art storage facilities, cold storage, customs clearance, and value-added services under one roof. They are designed to be a one-stop-shop for all logistics needs.

Policy	B2B Road Transportation	Rail Transportation	Warehousing
GST and e-Way Bill	GST: Simplifies the tax structure, eliminates state-wise taxes, and reduces the number of checkpoints. This reduces transit time and improves truck utilization. e-Way Bill: A digital permit for inter-state movement of goods. It has standardized the process, reduced harassment, and streamlined the movement of goods across states, further reducing transit time.	GST simplifies the tax structure on services, but its primary impact is on the road transport sector. However, the overall streamlining of logistics from GST and e-Way Bill also benefits rail by making the entire supply chain more efficient.	GST: Consolidates and streamlines the warehousing sector. Companies are moving from small, state-specific warehouses to large, centralized warehouses to serve multiple states, leading to economies of scale and better inventory management. e-Way Bill: The digital trail of goods movement improves inventory accuracy and compliance, linking seamlessly with warehouse management systems.

6. Competition

Table 8: Profiles of key players

Company/ Group	Brief profile
Mahindra Logistics Ltd (MLL)	Incorporated in 2007, MLL is headquartered in Mumbai. The company went public in fiscal 2018. The company's key segments are transportation & warehousing (~90% of fiscal 2025 revenue), freight forwarding (~5%), and enterprise mobility services (~5%). MLL operates 15,000+ trucks/month under an asset-light model and is managing 22.1 Mn+ sq. ft. of warehousing. It covers 19,000+ pin codes with 200+ processing centres. It offers forwarding across 50+ trade lanes, FCL & LCL ocean freight, air freight, and project logistics for oil & gas, renewables, mining, and engineering. Expanding in China, UK, UAE, and air chartering. It is a subsidiary of Mahindra & Mahindra and enjoys strong business linkages with the Mahindra group. It derived ~50% of its revenues from the Mahindra Group in FY25. MLL has been actively building stronger ties with automotive OEMs while diversifying into sectors such as pharmaceuticals, FMCG, and e-commerce to broaden its revenue base. It has also added several prominent clients across these industries.

7. Threats & Challenges

Road Transportation

- **Infrastructure Gaps in Last-Mile Connectivity:** While national highways have seen significant improvements, the lack of robust road infrastructure in rural and semi-urban areas continues to pose challenges for last-mile delivery, increasing transit times and operational costs.
- **Congestion and Urban Logistics Hurdles:** Rapid urbanization is leading to severe traffic congestion in metropolitan areas, impacting timely deliveries and increasing fuel consumption. Issues like parking limitations, restricted entry timings for commercial vehicles, and inadequate urban planning further exacerbate these challenges.
- **Managing Fleet Maintenance & Downtime:** Ensuring regular maintenance to prevent breakdowns and reduce operational disruptions.
- **Th shortage of drivers is also a challenge the industry faces, exacerbating the already complex transportation landscape.** The profession of driving offers poor working conditions, low wages, and limited benefits, making it unattractive to young people. This shortage is leading to increased transportation costs, reduced productivity, and delays in the supply chain, ultimately affecting the overall efficiency of the logistics industry.

Rail Transportation

- **Capacity Constraints on Key Corridors:** While Dedicated Freight Corridors (DFCs) are addressing bottlenecks, other high-density routes still experience significant capacity constraints due to shared infrastructure with passenger trains, leading to lower average speeds and unpredictable transit times.
- **Wagon Availability and Turnaround Time Issues:** Shortages of specialized wagons for certain commodities, coupled with inefficiencies in wagon allocation and longer turnaround times, can impact the responsiveness and reliability of rail freight services.
- **Infrastructure Modernization Pacing:** While investments are being made, the pace of modernization of signalling systems, track infrastructure, and rolling stock needs to keep up with the growing freight demand to ensure higher speeds and safety.
- **Limited Network Reach (First/Last Mile):** Rail often requires trucking for initial and final delivery, making it dependent on road infrastructure. Additional costs and potential for damage during loading/unloading and transshipment at terminals.

Warehousing & Storage

- **High Real Estate Costs & Limited Ownership:** Owning warehouses, especially Grade-A facilities in strategically vital locations, is becoming increasingly challenging due to exorbitant land acquisition costs and complex land title processes. As a direct consequence of the high real estate costs and the desire for financial flexibility, there's an accelerating trend towards leasing warehouse space. While this offers advantages in terms of lower initial investment and scalability, it also means freight forwarders are subject to market rental fluctuations and have less control over long-term asset appreciation or customization.
- **Lack of Specialized Warehousing for Specific Sectors:** While general warehousing is growing, the availability of specialized warehousing (e.g., temperature-controlled for pharmaceuticals, cold chain for perishables, hazardous materials storage) at a distributed level is still a challenge.
- **Intensified Competition:** The warehousing sector, particularly in key logistics hubs, is experiencing a surge in competition. This includes not only established players but also new entrants and large e-commerce companies investing in their own sophisticated warehousing networks, leading to pricing pressure and a fight for market share.

As of March 31, 2025, our network comprised 955,023 partnered fleet through a base of 554,781 business partners enabling operational scalability in line with demand. We follow a dynamic ‘asset-right’ business model wherein we source vehicles from our business partners or deploy vehicles which are owned or taken on operating lease. Our operations from owned fleet and vehicles on operating lease collectively contributed ₹6,436.61 million, ₹4,924.52 million, and ₹3,754.36 million, representing 12.47%, 10.72%, and 8.91% of our revenue from operations during Fiscals 2025, 2024, and 2023, respectively. As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders. This model allows us to maintain capital efficiency while building our presence in the logistics space.

Our multimodal service offerings include first-mile transportation, storage, handling, last-mile delivery, invoicing on behalf of customers, and inventory management in customers' systems. We operated an average of 41 rakes per month from our terminal at full operational capacity. The number of specialized containers increased from 860 as on March 31, 2023, to 1,899 as on March 31, 2025. As of March 31, 2025, we maintained one of the largest inventories of specialised containers in India, which supports multimodal operations across various industry sectors, boasting of owing over ~1,800 specialised containers, one of the largest by any private company (Source: *CRISIL Report*).

Our W&D services include built-to-suit, multi-sector, and multi-customer models. As of March 31, 2025, we operated 14 warehouses located at industrial hubs across India. Our warehousing footprint grew from 0.60 million sq. ft. in Fiscal 2023 to 1.13 million sq. ft. in Fiscal 2025, reflecting a compound annual growth rate (CAGR) of 36.84%.

We have developed a digital infrastructure aligned with our operational requirements, supporting the delivery of logistics services across multiple industries. For further details, see “– *Technology*” on page 224. Our technology infrastructure enables scalability, real-time visibility, and system integration with customers and vendors. As part of CJ Logistics Corporation, we also leverage global innovations in automation, artificial intelligence, and digital freight systems to enhance operational efficiency.

Our market opportunity

Key logistics segments are road transport (FTL, & LTL), rail transport, air cargo transport, coastal transport, & industrial warehousing. The market size of all modes (including road, railways, air cargo (domestic) and coastal) is estimated to be ₹ 10 to ₹ 11 trillion and ₹ 1.3 trillion in Fiscal 2025. By fiscal 2030, the market will reach to ₹ 15 to ₹ 17 trillion and industrial warehousing will reach to ₹ 2 to ₹ 3 trillion, growing with a 9-10% CAGR and 11-12% CAGR, respectively, outpacing India's GDP growth rate of 6.5-7.5% over the period of fiscal 2025-2030. Structural changes in logistics, technological advances, government focus, infrastructure outlay and steadfast economic growth will help in the growth of logistics market. (Source: CRISIL Report)

India's surface transport sector, encompassing both road and rail networks, is experiencing a period of unprecedented growth, fuelled by a combination of ambitious government initiatives, burgeoning economic demand, and rapid technological advancements. Surface transport accounts for ~85% of the logistics spend. A massive infrastructure push, aimed at enhancing connectivity, improving logistics efficiency, and the nation's "Make in India" ambitions are driving the sector's growth. (Source: CRISIL Report)

Road transport continued to grow at a 9% CAGR for a fiscal period of 2020-2025, backed by strong GDP growth and persistent demand for this mode of transportation. Going forward, established players who have large fleets of more than 500-1,000 trucks

are better placed to expand footprints in road transportation. Organised players are expected to benefit in the long run, and to garner higher market share by virtue of their size, service offerings and competitive pricing to its customers. Organized players move beyond simple point-to-point transportation to offer a full suite of integrated logistics services. (Source: *CRISIL Report*)

Freight traffic on the Indian railways logged 5.4% CAGR during fiscals 2019-2024 vis-à-vis 3.0% CAGR during fiscals 2014-2019. This can be attributed to the network improvements, as well as higher growth in bulk commodities, which form majority of the traffic on the Indian railways. Rail freight traffic expected to increase at a CAGR of 6-8% in BTKM terms between the fiscals 2025 and 2030 (Source: *CRISIL Report*).

Mumbai and NCR account for 50% of Grade A and B warehousing stock. Over the long term, the annual demand for Grade A & Grade B warehouses in top 8 Indian cities is expected to grow at a CAGR of 10-15% between fiscals 2025 and 2029. The annual supply is also expected to grow at a similar CAGR of 13-18% in the said period. The market size is projected to increase from ₹ 1,400-1,500 billion in FY25E to ₹ 2,300-2,500 billion in FY30P at a CAGR of 10-13%. This growth suggests strong underlying factors such as strategic investments, market demand, and supportive policies driving the expansion. (Source: *CRISIL Report*)

Competitive Strengths

1. *Scaled and integrated multimodal logistics operations with leadership in the domestic B2B road transportation vertical*

We are a diversified logistics company in India, and one of the largest players in the domestic B2B road transportation vertical in terms of revenue for Fiscal 2025 (Source: *CRISIL Report*). Over the years, we have scaled our operations and built capabilities across the logistics value chain, offering end-to-end, multimodal logistics solutions to a wide range of sectors. Our logistics services span across (i) integrated multimodal transportation (including FTL, rail transportation, air cargo transportation, shipping/coastal transportation, project logistics and freight forwarding); and (ii) W&D.

We have a pan-India operational presence covering over 6,691 locations through our network of 202 branch offices and 1 railway stock yard as of March 31, 2025. As of March 31, 2025, we had a network of 955,023 partnered fleet in our portfolio, supported by a vendor base of 554,781 business partners. Further, as of March 31, 2025, we owned 2,403 containers, including 1,899 specialized containers, for use in our multimodal logistics operations.

Our branch network and vendor base enable us timely and efficient vehicle placement during periods of increased demand across industries. Our ability to enter into and service long-term contracts at predefined costs enables our customers to plan and manage their logistics expenses over a defined period. In certain cases, we have entered into multimodal contracts that provide flexibility to transport goods by either road or rail, allowing for cost optimisation.

With over 39 years of our operational experience since inception, we have developed internal intelligence across various aspects of the logistics industry. Our understanding of trade flows, volumes across routes, seasonal demand variations along with our pan-India customer base enables us to plan efficiently, respond proactively to market dynamics, and facilitate two-way movement with minimal empty runs for business partners. Further, our experience enables us to collate and study the data for route optimization and thereby allows us to be cost-efficient for our customers.

2. *'Asset-right' business model resulting in higher efficiencies*

We follow a dynamic 'asset-right' business model under which vehicles are sourced through our vendor network, while selectively either owning commercial vehicles or taking on operating lease. This model combines elements of asset ownership with the operational flexibility of an asset-light approach.

Our vendor ecosystem is supported by a technologically enabled platform that provides tools for KYC, bid submission, fleet tracking and payables tracking. As of March 31, 2025, we had 376,165 vendors with a relationship of over 5 years. Further, our relationship with over 554,781 business partners as of March 31, 2025, has enabled our success as an aggregator and underscores the depth and continuity of our network.

We adopt a balanced mix of directly connecting with vehicle owners and strategic brokers at high-volume locations to ensure flexibility, reliability and scalability in our service delivery. This hybrid model allows us to optimise load fulfilment and diversify vendor base while retaining cost efficiency, especially in regions with seasonal demand fluctuations.

Our vendor payout process is simplified over the period and our centralized payment system ensures round the clock payment to vendors. We ensure to provide requisite advance to vendor on vehicle deployment which enables to minimize vendor fleet idleness and faster delivery to customers.

We maintain a limited base of owned fleet, which is strategically deployed for critical routes, specialised cargo movement, and to support service reliability. As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders. Operations from our owned and

operating lease fleet collectively contributed to 12.47%, 10.72% and 8.91% aggregating to ₹ 6,436.61 million, ₹ 4,924.52 million and ₹ 3,754.36 million respectively, of our revenue from operations during Fiscals 2025, 2024 and 2023.

Our technologically enabled platform facilitates the delivery of customised and scalable logistics solutions across a broad set of customer segments and industries. It also enables us to effectively manage operational complexities such as demand fluctuations arising from changing customer needs, seasonal variations in cargo movement across specific routes and supply-side disruptions impacting the availability of partnered fleet.

This ‘asset-right’ business model also enables us to reduce our capital expenditure requirements, mitigate the effects of operational risks relating to fuel expenses, maintenance costs and depreciation.

3. **Parentage of CJ Logistics and well established and experienced Promoters, management and employees**

Our Corporate Promoter, CJ Logistics Corporation is a logistics company based in South Korea. CJ Logistics Corporation is listed in KOSPI Korea Exchange and had consolidated sales of KRW 12,116,761.15 million (i.e., aggregating to USD 8,196.25* million) during year ended December 31, 2024 (*CJ Logistics Corporation follows a January to December financial year, which differs from the April to March financial year conventionally followed in India*).

**Converted to USD based on the conversion rate as on December 31, 2024.*

Through expertise and support of our Corporate Promoter, we have enhanced our capabilities through the adoption of integration of technology, automation, practices aligned with global standards, sectoral expertise, and strengthened governance standards. Further, CJ Logistics has also contributed to our financial strengthening and long-term strategic expansion through capital infusion and increase in their shareholding. These steps enable us to scale high-quality infrastructure, implement automation and digital systems, and expand our presence across consumption hubs.

Our Corporate Promoter, CJ Logistics Corporation, with its strong global presence, international operational track record, and a diverse customer base comprising of multinational companies worldwide, has been contributing to the expansion of our W&D services and our road transport services, as well as supporting the increase in our customer base.

Our Promoters, with their industry expertise and their well-established presence, have helped us build a strong foundation for providing quality service. We are also supported by an experienced management team with decades of experience in the logistics business, complemented by professionals with focus on specialization in total logistics solutions.

As of March 31, 2025, we had 5,996 employees, of which 792 employees had been with us for more than or equal to 10 years.

Additionally, our Board of Directors includes executive and non-executive Directors, including Independent Directors, with diverse experience including in logistics and transport, investment and academia. We have a qualified and professional senior management team with extensive experience in the transport and logistics, business management and finance, which positions us well to capitalize on future growth opportunities. Our Key Managerial Personnel and Senior Management Personnel enhance the quality of our management with their specific and extensive logistics industry experience, including in evaluating new business opportunities, entry in new verticals and risk reward analysis.

4. **Long standing relationship with diverse set of customers across industries**

Our ability to enter into long-term contracts with customers has contributed to the establishment and maintenance of multi-decade relationships with some of India’s largest public and private enterprises. Such longevity reflects our operational reliability and ability to adapt solutions to evolving customer needs. Notable examples include over 34 years with a multinational oil & gas company and a stainless-steel manufacturer; over 27 years with a state-owned steel producer; over 25 years with a public sector conglomerate; over 24 years with a mining & metals company; over 18 years with an integrated steel producer; and over 20 years with an oil & gas exploration company, crude oil refiners & oil marketing companies, and an engineering conglomerate. The depth and tenure of these relationships provide a stable revenue base and recurring business.

We are catering to the top 10-15 metal & mining players in India and our customer base also includes key customers from FMCG, chemical, engineering and construction, agricultural products, and the automotive industries (Source: *CRISIL Report*). For details of the industry wise details of the revenue from operations, see “– *Our Business Offerings*” on page 217.

Further, during Fiscals 2025, 2024 and 2023, we earned ₹ 42,839.97 million, ₹ 37,749.03 million and ₹ 32,304.34 million accounting for 83.01%, 82.16% and 76.63% of the revenue from operations, respectively, from contracts with a duration of at least one year. The nature of these long-term contracts provides a degree of revenue visibility and supports operational planning and stability. Our ability to provide wide quality logistics solutions enables us to establish longstanding relationships with our customers and cross-sell our services. For example, one of our marquee customers in steel sector, with whom we enjoy relationship of over a decade, commenced relationship with us in FTL vertical for transportation of its finished goods. Subsequently, for this customer, we also started providing secondary leg transportation (*i.e.*, delivery to customers of our customers) and raw material transportation. Moreover, we have also extended our scope of services to include multimodal transportation, W&D and project logistics to this customer.

We offer customized logistics solutions to a diverse set of customers and industries. For example, customers in the chemical industry require safety to be paramount, customers in the project logistics vertical may require transportation of over-dimensional cargo, FMCG customers may require containerised vehicles. Given the range of our service offerings, we are able to cater to diverse requirements of our customers. During Fiscal 2025, we catered to 2,277 customers spread across multiple industries, including metals and minerals, chemicals, FMCG, engineering and construction, auto and auto ancillary, agriculture and glass.

Some of our customers include Tata Steel Limited, Arcelormittal Nippon Steel India Private Limited, Jindal Saw Limited, Jindal Stainless Limited, Jindal Steel Limited, Jindal Industries Private Limited, Jindal Power Limited, POSCO India Steel Distribution Center Private Limited, Welspun Corp Limited, HEG Limited, Lotte India Corporation Limited, Godrej Consumer Products Limited, Hindustan Coca Cola Beverages Private Limited, KRBL Limited, Moon Beverages Limited, AWL Agri Business Limited, Innisfree Cosmetics India Private Limited, Meesho Limited (Formerly known as “Meesho Private Limited” and “Fashnear Technologies Private Limited”), House of Kieraya Limited, Volvo Ce India Private Limited, Volvo Group India Private Limited, JCB India Limited, Tata Hitachi Construction Machinery Company Private Limited, Kobelco Construction Equipment India Private Limited, Texmaco Rail And Engineering Limited, York Transport Equipment (India) Private Limited, Saint - Gobain India Private Limited, BirlaNu Limited (Earlier know as HIL Limited), Century Plyboards (I) Limited, Berger Paints India Limited, Indigo Paints Limited, KEI Industries Limited, Savli Copper Products Private Limited, Patanjali Parivahan Private Limited, Propel Industries Private Limited, Rahee Infratech Limited, Microtek International Private Limited, Epsilon Carbon Private Limited, Ceragem India Private Limited, Forace Speciality Chem Private Limited and Indian Synthetic Rubber Private Limited. Serving a diversified set of customers across multiple industries not only reduces concentration risk but combined with our multi-location operations and large vendor pool, also provides operational flexibility and ensures resilient business operations.

5. Customized and technology driven logistics solutions increasing efficiency and quality of services

We have placed significant emphasis on technology, which has empowered us to provide cost-efficient and customized logistics solutions to our customers. Our technology systems have also enabled us to control and oversee operations more efficiently, conduct real-time tracking of vehicles, offer end-to-end visibility of our operations, and promptly implement corrective measures when necessary.

Our freight intelligence, built on our shipment data and operational experience, enhances fulfilment accuracy and competitiveness through dynamic pricing, seasonal forecasting, and optimized routing.

Post-investment in our Company in Fiscal 2018 by CJ Logistics Corporation, our Corporate Promoter, we have adopted their warehousing management system (“WMS”), which has helped us expand the warehousing & distribution solutions. Our WMS, delivers precise and traceable control over inbound, outbound, picking, and inventory operations. It optimizes warehouse processes by directing put-away to the right location, reclassifying and relocating damaged stock after quality checks, and ensuring accurate picking through zone-based and FIFO rules. Integrated with the customer end through Electronic Data Interchange (“EDI”), it provides real-time updates on stock changes, adjustments, and short shipments, while daily reports deliver accurate inventory balances—ensuring transparency, accuracy, and efficient warehouse operations.

Further, in 2021, we deployed a cloud-native and mobile-first transportation management system. This advancement allows us to facilitate integrated multimodal logistics vertical, while also providing our customers and vendors with enhanced self-service capabilities. Moreover, MoveX, our transport management system (“TMS”) caters to the total logistics solutions of our Company. Our key areas of focus for technology adoption include:

- **Demand generation:** Utilization of proprietary data and technology for demand forecasting. Further, we do lead generation, lead management and customer profiling on a customer relationship management (“CRM”).

- *Fleet operations*: Centralized platform with capabilities of order management, load finding, loading/un-loading supervision and route optimization.
- *Track and trace*: Real-time tracking is enabled via GPS devices for our fleet, while the aggregated vehicles are tracked through GPS or SIM based tracking or FASTag.
- *Vendor ecosystem*: Capabilities for KYC, bid submission, fleet tracking, payables tracking and other features to enable our business partners to plan and execute business with us.

As we integrate technologies and digitize our operations, we aim to enhance our capabilities as a logistics provider, with ability to address evolving requirements of customers and vendors. Such technology adoption enables us to deliver improved operational efficiency, quality of our services, and establish relationships with our customers and vendors.

Strategies

1. Expansion across industries, customers and penetration in existing business

We are one of the largest players in the domestic B2B road transportation vertical in terms of revenue for Fiscal 2025 (Source: *CRISIL Report*). We are well positioned to benefit from the increasing shift of business towards organized players in the logistics sector in India. We have established relationships with a diverse base of customers across multiple industries, including metals, minerals, coal, chemicals, fast-moving consumer goods, engineering and construction, automotive and auto ancillary, agriculture, and glass.

We intend to focus on expanding into industries such as fast-moving consumer goods, solar energy, agricultural products, apparel, and electronics. This has been supported by the introduction of containerised vehicles, recruitment of industry-relevant personnel, and the development of specialised service offerings, such as real-time tracking, TMS dashboard, etc. to cater to industry specific requirements.

Our industry expansion and customer penetration strategies are supported by the following initiatives:

- Cost optimisation measures, including backward integration of fuel supply through the installation of in-house fuel dispensing units at strategic locations, and interchangeability of fleet assets to improve turnaround times and reduce empty runs.
- Replacement of lower-capacity vehicles with higher-capacity vehicles, thereby enhancing per-vehicle capacity and improving operational leverage.
- Improvement in operational efficiency through lane densification, aimed at increasing freight volumes, shipment frequency, and asset utilisation along key industrial corridors.
- Expansion of containerised vehicle deployment to support sector-specific requirements.
- In-plant logistics services, which facilitate the cross-selling of other logistics offerings and may serve as a platform for expanding into integrated logistics models such as fourth-party logistics (“4PL”).
- Insight-led customer targeting through comprehensive profiling of potential customers by mapping critical information such as location of manufacturing units, their customers and suppliers to design tailored logistics solutions.
- Expansion of business partner base through our dedicated vendor development team and leverage our scale for mutual growth.
- Adoption of alternate fuel vehicles (including electric and LNG-powered vehicles), aligned with customer-specific requirements.

Our customised service offerings have supported increased engagement with existing customers. For example, the number of customers contributing annual revenue of more than ₹100.00 million increased from 62 in Fiscal 2023 to 80 in Fiscal 2025.

2. Expansion of specialized services with integrated multimodal services

As part of our strategy to strengthen our multimodal logistics services, we operate one terminal at Kalamboli, Maharashtra, where we provide specialised services to customers in conjunction with multimodal transportation. Our specialised services under the multimodal division include first-mile transportation, storage, handling, last-mile delivery, invoicing on behalf of customers, and inventory management within customers’ systems. In addition, by leveraging our relationship with a leading container handling and transportation enterprise under the Ministry of Railways, we gain access to terminal infrastructure that

supports the expansion of our multimodal service network. In this role, we facilitate multimodal movement of goods across industrial corridors, leveraging their terminal infrastructure and rail capacity.

As of March 31, 2025, we maintained one of the largest inventories of specialised containers held by any private company in India, which supports multimodal operations across various industry sectors, with over 1,800 specialised containers (Source: *CRISIL Report*).

Going forward, we will continue to leverage our relationships with our customers and grow our specialized services as part of integrated multimodal services. Over the past few years, several of our customers have converted their contracts from road transportation to multimodal arrangements, allowing us the flexibility to choose the most cost-efficient mode of transportation.

Post commissioning of the dedicated freight corridors, CRISIL expects rail freight to grow at a faster pace than road particularly for bulk commodities and container traffic (Source: *CRISIL Report*).

Along-with specialized services in road and rail transportation, we will further expand our existing services offering with focus on:

- ***Project logistics***: Increase in special equipment assets and pullers to cater to customers in project logistics solutions to serve project and infrastructure, heavy goods, nuclear power and wind power industry.
- ***Freight Forwarding***: Increase in our market share by focusing on the trade lanes of our Corporate Promoter, CJ Logistics Corporation and by exchanging industry practices with freight forwarding professionals from their team in connection with the expansion of our freight forwarding business in India.
- ***Shipping/Coastal and NVOCC***: Hiring time charter vessels will enable us to expand our existing presence in coastal business across coastal cities in India. Our non-vessel operating common carrier (“NVOCC”) division will support in expansion of global agent network, optimum utilization of vessels and containers.
- ***Air cargo***: Expanding our airport processing centres across Tier I and Tier II cities of India which will support us in penetrating to industries like electronics, pharmaceuticals, automobile parts and FMCG goods. We aim to become a general cargo sales agent for airlines in India.

3. Further strengthen our businesses by strategic investments, automation and cross selling of services

Our parentage support along-with 39 years of multimodal logistics experience will enable us expanding W&D business. We believe this will contribute to our growth in the future, and improvement in margins and return ratios. Our relationships with customers in the multimodal services facilitate the cross-selling of services in new business verticals.

Our Corporate Promoter, CJ Logistics Corporation, has invested ₹1,232.45 million in our Company during April 2025. This investment is expected to support exploration of strategic investments in the warehousing and distribution business. Additionally, it is intended to enhance our strategic capabilities and provide access to global opportunities, including business from CJ Logistics Corporation’s international customer base. We intend to implement automation into three areas, collectively referred to as T.E.S in line with the model adopted by our Corporate Promoter:

- **“T” (Technology)**: Physical automation equipment, including sorting machines, sorting robots such as Automated Guided Vehicles (AGV) and Autonomous Mobile Robots (AMR), as well as transportation technologies like unmanned forklifts.
- **“E” (Engineering)**: Engineering techniques such as simulation, digital twin technology, and demand-side management aimed at optimising overall warehouse operations and improving efficiency.
- **“S” (System)**: The system infrastructure that serves as the backbone for the entire warehousing and distribution (W&D) business.

Through the implementation of T.E.S, we aim to reduce reliance on human-centric operations—particularly in regions dependent on migrant labour—by enhancing operational stability. Additionally, this approach is intended to minimise human errors related to accuracy, improve product movement tracking, and optimise design and execution to reduce costs and increase productivity.

We are also evaluating inorganic opportunities to scale up in the W&D. We believe this will contribute to our growth in the future, and improvement in margins and return ratios.

Our target industries for growth in the W&D vertical include e-commerce, FMCG, apparel, automotive, and cosmetics sectors across India. Our expansion strategy includes targeting customers in varied industries and providing them with an innovative, holistic and cost-effective solution by deep integration of our operations with proprietary WMS and TMS tools. We also intend

to scale our W&D solutions by catering multiple customers at a single warehouse and build-to-suit warehousing centres to enhance customized services for strategic customers.

4. *Expansion in branch network aligned with growing industrial activity*

Our branch network expanded from 187 locations as of March 31, 2023, to 202 locations as of March 31, 2025. This expansion is aligned with our growth strategy, which includes sector diversification, development of specialised multimodal services, and addition of new business verticals. The new branches are located in proximity to key industrial clusters and along transportation corridors.

This expansion leverages our 'asset-right' model, which is intended to optimise operational efficiency while maintaining capital discipline. As a result, our increased branch network contributes to profitable growth through improved market access, customer relationships, and operational efficiency.

This expansion supports our near-term goal of profitable volume growth and enhanced customer stickiness, while also laying the groundwork for long-term value creation. It improves transit efficiency, reduces dependency on backhaul coordination, and strengthens our ability to offer tailored multimodal solutions.

Looking ahead, we intend to continue expanding our network selectively, in line with industrial activity, freight migration trends, and customer requirements. Our focus will remain on building strategic capabilities in underpenetrated regions and on corridors, thereby reinforcing our position as an integrated pan-India logistics partner.

5. *Continue to focus on enhancements in technology*

We intend to further automate major processes within our businesses, leading to improved process efficiency, enhanced asset productivity, cost reduction, and the delivery of a distinct and valuable proposition to our customers. We plan to focus on the following areas on a cloud-based platform:

- Use of WhatsApp-based e-bidding mechanisms to facilitate competitive pricing and support margin management;
- Deployment of AI-enabled tools and data intelligence systems for route optimisation and load matching, intended to reduce instances of empty running, minimise backhaul load times, and enable real-time tracking;
- Development of a digital marketplace platform to support our partner network with load matching, as well as access to third-party services including financing solutions (through partnerships with non-banking financial companies), insurance, auto ancillary services, and vehicle repair and maintenance through associated channel partners.

Our Company intends to continue investing in technologies to support the next phase of its logistics operations. Traditional processes are being progressively replaced with automated systems across businesses. Additionally, we intend to build a new feature in MoveX, our TMS for control over pricing by leveraging historical cost data and pricing to fairly estimate prices for contracts considering the macroeconomic factors.

6. *Clean energy focus and sustainable growth*

We aim to incorporate environmental sustainability across various aspects of our operations, including fleet transition to cleaner energy sources, emission monitoring, enhancement of operational efficiencies, and the adoption of sustainable warehousing practices.

We aim to adopt a business model based on commercial EVs and alternative fuels powered commercial vehicles. Although EVs have lower emissions, we believe that shortage of charging infrastructure and non-availability of heavy haulage vehicles will lead to delay in adoption. For LNG powered fleet, we believe that suitable business-use-case scenarios are in-plant transportation, local movement, secondary transportation, and short haul transportation. For the long-haul routes fuelling may need to be done through the retail LNG pumps.

We plan to promote eco-friendly operations including with the help of e-picking system and barcode (for low paper usage), warehouse natural light roofing, network flow optimization and equipment optimization tools for optimum utilization of vehicles and warehouse automation to speed up warehousing processes.

Our Business Offerings

We are a diversified logistics company in India, and one of the largest players in the domestic B2B road transportation vertical in terms of revenue for Fiscal 2025 (Source: *CRISIL Report*). Our logistics services include (i) integrated multimodal logistics (including FTL, rail transportation, air cargo transportation, shipping/coastal transportation, project logistics and freight

forwarding); and (ii) W&D. During Fiscals 2025, 2024 and 2023, we have transported cargo aggregating to 22.42 million MT, 19.75 million MT and 17.96 million MT, respectively.

In Fiscals 2025, 2024 and 2023, we catered to 2,277, 2,261 and 2,291 customers, respectively, spread across multiple industries, including metals, minerals, chemicals, FMCG, engineering and construction, auto and auto ancillary, agriculture and glass.

Our branch network, trusted fleet partners and skilled supply chain management professionals enable us to provide quality logistics solutions to our customers. We are established as a logistics solution partner which helps in reducing our customer's logistics cost, minimum safety stock and working capital.

Integrated multimodal logistics

Full-Truck Load (FTL)

We are one of the largest players in the domestic B2B road transportation vertical in terms of revenue for Fiscal 2025 (Source: *CRISIL Report*), handling shipments on pan-India basis. Our ability to deploy vehicles based on customer requirements, enter into long-term contracts, and align operations with applicable environmental, social, and governance (ESG) standards supports our positioning within the organised B2B logistics vertical.

The trucking industry in India is highly fragmented in nature, with only 10% of truck operators owning a fleet exceeding 25 trucks. This pattern of fragmentation is visible in trucking across the globe. (Source: *CRISIL Report*).

We have benefitted from the increasing share of business moving to the organized players in the logistics sector in India. This shift has been driven by GST implementation. (Source: *CRISIL Report*). With over 39 years of experience, nationwide fleet deployment capability, and a focus on technology and governance, we have developed the operational framework to address the transportation requirements of enterprise clients seeking organised logistics solutions.

We follow a dynamic 'asset-right' business model, under which vehicles are sourced through an extensive vendor network while selectively owning commercial vehicles, including container trucks, tractor trailers, pullers, tippers, and loaders. This model combines the benefits of partial asset ownership with the operational flexibility of an asset-light structure.

As of March 31, 2025, we had access to 955,023 partnered fleet through a vendor base of 554,781 business partners, built over longstanding relationships. This network supports our ability to scale operations in response to demand fluctuations and to serve multiple sectors across various regions in India. Our freight intelligence team analyses shipment data to derive insights related to costing trends and seasonal demand patterns. These insights support our pricing strategy and aid in participating in long-term contract bidding.

Our business comprises both long-term contracts and spot market transactions. Under long-term contracts, freight rates are typically fixed for the duration of the contract period, whereas in spot business, freight rates are determined on a daily basis based on prevailing market conditions. Flow of business is defined as below:

Our owned assets are strategically deployed on critical routes and for specialised requirements where operational control and service consistency are necessary. To support the owned fleet and enhance operational efficiency, we have established in-house maintenance and technical support facilities across key locations, aimed at minimising vehicle downtime. Additionally, we have implemented an integrated fleet management system that monitors parameters such as vehicle uptime, fuel consumption, maintenance schedules, and regulatory compliance, to support cost and operational optimisation.

We hold valid PESO licences at six locations and operate five fuel pumps for internal fuel consumption. These units enable us to procure fuel at competitive rates, thereby supporting fuel cost optimisation. The experience in operating fuel pumps for internal use may support potential future expansion at other strategic locations, subject to applicable approvals and business requirements.

We have longstanding customer relationships where the association with our select customers is over nine years. Such relationships are poised to become stronger as we start extending our enhanced services to them.

As of March 31, 2025, our Company's branch network comprised 202 locations across India. This geographical presence, together with an 'asset-right' mix of owned, leased and partnered fleet, supports the timely placement of resources, scalability of operations, and efficient management of demand fluctuations. The Company's relationships with over 554,781 business partners as of March 31, 2025, underpin its position as an aggregator. The vendor ecosystem also benefits from our Company's technological capabilities, including KYC, bid submission, fleet tracking, and payables tracking.

Rail Transportation

With an intent of offering rail and multimodal services to customers and providing cost-effective transportation solutions with lower carbon footprint, we have entered into an agreement with central government owned company for operating container trains on Indian Railways network effective from December 01, 2015. We are also registered as a service freight transport operator ("SFTO") with the Indian Railways.

We have developed specialised containers, including dwarf containers, hydraulic axle openable top containers, coilainers, 42-foot containers, and 22-foot containers, designed for the transportation of specific types of goods. These specialised containers contribute to operational efficiency and margin optimisation.

To build capabilities in the rail and multimodal transportation vertical, we have acquired an asset base of 2,403 containers. In Fiscals 2025, 2024 and 2023, we have transported 52,436 TEUs, 49,337 TEUs and 45,353 TEUs twenty feet equivalent unit ("TEUs") containers at pan India level.

Our railway transportation services including following:

- We operate rakes on defined schedules in coordination with a leading central government-owned company. Customer materials are planned and transported according to these schedules, covering various routes across India.
- We provide ad hoc train operations based on customer demand, including aggregation of goods from multiple customers.

- Our stock yard management services encompass end-to-end solutions, including first-mile transportation, rake handling and transportation, storage, last-mile delivery, just-in-time transfer, invoicing on behalf of customers, and inventory management within customers' systems.

We aggregate cargo from various customers, which includes goods such as chemicals, steel, finished goods of steel, lubes, polymer, FMCG products, pharmaceutical, glass, soda ash, salt and tiles. After consolidating the cargo, we containerise the cargo for rake operations. Scheduled containerised rake services further strengthen our services portfolio as it enables in gaining confidence of our customers.

Project Logistics

In the year 2008, we ventured into handling of project cargo which involves transportation of high value specialized and critical equipment including steel, power (hydro, gas, thermal, solar) and oil including petrochemical complex, cement, infrastructure including for highways and state roads, ports, metros, dedicated freight corridor, bullet train tracks, and oil field equipment (such as rigs) across India. Over the period, the project team has developed capabilities to undertake and execute turnkey logistics for project cargo comprising of over-dimensional cargo (“**ODC**”) and over-weight cargo (“**OWC**”), in-plant logistics services.

We offer project logistics services comprising of route survey for ODC consignments, cargo planning, optimum route, best possible transit time without compromising on safety. The scope of work begins from the shipper's factory point to overseas locations, at the project site. Project logistics involves ocean and land transportation, route survey, documentation, obtaining NOC and other permissions from Government departments and arranging heavy lift equipment, and inland transportation to its ultimate destination.

We also offer in-plant logistics services to metal and chemical players across India.

We also provide door-to-door logistics services depending on project owners/EPCs, international commercial terms (Incoterms) with their supplier like ex-works (“**EXW**”), free on board (“**FOB**”), free carrier (“**FCA**”), cost, insurance and freight (“**CIF**”) or delivered duty unpaid (“**DDU**”). We serve domestic locations as well as overseas locations through the network of offices of our Corporate Promoter, CJ Logistics Corporation. We transport general dimension goods, over-dimensional and heavy lift goods by road and multimodal.

Our customers in project logistics are broadly of three categories: (i) engineering procurement construction companies; (ii) principal owners of the project; and (iii) original equipment manufacturers (“**OEMs**”). We are largely serving the steel industry in States of Odisha, Jharkhand, Chhattisgarh, Karnataka, Maharashtra, and Tamil Nadu for our customers' project expansions. We are also catering to the cement industry, power sector, oil, and gas refineries. We also provide specialized services to one of our customers who is involved in design, construction, commissioning, and operation of nuclear power reactors by providing port handling services of break bulk and ODC cargo, custom clearance of consignments, transportation of material by road and onsite warehousing management.

We own pullers, specialized modular trailers comprising of hydraulic axles of Indian and foreign make to serve heavy lift cargo.

We also undertake project forwarding on a global scale, which comprises break bulk consignment from overseas as import or export: (i) through network of overseas group companies of our Corporate Promoter, CJ Logistics Corporation; and (ii) through a network of professionals.

Freight Forwarding

We ventured into freight forwarding vertical in Fiscal 2018, after establishing relationship with our Corporate Promoter with a vision to provide integrated logistic solutions to our valuable customers.

Our centralized team of freight forwarding is based in our Registered and Corporate Office in Gurugram, Haryana. We have branch office in Chennai, through which we are extending our freight forwarding services to our customers. We operate from the ports such as Mundra, Kolkata, Haldia, Vizag, Chennai, Ennore, Mumbai and ICD Tughlakabad in India.

We are extending our services to all the major products of freight forwarding such as ocean import, ocean export, air import, air export, transportation with a varied range of container types such as 20'/40' GP, 20'/40' OT, 20'/40' FR and 40' HC. We offer value-added services as per the customer requirements such as delivered duty paid (“**DDP**”), cost, insurance and freight (“**CIF**”), cost and freight (“**C&F**”), ex-works (“**EXW**”), free on board (“**FOB**”), free carrier (“**FCA**”).

Our major trade lanes are Southeast Asia (“**SEA**”), Far East (“**FA**”), Middle East (“**ME**”), Indian Subcontinent (“**ISC**”), Europe and minor trade lanes including Mediterranean, East and West Africa, US and Canada. We have our own CHA license as well as an air console registration in Delhi.

Our expertise in handling the commodities include:

- *Ocean:* Batteries, steel coils, jumbo bags, fabricated steel frames, ductile iron pipes, ply boards, wall papers, automotive parts, cosmetics and personal care, tyres, laminates, machinery and spares, chemicals, electronics, granites, cotton seed hull, LED TVs and iron steel; and
- *Air:* Spares, compressors, fabrics, electronics, cosmetics, and personal care.

Shipping/Coastal transportation and NVOCC

We commenced operating the shipping/ coastal service between India and Bangladesh in the Fiscal 2018 by chartering the vessel and Non-Vessel Operating Common Carrier (NVOCC) operations commenced in December 2024. At present, we ensure total responsibility of marketing and generating bookings for the vessels, both shipper-owned container (“SOC”) and carrier-owned container (“COC”). Major commodities exported by us include ferro silicon, sponge iron, food grains, garments/fabrics, auto parts and some hazardous cargoes. Apart from the container vessel movement, we also operate break bulk movement between India and Bangladesh through barges, using Indo-Bangladesh Protocol route. Our service provides an economical solution to our customer for their needs and enables avoiding the costly and congested road border route.

Our shipping/coastal vertical primarily offers two vessel services between India and Bangladesh:

- (i) *Barges and breakbulk:* Services include handling of the cargo by road and rail at Kolkata port, Haldia port, Vizag port and customs clearance in India, barge movement from India to final destinations in Bangladesh (Mongla, Khulna, Narayanganj, Ashuganj); and
- (ii) *Containers:* Services include first mile transportation, custom clearance in India, movement by vessel to Chittagong and Pangaon.

We also provide end to end logistics services depending on the needs of customers in case of break bulk and containerised cargo. Our customers in shipping/coastal belong to several industries which include metals and minerals, chemicals and engineering and construction.

Under our NVOCC operations, we offer services across a diverse range of international trade routes. Currently, we operate through a network of over 10 agents located across India, the United Arab Emirates, Bangladesh, Vietnam, Malaysia, the Republic of Sudan, Saudi Arabia, Djibouti, and Sri Lanka.

Our operational footprint includes Indian ports such as Mundra, Nhava Sheva, Kolkata, Chennai, Vizag, Tuticorin, and Cochin, along with inland container depots (ICDs) in northern regions including Tughlakabad (TKD), Ghaziabad, Dadri, Ludhiana, Ahmedabad, Patli, and Sonipat.

Air cargo transportation

In-line with our vision to offer integrated logistics solutions to our customers, we ventured in the air cargo business in the year 2020. We are authorized cargo agents for several airlines of India, and we have established airport processing centers at Delhi and Pune. We have engaged vendors to operate at other airports in India. Our air cargo transportation services include end to end and airport to airport logistics services to customers in area of automotive, mobile, pharma, FMCG, agricultural products and fabric etc. During Fiscals 2025, 2024 and 2023, we have transported goods cumulatively weighing 4,315.64 MT, 9,579.79 MT and 3,446.13 MT, respectively.

Further, we are also registered with IATA since December 08, 2023, which has enabled us to become authorized cargo agents for international airlines also.

Warehousing and Distribution

We commenced our W&D services in the year 2018. Our W&D management comprises storing products in a warehouse while offering services such as shelf-life maintenance, product mixing, packaging, cross-docking, barcode scanning, order-fulfilment, and other ancillary customer services. As per demand and specific characteristics, products are stored in different types of warehouses such as climate-controlled, ambient, automated, fulfilment centres and distribution centres.

We are currently catering to the ecommerce, apparel, FMCG, automotive, manufacturing industries along with last mile delivery and in-plant logistics services with the support of intra-facility automation backed-up by our WMS software and TMS tools. We also provide value-added services such as kitting, labelling, bundling, unit cartonisation and packaging solutions, depending on customer requirements.

We improve the accuracy and volume of throughput by providing emphasis to the layout for value-added services within our distribution centres. We design the warehouse layout, the level of technology and automation required, and the processes based on the variety and volume of goods being processed. These services are summarised as follows:

- *Kitting, bundling and promotional packaging*: The process of separating the goods individually and grouping the related items, packaging, and supplying them together as a single unit;
- *Unit cartonisation*: Repackaging of bulk orders for sale to the end consumers.
- *Packaging solutions*: Customising packaging solutions as per products' need, including unit sizes, special coverings and protections required, weight carrying capacities and styling and aesthetics; and
- *Reverse logistics*: Facilitating the transport of damaged and returned inventory to our distribution centres for repackaging and ultimate transportation of such goods to end locations.

Through our association with our Corporate Promoter, we have adopted a WMS that has supported the expansion of our W&D solutions. Leveraging the experience of our Corporate Promoter, we are also undertaking initiatives to introduce automation in the warehousing and distribution business, aimed at reducing dependency on manual labour and ensuring operational continuity during periods of manpower shortage.

Our W&D flagship centre located in Bhiwandi, Maharashtra, built in 1,99,720 sq. ft., incorporates technologies such as wheel sorter, developed in-house by our Corporate Promoter, CJ Logistics Corporation. This centre serves as a key example of how technological integration is driving logistics efficiency, cost optimization, and customer satisfaction.

Our W&D service offerings include built-to-suit, multi-sector and multi-customer models. Our proposal models are: (i) cost-plus mark-up; (ii) fixed charge for a given capacity, with variable charges; (iii) fixed rate per piece, per carton or per case with a minimum guaranteed volume ("MGV"); (iv) fixed monthly billing based on an agreed monthly throughput and storage capacity.

As of March 31, 2025, we managed and operated 14 warehouses with covered warehousing management services, with a total storage capacity of approximately 1.13 million square feet. Our W&D facilities have consistently operated at close to full utilisation levels, as we do not add or lease new capacity without having clients on board. This approach ensures capital efficiency and risk-mitigated growth. While it results in a lower revenue base at present, it reflects our focus on building sustainable, customer-backed warehousing operations rather than speculative capacity creation. The details below set forth the details of the warehouses operated and managed by us:

Key features of our distribution centres include building heights of 8.5 to 15.2 meters; quality flooring, insulation, louvers and turbo vents, multiple air changes and ventilation to combat extreme temperatures, preserve customer inventory and maintain quality working conditions; selective pallet racking, multi-tier shelving, and movable racking system.

We have observed industries transforming their business model with the integration of e-commerce, which has resulted in increase in logistics service opportunities in the e-commerce vertical globally.

Technology

Our technological ecosystem is built on an integrated architecture that connects our core operational systems with enterprise platforms, analytics tools, and specialized logistics applications. This architecture enables real-time data flow, process automation, and comprehensive visibility across our entire logistics value chain.

We digitally integrate our operational locations into our central infrastructure supported by cloud-based reporting tools which provides live visibility.

Our technology-driven operations enable the provision of customised logistics solutions across diverse industries, scalable operations, enhancing operational visibility, and facilitating improved service delivery to customers and vendors. These initiatives are aligned with CJ Logistics TES framework, adapted to suite Indian logistics landscape.

Key digital platforms within this ecosystem include:

- **MoveX:** Our cloud-based transport management platform facilitates end-to-end workflows including order booking, shipment planning, trip execution, and vendor coordination. The platform provides real-time order visibility and automated alerts to enable proactive issue resolution. Features such as WhatsApp-based bidding and intelligent load allocation enhance planning efficiency and vendor responsiveness, contributing to cost optimisation. Additionally, a centralized ticketing system supports faster issue resolution and operational transparency.

- **Pilot Applications:** We utilise digital tools to enhance engagement with drivers. The Pilot App enables drivers to report trip-related issues, manage expenses, and track settlements. Integrated modules within these applications support fleet and rail planning, contributing to capacity optimisation and improved turnaround times.
- **Warehousing Management System:** Our warehousing management system delivers precise and traceable control over inbound, outbound, picking, and inventory operations. It optimizes warehouse processes by directing put-away to the right location, reclassifying and relocating damaged stock after quality checks, and ensuring accurate picking through zone-based and FIFO rules. Integrated with the customer end through Electronic Data Interchange (“EDI”), it provides real-time updates on stock changes, adjustments, and short shipments, while daily reports deliver accurate inventory balances—ensuring transparency, accuracy, and efficient warehouse operations.

We also hold ISO 27001:2022 certification for information security management, which includes an integrated disaster recovery system.

The illustration below depicts our transition from the earlier version to the upgraded version of MoveX, covering the full FTL and rail logistics lifecycle from lead management, contract and order creation, and shipment tracking to vendor/customer invoicing and payment settlement. While the earlier version was primarily focused on core operational workflows, the March 2024 MoveX upgrade integrates financial modules and consolidates FTL operations into a single unified platform. This upgrade enhances process visibility, strengthens operational control, and enables seamless end-to-end automation.

Our Company’s cloud-based digital roadmap focuses on:

- Enabling real-time API-based integration with customer ERPs, supporting freight planning and SLA-driven execution.
- Real-time traceability through IoT, SIM/GPS/FASTag tracking, and a centralized control tower for exception handling.
- Transitioning to upgraded software, enabling improved scalability, enhanced financial reporting, and better integration of operational and enterprise systems.

Internal Control Framework

We have established a comprehensive internal control framework to drive operational effectiveness, ensure regulatory compliance, and maintain integrity in financial and operational reporting. Our internal control system is structured around five key components namely (i) control environment; (ii) risk assessment; (iii) control activities; (iv) information & communication; and (v) monitoring activities. These components are supported by a principle-driven approach that emphasizes accountability, transparency and process ownership at all organizational levels.

Our control environment is underpinned by a clearly defined organizational structure, ethical business conduct, and governance oversight. Risk assessment is conducted periodically to identify financial, operational and compliance risks, allowing for timely mitigation through risk-based controls. Control activities include process-level checks, segregation of duties, maker-checker mechanisms and system-based validations implemented across logistics operations, finance, warehousing and vendor management.

The information and communication principle ensures that critical data and insights are disseminated through structured reporting lines. We enable monitoring activities through an internal audit function, SOP compliance reviews and issue resolution mechanisms under the supervision of our Audit Committee. Our Company also leverages digital tools such as workflow automation, audit trails, user access controls and MIS analytics to further embed controls within business processes.

Components of internal control framework are as follows:

Environment, Health, Safety and Quality

Environment

Due to the nature of our business, we do not directly generate industrial pollutants and therefore do not incur any significant cost of compliance with environmental protection regulations. However, we remain conscious of our environmental responsibilities and continue to integrate sustainable practices into our operations.

Our Company has developed an interim decarbonisation strategy centred on accurate data collection, emission reporting, and emission reduction initiatives. Our efforts include calculating Scope 1, 2, and 3 emissions through a Carbon Management System (Software as a Service), in line with the Global Logistics Emissions Council framework of the green house gas (“GHG”) protocol, enabling our customers to meet their sustainable procurement objectives.

We are committed to reducing our carbon footprint through efficient logistics solutions, increasing adoption of renewable energy, and promoting low-emission transportation modes.

- We aim to enhance our eco-friendly operations by implementing initiatives such as an e-picking system and barcode-based processes to reduce paper usage, utilising natural light roofing in warehouses to minimise electricity consumption, and deploying network flow and equipment optimisation tools to improve vehicle utilisation and reducing use of plastic pallets in operations.
- We have installed solar energy systems at our corporate office, select warehousing facilities and branches and have achieved Green Building – Platinum certification for our corporate office from Indian Green Building Council’s LEED.
- We also continue to adopt environment-friendly practices such as installation of motion sensor-based lighting, and monitoring of energy consumption across our offices, warehouses, and fleet workshops to improve energy efficiency.

Our commitment to sustainability extends to responsible waste management practices, including the installation of sewage treatment systems and the promotion of reusable glass, ceramic, and steel containers to minimise disposable plastic and paper waste. We also prioritise responsible water usage through rainwater harvesting systems and other water-saving technologies.

Furthermore, we have implemented measures to limit landfill waste by exchanging scrap tyres and batteries for new ones with vendors, ensuring these materials do not end up in landfills. Our electronic waste is sold to government-authorised vendors to ensure proper and compliant disposal.

Health, Safety and Quality

We are also committed to road safety and aim to achieve a ‘zero fatal accidents’ target through a structured five year plan. We have implemented a dedicated driver recruitment policy that includes experience-based hiring post license verification, mandatory medical and driving tests, and regular driver training programs along with periodic medical check-ups.

We have implemented several initiatives aimed at enhancing the safety and welfare of our owned fleet drivers, with a strong emphasis on technology-driven monitoring and behavioural improvement. Advanced driver assistance systems (“**ADAS**”) and driver monitoring systems (“**DMS**”) equipped with video telematics have been deployed across our fleet to provide real-time alerts on issues such as driver drowsiness, over-speeding, and seatbelt non-compliance. These alerts are monitored centrally on a 24x7 basis through our control towers, enabling prompt guidance for drivers to take preventive or corrective measures.

Additionally, we operate a dedicated emergency helpline to support our on-road drivers during unforeseen incidents. This helpline also serves our customers and vendors by addressing operational queries, grievances and feedback, ensuring seamless communication and resolution.

To further promote road safety and awareness, we conduct daily training and counselling sessions at our yards, which include video-based feedback and incident-driven learning.

Moreover, digital tools like the Pilot App are increasingly adopted by drivers for attendance and trip tracking, enhancing overall operational efficiency.

We place strong emphasis on developing a future-ready and digitally enabled workforce through continuous learning initiatives. During Fiscal 2025, we conducted various training engagements, spanning internal and external sessions across key capability areas. These included digital and technical skill-building, leadership and interpersonal development, compliance awareness, and domain-specific learning in supply chain, procurement, and analytics.

These initiatives have contributed to improved collaboration, data-driven decision-making, greater awareness of workplace rights and responsibilities, and enhanced readiness for automation and process transformation. By continuously investing in employee development, we aim to foster a culture of learning, adaptability, and operational excellence.

As a reflection of our employee-centric culture and inclusive workplace practices, we have been certified as a Great Place to Work by the Great Place to Work Institute, India. This recognition highlights our efforts to foster trust, engagement, and a supportive work environment across all levels of the organization.

To ensure operational excellence and compliance, we conduct regular internal & external audits, follow comprehensive risk management policy and implement structured procedures such as HIRA (Hazard Identification and Risk Assessment), JHA (Job Hazard Analysis), and EIA (Environmental Impact Assessment) as part of our EHS framework.

Our Company has been certified under the Integrated Management System (IMS) since Fiscal 2019, supporting a process-based approach towards environment, health, safety, and quality across our operations. We hold the following certifications:

- ISO 9001:2015 – Quality Management System
- ISO 14001:2015 – Environmental Management System
- ISO 45001:2018 – Occupational Health and Safety Management System

We are a member of SEDEX and qualified under the Sedex Members Ethical Trade Audit (SMETA). We also earned a Committed Badge in the EcoVadis assessment in July 2025. EcoVadis is a globally recognized platform for trusted business sustainability ratings.

We are also voluntarily committed to the UN Global Compact Network India and annually submit our Communication on Progress for its 10 Principles.

We have implemented an information security management system to ensure data integrity and protection across our operations. Additionally, our Company is an approved transporter with the Indian Banks’ Association and is listed in the Dun & Bradstreet

Global Database, underscoring our commitment to transparency, regulatory compliance, and strong corporate governance practices.

Competition

We operate in a competitive industry across our business verticals. In particular, the road transport industry is highly unorganised and fragmented in nature, and comprises players providing transportation services, intermediaries, such as transport contractors, booking agents and brokers, and consignors (Source: *CRISIL Report*). The transport operators are broadly classified into small fleet owners (“SFOs”) (owning up to 5 trucks), medium fleet owners (“MFOs”) (owning 6-20 trucks) and large fleet owners (“LFOs”) (owning more than 20 trucks) (Source: *CRISIL Report*). Based on ownership, LFOs account for 10-15% share, while 85-90% share is still hold by SFO and MFOs, which gives an opportunity for LFOs/organised players to tap the growing logistics market (Source: *CRISIL Report*).

In the logistics industry, we compete with a variety of local, regional and global logistics service providers of varying sizes, operations and financial resources. Our key competitors include Mahindra Logistics Limited, Transport Corporation of India Limited, Varuna Integrated Logistics Private Limited, V-Trans India Limited and Western Carriers India Limited. (Source: *CRISIL Report*)

We believe that the principal competitive factors include service quality, reliability, price and the ability to understand evolving industry trends as well as the ability to anticipate, understand and address customer requirements. The availability and configuration of vehicles and other facilities that are able to comprehensively address diverse requirements of different industries and specific customer needs is also another factor. We believe that our ability to compete effectively is primarily dependent on ensuring consistent service quality and timely services at competitive prices.

Employees

As of March 31, 2025, we had 5,996 employees on our payroll. Further, as of March 31, 2025, we had 792 employees with 10 and more than 10 years of experience. As of March 31, 2025, we had 3,063 contractual labour. Set forth below are the category-wise details of our employees:

Category	Number of employees
Operations	5,256
Administration and other corporate functions	463
Sales, marketing and business development	187
Information technology	90
Total	5,996

Our human resource practices are aimed at continuous training and development program to harness the skill and knowledge of employees for rendering cost-effective services to the customers. We organize various in-house training programs on operational efficiency, quality service, human resource policies and claim risk management for employees at all levels. Our Company is also certified as a great workplace by Great Place to Work Institute, India, valid until July 2026. Except for the claims under dispute, as disclosed in the section titled “*Outstanding Litigation and Other Material Developments- Actions initiated by regulatory or statutory authorities against our Company*” on page 403, our Company has been in compliance with the statutory payments in relation to provident fund, employees’ state insurance and income tax for the last three Fiscals.

Our Company has also adopted a policy for prevention, prohibition and redressal of sexual harassment and has constituted the internal complaints committee.

Intellectual Property Rights

Our logo  is registered under class 39 under the Trade Marks Act, 1999.

Insurance

Our operations are subject to hazards such as accidents, fires, riots, political disturbances, floods and other force majeure events, acts of terrorism and explosions, including hazards that may cause injury and loss of life, severe damage to and the destruction of property and equipment.

Insurance coverage for products and/or services is maintained either by us or our customers, depending on the terms of the specific arrangement. Insurance for risks relating to loss and theft of, and damage to, certain goods we transport is usually obtained by our customers. However, we carry insurance for similar risks in cases where our customers specifically requested for it, such as for marine transit. We have also obtained insurance policies such as vehicle, directors and officer liability, corporate kidnap and ransom insurance, third-party liability insurance, cyber and crime insurance.

We generally maintain insurance covering certain assets and operations at levels that we believe to be appropriate. We maintain standard insurance policies for fire and special perils such as accidents for assets of our Company. In respect of our equipment within warehouses and cross docks, we obtain insurance for burglary or theft. We have also insured our cash-in-transit for each lag of transit across our offices and loading sites.

We have also insured our multimodal transport operator for transit risk in relation to exports. For further details, see “*Risk Factors – We are subject to various risks associated with transportation and we may face debarment by client claims relating to loss or damage to cargo, personal injury claims or other operating risks that are not adequately insured.*” on page 47.

Corporate Social Responsibility

We have constituted a Corporate Social Responsibility Committee of our Board and have adopted and implemented a CSR policy, pursuant to which we carry out various CSR activities. Our CSR activities are primarily focused on, amongst others, contribution towards education of unprivileged children, food and welfare of animals, particularly cows. We seek to integrate social, environmental and ethical responsibilities into the governance of businesses which ensures the long-term success, competitiveness and sustainability.

KEY REGULATIONS AND POLICIES IN INDIA

The following description is a summary of certain key statutes, rules, regulations, notifications, memorandums, circulars and policies which are applicable to our Company and the business undertaken by our Company.

The information detailed in this chapter, is based on the current provisions of key statutes, rules, regulations, notifications, memorandums, circulars and policies which are subject to amendments, changes and/or modifications. The information detailed in this chapter has been obtained from sources available in the public domain. The regulations set out below may not be exhaustive and are only intended to provide general information to the investors and are neither designed nor intended to substitute professional legal advice. For details of government approvals obtained by our Company, see “Government and Other Approvals” beginning on page 414.

Laws in relation to our business

The Motor Vehicles Act, 1988 and rules made there under (“MV Act”)

The Motor Vehicles Act and the rules prescribed thereunder regulate all aspects of motor vehicles in India, including licensing of drivers, registration of motor vehicles, control of motor vehicles through permits, special provisions relating to state transport undertakings, insurance, liabilities, offences and penalties. Accordingly, the Motor Vehicles Act places a liability on every owner of, or person responsible for, a motor vehicle to ensure that every person who drives a motor vehicle holds an effective driving license. Further, the Motor Vehicles Act requires that an owner of a motor vehicle bears the responsibility of ensuring that the vehicle is registered in accordance with the provisions of the Motor Vehicles Act and that the certificate of registration of the vehicle has not been suspended or cancelled. Further, the Motor Vehicles Act prohibits a motor vehicle from being used as a transport vehicle unless the owner of the vehicle has obtained the required permits authorising him to use the vehicle for transportation purposes.

The Central Motor Vehicles Rules, 1989, a rule prescribed under the Motor Vehicles Act, sets out the procedures for licensing of drivers, driving schools, registration of motor vehicles and control of transport vehicles through issue of tourist and national permits. It also lays down rules concerning the construction, equipment and maintenance of motor vehicles and insurance of motor vehicles against third party risks.

The Motor Vehicle (Amendment) Act, 2019

An Act further to amend the Motor Vehicles Act, 1988. The Motor Vehicle Act was passed in the year 1988 and regulates almost all aspect of road transport vehicles. It provides detailed guidelines on licensing of the drivers and conductors, registration of motor vehicles, the provision on controlling their permits, traffic regulations, related insurances liabilities, and penalties. The motor vehicle act makes it mandatory for any drive to have a valid driving licence and no vehicle can be driven without being registered under the motor vehicle act.

The Carriage by Air Act, 1972 (“Carriage by Air Act”)

The Carriage by Air Act came into force to give effect to the Convention for the unification of certain rules relating to international carriage by air signed at Warsaw on the 12th of October, 1929 as amended by the 1955 Hague Protocol. The rules in the First Schedule of the Act, deal with the rights and liabilities of carriers, passengers, consignors, consignees and other persons. The Central Government may, by notification in the Official Gazette, apply the rules contained in the First Schedule and any provision of section 3 or section 5 or section 6 to such carriage by air, not being international carriage by air as defined in the First Schedule

The Carriage by Road Act, 2007

The Road Carriage Act, and the rules framed thereunder, have been enacted for regulating common carriers, limiting their liability and declaration of value of goods delivered in order to determine their liability for loss of, or damage to, such goods occasioned by the negligence or criminal acts by such carriers, their servants or agents and for incidental matters. The Road Carriage Act defines a “common carrier” as a person engaged in the business of collecting, storing, forwarding or distributing goods to be carried by goods carriages under a goods receipt or transporting for hire of goods from place to place by motorised transport on road, and includes a goods booking company, contractor, agent, broker, and courier agency engaged in the door-to-door transportation of documents, goods or articles utilising the services of a person, either directly or indirectly, to carry or accompany such documents, goods or articles, but does not include the Government. No person can engage in the business of a common carrier unless he has a valid certificate of registration. As per the Carriage by Road Rules, 2011, the liability of a common carrier for loss or damage to any consignment is limited to 10 times of the freight paid, or payable, provided such amount shall not exceed the value of the goods declared in the goods forwarding note.

The Indian Carriage of Goods by Sea Act, 1925 (“Sea Carriage Act”)

The Sea Carriage Act regulates carriage of goods by sea in ships, carrying goods from any port in India to any port whether in or outside India. Carriage of goods covers the period from the time when the goods are loaded on to the vessel till the time that they are discharged. The Sea Carriage Act lays down certain rules relating to bills of lading for carriage of goods by sea “from any port in India to any other port whether in India or outside India” and specifies the risks and liabilities of the carrier and the shipper, rights and immunities available

The Multi Modal Transportation of Goods Act, 1993

The Multimodal Transportation Act regulates the transportation of goods from any place in India to a place outside India and defines “multimodal transport” as the carriage of goods by at least two different modes of transport, under the same contract, from a place of acceptance of goods in India to a place of delivery of such goods outside India. A multimodal transport is governed by a transport contract which, inter alia, sets out the liability of a multimodal transport operator to perform, or procure the performance of, multimodal transportation against payment of freight. The Multimodal Transportation Act allows a person to provide multimodal transportation services on obtaining a certificate of registration, which is valid for a period of three years. A multimodal transport operator is liable for losses resulting from (a) any loss of, or damage to, the consignment or delay in delivery of the consignment and (b) any consequential loss or damage arising from such delay, where such loss, damage or delay in delivery took place while the consignment was in the charge of the multimodal transport operator.

PM Gati Shakti - National Master Plan For Multi-Modal Connectivity

Following the budget announcement for the Financial Year 2021-22 by the finance minister, the 'PM Gati Shakti - National Master Plan for Multi-modal Connectivity' initiative was introduced. This initiative is designed to be a digital platform that brings together 16 ministries to coordinate the planning and execution of infrastructure connectivity projects. The approach is guided by seven engines - roads, railways, airports, ports, mass transport, waterways, and logistics infrastructure - with the aim of driving economic transformation, achieving seamless multimodal connectivity, and enhancing logistics efficiency. This proposed policy has the potential to significantly benefit the logistics industry by facilitating data exchange among various mode operators through a unified logistics interface platform (“ULIP”) equipped with application programming interfaces (“APIs”). If implemented, this approach can lead to more efficient movement of goods across different modes of transportation, reducing logistics costs and time, supporting just-in-time inventory management, and simplifying documentation processes. Additionally, it will offer real-time information to all stakeholders, thereby enhancing international competitiveness.

The Motor Transport Workers Act, 1961

The Motor Transport Workers Act provides for the welfare of motor transport workers and to regulate the conditions of their work. It applies to every motor transport undertaking employing five or more motor transport workers. Section 2(g) defines ‘Motor transport undertaking’ as a motor transport undertaking engaged in carrying passengers or goods or both by road for hire or reward, and includes a private carrier. The Motor Transport Workers Act prescribes that such motor transport undertakings should be registered under the Act. A ‘motor transport worker’ means a person who is employed in a motor transport undertaking directly or through an agency, whether for wages or not, to work in a professional capacity on a transport vehicle or to attend to duties in connection with the arrival, departure, loading or unloading of such transport vehicle and includes a driver, conductor, cleaner, station staff, line checking staff, booking clerk, cash clerk, depot clerk, time-keeper, watchman or attendant. The Motor Transport Workers Act lays down detailed provisions for regulating work hours, payment of wages and protection of the welfare and health of the employees.

The Railways Act, 1989 (“Railways Act”)

The Railways Act as amended from time to time, oversees the development of railway land for commercial use and public carriage. The Railways Act provide framework for railway administration including non-government railway, construction and maintenance of railway works, land acquisition for special railway project, carriage of goods and public etc. The Railways Act also governs contract executed between non-government railway and central government for purposes of constructing and maintaining a railway wherein railway administration can alter, repair, maintain necessary acts for running railway, direct state government to accommodate railway work and provide directions for safety in case railway work is likely to impede or alter natural flow of water.

Fatal Accidents Act, 1855 (“Fatal Accidents Act”)

The Fatal Accidents Act came into force in India with effect from March 27, 1855. The Act provides that whenever the death of a person is caused by a wrongful act, neglect or default, such that, if death had not ensued, the act would have entitled the injured party to maintain an action and recover damages in respect thereof, the party who would have been liable if death had not ensued, shall be liable to an action or suit for damages, notwithstanding the death of the person injured.

The National Logistics Policy 2022

The National Logistics Policy was introduced in September 2022 with a vision to drive economic growth and enhance the country's business competitiveness by developing an integrated, efficient, green and sustainable logistics network with the help of technology, optimised processes and skilled workforce. The policy aims to lower the cost of logistics from the existing 13-14% and lead it to par with other developed countries. This will increase the competitiveness of Indian products in both the Indian home market and the international market. Moreover, the reduced cost will also increase efficiency efforts cutting across all sectors of the economy, which encourages value addition and enterprise. The goal of the Prime Minister is to create a modern infrastructure of a world-class standard by including all relevant stakeholders in the process of holistic planning and implementation. This will allow for greater efficiency and synergy during the project's execution.

Food Safety and Standards Act, 2006 (“FSSA”) and regulations framed thereunder

The FSSA is an integrated food law that lays down standards and guidelines for consumer safety, protection of consumer health and regulation of the food sector. It consolidates the laws relating to food and provides for establishment of the Food Safety and Standards Authority of India (“FSSAI”). The FSSAI is responsible for laying down science-based standards for articles of food and to regulate their manufacture, packaging, storage, distribution, sale, and import, to ensure availability of safe and wholesome food for human consumption and for matters connected therewith or incidental thereto. The FSSA also lays down general provisions for food additives and processing of articles as well.

Bills of Lading Act, 2025 (“BLA”)

BLA provides for the transfer of rights of suit and all associated liabilities under a bill of lading to the consignee named in the bill or to any endorsee to whom the property in the goods is transferred through consignment or endorsement. BLA clarifies that every consignee or endorsee thus acquires all contractual rights and liabilities as if the original contract in the bill were made with them directly. It preserves rights such as stoppage in transit and claims for freight and stipulates that a bona fide consignee or endorsee for value may treat the bill of lading as conclusive evidence of shipment, except where there is actual notice of non-shipment. BLA also repeals the earlier Indian Bills of Lading Act, 1856, providing for continuity in rights and obligations under the repealed law, and empowers the Central Government to issue directions for implementation of its provisions.

The Information Technology Act, 2000 and the rules made thereunder

The Information Technology Act, 2000 (the “IT Act”) seeks to provide legal recognition to transactions carried out by various means of electronic data interchange and other means of electronic communication and facilitate electronic filing of documents with the Government agencies. The IT Act also creates a mechanism for the authentication of electronic documentation through digital signatures. The IT Act provides for extraterritorial jurisdiction over any offence or contravention under the IT Act committed outside India by any person, irrespective of their nationality, if the act or conduct constituting the offence or contravention involves a computer, computer system or computer network located in India. Additionally, the IT Act empowers the Government of India to direct any of its agencies to intercept, monitor or decrypt any information generated, transmitted, received or stored in any computer source in the interest of sovereignty, integrity, defense and security of India, among other things.

The Digital Personal Data Protection Act, 2023

The Digital Personal Data Protection Act, 2023 (“**Data Protection Act**”) provides for collection and processing of digital personal data by companies. According to the Data Protection Act companies collecting and dealing in high volumes of personal data will be defined as significant data fiduciaries. These significant data fiduciaries will be required to fulfil certain additional obligations under the Data Protection Act including appointment of a data protection officer who will be the point of contact between such fiduciaries and individuals for grievance redressal. Further such data fiduciaries will also be required to appoint an independent data auditor who will evaluate their compliance with the Data Protection Act. The provisions of the Data Protection Act shall come into force upon being notified by the Central Government.

Intellectual Property laws

The Trade Marks Act, 1999 (“Trademarks Act”)

The Trademarks Act provides for the application and registration of trademarks in India for granting exclusive rights to marks such as a brand, label and heading and obtaining relief in case of infringement. The Trademarks Act also prohibits any registration of deceptively similar trademarks or chemical compounds among others. It also provides for infringement, falsifying and falsely applying for trademarks.

The Patents Act 1970 (“Patents Act”)

The Patents Act governs the patent regime in India. A patent under the Patents Act is an intellectual property right relating to inventions and grant of exclusive right, for limited period, provided by the Government to the patentee, in exchange of full

disclosure of his invention, for excluding others from making, using, selling and importing the patented product or process or produce that product. Being a signatory to the Agreement on Trade Related Aspects of Intellectual Property Rights, India is required to recognize product patents as well as process patents. In addition to the broad requirement that an invention must satisfy the requirements of novelty, utility and non-obviousness in order for it to avail patent protection, the Patents Act further provides that patent protection may not be granted to certain specified types of inventions and materials even if they satisfy the above criteria.

The Copyright Act, 1957

The Copyright Act, 1957, along with the Copyright Rules, 2013 (“**Copyright Laws**”) governs copyright protection in India. Even while copyright registration is not a prerequisite for acquiring or enforcing a copyright in an otherwise copyrightable work, registration under the Copyright Laws acts as a *prima facie* evidence of the particulars entered therein and helps expedite infringement proceedings and reduce delay caused due to evidentiary considerations. The Copyright Laws prescribe a fine, imprisonment or both for violations, with enhanced penalty on second or subsequent convictions.

Environmental Laws

The Environment Protection Act, 1986 (“EPA”)

The EPA is an umbrella legislation designed to provide a framework for the government to co-ordinate the activities of various Central and State Authorities established under other laws, such as the Water (Prevention and Control of Pollution) Act, 1974 and The Air (Prevention and Control of Pollution) Act, 1981. The EPA Vests the Government with various powers including the power to formulate rules prescribing standards for the discharge of environment pollutants from various sources as given under the Environment (Protection) Rules, 1986, inspection of any premises, plant, equipment or machinery, and examination of processes and materials likely to cause pollution. The EPA provides for the protection and improvement of the environment and for matters connected therewith, and includes, without limitation, the rule making power of the Central Government to determine the standards of quality of air, water or soil for various areas and purposes, the maximum allowable units of concentration of various environmental pollutants, the procedure for handling of hazardous substances, the prohibition and restrictions on the location of industries, and the carrying on of processes and operations in different areas. among other things, these rules regulate the environmental impact of construction and development activities, emission of air pollutants, and discharge of chemicals into surrounding water bodies. The responsibility of primary environmental oversight authority is given to the Ministry of Environment And Forest (“**Moef**”), the Central Pollution Control Board and the State Pollution Control Board (“**SPCB**”). Penalties for violation of the EPA include fines up to ₹100,000, imprisonment of up to 5 years, or both. In addition, the Moef looks into Environment Impact Assessment (“**EIA**”), wherein it assesses the impact that proposals for expansion, modernization and setting up of projects would have on the environment before granting clearances.

The Water (Prevention and Control of Pollution) Act, 1974 (“Water Act”)

The Water Act mandates that the previous consent of the SPCB be taken before establishing any industry, operation or process, or any treatment and disposal system or an extension or addition thereto, which is likely to discharge waste or trade effluents into a stream, well, sewer or onto land, bring into use any new or altered outlet for the discharge of sewage, or begin to make any new discharge of sewage. in addition, a cess is payable under the Water (Prevention and Control of Pollution) Cess Act, 1977 by a person carrying on any specified industry.

The Air (Prevention and Control of Pollution) Act, 1981 (“Air Act”)

The Air Act was enacted for the prevention, control and abatement of air pollution. The State Government may declare any area as an “Air Pollution Control Area” and the previous consent of the SPCB is required for establishing or operating any industrial plant in an area so declared. further, no person operating any industrial plant in any such area is permitted to discharge any air pollutant in excess of the standard laid down by the SPCB. The persons managing industry are to be penalized if they produce emissions of air pollutants in excess of the standards laid down by the SPCB. The SPCB may also apply to the court to restrain persons causing air pollution. whoever contravenes any of the provisions of the air act or any order or direction issued is punishable with imprisonment for a term which may extend to 3 months or with a fine of ₹10,000 or with both, and in case of a continuing offence, with an additional fine which may extend to ₹5,000 for every day during which such contravention continues after initial conviction.

National Environmental Policy, 2006

The Policy seeks to extend the coverage, and fill in gaps that still exist, in light of present knowledge and accumulated experience. This policy was prepared through an intensive process of consultation within the Government and inputs from subject matter experts. It does not displace but builds on the earlier policies. It is a statement of India's commitment to making a positive contribution to international efforts. This is a response to our national commitment to a clean environment, mandated in the Constitution in Articles 48 A and 51 A (g), strengthened by judicial interpretation of Article 21. The dominant theme of this policy is that while conservation of environmental resources is necessary to secure livelihoods and well-being of all, the

most secure basis for conservation is to ensure that people dependent on particular resources obtain better livelihoods from the fact of conservation, than from degradation of the resource.

Following are the objectives of National Environmental Policy: -

- Conservation of Critical Environmental Resources
- Intra-generational Equity: Livelihood Security for the Poor
- Inter-generational Equity
- Integration of Environmental Concerns in Economic and Social Development
- Efficiency in Environmental Resource Use
- Environmental Governance
- Enhancement of resources for Environmental Conservation

Fire control and safety rules and regulations

We are subject to the fire control and safety rules and regulations framed by the state government of Karnataka under the Karnataka Fire Force Act, 1964, the state government of Haryana under the Haryana Fire Service Act, 2009, the state government of Maharashtra under Maharashtra Fire Prevention and Life Safety Measures Act, 2006, the state government of Gujarat under the Gujarat Fire Prevention and Life Safety Measures Act, 2013, the state government of Uttar Pradesh under the Uttar Pradesh Fire Prevention and Fire Safety Act, 2005, the state government of West Bengal under the West Bengal Fire Service Act, 1950, the state government of Odisha under the Orissa Fire Service Act, 1993 and the state government of Jharkhand under the Jharkhand Fire Services Act, 2024.

Labour related legislations

Shops and Establishment Acts in various states

Under the provisions of local shops and establishments legislations applicable in the States in which establishments are set up, establishments are required to be registered under the respective legislations. Such legislations regulate the working and employment conditions of the workers employed in shops and establishments including commercial establishments and provide for fixation of working hours, rest intervals, overtime, holidays, leave, termination of service, maintenance of shops and establishments and other rights and obligations of the employers and employees. Different States have different penalties prescribed for contraventions of their respective legislations.

The employment of workers, depending on the nature of activity, is regulated by a wide variety of generally applicable labour laws, including the Industrial Disputes Act, 1947, Contract Labour (Regulation and Abolition) Act, 1970, Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Gratuity Act, 1972, the Employee's State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Shop and Establishment Act, 1948, the Trade Unions Act, 1926, the Payment of Bonus Act, 1965, Sexual Harassment of Women at Work Place (Prevention, Prohibition and Redressal) Act, 2013 and the Maternity Benefit Act, 1961, among others.

To rationalize and reform labour laws in India, the Government has enacted the following codes:

- Code on Wages, 2019, which regulates and amalgamates wage and bonus payments and subsumes four existing laws namely – the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965, and the Equal Remuneration Act, 1976. It regulates, inter alia, the minimum wages payable to employees, the manner of payment and calculation of wages and the payment of bonus to employees.
- Industrial Relations Code, 2020, which consolidates and amends laws relating to trade unions, the conditions of employment in industrial establishments and undertakings, and the investigation and settlement of industrial disputes. It subsumes and simplifies the Trade Unions Act, 1926, the Industrial Employment (Standing Orders) Act, 1946 and the Industrial Disputes Act, 1947.
- Code on Social Security, 2020, which amends and consolidates laws relating to social security, and subsumes various social security related legislations, inter alia including the Employee's Compensation Act, 1923, Employee's State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Maternity Benefit Act, 1961 and the Payment of Gratuity Act, 1972. It governs the constitution and functioning of social security organisations such as the employee's provident fund and the employee's state insurance corporation, regulates the

payment of gratuity, the provision of maternity benefits and compensation in the event of accidents that employees suffer, among others.

- Occupational Safety, Health and Working Conditions Code, 2020, which amends and consolidates laws regarding the occupational safety, health and working conditions of persons employed in an establishment. It subsumes various enactments including, among others, the Factories Act, 1948 and the Contract Labour (Regulation and Abolition) Act, 1970.

While certain portions of the Code on Wages, 2019, have now been enforced by the Ministry of Labour and Employment, the remainder of these codes shall become effective on the day that the Government shall notify for this purpose.

Laws relating to Taxation

The tax related laws that are pertinent include the Income Tax Act 1961 and the Central Goods and Services Tax Act, 2017. In addition, we may be subject to professional tax and other taxes under various state legislations

Laws relating to Foreign Investment and Trade Regulations

The Foreign Exchange Management Act, 1999 and regulations framed thereunder

Foreign investment in India is governed by the provisions of Foreign Exchange Management Act, 1999, as amended, along with the rules, regulations and notifications made by the Reserve Bank of India thereunder, and the consolidated FDI Policy, effective from October 15, 2020, issued by the DPIIT, and any modifications thereto or substitutions thereof, issued from time to time (the “**Consolidated FDI Policy**”). As per the current Consolidated FDI Policy and FEMA Non-Debt Instrument Rule, FDI up to 100%, under the automatic route for logistics sector subject to applicable laws/sectoral rules/regulations/security conditions. In terms of the SEBI FPI Regulations, the investment in Equity Shares by a single FPI or an investor group (which means multiple entities registered as FPIs and directly or indirectly having common ownership of more than 50% or common control) must be below 10% of our post-Offer equity share capital. For further details, see “*Offer Procedure*” on page 445.

Foreign Trade (Development and Regulation) Act, 1992 (the “FTA”) and the rules framed thereunder

The FTA seeks to provide for the development and regulation of foreign trade by facilitating imports into, and augmenting exports from, India. The FTA provides that no person shall make any import or export except under an importer-exporter code number (“**IEC**”) granted by the Director General of Foreign Trade, Ministry of Commerce (“**DGFT**”). The IEC granted to any person may be suspended or cancelled, *inter alia*, in case the person contravenes any of the provisions of FTA or any rules or orders made thereunder or the DGFT or any other officer authorized by him has reason to believe that any person has made an export or import in a manner prejudicial to the trade relations of India. Any person who makes any export or imports in contravention of any provision of this Act or any rules or orders made thereunder, or the foreign trade policy would become liable to a penalty under the FTA.

Customs Act, 1962 (the “Customs Act”)

Under the Customs Act, the Central Government has the power to prohibit either absolutely or subject to such conditions, the import or export of goods of any specified description. Further, the Central Government may specify goods of such class or description, if it is satisfied that it is necessary to take special measures for the purpose of checking the illegal import, circulation or disposal of such goods.

Other Laws

In addition to the aforementioned material laws and regulations, which apply to our Company, our Company is also required to comply with the provisions of the Companies Act and rules framed thereunder, the Consumer Protection Act, 2019, the Competition Act, 2002 and other applicable statutes promulgated by the relevant Central and State Governments including the central and state tax laws.

Mergers or amalgamations in the last 10 years

Except as disclosed below, our Company has not undertaken any merger or amalgamation in the last 10 years preceding the date of this Draft Red Herring Prospectus.

Scheme of Arrangement entered into by and amongst ASM (India) Investments Private Limited, Gargo Investments Private Limited, Fr8ology Private Limited and our Company (“Scheme of Arrangement”)

Pursuant to the Scheme of Arrangement under sections 230 to 232 and other relevant provisions of the Companies Act, 2013, ASM (India) Investments Private Limited (“**Transferor Company 1**”), Gargo Investments Private Limited (“**Transferor Company 2**”) and Fr8ology Private Limited (“**Transferor Company 3**”, collectively the “**Transferor Companies**”), were amalgamated with and into our Company, which was approved by the National Company Law Tribunal, Chandigarh Bench, Chandigarh by order dated August 28, 2023. The certified true copy of the order was issued on September 14, 2023. The appointed date of the Scheme of Arrangement was April 1, 2021 (“**Appointed Date**”). The Scheme of Arrangement became operational with effect from the Appointed Date. The effective date of the Scheme of Arrangement was September 22, 2023 (“**Effective Date**”). The rationale of the Scheme of Arrangement was amongst others, (i) simplification of the corporate structure; (ii) simplification of the shareholding structure and reduction of shareholding tiers; (iii) creating greater synergies between the businesses of the companies; (iv) effectively optimizing the overall administration and statutory compliances; and (iv) elimination of multiplicity of the companies.

Upon the Scheme of Arrangement becoming effective from Appointed Date, the assets, liabilities, rights and obligations and the entire business/undertakings of the Transferor Companies were transferred to and vested in our Company, together with the properties, assets, rights, benefits and interests of the Transferor Companies. Further, upon the Scheme of Arrangement becoming effective, the Transferor Companies were amalgamated into our Company. Further, the equity shares held by Transferor Company 1 and Transferor Company 2 into our Company stood cancelled and extinguished.

Upon the Scheme of Arrangement coming into effect, in consideration of the amalgamation, 3,311,564 and 2,770,805 fully paid-up equity shares of face value of ₹ 10/-each of our Company were issued and allotted to the equity shareholders of Transferor Company 1 and Transferor Company 2, respectively, proportionate to their respective shareholding. No equity shares were issued to Transferor Company 3, pursuant to the Scheme of Arrangement, being a wholly owned subsidiary of our Company.

Further, upon the Scheme of Arrangement becoming effective the authorised share capital of the Transferor Companies was transferred to and merged/ amalgamated with the authorised share capital of our Company and the subscribed, issued and paid-up share capital of our Company was reduced by the selective cancellation and extinguishment of the paid-up equity shares of ₹ 12,000,000 divided into 1,200,000 equity shares held by TCG ESOP Trust of our Company from ₹ 238,621,420 to ₹ 226,621,420.

Pre-Scheme of Arrangement:

Post-Scheme of Arrangement:

* The paid-up capital of CJ Darcl Logistics reduced pursuant to cancellation of 1.20 million shares held by TCG ESOP Trust.

The authorised share capital of the ASM (India) Investments Private Limited, Gargo Investments Private Limited and Fr8ology Private Limited transferred and amalgamated into the authorised share capital of our Company.

Revaluation of assets in the last 10 years

Our Company has not revalued its assets in the 10 years preceding the date of this Draft Red Herring Prospectus.

Further, as per the valuation report dated September 15, 2023, issued by N S Kumar & Co., Chartered Accountants, per equity share (of face value of ₹ 10 each) value of our Company was ₹ 362.40.

Shareholder's Agreement dated June 5, 2017, executed by and among our Company, the Individual Promoters, Key Promoter Employees (as defined in the schedule of the SHA), ASM (India) Investments Private Limited, Gargo Investments Private Limited, Other Shareholders (as defined in the schedule of the SHA) and CJ Logistics Corporation (hereinafter referred to as "CJL"), as amended by way of amendment agreements dated July 30, 2017, April 6, 2018, August 9, 2019, April 23, 2025 (hereinafter referred to as "Existing SHA") and further amended by way of a waiver cum amendment agreement dated September 28, 2025.

Our Company, Individual Promoters, Mr. Roshan Lal Agarwal, Key Promoter Employees, ASM (India) Investments Private Limited (*now amalgamated into our Company*), Gargo Investments Private Limited (*now amalgamated into our Company*), Other Shareholders and CJL had entered into the Existing SHA to record the terms relating to the management, governance and control of our Company, pursuant to completion of issue and allotment of shares as per the SSPA. In terms of the Existing SHA, the shareholders have certain rights and obligations, amongst others:

- **Board composition:** The Corporate Promoter is entitled to nominate up to six directors on the Board. Each of the four Individual Promoter family groups are entitled to nominate one director, subject to maintaining a prescribed minimum shareholding. The remaining directors shall be independent directors appointed in accordance with law.
- **Committees of the Board:** The Existing SHA provides for equal representation of the Corporate Promoter and the Individual Promoters on committees of the Board, subject to applicable law.
- **Management and chairmanship:** The Individual Promoters have the right to appoint certain senior management personnel, including the Chairman and Joint Managing Directors, subject to thresholds. Upon filing of the draft red herring prospectus, the Chairman is to be an independent director with a casting vote. Following the red herring prospectus filing or completion of the IPO obligation period, the Corporate Promoter may recommend individuals for appointment as Chief Executive Officer.
- **Quorum and reserved matters:** Meetings of the board require the presence of at least one nominee of the Corporate Promoter and one nominee of the Individual Promoters. Certain identified matters require the prior written consent of (i) the Corporate Promoter; and (ii) members of the Individual Promoters holding at least 16.66% of the paid-up equity share capital.
- **Promoter status:** The Corporate Promoter and the Individual Promoters are to be disclosed and recognised as the "promoters" of our Company in all filings, including this Draft Red Herring Prospectus.
- **Transfer restrictions and exit rights:** The Existing SHA imposes restrictions on transfer of shares prior to completion of the IPO lock-in period, except for intra-group transfers among the Individual Promoters and affiliate transfers by the Corporate Promoter. If the Offer is not consummated within the stipulated period, the Corporate Promoter and the Individual Promoters are required to engage in good faith negotiations to determine an alternative exit mechanism, failing which both may transfer their shareholding to third parties, together with related governance and management rights.
- **Minimum size:** The Existing SHA states that a minimum of 2,61,96,430 Equity Shares as part of the fresh issue pursuant to an initial public offering and the offer for sale from the Individual Promoter family group's shall comprise at least 95,05,355 Equity Shares.
- **Information rights:** The Corporate Promoter and the Individual Promoters are entitled to receive notices, agenda papers, draft resolutions and supporting documents for all meetings of the board and its committees, as well as for general meetings of shareholders. They also have access rights to the information and records of our Company.

The parties to the Existing SHA have entered into a Waiver cum Amendment Agreement, to waive and amend certain terms of the Existing SHA to facilitate the Offer. This includes waiver of the Corporate Promoter's right to appoint a CEO, right of the parties to have represented on the committees of the Board and voting rights on certain matters. Further, pursuant to the Waiver cum Amendment Agreement, all rights of Roshan Lal Aggarwal have been substituted and notated in favour of Nitesh Agarwal.

The Existing SHA shall remain valid until it is automatically terminated upon listing of Equity Shares of our Company pursuant to the Offer. Further, the Waiver cum Amendment Agreement will stand automatically terminated in its entirety on the earlier of: (a) the Equity Shares of our Company are not listed on the Stock Exchanges within 12 months, from the date on which Securities and Exchange Board of India issues its final observations in relation to the Offer, (b) the termination of the Offer Agreement; or (c) the date on which the Board / IPO Committee decides to withdraw the Offer, whichever is earlier (the "**Long Stop Date**"). The Parties can extend such Long Stop Date, with mutual agreement in writing.

Additionally, in order to ensure that the Existing SHA is enforceable against our Company, the Existing SHA has been incorporated in the Articles of Association. The Articles of Association consists of two parts, Part A and Part B, where the Existing SHA is incorporated in its entirety in Part B. Part A and Part B of the Articles of Association shall, unless the context otherwise requires, co-exist with each other until the date of the listing of the Equity Shares in connection with Offer (“**Listing Date**”). In case of any inconsistency or contradiction, conflict or overlap between Part A and Part B, the provisions of Part B shall over-ride and prevail and be applicable until the Listing Date. Together with the automatic termination of the SHA on and from the Listing Date, Part B of the Articles of Association will also terminate on and from the Listing Date or such earlier date as prescribed by SEBI, without any further action from and by the Parties or any corporate action by our Company and our Shareholders.

However, notwithstanding the termination of the Shareholders’ Agreement, including the Waiver cum Amendment Agreement, on and from the Listing Date and subject to any direction or observation by the SEBI and/or the Stock Exchanges, an obligation on our Company shall survive to take necessary steps to include in the agenda of the first general meeting to be held after the Listing Date, a proposal to seek approval of the Shareholders for amendment of our Articles of Association to grant the directors nomination rights to our Corporate Promoters and Individual Promoters as set out above.

Share Subscription and Share Purchase Agreement dated April 25, 2017 (hereinafter referred to as “SSPA” or “Share Subscription and Share Purchase Agreement”) between our Individual Promoters, Key Promoter Employees (as defined in the schedule of the SSPA), Sellers (as defined in the schedule of the SSPA), our Company and CJ Logistics Corporation.

Our Company had entered into this Share Subscription and Share Purchase Agreement to allot to CJ Logistics Corporation and CJ Logistics Corporation had agreed to subscribe to 4,062,142 equity shares of our Company, basis the terms and conditions of this SSPA, and for an aggregate consideration of ₹ 1,107,027,901. Further, the Sellers had also agreed to sell such number of shares as provided in the schedule of the SSPA, for an aggregate consideration of ₹ 2,144,466,235. However, the final value of the consideration of subscription and sale of shares was subject to adjustments provided in the provisions of the SSPA.

Further, as per the valuation report dated June 17, 2017, issued by Vijay Sehgal & Co., Chartered Accountants, the fair value per equity share of face value of ₹ 10 each of our Company was ₹ 244.90 as on March 31, 2017.

DIVIDEND POLICY

The declaration and payment of dividends, if any, is recommended by the Board of Directors and approved by the Shareholders, at their discretion, subject to the provisions of the Articles of Association of our Company, Companies Act and other applicable law, and the dividend distribution policy of our Company may be reviewed and amended periodically by our Board in accordance with the same. The dividend distribution policy of our Company was approved and adopted by our Board on October 18, 2021.

The dividend, if any, will depend on a number of factors, including but not limited to the capital requirements, contractual obligations, applicable legal restrictions, our Company's liquidity position and future cash flow needs, the prevailing taxation policy or any amendments expected thereof, with respect to distribution of dividend, capital expenditure requirements considering opportunities for expansion and modernization, prevailing macroeconomic and business conditions, and overall financial position of our Company and other factors considered relevant by our Board. We may retain all our future earnings, if any, for use in the operations and expansion of our business. For further details, see "*Risk Factors – 54. Our ability to pay dividends in the future will depend on our future earnings, cash flows, working capital requirements, capital expenditures and financial condition*" on page 68.

In addition, our ability to pay dividends may be impacted by a number of factors, including restrictive covenants under the loan or financing arrangements our Company is currently availing of or may enter into to finance our fund requirements for our business activities. For further details, see "*Financial Indebtedness - Principal terms of the facilities sanctioned to our Company and Subsidiaries*" on page 399.

We have not declared any dividends in the three Fiscals immediately preceding the filing of this Draft Red Herring Prospectus. Further, our Company has not declared any dividend between the last audited period and the date of filing of this Draft Red Herring Prospectus.

- b) do not require any adjustment for qualification as there are no qualifications in the underlying audit reports.

All the amounts included in the Restated Consolidated Summary Statements are presented in Indian Rupees ('Rupees' or 'Rs.' Or 'INR') and are rounded to the nearest millions, except per share data and unless stated otherwise.

2.1 Basis of consolidation

a) Principles of consolidation

The Restated Consolidated Summary Statements comprises of Financial Statement of the Holding Company and its Subsidiaries. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee;
- Exposure, or rights, to variable returns from its involvement with the investee and
- Has the ability to affect those returns through its power to direct the relevant activities of the investee.

Generally, there is a presumption that majority of voting rights results in control. To support this presumption and when the Group has less than majority of voting or similar rights over an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights.
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the Restated Consolidated Summary Statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Restated Consolidated Summary Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If the components of the Group uses accounting policies other than those adopted in the Restated Consolidated Summary Statements for like transactions and events in similar circumstances,

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

appropriate adjustments are made to that Group member's financial statements in preparing the Restated Consolidated Summary Statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Holding Company. When the end of the reporting period of the Holding Company is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Holding Company to enable the Holding Company to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

The Restated Consolidated Summary Statements have been prepared on the following basis:

- i. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Holding Company with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- ii. Offset (eliminate) the carrying amount of the Holding Company's investment in each subsidiary and the Holding Company's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- iii. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full).

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in consolidated statement of profit and loss
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners
- Reclassifies the Holding Company's share of components previously recognised in OCI to consolidated statement of profit and loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities.

b) Following subsidiary companies have been considered in the preparation of these RFS:

Name of the entity	Country of Incorporation	Relationship	Percentage of voting power as at 31 March 2025	Percentage of voting power as at 31 March 2024	Percentage of voting power as at 31 March 2023
Transrail Logistics Limited	India	Subsidiary	100%	100%	100%
Darcl Logistics Nepal Private Limited	Nepal	Subsidiary	100%	100%	100%
CJ Korea Express India Private Limited	India	Subsidiary	100%	100%	100%

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

2.2 Summary of material accounting policies

a) Property, plant and equipment

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Freehold land is carried at historical cost less accumulated impairment, if any. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment, if any. The cost comprises of purchase price, taxes, duties, freight and other incidental expenses directly attributable and related to acquisition and installation of the concerned assets and are further adjusted by the amount of CENVAT/GST/VAT credit availed wherever applicable. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to consolidated statement of profit and loss during the reporting period in which they are incurred.

Depreciation is provided on pro-rata basis using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as estimated by the management which is in line with the useful life of assets as prescribed under Schedule II of the Companies Act, 2013 except in respect of trucks and mobile phones, in which case the life of the assets has been assessed as 8/15/25 and 3 years respectively.

The Group, based on technical assessment made by the technical expert and management estimate, depreciates certain items of trucks (Puller / Axle) over estimated useful life which is different from the useful life prescribed in Schedule II of the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The Group has used the following lives to provide depreciation on its property, plant and equipment:

Asset category	Useful lives estimated by management (SLM)	Useful life of assets as per Schedule II of Company Act (SLM)
Buildings	30/60 years	30/60 years
Rail Wagon and Containers	15 years	15 years
Plant and machinery	8 years	8 years
Furniture and fittings	10 years	10 years
Office equipment	3/5 years	5 years
Computers	3/6 years	3/6 years
Trucks	8 years	6 years
Trucks (Puller/Axle)	15/25 years	6 years
Other vehicles	8 years	8 years
Leasehold improvements	Over the period of lease or useful life, whichever is lower	-

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

Property, plant and equipment is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposals. Gains or losses arising from disposal of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the consolidated statement of profit and loss when the assets are derecognised.

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

On transition to Ind AS (i.e. 1 April 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of Property, plant and equipment.

b) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalized development cost, are not capitalized and the related expenditure is reflected in consolidated statement of profit and loss in the period in which the expenditure is incurred. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

The useful lives of Intangible assets are assessed as finite.

The amortization period and the amortization method for an intangible asset with a finite useful life is reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the consolidated statement of profit and loss.

Intangible assets are amortized on straight line method as follows:

- Software licenses - estimated useful life or 5 years, whichever is lower
- Railway license fee – over the license period of 20 years.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Gains or losses arising from disposal of the intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the consolidated statement of profit and loss when the assets are derecognised.

On transition to Ind AS (i.e. 1 April 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

c) Use of estimates

The preparation of the Restated Consolidated Summary Statements requires the management of the Group to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to the contingent liabilities as at the date of Restated Consolidated Summary Statements and reported amounts of income and expenses during the year. Examples of such estimates include allowance for impairment of trade receivables, allowance for doubtful receivables, employee benefits, income taxes, impairment of non-financial assets and useful lives of property, plant and equipment (refer note 33).

The management believes that the estimates used in preparation of the Restated Consolidated Summary Statements are prudent and reasonable. Future results could differ due to changes in these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known.

d) Current versus non-current classification

The Group segregates assets and liabilities into current and non-current categories for presentation in the balance sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, "Presentation of Financial Statements". For this purpose, current assets and liabilities include the current portion of non-current assets and liabilities respectively. Deferred tax assets and liabilities are always classified as non-current.

Annexure V
Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period up to twelve months as its operating cycle.

e) Non-current assets held for sale

The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

The criteria for held for sale classification is regarded met only when the assets is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets, its sale is highly probable; and it will genuinely be sold, not abandoned. The Group treats sale of the asset to be highly probable when:

- a) The appropriate level of management is committed to a plan to sell the asset,
- b) An active programme to locate a buyer and complete the plan has been initiated,
- c) The asset is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- d) The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- e) Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Cost to sell are the incremental costs directly attributable to the disposal of an asset (disposal group), excluding finance costs and income tax expense. Assets and liabilities classified as held for sale are presented separately in the consolidated balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale/ distribution to owners are not depreciated or amortized.

f) Investment Property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment properties are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in consolidated statement of profit and loss as incurred.

Depreciation is recognized using straight line method so as to write off the cost of the investment property less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

The Group has used the following lives to provide depreciation on its Investment property:

Asset category	Useful life of assets as per Schedule II of Company Act (SLM)
Building	60 Years
Furniture and fittings	10 Years
Office equipment	5/ 10 Years

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future benefits embodied in the investment property. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life / residual value is accounted on prospective basis.

Though the Group measures investment properties using cost-based measurement, the fair value of investment properties are disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the carrying value at the date of change in use. If owner-occupied property becomes an investment property, the Group accounts for such property in accordance with the policy stated under property, plant and equipment up to the date of change in use.

Investment properties are derecognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal.

The difference between the net disposal proceeds and the carrying amount of the asset is recognised in consolidated statement of profit and loss in the year of derecognition. In determining the amount of consideration from the derecognition of investment properties the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

On transition to Ind AS (i.e. 1 April 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

g) Leases

The Group assesses at contract inception whether a contract is, or contains a, lease. That is if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets (i.e., individual assets have value less than 5,000). The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. The Group's lease asset classes primarily consist of leases for immovable properties, commercial vehicles and other equipments.

(i) Right of use asset

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and accumulated impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the period of lease contract or useful life whichever is less, as follows:

- Leasehold land – 2 to 69 Years
- Buildings – 1 to 28 Years
- Commercial vehicles - 1 to 6 Years
- Other equipment - 1 to 6 Years
- Containers - 1 to 6 Years

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in note 2(h) for impairment of non - financial assets.

(ii) Lease Liabilities

At the commencement date of the lease, the Group recognizes lease liabilities measured at the present value of the lease payment to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. The re-measurement of lease liability is done by discounting the revised lease payments using the Group's incremental borrowing rate at the effective date of modification.

(iii) Short-term leases and leases of low value assets (i.e. low value assets is the assets less than value of Rs. 5,000)

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognized as expense on a straight-line basis over the lease term.

Group as a lessor

Operating lease:

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

h) Impairment of non-financial assets

The carrying amounts of the assets are reviewed at each reporting date for any indication of impairment based on internal/external factors. If any such indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

i) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The three levels of Fair Value hierarchy as described below:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Restated Consolidated Summary Statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

j) Financial Instruments

Financial assets

1) Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies "Revenue from contracts with customers".

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

In order for a financial asset to be classified and measured at amortised cost, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

2) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL)
- Equity investments

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is most applicable to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate ("EIR") method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the consolidated statement of profit and loss. The losses arising from impairment are recognised in the consolidated statement of profit and loss. This category generally applies to trade and other receivables.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is considered only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the consolidated statement of profit and loss. This category is applicable to investments in mutual funds.

Equity Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to consolidated

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value. All changes in fair value including dividend are recognized in the consolidated statement of profit and loss.

Derecognition

A financial asset is de-recognised only when

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognize the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

3) Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month expected credit loss (ECL) is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

The Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Annexure V
Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the consolidated statement of profit and loss. This amount is reflected under the head other expenses in the consolidated statement of profit and loss. For the financial assets measured as at amortised cost, contractual revenue receivables, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the consolidated balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

The financial guarantees are amortised over the life of the guarantee and are measured at each reporting date at the higher of:

- the remaining unamortized balance of the amount at initial recognition and
- the best estimate of expenditure required to settle the obligation at the end of the reporting period.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the consolidated statement of profit and loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the consolidated statement of profit and loss.

Annexure V

**Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)**

Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting year following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

k) Revenue recognition

Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services and excludes amounts collected on behalf of third parties. The Group has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in note 34.

Performance obligations

At contract inception, the Group assess the goods and services promised in contracts with customers and identifies various performance obligations to provide distinct goods and services to the customers. The Group has determined following distinct goods and services that represent its primary performance obligations.

- **Transportation services:** Revenue is recognized for these performance obligations as they are satisfied over the contract term, which generally represents the transit period. The transit period can vary based upon the method of transport, generally a couple days for over the road, rail, and air transportation, or several weeks in the case of an ocean shipment. Group also provide certain ancillary logistics services, such as handling of goods, customs clearance services etc. The service period for these services is usually for a very short duration, generally few days or weeks. Hence, revenue from these services is recognised over the service period as the Group perform the primary obligation of transportation of goods.
- **Other allied services:** Revenue from leasing of vehicles (trains/trucks), renting of warehouse, fee-based management services are recognised over time as the customer simultaneously avails the benefits of these services. Hence, the revenue from such services is recognised on a monthly basis, basis the amount fixed as per the agreements.

Variable consideration

If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for providing services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for transportation services provide the customer with incentives and include penalties levied on the Group. To estimate the variable consideration for the expected future incentives and penalties, the Group has applied the expected value method for all contracts.

Annexure V
Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

Contract balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the same is invoiced to the customer, a contract asset is recognised for the earned consideration that is conditional on satisfaction of the performance obligation. Contract assets are subject to impairment testing.

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in financial instrument – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group fulfil its performance obligation under the contract.

Interest income

Interest income from a financial assets is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and\ similar options) but does not consider the expected credit losses.

l) Inventories

Inventories comprise of tyres, tubes and other accessories for repairs and maintenance of own vehicles, which are valued at cost or net realizable value, whichever is lower. Cost is determined on weighted average cost basis. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory based on weighted average cost basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

m) Employee benefits

(i) Post-employment benefits

Defined Contribution Plan: A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group has defined contribution plans for provident fund and employees' state insurance scheme. The Group's contribution in the above plans is recognised as an expense in the consolidated statement of profit and loss during the year in which the employee renders the related service.

Contributions to Superannuation are funded and charged to the consolidated statement of profit and loss when the employees have rendered service entitling them to the contributions.

The Group has no obligation other than contribution payable to these funds.

Annexure V

**Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)**

Defined Benefit Plans: The Group has a defined benefit gratuity plan which is a combination of funded plan and unfunded plan. In case of funded plan, the Group makes contribution to a separately administered fund. The Group does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimation of the payments. Any deficit in plan assets as compared to the liability based on an independent actuarial valuation is recognised as a liability. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method, with actuarial valuations being carried out at periodic intervals.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other comprehensive income (OCI). They are included in retained earnings in the Statement of Changes in Equity and in the consolidated balance sheet. Re-measurements are not reclassified to consolidated statement of profit and loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- The date of plan amendment or curtailment and,
- The date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognizes the following changes in the net defined benefit obligation under Employee benefits expense in consolidated statement of profit or loss:

- Service costs comprising current service costs, past service costs, gains and losses on curtailment and non-routine settlements
- Net interest expense

Termination benefits are recognized as an expense immediately.

(ii) Short-term obligations and other long-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method at the end of the year. Actuarial gains/losses are immediately recognised to the consolidated statement of profit and loss.

n) Borrowing cost

Borrowing Costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the finance costs.

o) Segment reporting

Operating segment are defined as components of an entity for which separate financial information is available and that is regularly reviewed by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources to an individual segment and is assessing performance. The Chief Managing Director (CMD) and Joint Managing Directors (JMDs) of CJ Darcl Logistics Limited are jointly Company's CODM. The CODM reviews financial information presented on a consolidated basis for purpose of making operating decisions, allocating resources and evaluating financial performance. As such, the Group has determined that it operates in one reportable segment.

Annexure V
Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

p) Taxes

Income tax expense represents the sum of current tax and deferred tax.

i. Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax is based on the taxable income and calculated using the applicable tax rates and tax laws. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Restated Consolidated Summary Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except In respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

Deferred tax liabilities are recognised for all taxable temporary differences, , except in respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at the end of each reporting date and are recognised to the extent it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation statute.

Goods and Services Tax (GST) / value added taxes paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of GST/ value added taxes paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable;
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the balance sheet.

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

iii. Minimum Alternative Tax

Minimum Alternate Tax (MAT) paid in a year is charged to the consolidated statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the concerned company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset, it is created by way of credit to the consolidated statement of profit and loss and shown as part of deferred tax asset. The company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified year.

q) Foreign Currency Transactions

Items included in the Restated Consolidated Summary Statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Restated Consolidated Summary Statements are presented in Indian rupee (INR), which is also the Holding Company functional and presentation currency. For each entity the Group determines the functional currency and items included in the Restated Consolidated Summary Statements of each entity are measured using that functional currency.

Foreign currency transactions are translated into the functional currency using the spot rate at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year-end exchange rates are generally recognised in consolidated statement of profit or loss.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss with the exception of the following:

- Exchange differences arising on monetary items that forms part of a reporting entity's net investment in a foreign operation are recognised in consolidated statement of profit and loss in the Restated Consolidated Summary Statements of the reporting entity or the individual financial statements of the foreign operation, as appropriate. In the Restated Consolidated Summary Statements that include the foreign operation and the reporting entity (e.g., consolidated financial statements when the foreign operation is a subsidiary), such exchange differences are recognised initially in OCI. These exchange differences are reclassified from equity to consolidated statement of profit or loss on disposal of the net investment.
- Exchange differences arising on monetary items that are designated as part of the hedge of the Group's net investment of a foreign operation. These are recognised in OCI until the net investment is disposed of, at which time, the cumulative amount is reclassified to consolidated statement of profit and loss.
- Tax charges and credits attributable to exchange differences on those monetary items are also recorded in OCI.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recognised using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or consolidated statement of profit and loss, respectively).

Annexure V

**Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)**

r) Earnings per share

Basic earnings per share (EPS) are calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Holding Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit or loss attributable to equity holders of the Holding Company (after adjusting the corresponding income/charge for dilutive potential equity shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares, unless the effect of the potential dilutive equity shares is anti-dilutive.

s) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed in the periods in which the costs are incurred and the services are received, with the exception of the costs of issuing debt or equity securities that are recognised in accordance with Ind AS 32 and Ind AS 109.

The Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs.

At the acquisition date, the identifiable assets acquired, and the liabilities assumed are recognised at their acquisition date fair values.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

t) Provisions and Contingent liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognize a contingent liability but disclose its existence in the Restated Consolidated Summary Statements unless the probability of outflow of resource is remote. Contingent assets are not recognized.

Annexure V

Material accounting policies and other explanatory notes to Restated Consolidated Summary Statements
(Amounts in INR million, unless otherwise stated)

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognised in the consolidated statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

u) Cash and cash equivalents

Cash and cash equivalents in the consolidated balance sheet comprise of balances with banks, cash in hand and short-term deposits with an original maturity of three months or less, convertible to known amount of cash and which are subject to an insignificant risk of changes in value. For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits as defined above net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

c) Estimation of fair value

The Group obtains independent valuations for its investment property on reporting date. The fair valuation is done basis discounted cash flow method. There were no changes made during the year in valuation method or processes to determine classification of the level. The Group has no restrictions on the realisability of its investment properties and no contractual obligations to purchase, construct or develop investment properties or for repairs, maintenance and enhancements.

Fair valuation of the investment property is based on the valuation done by the registered valuer as defined under Rule (2) of Companies (Registered Valuers and Valuation) Rules, 2017.

Annexure VII
Notes to Restated Consolidated Summary Statements
(All amounts in INR millions, unless stated otherwise)

Description of valuation techniques used and key inputs to valuation on investment property:

Valuation technique-Discounted cash flow

Significant unobservable Inputs	As at March 31, 2025	As at March 31, 2024	As at 31 March 2023
Discount rate	12.00%	12.00%	12%-13%
Capatalization rate	7.00%	7.00%	8% -9%
Esclation in market rental	15% every three year	15% every three year	15% every three year

Under the DCF method, fair value is estimated using assumptions regarding the benefits and liabilities of ownership over the asset’s life including an exit or terminal value. This method involves the projection of a series of cash flows on a real property interest. To this projected cash flow series, a market-derived discount rate is applied to establish the present value of the income stream associated with the asset. The exit yield is normally separately determined and differs from the discount rate.

The duration of the cash flows and the specific timing of inflows and outflows are determined by events such as rent reviews, lease renewal and related re-letting, redevelopment, or refurbishment. The appropriate duration is typically driven by market behaviour that is a characteristic of the class of real property. Periodic cash flow is typically estimated as gross income less vacancy, non-recoverable expenses, collection losses, lease incentives, maintenance cost, agent and commission costs and other operating and management expenses. The series of periodic net operating income, along with an estimate of the terminal value anticipated at the end of the projection period, is then discounted.

Nature and Purpose of Reserves

(1) General reserve

Under the erstwhile Companies Act 1956, General reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

(2) Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

(3) Capital redemption reserve

The Group recognizes profit or loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.

(4) Retained Earning

Retained earnings are the profit / (loss) that the Group has incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings includes re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to standalone statement of Profit and Loss. Retained earnings is a free reserve available to the Group and eligible for distribution to shareholders, in case where it is having positive balance representing net earnings till date.

Revenue from contracts with customers	51,611.09	45,944.14	42,158.26

Revenue from rendering of services is earned primarily from customers within India.

Revenue recognised in the current period that was included in the contract liability balance is INR 14.04 millions (March 31, 2024: INR 14.15 million and March 31, 2023: INR 28.23 million). Revenue related to performance obligation satisfied in current period are Nil (March 31, 2024 and March 31, 2023: Nil).

The transaction price allocated to the remaining performance obligation (partially unsatisfied) as at March 31, 2025 is INR 512.41 millions (March 31, 2024 : INR 530.73 million and March 31, 2023: 428.05 million). Such remaining performance obligation are expected to be recognised within one year.

Contract balances

* Trade receivables includes unbilled revenue amounting to INR 2,033.02 millions (March 31, 2024 : INR 1,684.25 million March 31, 2023: INR 1,423.41 million).

** Contract assets of INR 464.15 millions (March 31, 2024 : INR 357.45 millions and March 31, 2023: INR 345.61 million) recognised at the beginning of the year has been transferred to trade receivables.

Net decrease by INR 2.55 millions (March 31, 2024 : INR 0.11 millions and March 31, 2023: INR 13.99 million decrease) is on account of cash received excluding revenue recognised during the year from contract liability as the beginning of the year.

Notes:

1. The contract assets primarily relate to the Parent Company's rights to consideration for work partially completed and not billed at reporting date. The contract assets are transferred to the receivables on completing performance obligation and when the rights become unconditional.

2. Contract liabilities relates to payments received in advance of performance and unearned revenue against which amount has been received from customer but services are yet to be rendered on the reporting date either in full or in parts. Contract liabilities are recognized evenly over the year of service, being performance obligation of the Group.

32 Earnings per share (EPS)

Basic EPS is calculated by dividing the net profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

	For the year ended March 31, 2025	For the year ended March 31, 2024	For the year ended March 31, 2023

33 Significant accounting judgements, estimates and assumptions

The preparation of the Group's Consolidated Ind AS Financial Statements are in conformity with the Indian Accounting Standards requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures (including contingent liabilities). The management believes that the estimates used in preparation of the Consolidated Ind AS Financial Statements are prudent and reasonable. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Difference between actual results and estimates are recognised in the periods in which the results are known / materialise.

A. Judgements

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Consolidated Ind AS Financial Statements:

Determining the lease term of the contract with renewal and termination option - Group as a lessee

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset).

Leases - Estimating the incremental borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The IBR therefore reflects what the Group 'would have to pay', which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease.

Operating lease commitments – Group as a lessor

The Group has entered into commercial property leases on its investment property portfolio. The Group has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

B. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the Consolidated Ind AS Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

i) Revenue from contracts with customers

• Determining method to estimate variable consideration

Certain contracts for the transportation of goods include incentives or penalties, that give rise to variable consideration. In estimating the variable consideration, the Group is required to use either the expected value method or the most likely amount method based on which method better predicts the amount of consideration to which it will be entitled. The Group determined that the expected value method is the appropriate method to use in estimating the variable consideration for the transportation of goods with incentives or penalties, given the large number of customer contracts that have similar characteristics.

• Estimating number of days for application of over the period

The Group records revenue by estimating the total number days the vehicle will take to deliver the goods. Number of days usually begin from the date of preparation of consignment note, to either actual delivery date or expected date of delivery agreed with customer.

ii) Taxes

Deferred tax assets are recognised to the extent it is probable that taxable profits will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Minimum Alternative Tax (MAT) is recognized as an asset only when and to the extent there is convincing evidence that the respective companies will pay normal income tax and will be able to utilize such credit during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Consolidated Statement of Profit and Loss and is included in Deferred Tax Assets. The respective companies review the same at each reporting period and if required, writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that respective companies will be able to absorb such credit during the specified period. For further details about taxes refer note 9, 20 and 31.

Annexure VII

Notes to Restated Consolidated Summary Statements

(All amounts in INR millions, unless stated otherwise)

iii) Defined benefit plans

The cost of the defined benefit gratuity plan and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds with term that correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

Further details about gratuity obligations are given in note 38.

iv) Provision for trade receivable

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. For the purpose of measuring the expected credit loss for trade receivables, the Group estimates irrecoverable amounts based on the ageing of the receivable balances and historical experience adjusted for forward-looking estimates. Individual trade receivables are written off when management deems them not to be collectible on assessment of facts & circumstances. For details of allowance for doubtful debts please refer note 12.

v) Impairment of non-financial assets

The carrying amounts of the Group's non-financial assets, other than deferred tax assets, are reviewed at the end of each reporting year to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit ('CGU') is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets ('CGU').

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments. There is no indicator of impairment of non-financial assets as at March 31, 2025, March 31, 2024 and March 31, 2023.

vi) Provisions and Contingent liabilities

Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Evaluations of uncertain provisions and contingent liabilities and assets requires judgement and assumptions regarding the probability of realization and the timing and amount, or range of amounts, that may ultimately be incurred. Such estimates may vary from the ultimate outcome as a result of differing interpretations of laws and facts. Refer note 39 for further details about Contingent liabilities and related provisions.

vii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Consolidated Ind AS Financial Statements of assets and liabilities cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer note 34 and 35 for further disclosures.

viii) Useful life of Property, Plant and Equipment and Intangibles assets

The useful life to depreciate property, plant and equipment is based on technical obsolescence, nature of assets, estimated usage of the assets, operating conditions of the asset, and manufacturer's warranties, maintenance and support period, etc. The charge for the depreciation is derived after considering the expected residual value at end of the useful life. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed by the management at each financial year end and adjusted prospectively, if appropriate. Further details about property, plant and equipment and intangible assets are given in note 3 and 4.

(b) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath.

i) Assets and liabilities which are measured at amortised cost for which fair values are disclosed below:

As at March 31, 2025	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Assets for which fair values are disclosed:					
Investment Property	11.41	-	-	93.13	93.13

As at March 31, 2024	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Financial assets					
Investments	1.35	1.35	-	-	1.35
Assets for which fair values are disclosed:					
Investment Property	11.80	-	-	90.32	90.32

As at March 31, 2023	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Financial assets					
Investments	1.01	1.01	-	-	1.01
Assets for which fair values are disclosed:					
Investment Property	43.40	-	-	134.53	134.53

Valuation technique used to determine fair value

The fair value of the investment in liquid fund and short term mutual funds which are classified as FVTPL are measured using net asset value as declared by the mutual fund at the reporting date multiply by the quantity held.

The fair value of the assets disclosed at fair value is disclosed are based on discounted cash flow using a rate that reflects market rate.

There are no transfer of levels during the year.

The carrying amount of all other financial assets and liabilities carried at amortised cost are considered to be approximately equal to their fair values.

38 Gratuity and other post-employment benefits plan

A. Defined benefit plan (Gratuity)

The Group has a defined benefit gratuity plan. Under the gratuity plan, every employee who has completed atleast five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service or part thereof in excess of six months subject to a maximum of INR 2.00 millions. The scheme is funded with an insurance Group in the form of qualifying insurance policy. The benefit is payable on termination of service or retirement, whichever is earlier. The employees do not contribute towards this plan and the full cost of providing these benefits are borne by the Group.

Regulatory framework, funding arrangement and governance of the Plan

The gratuity plan is governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The trustees of the gratuity fund have a fiduciary responsibility to act according to the provisions of the trust deed and rules. Since the fund is income tax approved, the Group and the trustees have to ensure that they are at all times fully compliant with the relevant provisions of the income tax act and rules. The Group is bound to pay the statutory minimum gratuity as prescribed under Gratuity Act. There are no minimum funding requirements for a gratuity plan in India.

Inherent risks

The plan is of a final salary defined benefit in nature which is sponsored by the Group and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Group that any significant change in salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future.

The following tables summarize the components of net benefit expense recognised in the consolidated statement of profit and loss and the funded status and amounts recognized in the balance sheet for Gratuity Plan.

The Group is exposed to the following Risks in the defined benefits plans :

Investment Risk: The present value of the defined benefit obligation Is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan assets is below this rate, it will create a plan deficit.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by increase In the return on the plan's debt Investments.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An Increase In the life expectancy of the plan participants will increase the plan's liability.

Salary growth risk: The present value of the defined benefit plan liability Is calculated by reference to the future salaries of plan participants. An Increase in the salary of the plan participants will increase the plan's liability.

Principle actuarial assumptions

	As at March 31, 2025	As at March 31, 2024	As at March 31, 2023
Discount rate (per annum)	6.75%	7.25%	7.50%
Expected return on plan assets (per annum)	6.75%	7.25%	7.50%
Expected increase in salary costs (per annum)	6.00%	6.00%	6.00%
Attrition rate	20.00%	20.00%	18.00%
Mortality	IALM 2012-14 Ultimate	IALM 2012-14 Ultimate	IALM 2012-14 Ultimate
Retirement age	60 years	60 years	60 years

Quantitative sensitivity analysis for significant assumptions on defined benefit obligation is as below:

	Change in assumptions	As at March 31, 2025	As at March 31, 2024	As at March 31, 2023
Discount rate	+ 1%	(11.05)	(8.66)	(8.09)
	- 1%	11.71	9.37	8.80
Withdrawal rate	+ 1%	(0.52)	(0.21)	0.03
	- 1%	0.51	0.18	(0.07)
Expected rate of salary increase	+ 1%	11.68	8.21	7.93
	- 1%	(11.23)	(7.58)	(7.28)

The estimates of rate of escalation in salary considered in actuarial valuation are after taking into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is as certified by the Actuary.

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting year.

Expected contribution to post-employment benefit plan for the year ending March 31, 2026 is INR 47.09 million (March 31, 2025 is INR 38.37 million and March 31, 2024 is INR 30.64 million).

Bank guarantee outstanding (refer note d)	1,606.09	1,089.67	897.52
Unpaid Bonus (refer note e)	24.00	24.00	24.00

a) Value added tax / Sales Tax matters mainly relates to the demands raised by the VAT/Sales Tax authorities of various states on account of online transit forms not prepared by drivers under laws of those states. The matters are contested by the Group at various commissionerate level against the authorities.

b) Demands raised by the Income Tax Authorities relates to disputes on disallowance related to sec 14A and bad debts etc. The matters are contested by the Group at various appellate authorities against the tax authorities.

c) In view of the large number of cases pending at various forums / courts, it is not practicable to furnish the details of each case. Based on the discussions with the solicitors / favorable decisions in similar cases / legal opinion taken by the Group, the management believes that the Group has a strong chance of success in the cases.

d) Bank guarantee primarily pertains to performance guarantee given to various customers of the Group.

e) The Payment of Bonus Act, 1965 ("the Act") was amended vide the Payment of Bonus (Amendment) Act, 2015 notified on January 01, 2016. The Act, inter-alia, has been amended to take retrospective effect with effect from April 01, 2014 and accordingly the revised bonus by way of arrears related to the year ended March 31, 2015 is required to be paid to the eligible employees. Based on advisors opinion obtained by the Group stay orders from various High Courts across the country against the amendment to the Payment of Bonus Act to the extent that it gives retrospective effect from April 01, 2014, the statutory bonus for financial year 2014-15 amounting to INR 24.00 million has not been recognized and treated as contingent liability in the current year as well as in the previous year. The Group will remain vigilant to watch the actual Court proceeding and clarification / notification from the Central Government and will review the accounting impact as on March 31, 2025.

f) There are numerous interpretative issues relating to effective date of the Hon'ble Supreme Court (SC) judgement on Provident Fund dated February 28, 2019. The Group has given impact to the SC order on a prospective basis from the date of the said order. The Group will give required effect in the financial statements, if any, on receiving further clarity on the subject.

g) The Group has recorded a provision of INR 14.63 millions (March 31, 2024: INR 26.91 million and March 31, 2023 INR 20.88 million) against these contingent liabilities as a matter of abundance caution (refer note 22)

h) On March 24, 2022, one vessel hired by the group for transportation through Sea route tilted in the water, which resulted in damage of goods loaded on the vessel. The owners of the goods have initiated claim against the group, for goods damaged. The group without admitting any liability has informed the respective owners that the containerised goods were loaded on the vessel while incident took place for which vessel owner has declared general average by appointing Marine Claim Office of Asia Pte. Ltd as loss claim adjustor and any claim to be forwarded directly. Subsequently maritime claim has been lodged by one of the customer at Kolkata High Court against the vessel owner and the vessel owner is defending the same. The group has informed the incident to the insurance company in respect of containers used for sea transportation. The group does not expect the outcome of this proceeding to have a materially adverse effect on the financial statements.

- 40** The Chief Operating Decision maker primarily focusses on Transportation of goods and allied services in making decisions on operating matters. Accordingly, the Group operates only in one reportable segment i.e. Transportation of goods and allied services; and hence, no separate disclosure is required for Segment. There is no customer contributing more than 10% of the revenue in current year and previous year.

All non-current operating assets of the Group are located in India.

41 Capital and other commitments

(a) The estimated amount (inclusive of taxes) of contracts remaining to be executed on capital account and not provided for (net of advances) amount to INR 396.79 millions (March 31, 2024: INR 251.37 and March 31, 2023: INR 203.36 million).

(b) The Group has other commitments on accounts of contracts remaining to be executed which are entered into in the normal course of business. The Group does not have any other long term contracts including derivative contracts for which there will be any material foreseeable losses.

42 Employee stock option plan

In terms of the approval accorded by the shareholders at their Extra-Ordinary General Meeting held on February 09, 2008, the Group on February 19, 2008, had given an interest free advance of INR 6.00 million to TCG ESOP Trust ('the Trust'). The trust in turn purchased 600,000 equity shares of INR 10 each fully paid up from the group for the purposes of granting share options to the employees of the group. Subsequent to allotment of 600,000 shares to the trust, the group in financial year 2007-2008 had allotted bonus in the ratio of 1:1 bonus share for each equity share held in the group. Apart from the above advance, the group had also given INR 0.20 million to the trust towards its formation etc. on February 19, 2008. The trust has refunded an amount of INR 6.00 million till the year ended March 31, 2013. TCG ESOP Trust holds 1,200,000 equity shares with face value of INR 10 each. The trust is holding entire 1,200,000 equity shares of INR 10/-each of the group (including 600,000 Equity Shares issued as Bonus Shares) as on March 31, 2023. The Share Holder Agreement (SHA) with CJ Logistics Corporation (which holds 50% shareholding), inter-alia, requires the group to cancel the shares held in this ESOP trust by obtaining prior approval from NCLT (National Company Law Tribunal). The group has filed the petition to NCLT on July 18, 2021 for cancellation of these shares. NCLT vide its order dated August 28, 2023 approved the scheme for reduction in capital of 1,200,000 equity shares by cancelling the shares held by TCG ESOP Trust. Pursuant to the order of NCLT the group has cancelled the 1,200,000 equity shares held by Trust through corporate action.

Upon cancellation of 12,00,000 equity shares held by TCG ESOP Trust, 6,00,000 Equity Shares held by CJ Logistics Corporation were transferred simultaneously to the Indian Promoters of the holding company and their relatives.

43 Leases

Operating Lease

a) Group as lessee

The Group has lease contracts for various items of Land, Buildings, vehicles and other equipment used in its operation. Lease of building generally have lease term between 1 to 28 Years and land generally have lease term between 2 to 70 years, while leases of vehicles, containers and other equipment generally have lease term of 1 to 6 years. The Group's obligation under its leases are secured by the lessor's title to the leased asset.

The Group has certain leases of building and vehicles with less than 12 months and certain lease assets with low value. The Group applies the "short term lease" and "lease of low value asset" recognition exemption for these leases.

The Group has several lease contracts that include extension and termination options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Group's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised (see Annexure V).

The changes in the carrying value of ROU asset are as follows:

INR 24.31 million (March 31, 2024: INR 28.75 million and March 31, 2023: Nil) on account of recognition of lease receivables is included under Other services in note 24.

- 44 The Group has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under section 92-92F of the Income Tax Act 1961. Since, the law requires existence of such information and documentation to be contemporaneous in nature, Group is in the process of updating the documentation entered with the related parties during the financial year and expects such records to be in existence latest by the due date under that law. The management is of the opinion that the transactions are at arm's length so that the aforesaid legislation will not have any impact on the summary statement, particularly on the amount of tax expenses and that of provision for tax.
- 45 The Parent Company had earlier incurred an expense of INR 93.73 million (March 31, 2024: INR 92.94 million and March 31, 2023: Nil), pertaining to DRHP filing with SEBI in September 2023. During the current year, the Parent Company has charged off INR 61.42 million in the Restated consolidated summary statement of Profit and Loss as "exceptional items" and balance amounting to INR 32.31 million is considered recoverable and included in prepaid expenses. (Ref note 37(b)(vii)).
- 46 A sum of INR 31.31 millions (March 31, 2024: 31.83 million and March 31, 2023: INR 31.32 million) is appearing under 'Claims receivable' (under note 6) from insurance companies and customers as at March 31, 2025. Also, 'Balance with government authorities' (under note 9) includes an amount of INR 32.64 millions (March 31, 2024: INR 33.24 million and March 31, 2023: INR 33.22 million) receivable against deposits given at various check posts. The Group believes that these amounts are recoverable. However, in view of the fact that the pace of recovery in respect of these balances is very slow and as a matter of abundance caution, the Group has made a provision of INR 14.58 million and INR 16.30 million as at March 31, 2025 (March 31, 2024: INR 14.58 million and INR 18 million, March 31, 2023: INR 15.87 million and INR 18.00 million) against these claims receivable and deposits respectively.

48 Carve out assets

The Holding Company entered into Shareholder's Agreement with CJ Logistics Corporation, a Holding Company registered under the Laws of Republic of Korea along with other Shareholders on June 5, 2017 which was further amended on July 30, 2017 and April 06, 2018 and further on August 09, 2019. As per the terms of Agreement, certain properties had been agreed to be carved out from the Holding Company by way of sale at the prevailing circle rate before the expiry of 12 months from the release of all carved out assets by the lenders. Time period for sale of few carve out assets has been extended time to time based on mutual consent/recording the consent in Board Meeting. The mechanism for carving out assets is as under:

a) There were total 25 immovable properties in asset block of the holding company having book value of INR 104.60 million as on September 30, 2016 and reference circle rate of INR 229.90 million (hereinafter referred to as 'Aggregate reference circle rate') as per the agreement which were agreed to be carved out from the holding company termed as "Carve- Out Assets".

b) It was agreed that the holding company shall pay retention bonus to each promoter aggregating to INR 40 million after a period of 1 month from date of receipt of first tranche of sale proceeds equal to book value of INR 104.60 million and to pay second retention bonus aggregating to INR 40 million after a period of 6 months from the first retention bonus. It was also agreed that the carve out assets shall be sold at the fair market value and such proceeds in excess of the aggregate circle rate while executing the Shareholder Agreement shall be payable to the 4 Promoters on pro rata basis. In case, there is any shortfall between amount received in the holding company on account of sale of all carve out asset and the aggregate circle rate, such shortfall will be adjusted by the Group from the promoters on pro rata basis. It was also agreed that Tax on the sale of the carve out assets shall be paid by holding company, provided that tax payable on sale of carve out assets in excess of INR 15.00 million shall forthwith be paid by the promoters of the holding company.

c) The holding company paid INR 10 million as retention bonus to each promoter aggregating to INR 40 million after a period of 1 month from date of receipt of first tranche, in the month of April 2021 as per the terms of SHA. However, the promoters have waived off their right on the second tranche of INR 10 million each aggregating to INR 40 million, which was approved by the Board of Directors in their meeting held on August 24, 2021.

d) As at March 31, 2024, all carve-out assets which were lying with lenders have since been released. Out of these 25 carve out assets, 22 assets have been sold, and it has been mutually decided that remaining 3 assets will be retained in the Group as recorded in the minutes of meeting of Board of Directors dated September 25, 2023.

Notes to Restated Consolidated Summary Statements

(All amount in INR millions unless otherwise stated)

- 52 The Holding Company and subsidiaries which are companies incorporated in India and whose financial statements have been audited under the Act have complied with the requirements of audit trail except for the following:

The Holding Company and one subsidiary has used SAP (ECC) for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that audit trail feature was not enabled on certain fields and also at database level.

In case of the Holding Company, for subsystems relating to revenue, lorry hire expenses, audit trail was not enabled at database level and for public deposits and distribution/air cargo, audit trail feature was not enabled.

In case of one subsidiary, for subsystems relating to Revenue and Lorry hire expenses, audit trail feature was not enabled.

The management of the Holding Company and the aforesaid one subsidiary is in discussion with the vendors of respective applications to ensure that audit trail is enabled going forward to comply with the requirement.

Also, the audit trail of relevant prior years has been preserved for record retention to the extent it was enabled and recorded in those respective years by the Group as per the statutory requirements for record retention.

- 53 The Group is maintaining its books of account in electronic mode and these books of account are accessible in India at all times. As required by the relevant provisions of the Companies (accounts) Rule 2014 (as amended), the back-up of books of account has been kept in servers physically located in India on a daily basis. Further the logs of the daily backup were not available for application used for revenue and fleet hire expenses for the period from April 01, 2024 to April 29, 2024. Also the requirement of daily backup was not enabled for servers physically located in India in relation to the at application used in related to public deposits and air/road distribution for the whole year.

- 54 The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. Certain sections of the Code came into effect on 3 May 2024. However, the final rules/interpretation have not yet been issued. Based on a preliminary assessment, the entity believes the impact of the change will not be significant.

55 Foreign currency balances

The Group has outstanding foreign currency balances of INR 95.41 million (March 31, 2024: INR 130.12 million and March 31, 2023: INR 118.00 million) and INR 91.99 million (March 31, 2024: INR 92.26 million and March 31, 2023: INR 59.65 million) for payment more than six months and for trade receivables for more than nine months respectively. The Group is in the process of discussing with AD/Reserve Bank of India for remitting/regularizing the same, and is of the view that adjustments, if any, arising as a result of such remittances, which are not expected to be material would be made in the financial statements, as they arise.

Notes to Restated Consolidated Summary Statements

(All amount in INR millions unless otherwise stated)

60 Previous year's figures as disclosed below have been regrouped and rearranged where necessary to conform to this year's classification

Pursuant to recent opinion issued by Expert Advisory Committee (EAC) of the Institute of Chartered Accountants of India, employee payables have been reclassified from trade payable to other financial liabilities (current), effective from the year ended 31 March 2025, for better presentation and does not have any impact to net profits or on financial position presented in the financial statements. Accordingly figures for year ended 31 March 2024 amounting to INR 249.63 million, presented in financial statements have also been regrouped to other financial liabilities (current).

61 The Holding Company received an intimation from one of the Directors with executive functions on March 12, 2025, that he has been convicted by Hon'ble CBI court in one of the matters not related to the Holding Company, either directly or indirectly and he has exercised his right of filing appeal within 30 days before the appellate court. On filling with Ministry of Corporate Affairs (MCA), the director has ceased to be a "director" in the Holding Company w.e.f. April 11, 2025. The Holding Company has applied for restoration of the directorship of the director. Accordingly, the management based on a legal opinion is of the view that there is no impact to the financial statements of the Holding Company.

62 Certain amounts (currency value or percentages) shown in the various tables and paragraphs included in these financial statements have been rounded off or truncated as deemed appropriate by the management of the Group.

OTHER FINANCIAL INFORMATION

The accounting ratios required under Clause 11 of Part B of Schedule VI of the SEBI ICDR Regulations and certain other Non-GAAP measures are given below:

Particulars	As at and for the year ended		
	March 31, 2025	March 31, 2024	March 31, 2023
Basic earnings per equity share ₹ 2 per share attributable to equity holders of the parent company (₹) ⁽¹⁾	8.22	7.31	5.97
Diluted earnings per equity share ₹ 2 per share attributable to equity holders of the parent company (₹) ⁽²⁾	8.22	7.31	5.97
Return on net worth (%) ⁽³⁾⁽⁴⁾	12.40	12.54	11.74
Net asset value per Equity Share (in ₹) ⁽³⁾⁽⁵⁾	66.27	58.24	50.89
EBITDA (in ₹ million) ⁽⁶⁾	2,682.00	2,390.17	1,848.03

Notes: The ratios have been computed as under:

1. Basic earnings per equity share ₹ 2 per share attributable to equity holders of the parent company = restated profit for the year/ weighted average number of equity shares in calculating basic EPS. It has been calculated in accordance with Ind AS 33 – “Earnings per Share”.
2. Diluted earnings per equity share ₹ 2 per share attributable to equity holders of the parent company = restated profit for the year/ weighted average number of equity shares in calculating diluted EPS. It has been calculated in accordance with Ind AS 33 – “Earnings per Share”.
3. Net worth = Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation, in accordance with Regulation 2(1)(hh) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended. Our Company has calculated net worth as the aggregate value of the equity share capital retained earnings, securities premium, general reserves, and capital redemption reserve.
4. Return on net worth %: restated profit for the year attributable to equity shareholders of our Company divided by net worth as attributable to equity shareholders of our Company at the end of the year.
5. Net asset value per Equity Share (in ₹) = net worth / number of equity shares outstanding at the end of the year.
6. EBITDA is calculated as the sum of (i) restated profit for the year, (ii) total income tax expense, (iii) finance costs and (iv) depreciation and amortization expense.

Non-GAAP Measures

Certain non-GAAP financial measures presented in this Draft Red Herring Prospectus such as EBITDA, EBITDA margin, Return on Net Worth, Return on Equity and Net Asset Value per Equity Share and Net debt have been included in this Draft Red Herring Prospectus are a supplemental measure of our performance and liquidity that are not required by, or presented in accordance with, Ind AS, Indian GAAP, or IFRS. Further, these Non-GAAP Measures are not a measurement of our financial performance or liquidity under Ind AS, Indian GAAP, or IFRS and should not be considered in isolation or construed as an alternative to cash flows, profit / (loss) for the year / period or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS, Indian GAAP, or IFRS. In addition, these Non-GAAP financial measures and other information relating to financial performance may not be computed on basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial measures of operating performance or liquidity defined by Ind AS. Further, these non-GAAP financial measures are not a standardised term and, therefore, a direct comparison of similarly titled Non-GAAP Measures between companies may not be possible. Other companies may calculate the Non-GAAP Measures differently from us, limiting their usefulness as a comparative measure. Although the Non-GAAP Measures are not a measure of performance calculated in accordance with applicable accounting standards, our Company’s management believes that they are useful to an investor in evaluating us because these are widely used measures to evaluate a company’s operating performance. See “Risk Factors – Certain non-GAAP financial measures and certain other statistical information relating to our operations and financial performance like EBITDA, EBITDA margin, Return on Net Worth, Return on Equity, Net Asset Value per Equity Share, Net debt, ROE, ROCE and others have been included in this Draft Red Herring Prospectus. These non-GAAP financial measures are not measures of operating performance or liquidity defined by Ind AS and may not be comparable.”, “Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation – Non-GAAP Measures” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” on pages 70, 16 and 366, respectively.

Overview

We are a logistics company with over 39 years of operational experience, offering integrated multimodal logistics and warehousing and distribution services to enterprise customers across India and overseas markets. We are a subsidiary of CJ Logistics Corporation which is one of the largest logistics companies in South Korea based on revenue (Source: *CRISIL Report*). CJ Logistics Corporation, which is listed on the Korea Exchange, reported consolidated sales of KRW 12,116,761.15 million (equivalent to USD 8,196.25 million) for the year ended December 31, 2024. It operates in 38 countries and offers a comprehensive suite of logistics services, including contract logistics, freight forwarding, express parcel delivery, and supply chain management.

Over the years, we have evolved into an integrated logistics service provider, offering a variety of services which include (i) integrated multimodal logistics (including full truck load ("FTL"), rail transportation, air cargo transportation, shipping/coastal transportation, project logistics, freight forwarding); and (ii) warehousing and distribution ("W&D").

We have a pan-India operational presence covering over 6,691 locations through our network of 202 branch offices and 6 administrative offices, 14 warehousing facilities and 1 railway stock yard as of March 31, 2025.

We have developed experience in addressing logistical requirements and providing tailored logistics solutions through our (a) extensive route coverage and reliable vehicle availability; (b) integrated multimodal service offerings; (c) market intelligence and operational know-how supported by proprietary database of vendors and freight and pricing movement across vehicle types and lanes; (d) industry-specific domain expertise; and (e) large, tech-enabled network of business partners.

The metrics set forth below reflect the scale and growth of our operations:

The table below sets forth the revenue derived from each of the services provided by our Company during the years indicated:

As of March 31, 2025, our network comprised 955,023 partnered fleet through a base of 554,781 business partners enabling operational scalability in line with demand. We follow a dynamic ‘asset-right’ business model wherein we source vehicles from our business partners or deploy vehicles which are owned or taken on operating lease. Our operations from owned fleet and vehicles on operating lease collectively contributed ₹6,436.61 million, ₹4,924.52 million, and ₹3,754.36 million, representing 12.47%, 10.72%, and 8.91% of our revenue from operations during Fiscals 2025, 2024, and 2023, respectively. As of March 31, 2025, we owned 2,403 containers and 1,178 commercial vehicles and have taken 483 vehicles on lease, including container trucks, tractor trailers, pullers, tippers, and loaders. This model allows us to maintain capital efficiency while building our presence in the logistics space.

Our multimodal service offerings include first-mile transportation, storage, handling, last-mile delivery, invoicing on behalf of customers, and inventory management in customers' systems. We operated an average of 41 rakes per month from our terminal at full operational capacity. The number of specialized containers increased from 860 as on March 31, 2023, to 1,899 as on March 31, 2025. As of March 31, 2025, we maintained one of the largest inventories of specialised containers in India, which supports multimodal operations across various industry sectors, boasting of owing over ~1,800 specialised containers, one of the largest by any private company (Source: *CRISIL Report*).

Our W&D services include built-to-suit, multi-sector, and multi-customer models. As of March 31, 2025, we operated 14 warehouses located at industrial hubs across India. Our warehousing footprint grew from 0.60 million sq. ft. in Fiscal 2023 to 1.13 million sq. ft. in Fiscal 2025, reflecting a compound annual growth rate (CAGR) of 36.84%.

We have developed a digital infrastructure aligned with our operational requirements, supporting the delivery of logistics services across multiple industries. For further details, see “*Our Business– Technology*” on page 224. Our technology infrastructure enables scalability, real-time visibility, and system integration with customers and vendors. As part of CJ Logistics Corporation, we also leverage global innovations in automation, artificial intelligence, and digital freight systems to enhance operational efficiency.

Our market opportunity

Key logistics segments are road transport (FTL, & LTL), rail transport, air cargo transport, coastal transport, & industrial warehousing. The market size of all modes (including road, railways, air cargo (domestic) and coastal) is estimated to be ₹ 10 to ₹ 11 trillion and ₹ 1.3 trillion in Fiscal 2025. By fiscal 2030, the market will reach to ₹ 15 to ₹ 17 trillion and industrial warehousing will reach to ₹ 2 to ₹ 3 trillion, growing with a 9-10% CAGR and 11-12% CAGR, respectively, outpacing India's GDP growth rate of 6.5-7.5% over the period of fiscal 2025-2030. Structural changes in logistics, technological advances, government focus, infrastructure outlay and steadfast economic growth will help in the growth of logistics market. (Source: CRISIL Report)

India's surface transport sector, encompassing both road and rail networks, is experiencing a period of unprecedented growth, fuelled by a combination of ambitious government initiatives, burgeoning economic demand, and rapid technological advancements. Surface transport accounts for ~85% of the logistics spend. A massive infrastructure push, aimed at enhancing connectivity, improving logistics efficiency, and the nation's "Make in India" ambitions are driving the sector's growth. (Source: CRISIL Report)

Road transport continued to grow at a 9% CAGR for a fiscal period of 2020-2025, backed by strong GDP growth and persistent demand for this mode of transportation. Going forward, established players who have large fleets of more than 500-1,000 trucks

are better placed to expand footprints in road transportation. Organised players are expected to benefit in the long run, and to garner higher market share by virtue of their size, service offerings and competitive pricing to its customers. Organized players move beyond simple point-to-point transportation to offer a full suite of integrated logistics services. (Source: *CRISIL Report*)

Freight traffic on the Indian railways logged 5.4% CAGR during fiscals 2019-2024 vis-à-vis 3.0% CAGR during fiscals 2014-2019. This can be attributed to the network improvements, as well as higher growth in bulk commodities, which form majority of the traffic on the Indian railways. Rail freight traffic expected to increase at a CAGR of 6-8% in BTKM terms between the fiscals 2025 and 2030. (Source: *CRISIL Report*)

Mumbai and NCR account for 50% of Grade A and B warehousing stock. Over the long term, the annual demand for Grade A & Grade B warehouses in top 8 Indian cities is expected to grow at a CAGR of 10-15% between fiscals 2025 and 2029. The annual supply is also expected to grow at a similar CAGR of 13-18% in the said period. The market size is projected to increase from ₹ 1,400-1,500 billion in FY25E to ₹ 2,300-2,500 billion in FY30P at a CAGR of 10-13%. This growth suggests strong underlying factors such as strategic investments, market demand, and supportive policies driving the expansion. (Source: *CRISIL Report*)

Factors affecting our results of operations and financial condition

Diversification of sources of revenue

Revenue from our integrated multimodal transportation accounted for 97.96%, 98.82% and 99.33% of our revenue from operations aggregating to, ₹ 50,560.36 million, ₹ 45,402.06 million and ₹ 41,877.71 million, respectively, during Fiscals 2025, 2024 and 2023. Further, revenue from our W&D services vertical accounted for 2.04%, 1.18% and 0.67% of our revenue from operations aggregating to, ₹ 1,050.73 million, ₹ 542.08 million and ₹ 280.55 million, respectively, for Fiscals 2025, 2024 and 2023. For details of our growth strategies, see “*Our Business – Strategies*” on page 215.

We will continue to diversify our operations across service verticals. Until we diversify our sources of revenues to levels that our management considers to be acceptable, we will continue to be exposed to the risk relating to dependence on the performance of the integrated multimodal transportation and W&D services. Our ability to execute our growth strategies will also depend, among others, on our ability to retain our customers, brand building, diversify and differentiate our multimodal solutions and pricing to compete effectively, and grow our logistics network. Other significant factors in diversification of our revenue streams, among others, include our ability to cross-sell our services; developing own or partnered capabilities in business verticals; and building strong human capital which can provide the quality solutions to customers and deliver excellence in output and customer experience; our association with our Corporate Promoter to allow us to discover innovative business models; enhancements in technology and improvement in process efficiencies; and regulatory environment in logistics industry.

Relationship with top customers

The table below sets forth the details of our revenue from operations generated from top 10 customers in each of the years indicated:

Particulars	Fiscal 2025	Fiscal 2024	Fiscal 2023
Revenue from top 10 customers (₹in million)	22,170.80	21,324.16	19,363.33
Revenue from top 10 customers as a percentage of total revenue from operations (%)	42.96	46.41	45.93
Total revenue from operations	51,611.09	45,944.14	42,158.26

We have established longstanding relationships with a diverse set of customers. The success of our business is accordingly significantly dependent on us maintaining good relationships and long-term contracts with our key customers.

A decline in our key customers’ business performance may lead to a corresponding decrease in demand for our services.

Investments and advancement in technology

We have focused significantly on technology which enables us to offer cost-efficient and customized logistics solutions to our customers. Our technology systems have also enabled us to control and command operations, undertake real-time tracking of vehicles, provide end-to-end visibility of operations, and make timely corrective interventions. Key areas for technology adoption by us include:

- Use of WhatsApp-based e-bidding mechanisms to facilitate competitive pricing and support margin management;
- Deployment of AI-enabled tools for route optimisation and load matching, intended to reduce instances of empty running, minimise backhaul load times, and enable real-time tracking;

- Development of a digital marketplace platform to support our partner network with load matching, as well as access to third-party services including financing solutions (through partnerships with non-banking financial companies), insurance, auto ancillary services, and vehicle repair and maintenance through associated channel partners.

Our business could be affected if we fail to implement and maintain our technology systems or fail to upgrade or replace our technology systems to meet the demands of our customers and protect against system failures. Some of our existing technologies and processes in the business may become obsolete or perform less efficiently compared to newer and better technologies and processes in the future. The logistics industry could also experience unexpected disruptions from technology-based start-ups.

Operating costs

We have a track record of revenue growth and profitability. As we continue to expand the size and scope of our businesses, optimizing our operating costs and maintaining operating efficiencies will be critical to maintain our competitiveness and profitability, particularly in view of the pricing pressures we face and the highly fragmented and competitive environment that we operate in.

Our cost of services accounted for 90.18%, 90.37% and 91.16% of our revenue from operations aggregating to ₹ 46,540.87 million, ₹ 41,520.78 million and ₹ 38,429.47 million in Fiscals 2025, 2024 and 2023 including lorry hire, haulage and other ancillary costs, vehicle taxes, repairs and maintenance, consumption of tyres, tubes and other spare parts, vehicle and marine insurance, claims for losses and damages (in net value terms) and commission to agents & other charges.

Any significant increases in our operating expenses that we are unable to pass on to our customers through periodic revisions in our prices or otherwise absorb through changes in our operations could affect our profitability.

Vendor network

We follow a dynamic 'asset-right' business model under which vehicles are sourced through our vendor network, while selectively owning commercial vehicles. This model combines elements of asset ownership with the operational flexibility of an asset-light approach.

We maintain a healthy vendor ecosystem which includes accrual of benefits to the vendors from our technological capabilities such as KYC, bid submission, fleet tracking and payables tracking. As of March 31, 2025, we had 376,165 vendors with a relationship of over 5 years. Further, our relationship with over 554,781 business partners as of March 31, 2025, has enabled our success as a transport aggregator and underscores the depth and continuity of our network.

Our success depends, in part, on our ability to continue to expand our vendor base consistent with the growth in the number of customers we serve and the industry verticals we operate in as well as the adequate and timely supply of assets necessary for our operations. We do not typically have long-term contracts with our vendors.

Events beyond our control or that of our vendors may also affect the cost or availability of vehicles and related equipment. Any non-availability or delays in obtaining vehicles and other related equipment or a shortage of vendors that meet our quality standards and other selection criteria may result in loss of orders or delays.

Competition and industry barriers

We operate in a competitive industry across the verticals in which we operate. In particular, the road transport industry is unorganised and fragmented, and comprises players providing transportation services, and intermediaries such as transport contractors, booking agents and brokers, and consignors (*Source: CRISIL Report*). Transport operators are broadly classified into small fleet operators (SFOs, owning up to five trucks), medium fleet operators (MFOs, owning 6-20 trucks) and large fleet operators (LFOs, owning more than 20 trucks) (*Source: CRISIL Report*). Based on ownership, LFOs account for 10-15% share, while 85-90% share is still held by SFO and MFOs, which gives an opportunity for LFOs/organised players to tap the growing logistics market (*Source: CRISIL Report*).

Our service quality, reliability, price and the ability to understand evolving industry trends as well as the ability to anticipate, understand and address customer requirements, and timely service, are important competitive factors. The availability and configuration of vehicles and other facilities that are able to comprehensively address varying requirements of different industries and specific customer needs is also another factor. Our competitors may successfully attract our clients by matching or exceeding what we offer. Among other things, our competitors may:

- expand their transportation network or increase the frequency in their existing routes;
- reduce, or offer discounts on, their prices to gain business; matching their prices may increase our costs and limit our ability to maintain our operating margins or growth rate; or

- benefit from greater economies of scale if they are larger than us and operating efficiencies such as a broader logistics network, a wider range of services, larger brand recognition or greater financial resources than we do, and may be able to devote greater resources to pricing and promotional programs.

Certain other competitive factors include, among others, the development of an operational model or technology which is similar or superior to ours by a competitor and the entry of global logistics players in the industry we operate in.

Macroeconomic conditions in India

India has emerged as the world's fifth-largest economy and continues to be the fastest-growing among major economies (*Source: CRISIL Report*). Between FY2020 and FY2025, the Indian economy registered a compound annual growth rate (CAGR) of 5.3% (*Source: CRISIL Report*). The gradual liberalization of key sectors like retail, e-commerce, defence, railways, and insurance for foreign direct investment (FDI) further bolstered economic momentum, contributing to the sustained 5.3% CAGR over the FY2020–2025 period (*Source: CRISIL Report*).

During periods of economic downturn, we may experience increased competitive pricing pressure. Any significant economic downturns, such as that during COVID-19 in India or in the global markets could adversely affect our businesses and customers and contractual counterparties, especially if such a slowdown were to be continued and prolonged. In periods of high rates of inflation, our operating expenses may increase affecting our operating margins and cash flows. A slowdown in the Indian economic growth has occurred in the past, or may reoccur in the future, due to a variety of factors, including disruption due to pandemic, global demand and supply patterns, escalation in prices of fuel and other commodities, political instability, or government policy decisions GST implementation, e-way bills, axle load norms, emission norms, scrappage policy etc.

We are also dependent on the performance of our customers operating in certain industries, particularly metals and minerals. The business of our customers depends on the performance of, amongst others, metals and minerals, chemicals, FMCG, engineering and construction, auto and auto ancillary, electronics and consumer durables, pharmaceuticals, oil and gas and energy sectors. These industries may be sensitive to factors beyond our control, including general economic conditions such as consumer demand, consumer confidence, inflation, employment and disposable income levels, interest rate levels, demographic trends, technological changes, increasing environmental, health and safety regulations, government policies, political instability and fuel prices.

- a) Audited Ind AS consolidated financial statements of the Group as at and for the year ended March 31, 2025, March 31, 2024 and March 31, 2023 prepared to comply in all material respects with the Indian Accounting Standards (Ind AS) notified under the section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III of Companies Act, 2013, as applicable to Consolidated Financial Statements, which have been approved by the Board of Directors at their meeting held on June 24, 2025, June 24, 2024 and June 28, 2023;

The accounting policies have been consistently applied by the Group in preparation of the Restated Consolidated Summary Statements and are consistent with those adopted in the preparation of restated Consolidated Summary Statements for the year ended March 31, 2025, March 31, 2024 and March 31, 2023.

The Restated Consolidated Summary Statements do not reflect the effects of events that occurred subsequent to the respective dates of board meeting on the Audited consolidated financial statements mentioned above.

- a) The Restated Consolidated Summary Statements have been prepared after incorporating adjustments for the changes in accounting policies, material errors, if any, and regrouping/reclassifications retrospectively in the year ended March 31, 2025 and years ended March 31, 2024 and March 31, 2023 to reflect the same accounting treatment as per the accounting policies and grouping/classifications followed as at and for the year ended March 31, 2025.
- b) do not require any adjustment for qualification as there are no qualifications in the underlying audit reports.

All the amounts included in the Restated Consolidated Summary Statements are presented in Indian Rupees ('Rupees' or 'Rs.' Or 'INR') and are rounded to the nearest millions, except per share data and unless stated otherwise.

2.1 Basis of consolidation

a) Principles of consolidation

The Restated Consolidated Summary Statements comprises of Financial Statement of the Holding Company and its Subsidiaries. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee;
- Exposure, or rights, to variable returns from its involvement with the investee and
- Has the ability to affect those returns through its power to direct the relevant activities of the investee.

Generally, there is a presumption that majority of voting rights results in control. To support this presumption and when the Group has less than majority of voting or similar rights over an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with other vote holders of the investee
- Rights arising from other contractual arrangements

- The Group's voting rights and potential voting rights.
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the Restated Consolidated Summary Statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Restated Consolidated Summary Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If the components of the Group uses accounting policies other than those adopted in the Restated Consolidated Summary Statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the Restated Consolidated Summary Statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Holding Company. When the end of the reporting period of the Holding Company is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Holding Company to enable the Holding Company to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

The Restated Consolidated Summary Statements have been prepared on the following basis:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Holding Company with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- Offset (eliminate) the carrying amount of the Holding Company's investment in each subsidiary and the Holding Company's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full).

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in consolidated statement of profit and loss
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners
- Reclassifies the Holding Company's share of components previously recognised in OCI to consolidated statement of profit and loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities.

b) Following subsidiary companies have been considered in the preparation of these RFS:

Name of the entity	Country of Incorporation	Relationship	Percentage of voting power as at 31 March 2025	Percentage of voting power as at 31 March 2024	Percentage of voting power as at 31 March 2023
Transrail Logistics Limited	India	Subsidiary	100%	100%	100%
Darcl Logistics Nepal Private Limited	Nepal	Subsidiary	100%	100%	100%
CJ Korea Express India Private Limited	India	Subsidiary	100%	100%	100%

2.2 Summary of material accounting policies

a) Property plant and equipment

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Freehold land is carried at historical cost less accumulated impairment, if any. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment, if any. The cost comprises of purchase price, taxes, duties, freight and other incidental expenses directly attributable and related to acquisition and installation of the concerned assets and are further adjusted by the amount of CENVAT/GST/VAT credit availed wherever applicable. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to consolidated statement of profit and loss during the reporting period in which they are incurred.

Depreciation is provided on pro-rata basis using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as estimated by the management which is in line with the useful life of assets as prescribed under Schedule II of the Companies Act, 2013 except in respect of trucks and mobile phones, in which case the life of the assets has been assessed as 8/15/25 and 3 years respectively.

The Group, based on technical assessment made by the technical expert and management estimate, depreciates certain items of trucks (Puller / Axle) over estimated useful life which is different from the useful life prescribed in Schedule II of the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The Group has used the following lives to provide depreciation on its property, plant and equipment:

Asset category	Useful lives estimated by management (SLM)	Useful life of assets as per Schedule II of Company Act (SLM)
Buildings	30/60 years	30/60 years
Rail Wagon and Containers	15 years	15 years
Plant and machinery	8 years	8 years
Furniture and fittings	10 years	10 years
Office equipment	3/5 years	5 years
Computers	3/6 years	3/6 years
Trucks	8 years	6 years
Trucks (Puller/Axle)	15/25 years	6 years
Other vehicles	8 years	8 years
Leasehold improvements	Over the period of lease or useful life, whichever is lower	-

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

Property, plant and equipment is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposals. Gains or losses arising from disposal of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the consolidated statement of profit and loss when the assets are derecognised.

On transition to Ind AS (i.e. 1 April 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of Property, plant and equipment.

b) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalized development cost, are not capitalized and the related expenditure is reflected in consolidated statement of profit and loss in the period in which the expenditure is incurred. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

The useful lives of Intangible assets are assessed as finite.

The amortization period and the amortization method for an intangible asset with a finite useful life is reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the consolidated statement of profit and loss.

Intangible assets are amortized on straight line method as follows:

- Software licenses - estimated useful life or 5 years, whichever is lower
- Railway license fee – over the license period of 20 years.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Gains or losses arising from disposal of the intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the consolidated statement of profit and loss when the assets are derecognised.

On transition to Ind AS (i.e. 1 April 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

c) Use of estimates

The preparation of the Restated Consolidated Summary Statements requires the management of the Group to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to the contingent liabilities as at the date of Restated Consolidated Summary Statements and reported amounts of income and expenses during the year. Examples of such estimates include allowance for impairment of trade receivables, allowance for doubtful receivables, employee benefits, income taxes, impairment of non-financial assets and useful lives of property, plant and equipment (refer note 33).

The management believes that the estimates used in preparation of the Restated Consolidated Summary Statements are prudent and reasonable. Future results could differ due to changes in these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known.

d) Current versus non-current classification

The Group segregates assets and liabilities into current and non-current categories for presentation in the balance sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, “Presentation of Financial Statements”. For this purpose, current assets and liabilities include the current portion of non-current assets and liabilities respectively. Deferred tax assets and liabilities are always classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period up to twelve months as its operating cycle.

e) Non-current assets held for sale

The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

The criteria for held for sale classification is regarded met only when the assets is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets, its sale is highly probable; and it will genuinely be sold, not abandoned. The Group treats sale of the asset to be highly probable when:

- a) The appropriate level of management is committed to a plan to sell the asset,
- b) An active programme to locate a buyer and complete the plan has been initiated,
- c) The asset is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- d) The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and

- e) Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Cost to sell are the incremental costs directly attributable to the disposal of an asset (disposal group), excluding finance costs and income tax expense. Assets and liabilities classified as held for sale are presented separately in the consolidated balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale/ distribution to owners are not depreciated or amortized.

f) Investment Property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment properties are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in consolidated statement of profit and loss as incurred.

Depreciation is recognized using straight line method so as to write off the cost of the investment property less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

The Group has used the following lives to provide depreciation on its Investment property:

Asset category	Useful life of assets as per Schedule II of Company Act (SLM)
Building	60 Years
Furniture and fittings	10 Years
Office equipment	5/ 10 Years

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future benefits embodied in the investment property. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life / residual value is accounted on prospective basis.

Though the Group measures investment properties using cost-based measurement, the fair value of investment properties are disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the carrying value at the date of change in use. If owner-occupied property becomes an investment property, the Group accounts for such property in accordance with the policy stated under property, plant and equipment up to the date of change in use.

Investment properties are derecognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal.

The difference between the net disposal proceeds and the carrying amount of the asset is recognised in consolidated statement of profit and loss in the year of derecognition. In determining the amount of consideration from the derecognition of investment properties the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

On transition to Ind AS (i.e. 1 April 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

g) Leases

The Group assesses at contract inception whether a contract is, or contains a, lease. That is if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets (i.e., individual assets have value less than 5,000). The Group recognises lease liabilities to make lease payments

and right-of-use assets representing the right to use the underlying assets. The Group's lease asset classes primarily consist of leases for immovable properties, commercial vehicles and other equipments.

(i) Right of use asset

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and accumulated impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the period of lease contract or useful life whichever is less, as follows:

- Leasehold land – 2 to 69 Years
- Buildings – 1 to 28 Years
- Commercial vehicles - 1 to 6 Years
- Other equipment - 1 to 6 Years
- Containers - 1 to 6 Years

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in note 2(h) for impairment of non - financial assets.

(ii) Lease Liabilities

At the commencement date of the lease, the Group recognizes lease liabilities measured at the present value of the lease payment to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. The re-measurement of lease liability is done by discounting the revised lease payments using the Group's incremental borrowing rate at the effective date of modification.

(iii) Short-term leases and leases of low value assets (i.e. low value assets is the assets less than value of Rs. 5,000)

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognized as expense on a straight-line basis over the lease term.

Group as a lessor

Operating lease:

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms, Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

h) Impairment of non-financial assets

The carrying amounts of the assets are reviewed at each reporting date for any indication of impairment based on internal/external factors. If any such indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

i) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The three levels of Fair Value hierarchy as described below:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Restated Consolidated Summary Statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

j) Financial Instruments

Financial assets

1) Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies "Revenue from contracts with customers".

In order for a financial asset to be classified and measured at amortised cost, it needs to give rise to cash flows that are ‘solely payments of principal and interest (SPPI)’ on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

2) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL)
- Equity investments

Debt instruments at amortised cost

A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is most applicable to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (“EIR”) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the consolidated statement of profit and loss. The losses arising from impairment are recognised in the consolidated statement of profit and loss. This category generally applies to trade and other receivables.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is considered only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as ‘accounting mismatch’).

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the consolidated statement of profit and loss. This category is applicable to investments in mutual funds.

Equity Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to consolidated statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value. All changes in fair value including dividend are recognized in the consolidated statement of profit and loss

Derecognition

A financial asset is de-recognised only when

- The rights to receive cash flows from the asset have expired, or

- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognize the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

3) Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month expected credit loss (ECL) is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

The Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the consolidated statement of profit and loss. This amount is reflected under the head other expenses in the consolidated statement of profit and loss. For the financial assets measured as at amortised cost, contractual revenue receivables, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the consolidated balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

The financial guarantees are amortised over the life of the guarantee and are measured at each reporting date at the higher of:

- the remaining unamortized balance of the amount at initial recognition and
- the best estimate of expenditure required to settle the obligation at the end of the reporting period.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the consolidated statement of profit and loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the consolidated statement of profit and loss.

Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting year following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

k) Revenue recognition

Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services and excludes amounts collected on behalf of third parties. The Group has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

Performance obligations

At contract inception, the Group assess the goods and services promised in contracts with customers and identifies various performance obligations to provide distinct goods and services to the customers. The Group has determined following distinct goods and services that represent its primary performance obligations.

- **Transportation services:** Revenue is recognized for these performance obligations as they are satisfied over the contract term, which generally represents the transit period. The transit period can vary based upon the method of transport, generally a couple days for over the road, rail, and air transportation, or several weeks in the case of an ocean shipment. Group also provide certain ancillary logistics services, such as handling of goods, customs clearance services etc. The service period for these services is usually for a very short duration, generally few days or weeks. Hence, revenue from these services is recognised over the service period as the Group perform the primary obligation of transportation of goods.
- **Other allied services:** Revenue from leasing of vehicles (trains/trucks), renting of warehouse, fee-based management services are recognised over time as the customer simultaneously avails the benefits of these services. Hence, the revenue from such services is recognised on a monthly basis, basis the amount fixed as per the agreements.

Variable consideration

If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for providing services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for transportation services provide the customer with incentives and include penalties levied on the Group. To estimate the variable consideration for the expected future incentives and penalties, the Group has applied the expected value method for all contracts.

Contract balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the same is invoiced to the customer, a contract asset is recognised for the earned consideration that is conditional on satisfaction of the performance obligation. Contract assets are subject to impairment testing.

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in financial instrument – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group fulfil its performance obligation under the contract.

Interest income

Interest income from a financial assets is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and\ similar options) but does not consider the expected credit losses.

l) Inventories

Inventories comprise of tyres, tubes and other accessories for repairs and maintenance of own vehicles, which are valued at cost or net realizable value, whichever is lower. Cost is determined on weighted average cost basis. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory based on weighted average cost basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

m) Employee benefits

(i) Post-employment benefits

Defined Contribution Plan: A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group has defined contribution plans for provident fund and employees' state

insurance scheme. The Group's contribution in the above plans is recognised as an expense in the consolidated statement of profit and loss during the year in which the employee renders the related service.

Contributions to Superannuation are funded and charged to the consolidated statement of profit and loss when the employees have rendered service entitling them to the contributions.

The Group has no obligation other than contribution payable to these funds.

Defined Benefit Plans: The Group has a defined benefit gratuity plan which is a combination of funded plan and unfunded plan. In case of funded plan, the Group makes contribution to a separately administered fund. The Group does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimation of the payments. Any deficit in plan assets as compared to the liability based on an independent actuarial valuation is recognised as a liability. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method, with actuarial valuations being carried out at periodic intervals.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other comprehensive income (OCI). They are included in retained earnings in the Statement of Changes in Equity and in the consolidated balance sheet. Re-measurements are not reclassified to consolidated statement of profit and loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of:

- The date of plan amendment or curtailment and,
- The date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognizes the following changes in the net defined benefit obligation under Employee benefits expense in consolidated statement of profit or loss:

- Service costs comprising current service costs, past service costs, gains and losses on curtailment and non-routine settlements
- Net interest expense

Termination benefits are recognized as an expense immediately.

(ii) Short-term obligations and other long-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method at the end of the year. Actuarial gains/losses are immediately recognised to the consolidated statement of profit and loss.

n) Borrowing cost

Borrowing Costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the finance costs.

o) Segment reporting

Operating segment are defined as components of an entity for which separate financial information is available and that is regularly reviewed by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources to an individual segment and is assessing performance. The Chief Managing Director (CMD) and Joint Managing Directors (JMDs) of CJ Darcl Logistics Limited are jointly Company's CODM. The CODM reviews financial information presented on a consolidated basis for purpose of making operating decisions, allocating resources and evaluating financial performance. As such, the Group has determined that it operates in one reportable segment.

p) Taxes

Income tax expense represents the sum of current tax and deferred tax.

i. Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax is based on the taxable income and calculated using the applicable tax rates and tax laws. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Restated Consolidated Summary Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except In respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

Deferred tax liabilities are recognised for all taxable temporary differences, , except in respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at the end of each reporting date and are recognised to the extent it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation statute.

Goods and Services Tax (GST) / value added taxes paid on acquisition of assets or on incurring expenses

- Expenses and assets are recognised net of the amount of GST/ value added taxes paid, except:
- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable;
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the balance sheet.

iii. Minimum Alternative Tax

Minimum Alternate Tax (MAT) paid in a year is charged to the consolidated statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the concerned company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset, it is created by way of credit to the consolidated statement of profit and loss and shown as part of deferred tax asset. The company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified year.

q) Foreign Currency Transactions

Items included in the Restated Consolidated Summary Statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Restated Consolidated Summary Statements are presented in Indian rupee (INR), which is also the Holding Company functional and presentation currency. For each entity the Group determines the functional currency and items included in the Restated Consolidated Summary Statements of each entity are measured using that functional currency.

Foreign currency transactions are translated into the functional currency using the spot rate at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year-end exchange rates are generally recognised in consolidated statement of profit or loss.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss with the exception of the following:

- Exchange differences arising on monetary items that forms part of a reporting entity's net investment in a foreign operation are recognised in consolidated statement of profit and loss in the Restated Consolidated Summary Statements of the reporting entity or the individual financial statements of the foreign operation, as appropriate. In the Restated Consolidated Summary Statements that include the foreign operation and the reporting entity (e.g., consolidated financial statements when the foreign operation is a subsidiary), such exchange differences are recognised initially in OCI. These exchange differences are reclassified from equity to consolidated statement of profit or loss on disposal of the net investment.
- Exchange differences arising on monetary items that are designated as part of the hedge of the Group's net investment of a foreign operation. These are recognised in OCI until the net investment is disposed of, at which time, the cumulative amount is reclassified to consolidated statement of profit and loss.
- Tax charges and credits attributable to exchange differences on those monetary items are also recorded in OCI.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recognised using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or consolidated statement of profit and loss, respectively).

r) Earnings per share

Basic earnings per share (EPS) are calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Holding Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit or loss attributable to equity holders of the Holding Company (after adjusting the corresponding income/charge for dilutive potential equity shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares, unless the effect of the potential dilutive equity shares is anti-dilutive.

s) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed in the periods in which the costs are incurred and the services are received, with the exception of the costs of issuing debt or equity securities that are recognised in accordance with Ind AS 32 and Ind AS 109.

The Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs.

At the acquisition date, the identifiable assets acquired, and the liabilities assumed are recognised at their acquisition date fair values.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

t) Provisions and Contingent liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognize a contingent liability but disclose its existence in the Restated Consolidated Summary Statements unless the probability of outflow of resource is remote. Contingent assets are not recognized.

Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognised in the consolidated statement of profit and loss as finance costs. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

u) Cash and cash equivalents

Cash and cash equivalents in the consolidated balance sheet comprise of balances with banks, cash in hand and short-term deposits with an original maturity of three months or less, convertible to known amount of cash and which are subject to an insignificant risk of changes in value. For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits as defined above net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

PRINCIPAL COMPONENTS OF INCOME AND EXPENDITURE

Income

Our total income comprises revenue from operations and other income.

Revenue from operations

Revenue from operations comprises (i) rendering of services (services transferred over time) which primarily includes transportation of goods and other services such as leasing and warehouse incomes. Revenue from contracts with customers is arrived at after adjusting revenue as per contracted price with incentives and penalties. Revenue from rendering of services is earned primarily from customers within India.

Other Income

Other income includes (i) interest income on (a) bank deposits carried at amortised cost; (b) unwinding of financial instruments; (c) income tax refund; and (d) others; (ii) rental income; (iii) profit on sale of properties classified as assets held for sale (in net value terms); (iv) profit on sale of property, plant and equipment other than asset held for sale (in net value terms); (v) profit on sale of investments (net); (vi) bad debts earlier written off, now recovered; (vii) liabilities / provisions no longer required written back; (ix) net gain on financial assets measured at fair value through profit or loss; (x) profit on termination of lease contract; and (xi) miscellaneous income.

Expenses

Our expenses comprise (i) cost of services; (ii) employee benefit expense; (iii) finance costs; (iv) depreciation and amortization expense; and (v) other expenses.

Cost of services

Liquidity and Capital Resources

We have historically financed the expansion of our business and operations primarily through debt financing and funds generated from our operations. From time to time, we may obtain loan facilities to finance our short-term working capital requirements. Further, we believe that after taking into account the expected cash to be generated from our business and operations, the Net Proceeds from the Fresh Issue and the proceeds from our bank loans, we will have sufficient capital to meet our anticipated capital requirements for our working capital and capital expenditure requirements for the 12 months following the date of this Draft Red Herring Prospectus.

As of Fiscals 2025, 2024 and 2023, we had cash and cash equivalents of ₹ 22.77 million, ₹ 24.88 million and ₹ 81.45 million, respectively.

Quantitative and Qualitative Analysis of Market Risks

We are exposed to various types of market risks during the normal course of business. For further details, see "*Risk Factors*" on page 39.

Credit risk

Credit risk refers to the risk of defaulting on obligations by the counter party resulting in a financial loss. We are exposed to credit risk primarily from trade and other receivables. We are also exposed to credit risk from deposits with banks and financial institutions and foreign exchange transactions.

Trade receivables

The trade receivables are typically unsecured and are derived from revenue earned through customers. Customer credit risk is managed by us subject to the credit policy, procedures and control relating to customer credit risk management. Credit to each customer is provided based on their credit rating score. Outstanding customer receivables are regularly monitored by the receivable review committee for any expected default on repayment. An impairment analysis is performed at each reporting date on an individual basis for all customers. Trade receivables are non-interest bearing and are generally on 30 to 120-day credit terms.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by our treasury department in accordance with our policy. Investments in surplus funds are made only with approved counterparties and within the limits assigned by our Board. Counterparty limits are reviewed by our Board throughout the year subject to the recommendation of our management committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Liquidity risk

Liquidity risk is the risk that we will not be able to meet our financial obligations on time or at reasonable price. Our objective is to at all times maintain continuity of optimum levels of liquidity to meet our fund requirements. We closely monitor our liquidity position and maintain adequate source of financing through the use of cash credit facility, demand loans, commercial credit cards, vehicle refinance, unsecured loan, public deposit. Processes and policies related to such risks are overseen by our treasury department under guidance of the senior management.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loans and borrowings, deposits, investments and foreign currency receivables and payables.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. We operate on selective international destinations and are exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the trade payables. Foreign exchange risk arises from future commercial transactions and recognized assets and liabilities denominated in a currency that is not our functional currency. We have foreign currency risk primarily in United State Dollars.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Our exposure to the risk of changes in market interest rates relates primarily to our borrowings with floating interest rates.

Unusual or infrequent events or transactions

There have been no unusual or infrequent events or transactions that have in the past or may in the future affect our business operations or future financial performance.

Significant Economic Changes and Known trends or uncertainties

Our business has been subject, and we expect it to continue to be subject, to significant economic changes arising from the trends identified above in “– *Factors affecting our results of operations and financial condition*” above and the uncertainties described in “*Risk Factors*” on pages 370 and 39, respectively. Except as disclosed in this Draft Red Herring Prospectus, there are no known factors which we expect to have a material impact on our income.

Future relationship between cost and revenue

Other than as described in “*Risk Factors*” on page 39 and this section, there are no known factors that might affect the future relationship between cost and revenue.

Related party transactions

We have engaged in the past, and may engage in the future, in transactions with related parties.

Competitive conditions

We operate in a competitive environment. See “*Risk Factors*”, “*Industry Overview*” and “*Our Business*” on pages 39, 168 and 208, respectively, for further details on competitive conditions that we face across our various business verticals.

Extent to which material increases in net sales or revenue are due to increased sales volume, introduction of new products or services or increased sales prices

Changes in revenue in the last three Fiscals are as described in “– *Fiscal 2025 Compared to Fiscal 2024*” and “– *Fiscal 2024 Compared to Fiscal 2023*” above on pages 389 and 390, respectively.

New business segments

The chief operating decision maker primarily focusses on transportation of goods and allied services in making decisions on operating matters. Accordingly, we operate only in one reportable segment as per Ind AS 108, *i.e.*, transportation of goods and allied services.

Significant dependence on single or few customers

The following table sets forth details of revenue generated and contribution to total revenue from our top 10 customers, as a percentage of our total revenue from operations, for the years indicated:

Particulars	Fiscal 2025	Fiscal 2024	Fiscal 2023
Revenue from top 10 customers (<i>in ₹ million</i>)	22,170.80	21,324.16	19,363.33

Total revenue from operations	51,611.09	45,944.14	42,158.26

For further information, see “Risk Factors – We derive a significant portion of our revenue from operations from our top 10 customers. Our top ten customers contributed to 42.96%, 46.41% and 45.93% of our revenue from operations during Fiscal 2025, Fiscal 2024 and Fiscal 2023, respectively. Loss of one or more of these customers or a reduction in the amount of business we obtain from them could have an adverse effect on our business, results of operations, financial condition and cash flows.” on page 39.

Seasonality and cyclicity of our business

Our business is not subject to seasonality or cyclicity. For further information, see “Industry Overview” and “Our Business” on pages 168 and 208, respectively.

Significant developments occurring after March 31, 2025

Except as disclosed below and in this Draft Red Herring Prospectus, to our knowledge no circumstances have arisen since March 31, 2025, that could materially and adversely affect or are likely to affect, our operations, trading or profitability, or the value of our assets or our ability to pay our material liabilities within the next 12 months:

The Board of Directors at its meeting held on April 25, 2025, allotted 5,700,000 CCPS each at a premium of ₹ 214.22 and 54,500 OCRPS each at a premium of ₹ 214.22.

Pursuant to a resolution of our Board of Directors dated September 24, 2025, the OCRPS have been redeemed for an aggregate value of ₹ 11.78 million including applicable coupon per annum payable till the date of redemption

Recent accounting pronouncements

As on the date of this Draft Red Herring Prospectus, there are no recent accounting pronouncements, which, we believe, would have a material effect on our financial condition or results of operations.

We are also required to keep our lenders informed of any event likely to have a substantial effect on our business. For risks in relation to the financial and other covenants required to be complied with in relation to our borrowings, see “*Risk Factors – Our financing agreements impose certain restrictions on our operations, and our failure to comply with operational and financial covenants may adversely affect our reputation, business, financial condition, results of operations and cash flows.*” on page 59.

SECTION VI: LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATION AND OTHER MATERIAL DEVELOPMENTS

Except as disclosed in this section, there are no pending: (i) criminal proceedings involving our Company, Subsidiaries, Directors, Promoters, (collectively, the “**Relevant Parties**”), Key Managerial Personnel and Senior Management; (ii) actions taken/ penalties imposed by statutory and/ or regulatory authorities involving the Relevant Parties, Key Managerial Personnel and Senior Management; (iii) disciplinary actions including penalty imposed by SEBI or stock exchanges against the Promoters in the last five financial years preceding the Offer Document, including outstanding actions; (iv) claims related to direct and indirect taxes involving the Relevant Parties, in a consolidated manner, giving details of the number of cases and total amount involved in such cases; and (v) other pending litigation / arbitration proceeding involving the Relevant Parties which has been determined to be material pursuant to the Materiality Policy (as disclosed herein below). Further, except as disclosed in this section, there are no pending litigation involving our Group Companies which may have a material impact on our Company in the opinion of our Board.

For the purpose of (v) above, our Board in its meeting held on September 28, 2025, has considered and adopted the Materiality Policy for identification of material outstanding litigation involving Relevant Parties. In accordance with the Materiality Policy:

- (i) all outstanding civil litigation or arbitration proceedings (including claims related to direct and indirect taxes) in which the monetary amount of claim or amount involved in a litigation by or against the Relevant Parties (other than our Corporate Promoter) exceeds the lower of (i) 2% of turnover of our Company, based on the Restated Consolidated Summary Statements for the preceding financial year; or (ii) 2% of net worth of our Company based on the Restated Consolidated Summary Statements as at the end of the preceding financial year, except in case the arithmetic value of the net worth is negative; or (iii) 5% of the average of absolute value of profit or loss after tax of our Company based on the Restated Consolidated Summary Statements of the preceding three financial years (“**Threshold**”);

2% of turnover of our Company, based on the Restated Consolidated Summary Statements for Fiscal 2025 is ₹ 1032.22 million, 2% of net worth of our Company, based on the Restated Consolidated Summary Statements as at March 31, 2025 is ₹ 150.19 million and 5% of the average of absolute value of profit or loss after tax, based on the Restated Consolidated Summary Statements for the last three Fiscals is ₹ 40.60 million. Accordingly, ₹ 40.60 million has been considered as the materiality threshold for the purpose of (i) above.

- (ii) such pending matters which are not quantifiable or do not exceed the monetary threshold, involving the Relevant Parties, whose outcome, in the opinion of our Board, would materially and adversely affect our Company’s business, prospects, performance, operations, financial position, reputation or cash flows or where a decision in one case is likely to affect the decision in similar cases even though the amount involved in the individual cases may not exceed the Threshold;
- (iii) all outstanding civil litigation or arbitration proceedings (including claims related to direct and indirect taxes) involving our Corporate Promoter (i) in which the monetary amount of claim or amount involved in a litigation by or against the Corporate Promoter exceeds 2.50% or more of the equity capital of large size corporations as required to be disclosed under Article 7, Paragraph 3(c) of the KOSPI Market Disclosure Regulations formulated on January 21, 2005, as amended, and (ii) disclosed by our Corporate Promoter pursuant to paragraph 1 of Article 1-1-3 of the Standards for Corporate Disclosure Form enacted by the Financial Supervisory Service (Korea).

2.5% of the equity capital of our Corporate Promoter is ₹ 6,690.31 million.

- (iv) any findings/observations of any inspections by SEBI or any other regulator involving our Company which are material and which need to be disclosed or non-disclosure of which may have bearing on the investment decision.

For the purpose of the litigation approach, unless otherwise decided by the Board of Directors of our Company, pre-litigation notices received by any Relevant Party, Key Managerial Personnel or Senior Management from third parties (excluding those notices and show cause notices issued by governmental, statutory, regulatory, judicial, quasi-judicial or taxation authorities or notices threatening criminal action or first information reports) shall, in any event, not be considered as litigation until such time that Relevant Party, Key Managerial Personnel or Senior Management is impleaded as defendants or respondents in litigation proceedings before any judicial/arbitral forum or governmental authority.

Except as stated in this section, there are no outstanding material dues to creditors of our Company. Further, in accordance with the Materiality Policy, our Company has considered such creditors ‘material’ to whom the amount due is in excess of 5% of the total trade payables of our Company as of the end of the latest financial period covered in the Restated Consolidated Summary Statements. The trade payables of our Company as at March 31, 2025, was ₹ 1,834.82 million based on the Restated Consolidated Summary Statements. Accordingly, a creditor has been considered ‘material’ if the amount due to such creditor exceeds ₹ 91.74 million (being 5% of the total trade payables of our Company as on March 31, 2025 based on the Restated

Consolidated Summary Statements). For outstanding dues to any micro, small or medium enterprise or other creditors, the disclosure will be based on information available with our Company regarding the status of the creditor as defined under Micro, Small and Medium Enterprises Development Act, 2006, as amended read with the rules and notifications thereunder.

Unless stated to the contrary, all terms defined in a particular litigation disclosure below are for that particular litigation only.

Litigation involving our Company

Litigation against our Company

Outstanding criminal proceedings against our Company

1. Our Company entered into a carriage agreement dated January 1, 2013 for a period of six months from January 1, 2013 to June 30, 2013 for the transportation and carriage of goods of Tata Global Beverages Limited (“TGBL”). The consignment was delivered by our Company. On the receipt of the delivery, TGBL filed a written complaint with the South Port police station alleging that our Company and another logistics company, Siddhi Vinayak Logistics Limited, along with their collection agents, adulterated the goods entrusted to them for transportation pursuant to which TGBL suffered a loss of ₹69.80 million. Subsequently, a FIR dated March 22, 2013, under Sections 120B, 406, 272, 273 and 420 of the Indian Penal Code, 1860 was filed against our Company, Siddhi Vinayak Logistics Limited and their collection agents. A chargesheet dated April 2, 2016, was thereafter filed against Krishan Kumar Agarwal, who was the Chairman and Managing Director of our Company at the time of the complaint, the director of Siddhi Vinayak Logistics Limited and their individual collection agents post which Krishan Kumar Agarwal was granted bail by the Court of the Chief Judicial Magistrate at Alipore (“**Court**”). Krishan Kumar Agarwal has filed an application before the Court under Section 239 of the Code of Criminal Procedure, 1973 for discharging him from the above-mentioned case submitting *inter-alia* that there was no circumstantial evidence that had been collected to implicate him in the case, he had not been specifically named in the FIR and the concept of vicarious liability was not applicable in criminal law. The application for discharge was however rejected by order dated May 20, 2025 (“**Order**”). A criminal revision petition dated July 9, 2025 challenging the Order has been filed and is pending before the Calcutta High Court. Additionally, an application dated March 11, 2025 for further investigation has also been filed before the Court. Vide order dated September 03, 2025, the Calcutta High Court admitted the revisional application and provided an interim stay on further proceedings before the Court. The matter is currently pending.
2. Our Company hired a truck for the transport of a customer consignment of detergent powder from Rohtak to Siliguri. During transit, the driver, in collusion with the truck owner and other known and unknown individuals, had allegedly illegally loaded liquor along with the consigned goods. The vehicle was subsequently intercepted and seized by the Bihar Excise Department, and an FIR dated September 04, 2017, was filed against the driver and our Company under Sections 30(a), 32(3), and 38 of the Bihar Excise and Prohibition Act, 2016. The matter is currently under police investigation.
3. Our Company hired a vehicle for transporting a customer consignment of medicines from Chandigarh to Kolkata. During transit, the driver, in collusion with the truck owner and other known and unknown individuals, had allegedly illegally loaded liquor along with the consigned goods. The vehicle was subsequently intercepted and seized by the Bihar Excise Department, and an FIR dated January 8, 2017, was filed against the under Sections 30(a), 32(2), and 38 of the Bihar Excise & Prohibition Act, 2016, and 420, 120B of the Indian Penal Code 1860, against the vehicle owner, driver and our Company as the transport company. The matter is currently under police investigation.
4. Based on public search, a case has been filed against our Company by M/s Mahesh Trading before the Judicial Magistrate First Class at Rewari against. As on the date of this DRHP, our Company has not received notices or any other document in relation to this matter and the disclosure included herein is based on the information available on the e-courts services website.

Actions initiated by regulatory or statutory authorities against our Company

1. M/s SAB Millers India Private Limited (“**SAB Millers**”), engaged in the manufacturing of alcoholic beverages, is an establishment covered under the Employees Provident Fund and Miscellaneous Provisions Act, 1952 (the “**Act**”). SAB Millers engaged transporters for transporting finished goods to various depots of the state beverage corporations located in various states. Our Company was one of the transport contractors engaged for this purpose. Vide summons dated February 1, 2016, an enquiry under Section 7A of the Act was initiated to determine whether the workers/ drivers engaged in the transportation are being provided benefits under the Act. The Regional PF Commissioner vide an order dated March 6, 2017 (“**Order**”), held that our Company, along with the other transport contractors, enjoyed supervisory control and was therefore an employer of the workers under Section 7A of the Act. Basis the assessment, our Company was required to pay ₹ 0.12 million, within 15 days from the receipt of the Order. Further, our Company was directed to maintain a list of transport workers along with their name, driving license bank account and aadhar, so that workers can be identified in the future without any difficulty. An appeal against the Order was filed by our

Company before the Employees Provident Fund Appellate Tribunal, Bangalore (“**Tribunal**”) pursuant to which the Tribunal passed an interim order dated May 16, 2017, directing our Company to pay 25% of the assessed amount. Accordingly, our Company remitted an amount of ₹ 0.03 million. A show-cause notice dated April 6, 2023, was issued by the Employees Provident Fund Organization (“**EPFO**”) against our Company for recovery of ₹ 0.42 million. The appeal to the Order was transferred from the Employee Provident Fund Appellate Tribunal, Southern Region Bengaluru to the Central government Industrial tribunal cum Labour Tribunal at Hyderabad. The said tribunal vide order dated January 10, 2024 dismissed the appeal on account of non-appearance of the appellants. An appeal has been filed against this order dated January 10, 2024 by our Company before the Industrial tribunal cum Labour Tribunal at Hyderabad. The matter is currently pending.

2. An authorised officer (“**AO**”) from the Employees State Insurance Corporation (“**ESIC**”) assessed our Company’s office situated at Hisar, Haryana under Section 45-A of the Employees’ State Insurance Act, 1948 (“**ESI Act**”). The AO passed an order dated June 20, 2017 (“**Order 1**”) reporting that an amount of ₹ 2.31 million was outstanding in contribution for a period of five years from 2012-2013 to 2016-2017, under certain heads *inter alia* monthly bonus, difference of salary and monthly incentive. Aggrieved by Order 1, our Company filed an appeal dated August 17, 2017 (“**Appeal**”) under Section 45-AA of the ESI Act, before the Additional Commissioner of the ESIC Appellate Authority (“**Additional Commissioner**”), submitting that (i) employees whose wages, including variable performance allowance, exceed ₹15,000, should be excluded from the coverage of the ESI Act; and (ii) variable performance allowance is part of the wages paid and should be considered while calculating the contribution in respect of each employee. Vide order dated June 25, 2019 (“**Order 2**”) the Additional Commissioner dismissed the Appeal and further held, that since variable performance allowance can be enhanced or reduced at the behest of the employer, it cannot be included as an element of wages for the purposes of coverage under the ESI Act. Our Company has deposited 25% of the claimed amount i.e., ₹ 0.58 million with the ESIC. Our Company has subsequently filed a petition before the Presiding Officer, Employees’ State Insurance Tribunal- cum Civil Judge, Senior Division, Hisar for declaring Order 1 and Order 2, as illegal and against the provisions of the ESI Act. The matter is currently pending.
3. An authorised officer (“**AO**”) from the Employees State Insurance Corporation (“**ESIC**”) assessed our Company’s office situated at Hisar, Haryana under Section 45-A of the Employees’ State Insurance Act, 1948 (“**ESI Act**”). The AO passed an order dated June 20, 2017 (“**Order 1**”) reporting that an amount of ₹ 9.30 million was outstanding in contribution from 2012 to 2016, under certain heads *inter alia* building, furniture, miscellaneous expenses, etc. Aggrieved by the said order, our Company submitted an appeal under Section 45-AA of the ESI Act on August 17, 2017 (“**Appeal**”), before the Additional Commissioner of the ESIC Appellate Authority, stating that contribution of employees of our Company posted in non-implemented areas is not payable. The Additional Commissioner vide order dated June 5, 2019 (“**Order 2**”) held that since our Company did not adhere to Section 88 of the ESI Act and did not file for an exemption, the liabilities of these employees would be payable by our Company regardless of the area of their posting. Our Company’s Appeal was disposed, and our Company was asked to pay a balance sum of ₹ 6.97 million since an amount of ₹ 2.32 million i.e., 25% of the claimed amount had already been deposited with the ESIC Appellate Authority. Our Company has filed a petition dated August 07, 2019, before the Presiding Officer, Employees’ State Insurance Tribunal- cum Civil Judge, Senior Division, Hisar for declaring Order 1 and Order 2 as illegal and against the provisions of the ESI Act. The matter is currently pending.
4. United Breweries Limited, an establishment covered under the Employees Provident Fund and Miscellaneous Provisions Act, 1952 (“**Act**”), is a manufacturer of alcoholic beverages which engages transporters for transporting finished goods to the depots of state beverage corporations located in various states. Our Company was one of the transport contractors engaged for this purpose. Pursuant to summons dated July 6, 2015, an enquiry under Section 7A of the Act was initiated against United Breweries Limited due to the allegation that the workers/ drivers in transportation are not being provided the benefits under the Act. The Regional Provident Fund Commissioner and Authority, upon applying the employer test laid down by the Supreme Court and High Court previous cases, held *vide* order dated August 24, 2016 (“**Order**”), that our Company, along with the other transport contractors, enjoyed supervisory control and was therefore an employer of the workers under Section 7A of the Act. The Order required our Company to (i) pay ₹0.36 million, within 15 days from the receipt of the Order and (ii) maintain a list of transport workers along with their name, details of driving license, bank account and aadhar to facilitate the identification of workers under the Act in the future. Our Company filed an appeal (“**Appeal**”) against the Order before Employees Provident Fund Appellate Tribunal, Bengaluru (“**Appellate Tribunal**”). The Appellate Tribunal admitted the Appeal vide an order dated December 8, 2016 and directed our Company to deposit 25% of the amount while it stayed the recovery of 75% of the amount. Our Company has paid the requisite amount. The matter is currently pending.

Outstanding material civil litigation against our Company

1. 42 cases before the Motor Accidents Claim Tribunal (“**MACT**”) have been filed against our Company. Some of the claimants have also filed a FIR under Sections 279, 304A, 337, 338 and 427 of the Bharatiya Nyaya Sanhita, 2023 (including the erstwhile Indian Penal Code, 1860) against the drivers of the vehicles involved in the accidents. The aggregate amount involved in these matters is ₹ 148.14 million, and in some of these cases, our Company has preferred

appeals before various judicial fora. Although our Company is a necessary party in these litigations, the claim amount is payable by our insurance companies. Based on public searches, 11 additional cases have been filed before various MACTs against our Company. As on the date of this DRHP, our Company has not received notices or any other document in relation to this matter and the disclosure included herein is based on the information available on the E-courts services website.

Outstanding material tax proceedings against our Company

1. Our Company received an intimation dated December 12, 2024 from the Deputy commissioner, Assessment 1, State Tax, Rudrapur ("**Deputy Commissioner**") seeking clarifications over non - payment of goods and services tax ("**GST**") on a reverse charge basis, on supplies and export and exempt supplies. Our Company replied to said notice on December 11, 2024 by way of form ASMT-11. Subsequently, our Company received show cause notice ("**SCN**") dated May 20, 2025 under Section 73 of the Central Goods and Services Act and State Goods and Services Act from the Deputy Commissioner on account of alleged non-payment of GST along with interest amounting to ₹ 115.36 million. Our company replied to the SCN on June 04, 2025, submitting that the customers of our Company are liable to pay the GST claimed under the reverse charge mechanism, and that our Company as a goods transport agency has no obligation to verify whether customers have paid such GST. The matter is currently pending.

Litigation by our Company

Outstanding criminal proceedings by our Company

1. Our Company filed an application dated March 04, 2015 ("**Application**"), before the Chief Metropolitan Magistrate, Calcutta against IndusInd Bank Limited ("**Bank**") and Atanu Basu ("**Individual Accused**"), under Sections 406, 403, 411, 420, 34 of the Indian Penal Code, 1860 for the release of a container bearing no. TRBV9902410 ("**Container**"), owned by our Company's subsidiary, Transrail Logistics Limited, which was allegedly retained by the Bank along with vehicle no. WB25D9392 belonging to the Individual Accused. The Individual Accused, with the help of the Bank purchased a motor vehicle through a hire-purchase transaction. He subsequently approached our Company for providing him with the Container that could be fixed on his vehicle for the purpose of carrying goods. The Bank took possession of the vehicle along with the Container on default of payment as per the executed loan agreement by the Individual Accused. Our Company thereafter filed the above-mentioned application before the Chief Metropolitan Magistrate, Calcutta praying for cognizance of the alleged offence committed by the Bank and issue of processes for enquiry and trial. The matter is currently pending.
2. Our Company has filed a criminal complaint under Section 200 of the Code for Criminal Procedure 1973, read with Section 34, 406 and 420 of the Indian Penal Code, 1860 ("**Complaint**"), before the Additional Judicial Magistrate, Siliguri, against Hansraj Agrofresh Private Limited ("**Accused**") for non-payment of outstanding dues. Our Company provided its transportation services to the Accused from Pasakha in Bhutan to Siliguri, and submitted its bills amounting to ₹ 0.12 million, but no payment was made by the Accused as per the agreed terms. Accordingly, our Company filed the aforesaid Complaint inter alia praying that the Complaint be sent to the Police Station at Siliguri for registration of a FIR against the Accused or that the Accused be punished in accordance with the law. The matter is currently pending.
3. Our Company had provided its transportation services to M/s Indian Aluminium Limited for the transportation of a consignment of calcined petroleum coke from Haldia to Hirakund. When the loaded vehicle did not reach at the destination within the stipulated time period, our Company lodged its claim with United India Insurance Company Limited ("**UIICL**"). Pursuant to the claim not being processed, our Company filed a civil suit ("**Suit**") before the Additional District & Sessions Judge, Hisar, which was decreed in favour of our Company. Our Company thereafter filed an application before the Judicial Magistrate, Hisar under Section 340 of the Code for Criminal Procedure 1973, for initiation of proceedings under Section 192, 193, 196, 199 and 200 of the Indian Penal Code, 1860 against UIICL for *inter alia* fabrication and forgery of documents in the Suit, which was dismissed *vide* order dated April 11, 2018 ("**Order**"). Our Company has filed an appeal against the Order before the Additional District & Sessions Judge at Hisar. The matter is currently pending.
4. Our Company filed a criminal complaint ("**Complaint**"), dated September 22, 2018 under Section 407 of the Indian Penal Code, 1860, before the Sub-divisional Judicial Magistrate, Derabassi District, Mohali against Mr. Gurvinder Singh (the "**Accused**") for criminal breach of trust. Our Company had hired the full truck of the Accused through M/s Hemkunt Transport Company for transporting a consignment of medicines worth ₹ 6.09 million from Zirakpur to Kolkata. The Accused, who was entrusted with transportation, without our Company's knowledge, allegedly loaded the truck with liquor bottles that were banned in the state of Bihar under the Bihar Prohibition and Excise Act, 2016.

Thereafter, the truck was impounded by the authorities and delivery of medicines could not be completed. Accordingly, our Company tried to file a FIR with the concerned police station, but the police station refused to register the FIR on account of jurisdiction issues. Subsequently, our Company has filed the above-mentioned Complaint. The matter is currently pending.

5. Our Company has filed a criminal complaint ("**Complaint**") before the Ilaqa Magistrate, Hisar under Sections 406 and 420 of the Indian Penal Code, 1860, against Teracom Limited ("**Accused**") for the alleged non-payment of outstanding dues of our Company. The Accused, upon availing transportation services of our Company, allegedly failed to pay bills amounting to ₹ 2.66 million post completion of the services. The matter is currently pending.
6. Our Company filed a criminal complaint dated August 20, 2021 ("**Complaint**") against Samtel Color Limited and its officials (collectively referred to as, the "**Accused**") with the Sarita Vihar Police Station under Sections 406, 420, 34, 120-B and 504 of the Indian Penal Code, 1860. Subsequently our Company filed an application under Section 156 (3) of the Code for Criminal Procedure, 1973 before the Metropolitan Magistrate of South-East Delhi at Saket, seeking prosecution of the Accused under the above-mentioned provisions of the Indian Penal Code, 1860. Our Company was engaged by the Accused for the transportation of various goods post completion of which it raised invoices amounting to ₹ 0.77 million, out of which ₹ 0.56 million remained outstanding, despite constant communications and correspondences shared prior to filing of the Complaint. The matter is currently pending.
7. Our Company has filed 42 criminal complaints against certain customers, vendors, transport crew, third party service providers etc. before various judicial fora under Section 138 of the Negotiable Instruments Act, 1881 for cheques which on presentation were dishonoured by the bank. The aggregate amount involved in these matters is ₹ 61.91 million. These matters are currently pending.
8. Our Company has filed 13 criminal complaints against its ex-employees before various judicial fora, for the embezzlement of our Company's funds and assets. The aggregate amount involved in these matters is ₹ 43.97 million. These matters are currently pending.
9. Our Company has filed an application dated January 20, 2022, under Section 156 (3) of the Code of Criminal Procedure, 1973 before the Chief Metropolitan Magistrate, North East Delhi ("**Application**") to register a FIR against Metenere Limited and certain other officials of the company (collectively referred to as the "**Accused**") under Sections 415, 420, 406 and 120B of the Indian Penal Code, 1860. The Accused issued various work orders to our Company for transportation of its goods to various locations across India post completion of which, our Company raised invoices of which an amount of ₹ 5.66 million remains outstanding. The Accused's alleged refusal to release the aforementioned outstanding dues lead to our Company filing the Application. The matter is currently pending.
10. Our Company has filed a criminal complaint dated September 7, 2021 with the Metropolitan Magistrate, South East Delhi under Section 156(3) of the Code of Criminal Procedure 1973, to register a FIR against Monarch Ergo Private Limited, and certain other officials of the company (collectively referred to as the "**Accused**") under Sections 384, 506, 120B and 34 of the Indian Penal Code 1860. Our Company had entered into agreements dated November 24, 2017, March 15, 2018 and March 03, 2018 with the Accused for the purchase of customized office furniture to be supplied by the Accused for a consideration of ₹ 0.66 million in total which was duly paid by our Company on May 24, 2018. However, the furniture supplied suffered from multiple defects and damages, and the Accused had allegedly made false promises about the rectification of the same to our Company. The Accused, post payment of the ₹ 0.66 million, denied liability for any corrections/ replacements and instead issued allegedly illegal demand notices to our Company for more payments. The matter is currently pending.
11. Our Company has filed a criminal complaint under Section 175 of the Bharatiya Nagarik Suraksha Sanhita 2023, with the Chief Judicial Magistrate, Fatehgarh Sahib, to file a FIR against and investigate M/s Chandigarh Assam Roadlines, Rahul Sharma, Neelam Sharma and Jahirul Islam (collectively referred to as the "**Accused**") under Sections 316, 318, 356, 324, 357 and 344 of the Bharatiya Nyaya Sanhita 2023. Our Company engaged the services of the Accused for the transport of a consignment of dairy products, and the Accused made assurances of non-clubbing/non-loading of other consignments onto the same truck. However, upon inquiry by our Company's officials, we were made aware of loading of another consignment onto the same truck delivering our goods, and that the same was allegedly done by the Accused along with the abetment of a third party with the aim of causing loss and damage to our Company and to terminate its contract with our customers. The matter is currently pending.
12. Our Company has filed a criminal complaint under Section 175(3) of the Bharatiya Nagarik Suraksha Sanhita 2023 ("**Complaint**"), with the Chief Judicial Magistrate at Alipore ("**Court**"), to file a FIR against Mukesh Tiwari ("**Accused 1**") and Manpreet Kaur ("**Accused 2**"), (collectively referred to as the "**Accused**") for alleged misappropriation of our Company's funds. As per the Complaint, Accused 1 in his capacity as a Key accounts Manager in our Company oversaw and managed our Company's transactions with Prime Logistics Solution, which availed our Company's freight forwarding services, and the company of which Accused 2 was the proprietor. Accused 1 allegedly

without prior authorization, arranged for shipments of Prime Logistics Solution's consignments on full credit through one of our Company's vendors. Upon our Company ceasing its business with Prime Logistics Solution on account of non-payment of dues, the Accused after several attempts to convince our Company to resume the same, allegedly deposited cheques totalling ₹ 3.29 million which were dishonoured on presentation. Subsequently the Accused failed to reply to the demand notices sent by our Company and to make payments of the due amounts, thus allegedly misappropriating its funds by hatching a conspiracy with the said firm. The Court vide its order dated February 10, 2025, directed the concerned Station House Officer to issue a non-bailable warrant against the Accused. The matter is currently pending.

13. Our Company had entrusted 550 packages of black tea to be transported from Tinsukia, Assam to Kolkata through a lorry supplied by M/s Kolkata All India Roadways. Upon delivery, 261 kgs of the consignment worth up to ₹ 0.09 million was damaged. Subsequently, Our Company filed an FIR dated July 20, 2022, under Section 120B, 407 and 420 of the Indian Penal Code, 1860 against Nandan Choudhary, Ehasaan Sheikh, Delu SK, and Abhijit Mandal (collectively, the "**Accused**") at the Taratala Police Station at Kolkata. It was alleged in the FIR that the Accused allegedly misappropriated and damaged the goods in transit to cause harm to our Company. The matter is currently pending.

In our Company's ordinary course of business of providing logistical services, employees of our Company have filed FIRs and criminal complaints against customers, ex-employees, third party service providers etc. under the provisions of the applicable laws including the Bharatiya Nyaya Sanhita, 2023 (including the erstwhile Indian Penal Code, 1860), and the Nagarik Suraksha Sanhita, 2023 (including the erstwhile Criminal Procedure Code of 1973). As on the date of this DRHP, 75 of such cases are pending at various stages of adjudication, and aggregate to an amount of ₹ 136.43 million. The nature of these cases is inclusive of the following:

- a) Our Company in its ordinary course of business employs drivers to deliver consignments of our customers using company owned vehicles. Additionally, our Company frequently hires vehicles and services of drivers through third party service providers towards transportation of said customer consignments. In instances where:
 - i) drivers of such vehicles have misappropriated goods being transported;
 - ii) drivers of such vehicles have loaded the hired vehicles with materials contrary to agreement between our Company and the third-party service provider, or with banned substances under applicable laws and thereafter such vehicles are impounded /seized by the relevant authorities;
 - iii) drivers of such vehicles have fabricated vehicular documentation; or
 - iv) goods have been stolen;

Our Company's employees have filed FIRs and criminal complaints.

- b) Where our Company's offices and assets therein, have been stolen, or where our Company's employees have been extorted or coerced by third parties

Outstanding material civil litigation by our Company

1. Our Company filed a civil suit dated March 02, 2013, before the District Judge at Vishakhapatnam ("**Trial Court**") against ESSEMM Logistics and Lee & Muirhead Private Limited (collectively, "**Defendants**"), for the recovery of an amount of ₹ 33.70 million and an amount of ₹ 0.67 million due towards the lease/rent of the trucks along with interest at the rate of 18% per annum i.e., a cumulative amount of ₹ 40.95 million. In the period 2009-2012, our Company transported 3403 consignments for the Defendants using hired trucks/ trailers as per the standard market practice. The Defendants raised a dispute for 530 transportation bills amounts to ₹ 33.70 million towards the outstanding transportation bills on account of single consignment which did not reach the Defendants due to the actions of the hired driver. Our Company submitted that it had filed a FIR on February 2, 2012, when it came to know about the missing trailer. Subsequently, ESSEMM Logistics filed a counter claim dated June 5, 2013, claiming an amount of ₹ 130.40 million. Our Company filed an application before the Trial Court praying for rejection of the counter claim filed by the defendants as it did not disclose a proper cause of action and is barred by law on the ground of failure to issue prior written notice. The Trial Court allowed the application and rejected the counter claim vide order dated September 21, 2017 ("**Order 1**"). Aggrieved, ESSEMM Logistics filed a civil revision petition before the High Court for the state of Andhra Pradesh and Telangana praying for the Order 1 to be set aside. The High Court vide its order dated August 7, 2019 ("**Order 2**"), rejected the petition pursuant to which ESSEMM Logistics filed a special leave petition before the Supreme Court. The Supreme Court thereafter set aside the Order 1 and Order 2, respectively, vide its judgment dated May 1, 2023, and directed the Trial Court to proceed with the suit as well as the counter-claim in

accordance with law. The trial court vide order date July 15, 2025 allowed for the amendment to the counter-claim. The matter is currently pending.

Transrail Logistics Limited ("TLL")

1. TLL has initiated arbitration proceedings against Central Railways ("**Respondent**") for the recovery of losses of ₹ 479.72 million incurred by TLL. TLL participated in the tender floated by the Respondent for leasing out space in cargo trains by submitting its quotation and was declared as the successful bidder. Accordingly, an agreement dated July 28, 2015 ("**Agreement**") was executed between the Respondent and TLL for a period of three years with effect from August 1, 2015. TLL subsequently found out that contrary to the terms of its own tender, the Central Railways was providing the indent services to other service providers at a cheaper rate. The Agreement was terminated by TLL on April 4, 2016, pursuant to the termination notice sent by TLL on February 4, 2016. Due to the losses incurred by TLL, TLL invoked the arbitration clause under the Agreement, for the recovery of ₹ 479.72 million following which it filed an arbitration application under Section 11 of the Arbitration and Conciliation Act, 1996 before the Bombay High Court seeking the appointment of an independent arbitrator. The Bombay High Court, vide order dated August 13, 2020, allowed the application, appointed an arbitrator and directed the parties to proceed with arbitration for the settlement of claims and disputes between them. The arbitration proceedings are currently pending.

CJ Logistics Corporation (“CJL”)

1. CJL acted as a contractor in respect of the construction of a tourist hotel in Oedo-dong, Jeju. During the course of work, a soundproof wall being lifted by an excavator collapsed for unknown reasons, resulting in a fatal accident. Accordingly, CJL has been prosecuted for the violation of Article 173, 17, and 63 of the Occupational Safety and Health Act, as well as for corporate manslaughter. The first trial date was June 20, 2025, and the matter is currently pending.
2. CJL acted as a contractor in respect of the construction of Kiheung Daycare Center whereby a worker engaged in classifying a window back panel allegedly deviated from the construction plan and in the course of doing so, caught in the back panel and suffered a fatal accident. Following this incident, an investigation was initiated by the police and the Ministry of Employment and Labor into potential violation of Article 6 of Serious Disaster Punishment Act; and Article 173, 167, 63 of the Occupational Safety and Health Act was violated and the Serious Accident Punishment Act. The matter remains under investigation, and the matter is currently pending.
3. CJL is currently under investigation by the Gunsan Maritime Police Station for an alleged violation of the Air Environment Conservation Act, which investigation stems from an incident in March 2025 involving certain employees of CJL. During this incident, the employees were unloading wood pallets outdoors. As per the legal standard under Articles 9(5), 43 (1) and 84 of the Air Environment Conservation Act, when the wind speed exceeds 8 m/s, the outdoor work which could generate scattering dust should be stopped. It is alleged that the employees continued their work despite this requirement. As a result, the Gunsan Maritime Police Station initiated an investigation into the matter. This case is currently pending.

CJ Logistics Corporation (“CJL”)

1. CJL enters into consignment contracts with distribution companies for parcel delivery, while delivery drivers are contracted by regional distributors and not directly by CJL. In 2022, CJL filed criminal charges against 11 carriers (belonging to the Korean Courier's Union and who have signed a contract with CJL's distribution companies) for illegal occupation of its office building and obstructing its work by refusing to evict it. In the first trial before the Seoul Central District Court, the defendants were fined and sentenced to prison. Both the prosecution and the defendant appealed against the judgment, so the appeal trial is currently pending at Seoul Central District Court.
2. CJL has been involved in a series of legal proceedings arising from strikes initiated by certain parcel delivery drivers who are members of labor unions. The delivery drivers, who are under consignment contracts with regional distributors (and not directly with CJL), refused to deliver packages while demanding improved working conditions, including changes to commission rates. In response, CJL attempted to provide alternative delivery services by dispatching directly employed drivers from its headquarters and substituting vehicles. Certain union members obstructed these efforts, leading to operational disruptions for CJL. Accordingly, CJL filed 8 criminal complaints before various district courts against the union members who engaged in these obstructive actions, accusing them of interference with business (under Article 314-1 and 30 of Criminal Act). The courts issued summary orders imposing fines on most of the union members, recognizing their conduct as constituting criminal interference with business. Following the summary orders, some of the union members requested formal trials, asserting their actions were justified under the Trade Union Act on the basis that CJL is their employer, while CJL contended that there is no employment relationship between CJL and the delivery drivers. The key issue in this matter that whether CJL qualifies as an employer of the delivery drivers under the Trade Union Act, the matter is currently pending before the district courts.
3. CJL entered into an agreement with E-Preun, Daepoong Co. Ltd.'s ("**Daepoong**") parent company to supply feed materials including dried distiller's grains with soluble ("**DDGS**"). In addition, CJL entered into a Logistics Agency Agreement with Daepoong to store DDGS in a warehouse managed by Daepoong. Mr. Jongmun Park, the CEO of E-Preun and Daepoong allegedly, took out DDGS stored in the warehouse without permission. After CJL recognized the discrepancy of inventory of DDGS, CJL filed a civil claim against E-Puren Co., Ltd and also filed a criminal complaint against CEO of E-Puren for embezzlement which is the violation of Act on the Aggravated Punishment of Specific Economic Crimes. This case is currently pending.
4. CJL has initiated legal proceedings against Park Jin-sung, a former employee, who had worked in the IT-related team of CJL from 2020 to 2024 ("**Accused**"). The Accused is alleged to have taken confidential internal documents from CJL and disclosed them to external parties in connection with his prospective employment with a competing company, which constitutes a violation of the Unfair Competition Prevention Act, as well as professional breach of trust. This case is currently pending.
5. CJL filed a criminal complaint against three former employees, (collectively, "**Accused**") who were deeply involved into the CJL's development for new logistics solution. In 2025, the Accused transferred to the same company, which is currently developing a similar solution as CJL. The Accused allegedly took out trade secrets and business materials constituting confidential information before leaving CJL. CJL has initiated legal proceedings against the Accused for the alleged breach of non-compete and confidentiality obligations under their respective employment agreements, violation of Unfair Competition Prevention Act and operational breach of duty under Criminal Acts. This case is currently pending.
6. CJL enters into consignment contracts with distributors who had in turn entered into consignment contracts with seven individual carriers ("**Accused**"). The Accused claimed that the change of transportation route between CJL and distributors (who are in privity of contract with the Accused) caused the applicable transportation rate to be dropped. As the executives of cargo union, the Accused interfered with the transportation work at the CJL's warehouse and caused general traffic obstruction at the adjacent area by driving their vehicles slowly. Accordingly, CJL filed a complaint against the Accused to police station for the obstruction of business by them and for causing general traffic under Criminal Act. This case is under investigation stage of Gyeonggi Gwangju Police Station based on the significant damage to CJL's warehouse.

Nikhil Agarwal

A complaint was filed by Nikhil Agarwal, the President - South Business Unit of our Company (“**Complainant**”) under Section 138 of the Negotiable Instruments Act, 1881, before the Court of Judicial Magistrate, Hisar, against Mr. Kamal Kishore Goyal (“**Accused**”) in respect of loans aggregating to ₹ 22.5 million advanced on January 9, 2014 and ₹9 million advanced on May 23, 2014, repayable with interest (revised from 12% p.a. to 18% p.a.), pursuant to which a sum of ₹ 27.29 million was outstanding as on March 31, 2016, duly acknowledged by the Accused. In discharge of this liability, the Accused issued cheque no. 052547 dated June 1, 2016, for ₹ 27.29 million drawn on Corporation Bank, New Delhi, which was dishonoured on presentation due to “insufficient funds”. Upon failure to make the payment despite receipt of statutory notice, the complaint was filed, and by judgment dated October 27, 2022, the Judicial Magistrate convicted the Accused, and the Accused was sentenced to one-year simple imprisonment and compensation equal to the cheque amount, by order dated November 10, 2022. Nikhil Agarwal subsequently filed a criminal revision petition seeking enhancement of sentence to two years’ rigorous imprisonment along with double the cheque amount, which is currently pending, and the Accused has preferred an appeal against the conviction and sentence which is also currently pending.

Outstanding litigation involving our Group Company which has a material impact on our Company

As on the date of this Draft Red Herring Prospectus, our Group Company is not party to any pending litigation which will have a material impact on our Company.

Other Pending Litigation

A criminal proceeding is also currently pending against Roshan Lal Aggarwal, one of the members of our Promoter Group and an erstwhile promoter and director of our Company, pursuant to an investigation conducted by the Central Bureau of Investigation (“**CBI**”). It was alleged by CBI that Roshan Lal Aggarwal, who was also a director on the board of R.V.S Petrochemical Limited (“**RVS**”) along with the other directors of RVS and certain others were parties to a criminal conspiracy during the year 2001 in the matter of purchase of 5,500 MTs of imported Naphtha. An application for bail was filed by Roshan Lal Aggarwal before the Special Magistrate, CBI Court, Haryana at Ambala (“**Court**”), which was granted till the conclusion of the case. The Court has passed conviction order dated February 18, 2025 (“**Conviction Order**”) and awarded him an imprisonment of 2 years with right given to appeal. Post the passing of the Conviction Order by the Court, Roshan Lal Aggarwal ceased to be a director on the Board. Roshan Lal Aggarwal has preferred appeal before the Special Judge, CBI, Panchkula and the matter is currently pending.

Disclaimer from our Company, our Directors, the Selling Shareholders and BRLMs

Our Company, the Selling Shareholders, our Directors and the BRLMs accept no responsibility for statements made otherwise than in this Draft Red Herring Prospectus or in the advertisements or any other material issued by or at our instance and anyone placing reliance on any other source of information, including our Company’s website www.cjdarcl.com, or the respective websites of our Promoters or any affiliate of our Company would be doing so at his or her own risk.

Each of the Selling Shareholders, severally and not jointly, is providing information in this Draft Red Herring Prospectus or in the advertisements or any other material issued by or at its instance only in relation to itself as a selling shareholder and its respective portion of the Offered Shares, and each of the Selling Shareholders, including its directors, partners, affiliates, associates and officers, accepts and/or undertakes no responsibility for any statements made or undertakings provided, including without limitation, any statement made by or in relation to our Company or its business, other than those specifically undertaken or confirmed by it as a selling shareholder, in relation to itself and its portion of the Offered Shares in this Draft Red Herring Prospectus.

The BRLMs accept no responsibility, save to the limited extent as provided in the Offer Agreement and as will be provided for in the Underwriting Agreement.

All information shall be made available by our Company, the Selling Shareholders and the BRLMs to the Bidders and the public at large and no selective or additional information would be made available for a section of the investors in any manner whatsoever, including at road show presentations, in research or sales reports, at the Bidding Centres or elsewhere.

Bidders will be required to confirm and will be deemed to have represented to our Company, the Selling Shareholders, the Underwriters and their respective directors, officers, agents, affiliates, and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not issue, sell, pledge, or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares. Our Company, the Selling Shareholders, the Underwriters and their respective directors, officers, agents, affiliates, and representatives accept no responsibility or liability for advising any investor on whether such investor is eligible to acquire the Equity Shares.

The BRLMs and their respective associates and affiliates in their capacity as principals or agents may engage in transactions with, and perform services for, our Company, the Selling Shareholders, their respective group companies, affiliates or associates

or third parties in the ordinary course of business and have engaged, or may in the future engage, in commercial banking and investment banking transactions with our Company, the Selling Shareholders, and their respective directors, officers, agents, group companies, affiliates or associates or third parties, for which they have received, and may in the future receive, compensation.

Disclaimer in respect of Jurisdiction

Any dispute arising out of this Offer will be subject to the jurisdiction of appropriate court(s) in New Delhi only.

This Offer is being made in India to persons resident in India (who are competent to contract under the Indian Contract Act, 1872, including Indian nationals resident in India, HUFs, companies, other corporate bodies and societies registered under the applicable laws in India and authorised to invest in equity shares, domestic Mutual Funds registered with SEBI, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to RBI permission), or trusts under applicable trust law and who are authorised under their constitution to hold and invest in equity shares, state industrial development corporations, AIF Accredited Investors, insurance companies registered with IRDAI, provident funds (subject to applicable law) and pension funds, National Investment Fund, insurance funds set up and managed by army, navy or air force of Union of India, insurance funds set up and managed by the Department of Posts, GoI, systemically important NBFCs registered with the RBI) and permitted Non-Residents including FPIs and Eligible NRIs, AIFs and other eligible foreign investors, if any, provided that they are eligible under all applicable laws and regulations to purchase the Equity Shares. This Draft Red Herring Prospectus does not constitute an offer to sell or an invitation to subscribe to Equity Shares offered hereby, in any jurisdiction to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Draft Red Herring Prospectus comes is required to inform him or herself about, and to observe, any such restrictions.

This Draft Red Herring Prospectus does not, however, constitute an offer to sell or an invitation to subscribe to Equity Shares offered hereby, in any jurisdiction to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Draft Red Herring Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions. This Draft Red Herring Prospectus does not constitute an invitation to subscribe to or purchase the Equity Shares offered in the Offer in any jurisdiction, including India. Invitations to subscribe to or purchase the Equity Shares offered in the Offer will be made only pursuant to the Red Herring Prospectus if the recipient is in India or the preliminary offering memorandum for the Offer, which comprises the Red Herring Prospectus and the preliminary international wrap for the Offer, if the recipient is outside India.

Bidders are advised to ensure that any Bid from them does not exceed investment limits or the maximum number of Equity Shares that can be held by them under applicable law.

This Draft Red Herring Prospectus does not constitute an offer to sell or an invitation to subscribe to or purchase the Equity Shares in the Offer in any jurisdiction. Invitations to subscribe to or purchase the Equity Shares in the Offer will be made only pursuant to the Red Herring Prospectus if the recipient is in India or the preliminary offering memorandum for the Offer, which comprises the Red Herring Prospectus.

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that this Draft Red Herring Prospectus has been filed with SEBI for its observations. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and this Draft Red Herring Prospectus may not be distributed, in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Draft Red Herring Prospectus nor any offer for sale shall, under any circumstances, create any implication that there has been no change in the affairs of our Company or the Selling Shareholders since the date of this Draft Red Herring Prospectus or that the information contained herein is correct as of any time subsequent to this date.

No person outside India is eligible to Bid for Equity Shares in the Offer, unless the person has received the preliminary offering memorandum for the Offer, which contains the selling restrictions for the Offer outside India.

Eligibility and Transfer Restrictions

No person outside India is eligible to Bid for Equity Shares in the Offer unless that person has received the preliminary offering memorandum for the Offer, which contains the selling restrictions for the Offer outside India.

The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in 'offshore transactions' as defined in, and in reliance on, Regulation S under the U.S. Securities Act and the applicable laws of the jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Until the expiry of 40 days after the commencement of this Offer, an offer or sale of Equity Shares within the United States by a dealer (whether or not it is participating in this Offer) may violate the registration requirements of the U.S. Securities Act.

Eligible Investors

The Equity Shares are being offered and sold:

- i. outside the United States in “offshore transactions” in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur;

and in each case who are deemed to have made the representations set forth immediately below.

Our Company, the Selling Shareholders, the BRLMs and their affiliates, and others will rely upon the truth and accuracy of the foregoing representation, acknowledgement and agreement.

Bidders are advised to ensure that any Bid from them does not exceed investment limits or the maximum number of Equity Shares that can be held by them under applicable law. Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any offshore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than in accordance with applicable laws.

Notice to Prospective Investors in South Korea

The Equity Shares have not been recommended by, nor registered with, any securities commission or regulatory authority in the Republic of Korea. Furthermore, the foregoing authorities have not confirmed the accuracy or determined the adequacy of this Draft Red Herring Prospectus or approved or disapproved the Equity Shares. Any representation to the contrary may constitute a violation of Korean law.

In making an investment decision, investors must rely on their own examination of our Company and the terms of the Offer, including the merits and risks involved.

The Equity Shares have not been and will not be registered under the Financial Investment Services and Capital Markets Act of Korea (the “FSCMA”), and, unless so registered, may not be offered, sold, or delivered, directly or indirectly, to any person in Korea, or to any resident of Korea, except to promoters or as otherwise permitted under the FSCMA and the applicable regulations thereunder.

Accordingly, the Equity Shares may not be offered or sold, and bids may not be made, by any person in Korea, other than to certain “qualified professional investors” (as defined under the FSCMA), and only in compliance with the FSCMA and the applicable regulations thereunder.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India or any other jurisdiction outside India, and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Disclaimer Clause of BSE

Listing

The Equity Shares proposed to be issued through the Red Herring Prospectus and the Prospectus are proposed to be listed on BSE and NSE. Applications will be made to the Stock Exchanges for obtaining permission to deal in and for an official quotation

of the Equity Shares being offered and transferred in the Offer and [●] will be the Designated Stock Exchange, with which the Basis of Allotment will be finalised for the Offer.

If the permission to deal in and for an official quotation of the Equity Shares is not granted by the Stock Exchanges, our Company shall forthwith repay, without interest, all monies received from the applicants in pursuance of the Red Herring Prospectus in accordance with applicable law. Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading of Equity Shares at the Stock Exchanges are taken within three Working Days from the Bid/Offer Closing Date or such period as may be prescribed by SEBI.

The Company shall refund the money raised in the Offer, together with any interest on such money as required under applicable laws, to the Bidders if required to do so for any reason under applicable laws, including due to failure to obtain listing or trading approval or pursuant to any direction or order of SEBI or any other governmental authority. Each Selling Shareholder shall be, severally and not jointly, liable to refund money raised in the Offer, only to the extent of its Offered Shares, together with any interest on such amount as per applicable laws. Provided that the Selling Shareholders shall not be liable or responsible to pay such interest unless such delay is solely and directly attributable to an act or omission of such Selling Shareholder.

Each of the Selling Shareholders, severally and not jointly, undertake to provide such reasonable support, information and documentation in relation to itself and extend reasonable cooperation as may be required by our Company, as required under Applicable Law in relation to their respective Offered Shares, to facilitate the process of listing the Equity Shares on the Stock Exchanges. All refunds made, interest borne, and expenses incurred (with regard to payment of refunds) by our Company, on behalf of any of the Selling Shareholders, will be adjusted or reimbursed by the Selling Shareholders to our Company, as agreed among our Company and the Selling Shareholders in writing, in accordance with the Offer Agreement and Applicable Law.

Stock Market Data of Equity Shares

This being an initial public offer of Equity Shares of our Company, the Equity Shares are not listed on any stock exchange and accordingly, no stock market data is available for the Equity Shares.

Mechanism for Redressal of Investor Grievances

The Registrar Agreement provides for retention of records with the Registrar to the Offer for a period of at least eight years from the date of listing and commencement of trading of the Equity Shares on the Stock Exchanges or any such period as prescribed under the applicable laws, to enable the investors to approach the Registrar to the Offer for redressal of their grievances. The Registrar to the Offer shall obtain the required information from SCSBs for addressing any clarifications or grievances of ASBA Bidders.

Our Company, the Selling Shareholders, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under the applicable provisions of the SEBI ICDR Regulations.

All Offer related grievances, other than of Anchor Investors, may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary, with whom the Bid cum Application Form was submitted giving full details such as name of the sole or First Bidder, Bid cum Application Form number, Bidder's DP ID, Client ID, PAN, address of the Bidder, number of the Equity Shares applied for, ASBA Account number in which the amount equivalent to the Bid Amount was blocked or the UPI ID (for UPI Bidders), date of Bid cum Application Form and the name and address of the relevant Designated Intermediary where the Bid was submitted. Further, the Bidder shall also enclose the Acknowledgment Slip or the application number from the Designated Intermediary in addition to the documents or information mentioned hereinabove. All grievances relating to Bids submitted with Registered Brokers, may be addressed to the Stock Exchanges, with a copy to the Registrar to the Offer. Further, for grievance redressal contact details of the BRLM pursuant to the SEBI ICDR Master Circular, see "*Offer Procedure – General Instructions*" on page 458.

All Offer-related grievances of the Anchor Investors may be addressed to the Registrar to the Offer, giving full details such as the name of the sole or first bidder, Anchor Investor Application Form number, Bidders' DP ID, Client ID, PAN, date of the Anchor Investor Application Form, address of the Bidder, number of the Equity Shares applied for, Bid Amount paid on submission of the Anchor Investor Application Form and the name and address of the BRLMs where the Anchor Investor Application Form was submitted by the Anchor Investor.

Pursuant to the SEBI ICDR Master Circular, SEBI has identified the need to put in place measures, in order to manage and handle investor issues arising out of the UPI Mechanism *inter alia* in relation to delay in receipt of mandates by Bidders for blocking of funds due to systemic issues faced by Designated Intermediaries/SCSBs and failure to unblock funds in cases of partial allotment/non allotment within prescribed timelines and procedures.

In terms of SEBI ICDR Master Circular and subsequent circulars issued by the SEBI, as may be applicable, any ASBA Bidder whose Bid has not been considered for Allotment, due to failure on the part of any SCSB, shall have the option to seek redressal of the same by the concerned SCSB within three months of the date of listing of the Equity Shares. SCSBs are required to resolve these complaints within 15 days, failing which the concerned SCSB would have to pay interest at the rate of 15% per annum for any delay beyond this period of 15 days. Further, in terms of ICDR Master Circular read with SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations), the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the BRLMs, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB.

In case of any delay in unblocking of amounts in the ASBA Accounts exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the intermediary responsible for causing such delay in unblocking. The BRLMs, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

Separately, pursuant to SEBI ICDR Master Circular, the following compensation mechanism shall be applicable for investor grievances in relation to Bids made through the UPI Mechanism, for which the relevant SCSBs, shall be liable to compensate the investor:

Scenario	Compensation amount	Compensation period
Delayed unblock for cancelled / withdrawn / deleted applications	₹100 per day or 15% per annum of the application amount, whichever is higher	From the date on which the request for cancellation / withdrawal / deletion is placed on the bidding platform of the Stock Exchanges till the date of actual unblock
Blocking of multiple amounts for the same Bid made through the UPI Mechanism	1. Instantly revoke the blocked funds other than the original application amount; and 2. ₹100 per day or 15% per annum of the total cumulative blocked amount except the original application amount, whichever is higher	From the date on which multiple amounts were blocked till the date of actual unblock
Blocking more amount than the Bid Amount	1. Instantly revoke the difference amount, i.e., the blocked amount less the application amount; and 2. ₹100 per day or 15% per annum of the difference amount, whichever is higher	From the date on which the funds to the excess of the application amount were blocked till the date of actual unblock
Delayed unblock for non – Allotted/ partially Allotted applications	₹100 per day or 15% per annum of the application amount, whichever is higher	Since T+3 till the date of actual unblock.

Further, in the event there are any delays in resolving the investor grievance beyond the date of receipt of the complaint from the investor, for each day delayed, the post-Offer BRLMs shall be liable to compensate the investor ₹100 per day or 15% per annum of the Bid Amount, whichever is higher. The compensation shall be payable for the period ranging from the day on which the investor grievance is received till the date of actual unblock.

All grievances relating to Bids submitted with Registered Brokers, may be addressed to the Stock Exchanges, with a copy to the Registrar to the Offer. Further, for grievance redressal contact details of the BRLMs pursuant to the SEBI ICDR Master Circular, see “*Offer Procedure– General Instructions*” on page 458.

Bidders can contact our Company Secretary and Joint Company Secretary and Compliance Officer and/or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of Allotted Equity Shares in the respective beneficiary account, non-receipt of refund orders or non-receipt of funds by electronic mode, etc. For all Offer related queries and for redressal of complaints, Bidders may also write to the BRLMs, in the manner provided below.

All grievances in relation to the Bidding process may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or First Bidder, Bid cum Application Form number, Bidder DP ID, Client ID, PAN, date of the submission of Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for and the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder.

Our Company, each of the Selling Shareholders, severally and not jointly, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under the applicable provisions of the SEBI ICDR Regulations.

All grievances of the Anchor Investors may be addressed to the Registrar to the Offer, giving full details such as the name of the sole or First Bidder, Bid cum Application Form number, Bidders’ DP ID, Client ID, PAN, date of the Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for, Bid Amount paid on submission of the Bid cum Application Form and the name and address of the BRLMs with whom the Bid cum Application Form was submitted by the Anchor Investor. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

Further, the Bidder shall also enclose a copy of the Acknowledgment Slip duly received from the concerned Designated Intermediary in addition to the information mentioned hereinabove.

The Registrar to the Offer shall obtain the required information from the SCSBs for addressing any clarifications or grievances of ASBA Bidders. Our Company, the Selling Shareholders, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under applicable SEBI ICDR Regulations. Investors can contact our Company Secretary and Joint Company Secretary and Compliance Officer, the BRLMs or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode.

Disposal of Investor Grievances by our Company

Our Company has obtained authentication on the SEBI SCORES in terms of the SEBI master circular bearing number SEBI/HO/OIAE/IGRD/P/CIR/2022/0150 dated November 7, 2022 and SEBI circular bearing number SEBI/HO/OIAE/IGRD/CIR/P/2023/156 dated September 20, 2023 in relation to redressal of investor grievances through SCORES.

Our Company has constituted a Stakeholders' Relationship Committee to review and redress the shareholders' and investors' grievances such as transfer of Equity Shares, non-recovery of balance payments, declared dividends, approve subdivision, consolidation, transfer and issue of duplicate shares. For details, please see the section titled "*Our Management – Stakeholders' Relationship Committee*" on page 262. Our Company has also appointed Aarti Bhargava, Company Secretary of our Company, as the Compliance Officer for the Offer. For details, please see the section titled "*General Information – Company Secretary and Compliance Officer*" on page 85.

In the three years preceding the date of this Draft Red Herring Prospectus, our Company has not received any investor complaints. As on the date of this Draft Red Herring Prospectus, there are no pending investor complaints in relation to our Company.

Each of the Selling Shareholders, severally and not jointly, has authorised our Company Secretary and Joint Company Secretary and Compliance Officer of our Company, and the Registrar to the Offer to redress any complaints received from Bidders in respect of the Offer for Sale.

Exemption from complying with any provisions of securities laws, if any, granted by SEBI

Our Company has not sought any exemption from SEBI from complying with any provisions of securities laws, as on the date of this Draft Red Herring Prospectus.

Other confirmations

No person connected with the Offer shall offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any person for making an application in the initial public offer, except for fees or commission for services rendered in relation to the Offer.

There are no findings/observations of any of the inspections by SEBI or any other regulator which are material, and which needs to be disclosed or non-disclosure of which may have bearing on the investment decision in the Offer.

- Right to vote on a poll either in person or by proxy or ‘e-voting’, in accordance with the provisions of the Companies Act;
- Right to receive offers for rights shares and be allotted bonus shares, if announced;
- Right to receive surplus on liquidation, subject to any statutory and preferential claim being satisfied;
- Right of free transferability of their Equity Shares, subject to applicable laws including any RBI rules and regulations; and
- Such other rights, as may be available to a shareholder of a listed public company under the Companies Act, the SEBI Listing Regulations and the Articles of Association.

For a detailed description of the main provisions of the Articles of Association of our Company relating to voting rights, dividend, forfeiture and lien, transfer, transmission and/or consolidation/splitting, see “*Description of Equity Shares and Terms of Articles of Association*” on page 468.

Allotment only in dematerialised form

Pursuant to Section 29 of the Companies Act, 2013 and the SEBI ICDR Regulations, the Equity Shares shall be Allotted only in dematerialised form. As per the SEBI ICDR Regulations and SEBI Listing Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges. In this context, our Company has entered into the following agreements with the respective Depositories and the Registrar:

- Tripartite agreement dated April 6, 2011 amongst our Company, NSDL and the Registrar.
- Tripartite agreement dated April 19, 2011 amongst our Company, CDSL and the Registrar.

Market Lot and Trading Lot

Since trading of the Equity Shares on the Stock Exchanges shall only be in dematerialised form, the tradable lot is one Equity Share. Allotment in this Offer will be only in dematerialised and electronic form in multiples of one Equity Share subject to a minimum Allotment of [●] Equity Shares. For the method of Basis of Allotment, see “*Offer Procedure*” on page 445.

Joint Holders

Subject to the provisions of the Articles of Association, where two or more persons are registered as the holders of the Equity Shares, they will be deemed to hold such Equity Shares as joint tenants with benefits of survivorship.

Jurisdiction

The competent courts/authorities of New Delhi, India will have exclusive jurisdiction in relation to this Offer.

The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in ‘offshore transactions’ as defined in, and in reliance on, Regulation S under the U.S. Securities Act and the applicable laws of the jurisdictions where such offers and sales are made.

Period of operation of subscription list

For details, see “- *Bid/ Offer Programme*” on page 436.

Nomination facility to Bidders

In accordance with Section 72 of the Companies Act, 2013, read with the Companies (Share Capital and Debentures) Rules, 2014, the sole Bidder, or the first Bidder along with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest to the exclusion of all other persons, unless the nomination is varied or cancelled in the prescribed manner. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the

same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale/transfer/alienation of Equity Share(s) by the person nominating. A nomination may be cancelled or varied by nominating any other person in place of the present nominee by the holder of the Equity Shares who has made the nomination by giving a notice of such cancellation. A buyer will be entitled to make a fresh nomination / cancel nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form, which is available on request at our Registered and Corporate Office or to the registrar and transfer agents of our Company.

Further, any person who becomes a nominee by virtue of Section 72 of the Companies Act, 2013 as mentioned above, shall, upon the production of such evidence as may be required by our Board, elect either:

- a) to register himself or herself as the holder of the Equity Shares; or
- b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with respective Depository Participant of the Bidder would prevail. If the Bidder wants to change the nomination, they are requested to inform their respective Depository Participant.

The processing fees for applications made by the UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI master circular (SEBI/HO/CFD/PoD-1/P/CIR/2024/0154 2023) dated November 11, 2024 and SEBI RTA Master Circular.

The above timetable, other than the Bid/Offer Closing Date, is indicative and does not constitute any obligation or liability on our Company, the Selling Shareholders or the BRLMs.

While our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within three Working Days from the Bid / Offer Closing Date, or such other period as prescribed by the SEBI, the timetable may be extended due to various factors, such as extension of the Bid / Offer Period by our Company in consultation with the BRLMs, revision of the Price Band or any delay in receiving the final listing and trading approval from the Stock Exchanges, and delay in respect of final certificates from SCSBs. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. Each Selling Shareholder, severally and not jointly, confirms that it shall extend reasonable assistance as required by our Company and the BRLMs for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchanges within three Working Days from the Bid / Offer Closing Date, or within such other period as prescribed.

SEBI vide circular SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 has reduced the post issue timeline for initial public offerings. The revised timeline of T+3 days has been made applicable in two phases, i.e., voluntary for all public issues opening on or after September 1, 2023 and mandatory on or after December 1, 2023. Accordingly, the Offer will be made under UPI Phase III on mandatory T+3 listing basis, subject to the timing of the Offer and any circulars, clarification or notification issued by the SEBI from time to time, including with respect to SEBI circular SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations).

In terms of the UPI Circulars, in relation to the Offer, the BRLMs will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the allotment and listing procedure within three Working Days from the Bid / Offer Closing Date or such other time as prescribed by SEBI, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it. The BRLMs shall be the nodal entity for any issues arising out of public issuance process.

Pursuant to circular no. NSDL/CIR/II/28/2023 dated August 8, 2023 issued by NSDL and circular no. CDSL/OPS/RTA/POLCY/2023/161 dated August 8, 2023 issued by CDSL, our Company may request the Depositories to suspend/ freeze the ISIN in depository system till listing/ trading effective date. Pursuant to the aforementioned circulars, our Company may request the Depositories to suspend/ freeze the ISIN in depository system from or around the date of the Red Herring Prospectus till the listing and commencement of trading of our Equity Shares. The shareholders who intend to transfer the pre-Offer shares may request our Company and/ or the Registrar for facilitating transfer of shares under suspended/ frozen ISIN by submitting requisite documents to our Company and/ or the Registrar. Our Company and/ or the Registrar would then send the requisite documents along with applicable stamp duty and corporate action charges to the respective depository to execute the transfer of shares under suspended ISIN through corporate action. The transfer request shall be accepted by the Depositories from our Company till one day prior to Bid/ Offer Opening Date.

Any circulars or notifications from SEBI after the date of the Draft Red Herring Prospectus may result in changes to the above mentioned timelines. Further, the offer procedure is subject to change to any revised SEBI circulars to this effect.

Upward Revision of Bids by QIBs and Non-Institutional Investors [#]	Only between 10.00 a.m. on the Bid/Offer Opening Date and up to 4.00 p.m. IST on Bid/Offer Closing Date
Upward or downward Revision of Bids or cancellation of Bids by RIBs and Eligible Employees Bidding in the Employee Reservation Portion	Only between 10.00 a.m. on the Bid/Offer Opening Date and up to 5.00 p.m. IST on Bid/Offer Closing Date

Our Company in consultation with the BRLMs, may decide to close the Bid/ Offer Closing Period for QIBs one Working Day prior to the Bid/ Offer Closing Date, in accordance with the SEBI ICDR Regulations.

** UPI mandate end time and date shall be at 5:00 pm on the Bid/Offer Closing Date.*

[#] QIBs and Non-Institutional Investors can neither revise their bids downwards nor cancel/withdraw their bids.

On the Bid/ Offer Closing Date, the Bids shall be uploaded until:

- (i) 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders, and
- (ii) until 5.00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by RIBs and Eligible Employees Bidding in the Employee Reservation Portion.

On Bid/Offer Closing Date, extension of time may be granted by Stock Exchanges only for uploading Bids received by Retail Individual Bidders, Employees Bidding in the Employee Reservation Portion after taking into account the total number of Bids received up to the closure of timings for acceptance of Bid cum Application Forms as stated herein and as reported by the BRLMs to the Stock Exchanges.

The Registrar to the Offer shall submit the details of cancelled/withdrawn/deleted applications to the SCSB's on daily basis within 60 minutes of the Bid closure time from the Bid/ Offer Opening Date till the Bid/Offer Closing Date by obtaining the same from the Stock Exchanges. The SCSB's shall unblock such applications by the closing hours of the Working Day and submit the confirmation to the Book Running Lead Managers and the RTA on a daily basis, as per the format prescribed in SEBI circular bearing reference number SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 and in accordance with SEBI RTA Master Circular (each to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations). To avoid duplication, the facility of re-initiation provided to Syndicate Members shall preferably be allowed only once per bid/batch and as deemed fit by the Stock Exchanges, after closure of the time for uploading Bids. It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.

It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.

Due to limitation of time available for uploading the Bids on the Bid/ Offer Closing Date, Bidders are advised to submit their Bids one day prior to the Bid/ Offer Closing Date, and are advised to submit their Bids no later than 1:00 p.m. IST on the Bid/ Offer Closing Date. Any time mentioned in this Draft Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bids are received on the Bid/ Offer Closing Date, as is typically experienced in public offerings in India, it may lead to some Bids not being uploaded due to lack of sufficient time to upload. Such Bids that cannot be uploaded will not be considered for allocation under this Offer. None of our Company, Selling Shareholders or any member of the Syndicate is liable for any failure in uploading the Bids due to faults in any software or hardware system or blocking of application amount by SCSBs on receipt of instructions from the Sponsor Bank due to any errors, omissions, or otherwise non-compliance by various parties involved in, or any other fault, malfunctioning or breakdown in the UPI Mechanism. Bids and any revision to the Bids, will be accepted only during Working Days, during the Bid/ Offer Period. Bids will be accepted only during Monday to Friday (excluding any public holiday), during the Bid/Offer period. Investors may please note that as per letter no. List/SMD/SM/2006 dated July 3, 2006 and letter no. NSE/IPO/25101- 6 dated July 6, 2006 issued by BSE and NSE respectively, Bids and any revision in Bids shall not be accepted on Saturdays, Sundays and public holidays as declared by the Stock Exchanges. Bids by ASBA Bidders shall be uploaded by the relevant Designated Intermediary in the electronic system to be provided by the Stock Exchanges.

The Designated Intermediaries shall modify select fields uploaded in the Stock Exchange Platform during the Bid/Offer Period till 5.00 pm on the Bid/Offer Closing Date after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing.

Our Company, in consultation with the BRLMs, reserve the right to revise the Price Band during the Bid/ Offer Period in accordance with the SEBI ICDR Regulations. The revision in the Price Band shall not exceed 20% on either side, i.e. the Floor Price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly. The Floor Price will not be less than the face value of the Equity Shares. In all circumstances, the Cap Price shall be less than or equal to 120% of the Floor Price, subject to minimum 105% of the Floor Price.

In case of revision in the Price Band, the Bid/ Offer Period shall be extended for at least three additional Working Days after such revision, subject to the Bid/ Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar unforeseen circumstances, our Company may in consultation with the BRLMs, for reasons to be recorded in writing, extend the Bid/ Offer Period for a minimum of one Working Day, subject to the Bid/ Offer Period not exceeding 10 Working Days, in compliance with the SEBI ICDR Regulations.

Any revision in Price Band, and the revised Bid/ Offer Period, if applicable, shall be widely disseminated by notification to the Stock Exchanges, by issuing a press release and also by indicating the change on the website of the BRLMs and terminals of the Syndicate Members and by intimation to the Designated Intermediaries. In case of revision of price band, the Bid lot shall remain the same.

In case of discrepancy in data entered in the electronic book vis-vis data contained in the Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges shall be taken as the final data for the purpose of Allotment.

Employee Discount

Employee Discount, if any, will be offered to Eligible Employees bidding in the Employee Reservation Portion respectively. Eligible Employees bidding in the Employee Reservation Portion respectively at a price within the Price Band can make payment based on, Bid Amount net of Employee Discount, if any, at the time of making a Bid. Eligible Employees bidding in the Employee Reservation Portion at the Cut-Off Price have to ensure payment at the Cap Price, less Employee Discount, if any, at the time of making a Bid

Minimum Subscription

In the event our Company does not receive (i) a minimum subscription of 90% of the Fresh Issue, and (ii) a subscription in the Offer as specified under Rule 19(2)(b) of the SCRR, including through devolvement of Underwriters, as applicable, within sixty (60) days from the date of Bid Closing Date, or if the subscription level falls below the thresholds mentioned above after the Bid Closing Date, on account of withdrawal of applications or after technical rejections or any other reason, or if the listing or trading permission is not obtained from the Stock Exchanges for the Equity Shares being offered under the Red Herring Prospectus, our Company shall forthwith refund the entire subscription amount received in accordance with applicable law including the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations) and SEBI ICDR Master Circular. If there is a delay beyond four days, our Company and every Director of our Company who is an officer in default, to the extent applicable, shall pay interest as prescribed under applicable law.

Subject to applicable law, in the event of under-subscription in the Offer, the Equity Shares will be allotted in the following order: (i) such number of Equity Shares comprising 90% of the Fresh Issue, or such other number as required to comply with the minimum subscription to be received in the Offer under applicable law, will be Allotted prior to the sale of Equity Shares in the Offer for Sale; (ii) next all the Equity Shares held by the Selling Shareholders and offered for sale in the Offer will be Allotted in proportion to their respective Offered Shares; and (iii) once Equity Shares have been Allotted as per (i) and (ii) above, such number of Equity Shares will be Allotted by our Company towards the remaining 10% of the Fresh Issue.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of prospective Allottees to whom the Equity Shares will be Allotted will be not less than 1,000, failing which the entire application money shall be unblocked in the respective ASBA Accounts of the Bidders. In case of delay, if any, in unblocking the ASBA Accounts within such timeline as prescribed under applicable laws, our Company and the Selling Shareholders shall be liable to pay interest on the application money in accordance with applicable laws.

Each of the Selling Shareholders shall reimburse any expenses and interest incurred by our Company on its behalf for any delays in making refunds as required under the Companies Act and any other applicable law, provided that such Selling Shareholder shall not be responsible or liable for payment of such expenses or interest, unless such delay is solely and directly attributable to an act or omission of such Selling Shareholder and any expenses and interest shall be paid solely to the extent of its portion of the Offered Shares.

Arrangements for Disposal of Odd Lots

There are no arrangements for disposal of odd lots since our Equity Shares will be traded in dematerialised form only and market lot for our Equity Shares will be one Equity Share.

New Financial Instruments

Our Company is not issuing any new financial instruments through this Offer.

Restrictions, if any on Transfer and Transmission of Equity Shares and on their consolidation or splitting

Except for lock-in of the pre-Offer capital of our Company, lock-in of the Promoters' minimum contribution and Anchor Investor lock-in under the SEBI ICDR Regulations, as detailed in "*Capital Structure*" on page 93 and except as provided under the Articles of Association, there are no restrictions on transfer of the Equity Shares. Further, there are no restrictions on transfer and transmission of any shares of our Company and on their consolidation or splitting, except as provided in the Articles of Association. For details, see "*Description of Equity Shares and Terms of Articles of Association*" beginning on page 468.

Option to receive Equity Shares in dematerialized form

Allotment of Equity Shares to successful Bidders will only be in the dematerialized form. Bidders will not have the option of Allotment of the Equity Shares in physical form. The Equity Shares on Allotment will be traded only in the dematerialized segment of the Stock Exchanges.

Withdrawal of the Offer

Our Company, in consultation with the BRLMs, reserves the right not to proceed with the entire or portion of the Offer for any reason at any time after the Bid / Offer Opening Date but before the Allotment. In such an event, our Company would issue a public notice in the same newspapers, in which the pre-Offer and price band advertisements were published, within two days of the Bid / Offer Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Offer. Further, the Stock Exchanges shall be informed promptly in this regard by our Company and the BRLMs, through the Registrar to the Offer, shall notify the SCSBs and the Sponsor Bank(s) (in case of UPI Bidders) to unblock the bank accounts of the ASBA Bidders within one Working Day from the date of receipt of such notification and also inform the Bankers to the Offer to process refunds to the Anchor Investors, as the case may be. The notice of withdrawal will be issued in the same newspapers where the pre-Offer and price band advertisements have appeared, and the Stock Exchanges will also be informed promptly. In the event of withdrawal of the Offer and subsequently, plans of a fresh offer by our Company, a fresh draft red herring prospectus will be submitted again to SEBI.

If our Company in consultation with the BRLMs withdraws the Offer after the Bid/Offer Closing Date and thereafter determine that they will proceed with a public offering of Equity Shares, our Company will file a fresh draft red herring prospectus with SEBI and the Stock Exchanges.

Notwithstanding the foregoing, this Offer is also subject to obtaining the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment and within three Working Days or such other period as may be prescribed, and the final RoC approval of the Prospectus after it is filed with the RoC. If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount received will be refunded/unblocked within the time prescribed under applicable law.

OFFER PROCEDURE

All Bidders should read the General Information Document for Investing in Public Offers prepared and issued in accordance with the General Information Document which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations which is part of the Abridged Prospectus accompanying the Bid cum Application Form. The General Information Document is available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer, especially in relation to the process for Bids by UPI Bidders through the UPI Mechanism. The investors should note that the details and process provided in the General Information Document should be read along with this section.

Additionally, all Bidders may refer to the General Information Document for information in relation to (i) category of investors eligible to participate in the Offer; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) payment instructions for ASBA Bidders; (v) issuance of Confirmation of Allocation Note and Allotment in the Offer; (vi) general instructions (limited to instructions for completing the Bid cum Application Form); (vii) designated date; (viii) disposal of applications and electronic registration of bids; (ix) submission of Bid cum Application Form; (x) other instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (xi) applicable provisions of Companies Act relating to punishment for fictitious applications; (xii) mode of making refunds; (xiii) price discovery and allocation and (xiv) interest in case of delay in Allotment or refund.

SEBI, through the UPI Circulars, has introduced an alternate payment mechanism using UPI and consequent reduction in timelines for listing in a phased manner. From January 1, 2019, the UPI Mechanism for RIBs applying through Designated Intermediaries was made effective along with the timeline of T+6 days. (“UPI Phase I”). The UPI Phase I was effective till June 30, 2019. Pursuant to its circular SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations), the SEBI has increased the UPI limit from ₹ 0.20 million to ₹ 0.50 million for all the individual investors applying in public issues.

With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by UPI Bidders through Designated Intermediaries (other than SCSBs) issued by SEBI, the existing process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism for such Bids with existing timeline of T+6 days was mandated for a period of three months or launch of five main board public issues, whichever is later (“UPI Phase II”). Subsequently, however, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 had extended the timeline for implementation of UPI Phase II till further notice. The final reduced timeline of T+3 days for the UPI Mechanism for applications by UPI Bidders (“UPI Phase III”) and modalities of the implementation of UPI Phase III was notified by SEBI vide its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 and made effective on a voluntary basis for all issues opening on or after September 1, 2023 and on a mandatory basis for all issues opening on or after December 1, 2023. The Offer will be undertaken pursuant to the processes and procedures under UPI Phase III on a mandatory basis, subject to any circulars, clarification or notification issued by the SEBI from time to time.

Further, pursuant to SEBI RTA Master Circular and SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022 (each to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations), SEBI has introduced certain additional measures for streamlining the process of initial public offers and redressing investor grievances. The SEBI RTA Master Circular consolidated the aforementioned circulars (excluding SEBI circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023) and rescinded these circulars to the extent relevant for RTAs.

Furthermore, pursuant to the SEBI ICDR Master Circular read with SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular), all individual bidders in initial public offerings whose application size are up to ₹0.50 million shall use the UPI Mechanism and provide their UPI ID in the Bid-cum-Application Form for bidding through Syndicate, Sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers. Pursuant to the SEBI ICDR Master Circular read with SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular), applications made using the ASBA facility in initial public offerings shall be processed only after application monies are blocked in the bank accounts of investors (all categories).

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated in accordance with applicable law. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

In terms of Regulation 23(5) and Regulation 52 of SEBI ICDR Regulations, the timelines and processes mentioned in SEBI Circular. No. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 shall continue to form part of the agreements

being signed between the intermediaries involved in the public issuance process and lead managers shall continue to coordinate with intermediaries involved in the said process.

Further, our Company, the Selling Shareholders and the BRLMs are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in the Red Herring Prospectus and the Prospectus.

The BRLMs shall be the nodal entity for any issues arising out of public issuance process.

Our Company, the Selling Shareholders and the Syndicate are not liable for any adverse occurrences consequent to the implementation of the UPI Mechanism for application in this Offer.

Book Building Procedure

The Offer is being made in terms of Rule 19(2)(b) of the SCRR through the Book Building Process in accordance with Regulation 6(1) of the SEBI ICDR Regulations wherein not more than 50% of the Net Offer shall be allocated on a proportionate basis to QIBs, provided that our Company may, in consultation with the BRLMs, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations, of which one-third shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription, or non-allotment in the Anchor Investor Portion, the balance Equity Shares shall be added to the Net QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis only to Mutual Funds, and spill-over from the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Net Offer shall be available for allocation on a proportionate basis to Non-Institutional Bidders out of which (a) one third of such portion shall be reserved for Non-Institutional Bidders with Bid size exceeding ₹ 200,000 and up to ₹ 1,000,000 million; and (b) two third of such portion shall be reserved for Non-Institutional Bidders with Bid size of more than ₹ 1,000,000 million, provided that the unsubscribed portion in either of such sub-categories may be allocated to Non-Institutional Bidders in the other sub-category of Non-Institutional Bidders and not less than 35% of the Net Offer shall be available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. Furthermore, up to [●] Equity Shares, aggregating up to ₹ [●] million shall be made available for allocation on a proportionate basis only to Eligible Employees Bidding in the Employee Reservation Portion, subject to valid Bids being received at or above the Offer Price, if any

Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill-over from any other category or combination of categories of Bidders at the discretion of our Company, in consultation with the BRLMs and the Designated Stock Exchange subject to applicable laws. Under-subscription, if any, in the QIB Portion, would not be allowed to be met with spill-over from any other category or a combination of categories. Further, in the event of an under-subscription in the Employee Reservation Portion, such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹ 200,000, subject to the total Allotment to an Eligible Employee not exceeding ₹ 500,000. The unsubscribed portion, if any, in the Employee Reservation Portion shall be added to the Net Offer

The Equity Shares, on Allotment, shall be traded only in the dematerialized segment of the Stock Exchanges.

Bidders must ensure that their PAN is linked with Aadhaar and are in compliance with the notification by the CBDT dated February 13, 2020 read with press releases dated June 25, 2021 and September 17, 2021, read with press release dated September 17, 2021. CBDT circular no.7 of 2022, dated March 30, 2022, read with press release dated March 28, 2023.

Bidders should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including DP ID, Client ID, PAN and UPI ID, for UPI Bidders using the UPI Mechanism, shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form.

All SCSBs offering the facility of making application in public issues shall also provide facility to make application using UPI. Our Company has appointed the Sponsor Banks to act as a conduit between the Stock Exchanges and National Payments Corporation of India ("NPCI") in order to facilitate collection of requests and/or payment instructions of the UPI Bidders using the UPI.

NPCI through its circular (NPCI/UPI/OC No. 127/ 2021-22) dated December 9, 2021, inter alia, has enhanced the per transaction limit from ₹ 0.20 million to ₹ 0.50 million for applications using UPI in initial public offerings.

Phased implementation of UPI for Bids by RIBs as per the UPI Circulars.

SEBI has issued the UPI Circulars in relation to streamlining the process of public issue of inter alia, equity shares and convertibles by introducing an alternate payment mechanism using UPI. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by RIBs through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced and implanted the UPI Mechanism in three phases in the following manner:

Phase I: This phase was applicable from January 1, 2019, until March 31, 2019 or floating of five main board public issues, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, a RIB had the option to submit the ASBA Form with any of the Designated Intermediary and use his/ her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing continued to be six Working Days.

Phase II: This phase has become applicable from July 1, 2019, and was to initially continue for a period of three months or floating of five main board public issues, whichever is later. SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019, decided to extend the timeline for implementation of UPI Phase II until March 31, 2020. Subsequently, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II till further notice. Under this phase, submission of the ASBA Form by RIBs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds has been discontinued and replaced by the UPI Mechanism. However, the time duration from public issue closure to listing continues to be six Working Days during this phase.

Phase III/T+3:* This phase has become applicable on voluntary basis for public issues opening on or after September 1, 2023 and shall be mandatory for public issues opening on or after December 1, 2023. In this phase, the time duration from public issue closure to listing has been reduced to three Working Days. Accordingly, in Phase III, the reduced time duration shall be applicable for the Offer based on Bid/Offer Opening Date.

Pursuant to the UPI Circulars, SEBI has set out specific requirements for redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the UPI Circulars include, appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications, and the requirement for the bank accounts of unsuccessful Bidders to be unblocked no later than one day from the date on which the Basis of Allotment is finalised. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Additionally, if there is any delay in the redressal of investors' complaints, the relevant SCSB as well as the post-Offer BRLMs will be required to compensate the concerned investor.

All SCSBs offering facility of making application in public issues shall also provide facility to make application using UPI.

Our Company will be required to appoint one of the SCSBs as a sponsor bank to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and/or payment instructions of the UPI Bidders using the UPI.

The processing fees for application made by UPI Bidders using the UPI mechanism may be released to the remitter banks (SCSBs) only after such banks make an application to the BRLMs with a copy to the Registrar, and such application shall be made only after (i) unblocking of application amounts in the bank accounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB in accordance with SEBI circular (SEBI/HO/CFD/DIL2/CIR/P/2022/51) dated April 20, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations).

The Sponsor Bank(s) shall host a web portal for intermediaries (closed user group) from the date of Bid/Offer Opening Date till the date of listing of the Equity Shares with details of statistics of mandate blocks/unblocks, performance of apps and UPI handles, down-time/network latency (if any) across intermediaries and any such processes having an impact/bearing on the Offer bidding process.

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the BRLMs.

The Offer is being made under Phase III of the UPI (on a mandatory basis).

Further, pursuant to SEBI ICDR Master Circular read with the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/45 dated April 5, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations), all UPI Bidders shall provide their UPI ID in the Bid cum Application Form submitted with any of the entities mentioned herein below:

- (i) a syndicate member;
- (ii) a stock broker registered with a recognised stock exchange (and whose name is mentioned on the website of the stock exchange as eligible for this activity);
- (iii) a depository participant (whose name is mentioned on the website of the stock exchange as eligible for this activity);
- (iv) a registrar to an issue and share transfer agent (whose name is mentioned on the website of the stock exchange as eligible for this activity).

Electronic registration of Bids

- (a) The Designated Intermediary may register the Bids using the online facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the online facilities for the Book Building process on a regular basis before the closure of the Offer.
- (b) On the Bid / Offer Closing Date, the Designated Intermediaries may upload the Bids till such time as may be permitted by the Stock Exchanges and as disclosed in the Red Herring Prospectus.
- (c) Only Bids that are uploaded on the Stock Exchanges' platform are considered for allocation / Allotment. The Designated Intermediaries are given till 5:00 pm on the Bid / Offer Closing Date to modify select fields uploaded in the Stock Exchanges' platform during the Bid / Offer Period after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing.
- (d) QIBs and Non-Institutional Bidders can neither revise their bids downwards nor cancel/withdraw their bids.

Bid cum Application Form

Copies of the Bid cum Application Form (other than for Anchor Investors) and the Abridged Prospectus will be available with the Designated Intermediaries at relevant Bidding Centers and at our Registered and Corporate Office. An electronic copy of the ASBA Form will also be available for download on the websites of NSE (www.nseindia.com) and BSE (www.bseindia.com) at least one day prior to the Bid / Offer Opening Date.

UPI Bidders submitting their Bid cum Application Form to any Designated Intermediary (other than SCSBs) shall be required to Bid using the UPI Mechanism and must provide the UPI ID in the relevant space provided in the Bid cum Application Form. Bids submitted by UPI Bidders with any Designated Intermediary (other than SCSBs) without mentioning the UPI ID are liable to be rejected. UPI Bidders Bidding using the UPI Mechanism may also apply through the SCSBs and mobile applications using the UPI handles as provided on the website of SEBI. Applications made using third party bank account or using third party linked bank account UPI ID are liable for rejection.

Further, ASBA Bidders shall ensure that the Bids are submitted at the Bidding Centres only on ASBA Forms bearing the stamp of a Designated Intermediary (except in case of electronic ASBA Forms) and ASBA Forms not bearing such specified stamp maybe liable for rejection. UPI Bidders using UPI Mechanism, will be required to submit their ASBA Forms, including details of their UPI IDs, with the Syndicate, Sub-Syndicate Member(s), Registered Brokers, RTAs or CDPs. RIBs authorising an SCSB

to block the Bid Amount in the ASBA Account may submit their ASBA Forms with the SCSBs. Bidders using the ASBA process to participate in the Offer must ensure that the ASBA Account has sufficient credit balance such that an amount

equivalent to the full Bid Amount can be blocked therein. In order to ensure timely information to investors SCSBs are required to send SMS alerts to investors intimating them about the Bid Amounts blocked / unblocked.

Since the Offer is made under Phase III (on a mandatory basis), ASBA Bidders may submit the ASBA Form in the manner below:

- (i) RIBs (other than UPI Bidders) may submit their ASBA Forms with SCSBs (physically or online, as applicable), or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.
- (ii) UPI Bidders using the UPI Mechanism, may submit their ASBA Forms with the Syndicate, Sub-Syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.
- (iii) QIBs and NIIs not using the UPI Mechanism may submit their ASBA Forms with SCSBs, Syndicate, Sub-Syndicate members, Registered Brokers, RTAs or CDPs.

ASBA Bidders are also required to ensure that the ASBA Account has sufficient credit balance as an amount equivalent to the full Bid Amount which can be blocked by the SCSB or the Sponsor Bank(s), as applicable, at the time of submitting the Bid. In order to ensure timely information to investors, SCSBs are required to send SMS alerts to investors intimating them about Bid Amounts blocked / unblocked.

For all IPOs opening on or after September 1, 2022, as specified in SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations), all the ASBA applications in Public Issues shall be processed only after the application monies are blocked in the investor's bank accounts. Stock Exchanges shall accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked. The circular is applicable for all categories of investors viz. Retail Individual Investors, QIB and NII and also for all modes through which the applications are processed.

UPI Bidders bidding through UPI Mechanism must provide the UPI ID in the relevant space provided in the Bid cum Application Form.

The prescribed colour of the Bid cum Application Forms for various categories is as follows:

2. Bid cum Application Forms for Anchor Investors will be made available at the offices of the BRLMs.
3. Bid Cum Application Forms for Eligible Employees Bidding in the Employee Reservation Portion will be available at the Registered and Corporate Office of our Company.

In case of ASBA Forms, the relevant Designated Intermediaries shall upload the relevant Bid details (including UPI ID in case of ASBA Forms under the UPI Mechanism) in the electronic bidding system of the Stock Exchanges. Designated Intermediaries (other than SCSBs) shall submit / deliver the ASBA Forms (except Bid cum Application Forms submitted by UPI Bidders Bidding using the UPI Mechanism) to the respective SCSB, where the Bidder has a bank account and shall not submit it to any non-SCSB bank or any Escrow Collection Bank(s). NSE circular dated July 22, 2022, with reference no. 23/2022 and BSE circular dated July 22, 2022 with reference no. 20220722-30, has mandated that Trading Members, Syndicate Member(s), RTA and Depository Participants shall submit Syndicate ASBA bids above ₹0.5 million and NII & QIB bids above ₹0.2 million through SCSBs only

For UPI Bidders using the UPI Mechanism, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basis to enable the Sponsor Bank(s) to initiate a UPI Mandate Request to such UPI Bidders for blocking of funds. The Sponsor Bank(s) shall initiate request for blocking of funds through NPCI to UPI Bidders, who shall accept the UPI Mandate Request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. The NPCI shall maintain an audit trail for every Bid entered in the Stock Exchanges bidding platform, and the liability to compensate UPI Bidders (Bidding through UPI Mechanism) in case of failed transactions shall be with the concerned entity (i.e., the Sponsor Bank(s), NPCI or the issuer bank) at whose end the lifecycle of the transaction has come to a halt. The NPCI

shall share the audit trail of all disputed transactions / investor complaints to the Sponsor Bank(s) and the issuer bank. The Sponsor Bank(s) and the Bankers to the Offer shall provide the audit trail to the BRLMs for analysing the same and fixing liability. For ensuring timely information to investors, SCSBs shall send SMS alerts as specified in SEBI ICDR Master Circular read with the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, as amended pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, and SEBI Circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022 each to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations.

Stock Exchanges shall validate the electronic bids with the records of the CDP for DP ID/Client ID and PAN, on a real time basis through API integration and bring inconsistencies to the notice of the relevant Designated Intermediaries, for rectification and re-submission within the time specified by Stock Exchanges. Stock Exchanges shall allow modification of either DP ID/Client ID or PAN ID, bank code and location code in the Bid details already uploaded

In accordance with BSE Circular No: 20220803-40 and NSE Circular No: 25/2022, each dated August 3, 2022, for all pending UPI Mandate Requests, the Sponsor Bank shall initiate requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 5:00 pm on the Bid/Offer Closing Date (“**Cut-Off Time**”). Accordingly, UPI Bidders should accept UPI Mandate Requests for blocking of funds prior to the Cut-Off Time and all pending UPI Mandate Requests at the Cut-Off Time shall lapse. The Sponsor Bank(s) will undertake a reconciliation of Bid responses received from Stock Exchanges and sent to NPCI and will also ensure that all the responses received from NPCI are sent to the Stock Exchanges platform with detailed error code and description, if any. Further, the Sponsor Bank(s) will undertake reconciliation of all Bid requests and responses throughout their lifecycle on daily basis and share reports with the BRLMs in the format and within the timelines as specified under the UPI Circulars. Sponsor Bank(s) and issuer banks shall download UPI settlement files and raw data files from the NPCI portal after every settlement cycle and do a three-way reconciliation with Banks UPI switch data, CBS data and UPI raw data. NPCI is to coordinate with issuer banks and Sponsor Bank(s) on a continuous basis.

The Sponsor Bank(s) shall host a web portal for intermediaries (closed user group) from the date of Bid / Offer Opening Date till the date of listing of the Equity Shares with details of statistics of mandate blocks / unblocks, performance of apps and UPI handles, down-time / network latency (if any) across intermediaries and any such processes having an impact / bearing on the Offer Bidding process.

The processing fees for applications made by the UPI Bidders using the UPI Mechanism may be released to the SCSBs only after such SCSBs provide a written confirmation in compliance with the SEBI RTA Master Circular, in a format prescribed by SEBI or applicable law.

Pursuant to NSE circular dated August 3, 2022 with reference no. 25/2022, the following is applicable to all initial public offers opening on or after September 1, 2022:

Eligible NRIs Bidding on a repatriation basis by using the Non-Resident Forms should authorise their SCSBs (if they are Bidding directly through the SCSB) or confirm or accept the UPI Mandate Request (in case of UPI Bidders Bidding through the UPI Mechanism) to block their NRE Account, or Foreign Currency Non-Resident Accounts (“**FCNR Account**”), and Eligible NRIs bidding on a non-repatriation basis by using Resident Forms should authorise their SCSBs or confirm or accept the UPI Mandate Request (in case of UPI Bidders Bidding through the UPI Mechanism) to block their NRO Accounts for the full Bid amount, at the time of submission of the Bid cum Application Form. Participation of Eligible NRIs in the Offer shall be subject to the

FEMA regulations. NRIs applying in the Offer through the UPI Mechanism are advised to enquire with the relevant bank, whether their account is UPI linked, prior to submitting a Bid cum Application Form.

In accordance with the FEMA Rules, the total holding by any individual NRI, on a repatriation basis, shall not exceed 5% of the total paid-up equity capital on a fully diluted basis or shall not exceed 5% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all NRIs and OCIs put together shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or shall not exceed 10% of the paid-up value of each series of debentures or preference shares or share warrant. Provided that the aggregate ceiling of 10% may be raised to 24% if a special resolution to that effect is passed by the general body of the Indian company.

Eligible NRIs will be permitted to apply in the Offer through Channel I or Channel II (as specified in the SEBI UPI Circulars). Further, subject to applicable law, Eligible NRIs may use Channel IV (as specified in the SEBI UPI Circulars) to apply in the Offer, provided the UPI facility is enabled for their NRE / NRO accounts.

Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents ([●] in colour).

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents ([●] in colour).

By way of Press Note 1 (2021 Series) dated March 19, 2021, issued by the DPIIT, it has been clarified that an investment made by a NRI or an Indian entity which is owned and controlled by NRIs on a non-repatriation basis, shall not be considered for calculation of indirect foreign investment.

For details of restrictions on investment by NRIs, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 466.

Bids by HUFs

Bids by Hindu Undivided Families or HUFs should be made in the individual name of the Karta. The Bidder should specify that the Bid is being made in the name of the HUF in the Bid cum Application Form / Application Form as follows: “Name of sole or First Bidder: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the Karta”. Bids/applications by HUFs will be considered at par with Bids/applications from individuals.

Bids by FPIs

In terms of applicable FEMA Rules and the SEBI FPI Regulations, investments in Equity Share Capital by a single FPIs or an investor group (which means multiple entities registered as foreign portfolio investors and directly and indirectly having common ownership of more than 50% or common control) must be below 10% of our post-Offer equity share capital on a fully diluted basis. Further, in terms of the applicable FEMA Rules the total holding by each FPI or an investor group cannot exceed 10% of the total paid-up equity share capital of our Company on a fully diluted basis, as applicable and the aggregate holdings of all the FPIs, including any other direct and indirect foreign investments in our Company, shall not exceed 24% of the total paid-up equity share capital on a fully diluted basis, as applicable.

In terms of applicable FEMA Rules and the SEBI FPI Regulations, investments by FPIs in the capital of an Indian entity is subject to certain limits, *i.e.*, the individual holding of an FPI (including its investor group (which means multiple entities registered as foreign portfolio investors and directly or indirectly, having common ownership of more than 50% or common control)) shall be below 10% of our post-Offer equity share capital of our Company on a fully diluted basis. In case the total holding of an FPI or investor group increase beyond 10% of the total paid-up equity share capital of our Company, on a fully diluted basis, the total investment made by the FPI or investor group will be re-classified as FDI subject to the conditions as specified by SEBI and the RBI in this regard and our Company and the investor will be required to comply with applicable reporting requirements. Further, the total holdings of all FPIs put together can be up to the sectoral cap applicable to the sector in which our Company operates (*i.e.*, up to 100%). In terms of the FEMA Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included. Our Company has increased the aggregate limit of investment by non-resident Indians in our Company from 10% to 24% of the paid-up equity share capital by a resolution of our Board dated August 16, 2024 and a resolution by our Shareholders dated September 4, 2024. In terms of the FEMA Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included

In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company in consultation with BRLMs, reserve the right to reject any Bid without assigning any reason. FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for Non-Residents ([●] in colour).

FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions specified under the FEMA Rules and as specified by the GoI from time to time

To ensure compliance with the above requirement, SEBI, pursuant to its circular dated July 13, 2018, has directed that at the time of finalisation of the Basis of Allotment, the Registrar shall (i) use the PAN issued by the Income Tax Department of India for checking compliance for a single FPI; and (ii) obtain validation from Depositories for the FPIs who have invested in the Offer to ensure there is no breach of the investment limit, within the timelines for issue procedure, as prescribed by SEBI from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI is permitted to issue, subscribe to, or otherwise deal in offshore derivative instruments, directly or indirectly, only if it complies with the following conditions:

- (a) such offshore derivative instruments are issued only by persons registered as Category I FPIs;
- (b) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs;
- (c) such offshore derivative instruments are issued after compliance with the 'know your client' norms as specified by SEBI; and
- (d) such other conditions as may be specified by SEBI from time to time.

An FPI is required to ensure that the transfer of an offshore derivative instruments issued by or on behalf of it, is subject to (a) the transfer being made to persons which fulfil the criteria provided under Regulation 21(1) of the SEBI FPI Regulations (as mentioned above from points (a) to (d)); and (b) prior consent of the FPI is obtained for such transfer, except in cases, where the persons to whom the offshore derivative instruments are to be transferred, are pre-approved by the FPI.

Bids by following FPIs, submitted with the same PAN shall be treated as multiple Bids and are liable to be rejected, except for Bids from FPIs that utilize the multiple investment manager structure in accordance with the Operational Guidelines for FPI and Designated Depository Participants issued to facilitate implementation of SEBI FPI Regulations (such structure referred to as "MIM Structure" provided such Bids have been made with different beneficiary account numbers, Client IDs and DP IDs shall not be treated as multiple Bids:

- FPIs which utilise the multi-investment manager structure;
- Offshore derivative instruments which have obtained separate FPI registration for ODI and proprietary derivative investments;
- Sub funds or separate class of investors with segregated portfolio who obtain separate FPI registration;
- FPI registrations granted at investment strategy level / sub fund level where a collective investment scheme or fund has multiple investment strategies / sub-funds with identifiable differences and managed by a single investment manager.
- Multiple branches in different jurisdictions of foreign bank registered as FPIs;
- Government and Government related investors registered as Category I FPIs; and
- Entities registered as collective investment scheme having multiple share classes.

The Bids belonging to any of the above mentioned seven structures and having same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares allotted in the Bid may be proportionately distributed to the applicant FPIs (with same PAN).

Accordingly, it should be noted that multiple Bids received from FPIs, who do not utilize the MIM Structure, and bear the same PAN, are liable to be rejected. In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation along with each of their Bid cum Application Forms that the relevant FPIs making multiple Bids utilize any of the above-mentioned structures and indicate the name of their respective investment managers in such confirmation. In the absence of such compliance from the relevant FPIs with the operational guidelines for FPIs and designated Collecting Depository Participants issued to facilitate implementation of SEBI FPI Regulations, such multiple Bids shall be rejected.

Participation of FPIs in the Offer shall be subject to the FEMA Rules.

There is no reservation for Eligible NRI Bidders, AIFs and FPIs. All Bidders will be treated on the same basis with other categories for the purpose of allocation.

Bids by SEBI registered VCFs, AIFs and FVCIs

The SEBI AIF Regulations, as amended prescribe, amongst others, the investment restrictions on AIFs. Post the repeal of the Securities and Exchange Board of India (Venture Capital Funds) Regulations, 1996, venture capital funds which have not re-registered as AIFs under the SEBI AIF Regulations shall continue to be regulated by the Securities and Exchange Board of India (Venture Capital Funds) Regulations, 1996 until the existing fund or scheme managed by the fund is wound up and such fund shall not launch any new scheme after the notification of the SEBI AIF Regulations. The SEBI FVCI Regulations as amended prescribe the investment restrictions on FVCIs.

The Category I and II AIFs cannot invest more than 25% of their investible funds in one investee company. A Category III AIF cannot invest more than 10% of its investible funds in one investee company. A VCF registered as a Category I AIF, cannot invest more than one-third of its investible funds, in the aggregate, in certain specified instruments, including by way of subscription to an initial public offering of a venture capital undertaking. The holding in any company by any individual VCF registered with SEBI should not exceed 25% of the corpus of the VCF. An FVCI can invest only up to 33.33% of its investible funds, in the aggregate, in certain specified instruments, which includes subscription to an initial public offering of a venture capital undertaking or an investee company (as defined under the SEBI AIF Regulations) whose shares are proposed to be listed.

Participation of AIFs, VCFs and FVCIs shall be subject to the FEMA Rules. For details, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 466.

All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.

Our Company, the Selling Shareholders or the BRLMs will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Bids by Eligible Employees

The Bid must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter so as to ensure that the Bid Amount payable by the Eligible Employee does not exceed ₹500,000. The Allotment in the Employee Reservation Portion will be on a proportionate basis. Eligible Employees under the Employee Reservation Portion may Bid at Cut-off Price provided that the Bid does not exceed ₹500,000.

However, Allotments to Eligible Employees in excess of ₹200,000 shall be considered on a proportionate basis, in the event of undersubscription in the Employee Reservation Portion, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000. Subsequent undersubscription, if any, in the Employee Reservation Portion shall be added back to the Net Offer. Eligible Employees Bidding in the Employee Reservation Portion may Bid at the Cut-off Price.

Bids under Employee Reservation Portion by Eligible Employees shall be:

- (a) Made only in the prescribed Bid cum Application Form or Revision Form (*i.e.*, Pink colour form).
- (b) The Bidder should be an Eligible Employee as defined. In case of joint bids, the first Bidder shall be an Eligible Employee.
- (c) Only Eligible Employees would be eligible to apply in this Offer under the Employee Reservation Portion.
- (d) Only those Bids, which are received at or above the Offer Price would be considered for Allotment under this category.
- (e) Eligible Employees can apply at Cut-off Price.
- (f) If the aggregate demand in this category is less than or equal to [●] Equity Shares at or above the Offer Price, full allocation shall be made to the Eligible Employees to the extent of their demand.
- (g) Under-subscription, if any, in the Employee Reservation Portion will be added back to the Net Offer.

In case of under-subscription in the Net Offer, spill over to the extent of under-subscription shall be permitted from the Employee Reservation Portion. If the aggregate demand in this category is greater than [●] Equity Shares at or above the Offer Price, the allocation shall be made on a proportionate basis.

Please note that any individuals who are directors, employees or promoters of (a) the Lead Managers, Registrar to the Offer, or the Syndicate Members, or of the (b) 'associate companies' (as defined in the Companies Act, 2013, as amended) and 'group companies' of such Lead Managers, Registrar to the Offer or Syndicate Members are not eligible to bid in the Employee Reservation Portion.

Bids by limited liability partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Our Company and the Selling Shareholders, specifically confirm and declare that all monies received out of the Offer shall be transferred to a separate bank account other than the bank account referred to in sub-section 3 of Section 40 of the Companies Act, 2013.

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The RBI and the concerned ministries/departments are responsible for granting approval for foreign investment. The Government has from time to time made policy pronouncements on foreign direct investment (“FDI”) through press notes and press releases. The DPIIT, issued the Consolidated FDI Policy Circular of 2020 (“**FDI Policy**”), which, with effect from October 15, 2020, subsumes and supersedes all press notes, press releases, clarifications, circulars issued by the DPIIT, which were in force as on October 15, 2020. FDI in companies engaged in sectors/ activities which are not listed in the FDI Policy is permitted up to 100% of the paid up share capital of such company under the automatic route, subject to compliance with certain prescribed conditions. The FDI Policy will be valid and remain in force until superseded in totality or in part thereof. For further details, see “*Key Regulations and Policies in India*” on page 230.

Under the current FDI Policy, 100% foreign direct investment is permitted in the logistics sector under the automatic route, subject to compliance with certain prescribed conditions. The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the RBI, provided that (i) the activities of the investee company are under the automatic route under the FDI policy and transfer does not attract the provisions of the Takeover Regulations; (ii) the non-resident shareholding is within the sectoral limits under the FDI policy; and (iii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI. For further details of the aggregate limit for investments by NRIs and FPIs in our Company, see “*Offer Procedure – Bids by Eligible NRIs*” and “*Offer Procedure – Bids by FPIs*” on pages 451 and 452, respectively.

As per the existing policy of the Government of India, OCBs cannot participate in this Offer. For further details, see “*Offer Procedure*” on page 445.

Further, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the FEMA Rules, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, will require prior approval of the Government of India, as prescribed in the FDI Policy and the FEMA Rules. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government of India. Furthermore, on April 22, 2020, the Ministry of Finance, Government of India has also made similar amendment to the FEMA Rules. Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required, and such approval has been obtained, the Bidder shall intimate our Company and the Registrar in writing about such approval along with a copy thereof within the Offer Period.

Foreign Exchange Laws

The foreign investment in our Company is governed by *inter alia* the FEMA, the FEMA Rules, the FDI Policy issued and amended by way of press notes, and the SEBI FPI Regulations.

In terms of the FEMA Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included. The aggregate limit for FPI investments shall be the sectoral cap applicable to our Company. In accordance with the FEMA Rules, the total holding by any individual NRI, on a non-repatriation basis and repatriation basis, shall not exceed 5% of the total paid-up equity capital on a fully diluted basis or shall not exceed five percent of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company and the total holdings of all NRIs and OCIs put together shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or shall not exceed 10% of the paid-up value of each series of debentures or preference shares or share warrant. Provided that the aggregate ceiling of 10% may be raised to 24% if a special resolution to that effect is passed by the general body of the Indian company. For details of the aggregate limit for investments by NRIs and FPIs in our Company, see “*Offer Procedure – Bids by Eligible NRIs*” and “*Offer Procedure – Bids by FPIs*” on pages 451 and 452, respectively.

The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in accordance with any applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in ‘offshore transactions’ as defined in, and in reliance on, Regulation S under the U.S. Securities Act and the applicable laws of the jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Bidders. Our Company, the Selling Shareholders and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or Regulations.

SECTION VIII: DESCRIPTION OF EQUITY SHARES AND TERMS OF ARTICLES OF ASSOCIATION

Capitalised terms used in this section have the meaning that has been given to such terms in the Articles of Association of our Company. The provisions of the Articles of Association of our Company are detailed below. No material clause of the Articles of Association having bearing on the Offer or the disclosures required in this Draft Red Herring Prospectus has been omitted.

As on date of this Draft Red Herring Prospectus, the provisions of the Articles of Association of our Company are in compliance with the Companies Act.

The Articles of Association of our Company comprise of two parts, Part A and Part B, which parts shall, unless the context otherwise requires, co-exist with each other until the date of receipt of the final listing and trading approval from the stock exchanges for commencement of trading of the equity shares of our Company in relation to the proposed initial public offering of the equity shares of our Company (the “IPO” of the “Equity Shares” of our Company). In case of any inconsistency or contradiction, conflict or overlap between Part A and Part B, the provisions of Part B shall prevail and be applicable. All articles of Part B shall automatically terminate and cease to have any force and effect from the date of receipt of the final listing and trading approvals from the stock exchanges for commencement of trading of the equity shares of our Company in relation to the proposed Offer of our Company and the provisions of Part A shall continue to be in effect and be in force, without any further corporate or other action, by our Company or by its shareholders.

PART A

This set of Articles of Association has been approved pursuant to the provisions of Section 14 of the Companies Act, 2013 and by a special resolution passed at the Extra-ordinary General Meeting of CJ Darcl Logistics Limited (the “Company”) held on September 28, 2025. These Articles have been adopted as the Articles of Association of the Company in substitution for and to the exclusion of all the existing Articles thereof.

PRELIMINARY

1. The regulations contained in Table F of Schedule I of the Companies Act, 2013, as amended and the exemptions (from time to time) granted, issued or notified by any governmental authority shall apply to the Company so far as they are applicable to a public company, and to the extent not inconsistent with these Articles.
2. The regulations for the management of the Company and for the observance by the members thereto and their representatives, shall, subject to any exercise of the statutory powers of the Company with reference to the deletion or alteration of or addition to its regulations by resolution as prescribed or permitted by the Companies Act, 2013, as amended from time to time, be such as are contained in these Articles.
3. The Articles of Association of the Company comprise of two parts, Part A and Part B, which parts shall, unless the context otherwise requires, co-exist with each other until the date of receipt of the final listing and trading approval from the stock exchanges for commencement of trading of the equity shares of the Company (“Listing Date”) in relation to the proposed initial public offering of the equity shares of the Company (the “IPO” of the “Equity Shares” of the Company). In case of any inconsistency or contradiction, conflict or overlap between Part A and Part B, the provisions of Part B shall prevail and be applicable. All provisions / articles, as applicable of Part B shall automatically terminate on and from the Listing Date or such earlier date as prescribed by SEBI and the provisions of Part A shall continue to be in effect and be in force, without any further corporate or other action, by the Company or by its shareholders.
4. Any consent or waiver in respect of the relevant provisions of the Agreement shall be deemed to be a consent or waiver under the corresponding provisions of Part B of these Articles.

SHARE CAPITAL AND VARIATION OF RIGHTS

2. AUTHORISED SHARE CAPITAL

The authorised share capital of the Company shall be such amount, divided into such class(es), denomination(s) and number of shares in the Company as stated in Clause V of the Memorandum of Association, with power to increase or reduce such capital from time to time and power to divide the shares in the capital for the time being into other classes and to attach thereto respectively such preferential, convertible, deferred, qualified, or other special rights, privileges, conditions or restrictions and to vary, modify or abrogate the same in such manner as may be determined by or in accordance with the Articles, subject to the provisions of applicable law for the time being in force.

3. NEW CAPITAL PART OF THE EXISTING CAPITAL

Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered as part of the existing capital, and shall be subject to the provisions herein contained, with reference to the payment of calls and installments, forfeiture, lien, surrender, transfer and transmission, voting and otherwise.

4. KINDS OF SHARE CAPITAL

The Company may issue the following kinds of shares in accordance with these Articles, the Act and other applicable laws:

- a. Equity Share capital:
 - i. with voting rights; and/or
 - ii. with differential rights as to dividend, voting or otherwise in accordance with the Act; and
- b. Preference share capital.

5. SHARES AT THE DISPOSAL OF THE DIRECTORS

Subject to the provisions of the Act and these Articles, the shares in the capital of the Company shall be under the control of the Board of Directors who may issue, allot or otherwise dispose of all or any of such shares to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit and with the sanction of the Company in General Meeting give to any person the option or right to call for any shares either at par or at a premium during such time and for such consideration as the Board of Directors think fit.

6. CONSIDERATION FOR ALLOTMENT

The Board of Directors may issue and allot shares of the Company as payment in full or in part, for any property/assets purchased by the Company or in respect of goods sold or transferred or machinery or appliances supplied or for services rendered to the Company in the acquisition and/or in the conduct of its business; and any shares which may be so allotted may be issued as fully paid up shares and if so issued shall be deemed as fully paid up shares.

7. SUB-DIVISION, CONSOLIDATION AND CANCELLATION OF SHARE CAPITAL

Subject to the provisions of the Act, the Company in its General Meetings may, by an Ordinary Resolution, from time to time:

- a. increase the share capital by such sum, to be divided into shares of such amount as it thinks expedient;
- b. sub-divide or consolidate its shares, or any of them, and the resolution whereby any share is sub-divided, may determine that as between the holders of the shares resulting from such sub-division one or more of such shares have some preference or special advantage in relation to dividend, capital or otherwise as compared with the others;
- c. cancel shares which at the date of such General Meeting have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled;
- d. consolidate and divide all or any of its share capital into shares of larger amount than its existing shares; provided that any consolidation and division which results in changes in the voting percentage of Members shall require applicable approvals under the Act; and
- e. convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination.
- f. The cancellation of Shares under point (c) above shall not be deemed to be a reduction of the authorised share capital

8. FURTHER ISSUE OF SHARES

- 8.1 Where at any time the Board or the Company, as the case may be, propose to increase the subscribed capital by the issue of further shares then such shares shall be offered, subject to the provisions of section 62 of the Act, and the rules made thereunder:

- a. to the persons who at the date of the offer are holders of the Equity Shares of the Company, in proportion as nearly as circumstances admit, to the paid-up share capital on those shares by sending a letter of offer subject to the conditions mentioned in (ii) to (iv) below;
- b. The offer aforesaid shall be made by notice specifying the number of shares offered and limiting a time not being less than fifteen days (or such lesser number of days as may be prescribed under applicable law) and not exceeding thirty days from the date of the offer, within which the offer if not accepted, shall be deemed to have been declined.

Provided that the notice shall be dispatched through registered post or speed post or through electronic mode or courier or any other mode having proof of delivery to all the existing shareholders at least three days before the opening of the issue;

- c. The offer aforesaid shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person and the notice referred to in sub-clause (ii) shall contain a statement of this right;
- d. After the expiry of time specified in the notice aforesaid or on receipt of earlier intimation from the person to whom such notice is given that the person declines to accept the shares offered, the Board of Directors may dispose of them in such manner which is not disadvantageous to the Members and the Company;

- e. to employees under any scheme of employees' stock option subject to Special Resolution passed by the shareholders of the Company and subject to the rules and such other conditions, as may be prescribed under applicable law; or
- f. to any person(s), if it is authorised by a Special Resolution, whether or not those persons include the persons referred to in Article 8.1 (a) or Article 8.1 (b) above either for cash or for a consideration other than cash, if the price of such shares is determined by the valuation report of a registered valuer subject to such conditions as may be prescribed under the Act and the rules made thereunder; provided that in respect of issue of shares as aforesaid, subsequent to listing of the equity shares of the Company on the Exchange(s) pursuant to the IPO, the price of the shares shall be determined in accordance with applicable provisions of regulations made by Securities and Exchange Board of India and/or other applicable laws and the requirement for determination of price through valuation report of a registered valuer under the Act and the rules made thereunder shall not be applicable unless otherwise required under the provisions of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.

8.2 Nothing in Article 8.1(a)(iii) shall be deemed:

- a. To extend the time within which the offer should be accepted; or
- b. To authorize any person to exercise the right of renunciation for a second time on the ground that the person in whose favour the renunciation was first made has declined to take the shares comprised in the renunciation.

8.3 Nothing in this Article shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the debentures issued or loans raised by the Company to convert such debentures or loans into shares in the Company or to subscribe for shares of the Company

Provided that the terms of issue of such debentures or loans containing such an option have been approved before the issue of such debentures or the raising of such loans by a Special Resolution passed by the Company in a General Meeting.

8.4 Notwithstanding anything contained in Article 8.3 hereof, where any debentures have been issued, or loan has been obtained from any government by the Company, and if that government considers it necessary in the public interest so to do, it may, by order, direct that such debentures or loans or any part thereof shall be converted into shares in the Company on such terms and conditions as appear to the Government to be reasonable in the circumstances of the case even if terms of the issue of such debentures or the raising of such loans do not include a term for providing for an option for such conversion:

Provided that where the terms and conditions of such conversion are not acceptable to the Company, it may, within sixty days from the date of communication of such order, appeal to National Company Law Tribunal which shall after hearing the Company and the Government pass such order as it deems fit.

A further issue of shares may be made in any manner whatsoever as the Board may determine including by way of preferential offer or private placement, subject to and in accordance with the Act and the rules made thereunder.

9. ISSUE OF FURTHER SHARES NOT TO AFFECT RIGHTS OF EXISTING MEMBERS

The rights conferred upon the holders of the Shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the Shares of that class, be deemed to be varied by the creation or issue of further Shares ranking pari-passu therewith.

10. RIGHT TO CONVERT DEBENTURES AND LOANS INTO CAPITAL

Notwithstanding anything contained in sub-clauses(s) of Article 8 above, but subject, however, to the provisions of the Act, the Company may increase its subscribed capital on exercise of an option attached to the debentures or loans raised by the Company to convert such debentures or loans into shares or to subscribe for shares in the Company.

11. ALLOTMENT ON APPLICATION TO BE ACCEPTANCE OF SHARES

Any application signed by or on behalf of an applicant for shares in the Company followed by an allotment of any shares therein, shall be an acceptance of shares within the meaning of these Articles, and every person who thus or otherwise accepts any shares and whose name is on the Register of Members, shall, for the purpose of these Articles, be a Member.

12. RETURN ON ALLOTMENTS TO BE MADE OR RESTRICTIONS ON ALLOTMENT

The Board shall observe the restrictions as regards allotment of shares to the public contained in the Act, and as regards return on allotments, the Directors shall comply with applicable provisions of the Act.

13. **MONEY DUE ON SHARES TO BE A DEBT TO THE COMPANY**

The money (if any) which the Board shall, on the allotment of any shares being made by them, require or direct to be paid by way of deposit, call or otherwise in respect of any shares allotted by them, shall immediately on the inscription of the name of allottee in the Register as the name of the holder of such shares, become a debt due to and recoverable by the Company from the allottee thereof, and shall be paid by him accordingly.

14. **INSTALLMENTS ON SHARES**

If, by the conditions of allotment of any shares, whole or part of the amount or issue price thereof shall be payable by installments, every such installment shall, when due, be paid to the Company by the person who, for the time being and from time to time, shall be the registered holder of the share or his legal representative.

15. **MEMBERS OR HEIRS TO PAY UNPAID AMOUNTS**

Every Member or his heirs, executors or administrators shall pay to the Company the portion of the capital represented by his share or shares which may, for the time being remain unpaid thereon, in such amounts, at such time or times and in such manner, as the Board shall from time to time, in accordance with these Articles require or fix for the payment thereof.

16. **VARIATION OF SHAREHOLDERS' RIGHTS**

- a. If at any time the share capital of the Company is divided into different classes of shares, the rights attached to the shares of any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to provisions of the Act and whether or not the Company is being wound up, be varied with the consent in writing of the holders of not less than three-fourth of the issued shares of that class or with the sanction of a Special Resolution passed at a separate meeting of the holders of the issued shares of that class, as prescribed by the Act.
- b. Subject to the provisions of the Act, to every such separate meeting, the provisions of these Articles relating to meeting shall *mutatis mutandis* apply.

17. **PREFERENCE SHARES**

a. **Redeemable Preference Shares**

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have the power to issue on a cumulative or non-cumulative basis, preference shares liable to be redeemed in any manner permissible under the Act, and the Directors may, subject to the applicable provisions of the Act, exercise such power in any manner as they deem fit and provide for redemption of such shares on such terms including the right to redeem at a premium or otherwise as they deem fit.

b. **Convertible Redeemable Preference Shares**

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have power to issue on a cumulative or non-cumulative basis convertible redeemable preference shares liable to be redeemed in any manner permissible under the Act and the Directors may, subject to the applicable provisions of the Act, exercise such power as they deem fit and provide for redemption at a premium or otherwise and/or conversion of such shares into such securities on such terms as they may deem fit.

c. **Compulsorily Convertible Preference Shares**

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have power to issue on a cumulative or non-cumulative basis compulsorily convertible preference shares, subject to the applicable provisions of the Act, exercise such power as they deem fit and provide for conversion of such shares into such securities on such terms as they may deem fit.

18. **PAYMENTS OF INTEREST OUT OF CAPITAL**

The Company shall have the power to pay interest out of its capital on so much of the shares which have been issued for the purpose of raising money to defray the expenses of the construction of any work or building for the Company in accordance with the Act.

19. **COMPROMISE, ARRANGEMENTS AND AMALGAMATIONS**

Subject to the applicable provisions of the Act, the Company is empowered to enter into any Schemes of Arrangement or compromises with its creditors and/or members of the Company and/or any class of such creditors or members, including but not limited to hive-off or demerger of any of its business or units and also to amalgamate or cause itself to be amalgamated with any other person, firm or body corporate.

SHARE CERTIFICATES

20. **ISSUE OF SHARE CERTIFICATE**

Every Member shall be entitled, without payment, to one share certificate for all the shares of each class or denomination registered in his name, or if the Directors so approve (upon paying such fee as the Directors so determine) to several share certificates, each for one or more of such shares and the Company shall complete and have ready for delivery such share certificates, unless prohibited by any provision of law or any order of court, tribunal or other authority having jurisdiction, within two (2) months from the date of allotment, or within one (1) month of the receipt of application of registration of transfer, transmission, sub division, consolidation or renewal of any of its shares as the case maybe or within a period of six (6) months from the date of allotment in the case of any allotment of debenture. In respect of any share or shares held jointly by several persons, the Company shall not be bound to issue more than one share certificate, and delivery of a share certificate for a share to one of several joint holders shall be sufficient delivery to all such joint holders.

New share certificates shall also be issued in the event of consolidation or sub-division of shares of the Company. Every such share certificate shall be issued in the manner prescribed under Section 46 of the Act and the rules framed thereunder.

Particulars of every share certificate issued shall be entered in the register of members against the name of the person, to whom it has been issued, indicating the date of issue. Every share certificate shall specify the shares to which it relates and the amount paid-up thereon and shall be signed by two Directors or by a Director and the company secretary, wherever the Company has appointed a company secretary.

21. **RULES TO ISSUE SHARE CERTIFICATES**

The Act shall be complied with in respect of the issue, reissue, renewal of share certificates and the format and signing of the share certificates and records of the share certificates issued shall be maintained in accordance with the said Act.

22. **ISSUE OF NEW SHARE CERTIFICATE IN PLACE OF ONE DEFACED, LOST OR DESTROYED**

If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back thereof for endorsement of transfer, then upon production and surrender thereof to the Company, a new share certificate may be issued in lieu thereof, and if any share certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Company deem adequate, being given, a new share certificate in lieu thereof shall be given to the party entitled to such lost or destroyed share certificate. Every share certificate under the Article shall be issued upon on payment of INR 20 for each share certificate.

Provided that notwithstanding what is stated above, the Directors shall comply with such rules or regulation or requirements of any Exchanges or the rules made under the Act or the rules made under Securities Contracts (Regulation) Act, 1956 or any other act or rules applicable in this behalf. The provision of this Article shall *mutatis mutandis* apply to debentures of the Company.

UNDERWRITING & BROKERAGE

23. **COMMISSION FOR PLACING SHARES, DEBENTURES, ETC.**

- a. Subject to the provisions of the Act and other applicable laws, the Company may at any time pay a commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) to any shares or debentures of the Company or underwriting or procuring or agreeing to procure subscriptions (whether absolute or conditional) for shares or debentures of the Company and provisions of the Act shall apply.
- b. The rate or amount of the commission shall not exceed the rate or amount prescribed in the Act.
- c. The Company may also, in any issue, pay such brokerage as may be lawful.

- d. The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.

LIEN

24. COMPANY'S LIEN ON SHARES / DEBENTURES

The Company shall subject to applicable law have a first and paramount lien:

- a. on every share / debenture (not being a fully paid share / debenture) registered in the name of each Member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called, or payable at a fixed time, in respect of that share / debenture and no equitable interest in any share shall be created upon the footing and condition that this Article will have full effect; and
- b. on all shares/debentures (not being fully paid shares/ debentures) standing registered in the name of a single person, for all monies presently payable by him or his estate to the Company. Unless otherwise agreed, the registration of transfer of shares / debentures shall operate as a waiver of the Company's lien, if any, on such shares / debentures.

Provided that the Board may at any time declare any share/ debenture to be wholly or in part to be exempt from the provisions of this Article.

The fully paid up shares shall be free from all lien and in the case of partly paid up shares the Company's lien shall be restricted to moneys called or payable at a fixed time in respect of such shares.

25. LIEN TO EXTEND TO DIVIDENDS, ETC.

The Company's lien, if any, on a share shall extend to all dividends or interest, as the case may be, payable and bonuses declared from time to time in respect of such shares / debentures.

26. ENFORCING LIEN BY SALE

The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien:

Provided that no sale shall be made—

- a. unless a sum in respect of which the lien exists is presently payable; or
- b. until the expiration of fourteen (14) days' after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or to the person entitled thereto by reason of his death or insolvency or otherwise.

No Member shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.

27. VALIDITY OF SALE

To give effect to any such sale, the Board may authorise any person to execute an instrument of transfer for the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer. The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale.

28. VALIDITY OF COMPANY'S RECEIPT

The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case maybe) constitute a good title to the share and the purchaser shall be registered as the holder of the share.

29. APPLICATION OF SALE PROCEEDS

The proceeds of any such sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable and the residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the Shares before the sale) be paid to the person entitled to the shares at the date of the sale.

30. **OUTSIDER'S LIEN NOT TO AFFECT COMPANY'S LIEN**

In exercising its lien, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not (except as ordered by a court of competent jurisdiction or unless required by law) be bound to recognize any equitable or other claim to, or interest in, such share on the part of any other person, whether a creditor of the registered holder or otherwise. The Company's lien shall prevail notwithstanding that it has received notice of any such claim.

31. **PROVISIONS AS TO LIEN TO APPLY MUTATIS MUTANDIS TO DEBENTURES, ETC.**

The provisions of these Articles relating to lien shall *mutatis mutandis* apply to any other securities, including debentures, of the Company.

CALLS ON SHARES

32. **BOARD TO HAVE RIGHT TO MAKE CALLS ON SHARES**

The Board may subject to the provisions of the Act and any other applicable law, from time to time, make such call as it thinks fit upon the Members in respect of all moneys unpaid on the shares (whether on account of the nominal value of the shares or by premium) and not by the conditions of allotment thereof made payable at fixed times. Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call. A call may be revoked or postponed at the discretion of the Board. The power to call on shares shall not be delegated to any other person except with the approval of the shareholders' in a General Meeting.

33. **NOTICE FOR CALL**

Each Member shall, subject to receiving at least fourteen (14) days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his shares.

The Board may, from time to time, at its discretion, extend the time fixed for the payment of any call in respect of one or more Members as the Board may deem appropriate in any circumstances.

34. **CALL WHEN MADE**

The Board of Directors may, when making a call by resolution, determine the date on which such call shall be deemed to have been made, not being earlier than the date of resolution making such call, and thereupon the call shall be deemed to have been made on the date so determined and if no such date is so determined a call shall be deemed to have been made at the date when the resolution authorizing such call was passed at the meeting of the Board and may be required to be paid in installments.

35. **LIABILITY OF JOINT HOLDERS FOR A CALL**

The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

36. **CALLS TO CARRY INTEREST**

If a Member fails to pay any call due from him on the day appointed for payment thereof, or any such extension thereof as aforesaid, he shall be liable to pay interest on the same from the day appointed for the payment thereof to the time of actual payment at the rate of ten percent or such other lower rate as shall from time to time be fixed by the Board but nothing in this Article shall render it obligatory for the Board to demand or recover any interest from any such Member. The Board shall be at liberty to waive payment of any such interest wholly or in part.

37. **DUES DEEMED TO BE CALLS**

Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.

38. **EFFECT OF NON-PAYMENT OF SUMS**

In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

39. **PAYMENT IN ANTICIPATION OF CALL MAY CARRY INTEREST**

The Board –

- a. may, if it thinks fit, receive from any Member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and
- b. upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate as may be agreed upon between the Board and the Member paying the sum in advance. Nothing contained in this Article shall confer on the Member (i) any right to participate in profits or dividends; or (ii) any voting rights in respect of the moneys so paid by him, until the same would, but for such payment, become presently payable by him.

40. **PROVISIONS AS TO CALLS TO APPLY MUTATIS MUTANDIS TO DEBENTURES, ETC.**

The provisions of these Articles relating to calls shall *mutatis mutandis* apply to any other securities, including debentures, of the Company.

FORFEITURE OF SHARES

41. **BOARD TO HAVE A RIGHT TO FORFEIT SHARES**

If a Member fails to pay any call, or installment of a call or any money due in respect of any share, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid or a judgment or decree in respect thereof remains unsatisfied in whole or in part, serve a notice on him requiring payment of so much of the call or installment or other money as is unpaid, together with any interest which may have accrued and all expenses that may have been incurred by the Company by reason of non-payment.

42. **NOTICE FOR FORFEITURE OF SHARES**

The notice aforesaid shall:

- a. name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
- b. state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

43. **RECEIPT OF PART AMOUNT OR GRANT OF INDULGENCE NOT TO AFFECT FORFEITURE**

Neither a judgment nor a decree in favour of the Company for calls or other moneys due in respect of any shares nor any part payment or satisfaction thereof nor the receipt by the Company of a portion of any money which shall from time to time be due from any Member in respect of any shares either by way of principal or interest nor any indulgence granted by the Company in respect of payment of any such money shall preclude the forfeiture of such shares as herein provided. There shall be no forfeiture of unclaimed dividends before the claim becomes barred by law.

44. **FORFEITED SHARE TO BE THE PROPERTY OF THE COMPANY**

Any share forfeited in accordance with these Articles, shall be deemed to be the property of the Company and may be sold, re-allocated or otherwise disposed of either to the original holder thereof or to any other person upon such terms and in such manner as the Board thinks fit.

45. **ENTRY OF FORFEITURE IN REGISTER OF MEMBERS**

When any share shall have been so forfeited, notice of the forfeiture shall be given to the defaulting Member and any entry of the forfeiture with the date thereof, shall forthwith be made in the Register of Members but no forfeiture shall be invalidated by any omission or neglect or any failure to give such notice or make such entry as aforesaid.

46. **MEMBER TO BE LIABLE EVEN AFTER FORFEITURE**

A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay, and shall pay, to the Company all monies which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares. All such monies payable shall be

paid together with interest thereon at such rate as the Board may determine, from the time of forfeiture until payment or realization. The Board may, if it thinks fit, but without being under any obligation to do so, enforce the payment of the whole or any portion of the monies due, without any allowance for the value of the shares at the time of forfeiture or waive payment in whole or in part. The liability of such person shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares.

47. **EFFECT OF FORFEITURE**

The forfeiture of a share shall involve extinction at the time of forfeiture, of all interest in and all claims and demands against the Company, in respect of the share and all other rights incidental to the share, except only such of those rights as by these Articles expressly saved.

48. **CERTIFICATE OF FORFEITURE**

A duly verified declaration in writing that the declarant is a Director, the manager or the secretary of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

49. **TITLE OF PURCHASER AND TRANSFEREE OF FORFEITED SHARES**

The Company may receive the consideration, if any, given for the share on any sale, re-allotment or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of. The transferee shall thereupon be registered as the holder of the share and the transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, re-allotment or disposal of the share.

50. **VALIDITY OF SALES**

Upon any sale after forfeiture or for enforcing a lien in exercise of the powers hereinabove given, the Board may, if necessary, appoint some person to execute an instrument for transfer of the shares sold and cause the purchaser's name to be entered in the Register of Members in respect of the shares sold and after his name has been entered in the Register of Members in respect of such shares the validity of the sale shall not be impeached by any person.

51. **CANCELLATION OF SHARE CERTIFICATE IN RESPECT OF FORFEITED SHARES**

Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the share certificate(s), if any, originally issued in respect of the relative shares shall (unless the same shall on demand by the Company has been previously surrendered to it by the defaulting Member) stand cancelled and become null and void and be of no effect, and the Board shall be entitled to issue duplicate share certificate(s) in respect of the said shares to the person(s) entitled thereto.

52. **BOARD ENTITLED TO CANCEL FORFEITURE**

The Board may at any time before any share so forfeited shall have been sold, reallocated or otherwise disposed of, cancel the forfeiture thereof upon such conditions as it thinks fit.

53. **SURRENDER OF SHARE CERTIFICATES**

The Board may, subject to the provisions of the Act, accept a surrender of any share from or by any Member desirous of surrendering them on such terms as they think fit.

54. **SUMS DEEMED TO BE CALLS**

The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

55. **PROVISIONS AS TO FORFEITURE OF SHARES TO APPLY MUTATIS MUTANDIS TO DEBENTURES, ETC.**

The provisions of these Articles relating to forfeiture of shares shall *mutatis mutandis* apply to any other securities, including debentures, of the Company.

TRANSFER AND TRANSMISSION OF SHARES

56. INSTRUMENT OF TRANSFER

- a. A common form for transfer of Shares shall be used.
- b. There shall be no restrictions whatsoever on the transactions in relation to shares including transfer of shares between any members or granting of rights or creating an encumbrance on shares by one member in favour of another member. The instrument of transfer shall be in writing and all provisions of Section 56 of the Act and the Rules framed thereunder, and of any statutory modification thereof for the time being and the applicable SEBI Regulations shall be duly complied with in respect of all transfers of Shares and the registration thereof.
- c. In accordance with provisions of Section 29 of the Act read with the Rules made thereto and in accordance with the provisions of the Depositories Act, 1996, every holder of Equity Shares of the Company who intends to transfer the Equity Shares held by him, shall get such Equity shares dematerialized before the transfer.
- d. The transfer of Equity Shares and other securities of the Company shall be in accordance with the provisions contained in the Depositories Act, 1996 and the Rules made thereunder.
- e. The Board shall have power on giving not less than 7 (seven) days previous notice by advertisement in a vernacular newspaper and in an English newspaper having wide circulation in the city, town or village in which the Office of the Company is situated, and publishing the notice on the website as may be notified by the Central Government and on the website of the Company, to close the transfer books, the Register of Members and/or Register of Debenture- holders at such time or times and for such period or periods, not exceeding 30 (thirty) days at a time and not exceeding in the aggregate 45 (forty-five) days in each year, as it may deem expedient.
- f. Subject to the provisions of Sections 58 and 59 of the Act, these Articles and other applicable provisions of the Act or any other Law for the time being in force, the Board may refuse, whether in pursuance of any power of the Company under these Articles or otherwise, to register the transfer of, or transmission of securities by operation of law, or the right to any securities or interest of a member in the Company. The Company shall, within 30 (thirty) days or the intimation of such transmission was delivered to the Company, send a notice of refusal to the person giving intimation of such transmission giving reasons for such refusal.
- g. Subject to the applicable provisions of the Act and these Articles, the Board shall have the absolute and uncontrolled discretion to refuse to register a Person entitled by transmission to any shares or his nominee as if he were the transferee named in any ordinary transfer presented for registration, and shall not be bound to give any reason for such refusal and in particular may also decline in respect of shares upon which the Company has a lien.
- h. That registration of transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Issuer on any account whatsoever
- i. In case of the death of any one or more shareholders named in the Register of Members as the joint-holders of any shares, the survivors shall be the only shareholder or shareholders recognized by the Company as having any title to or interest in such shares, but nothing therein contained shall be taken to release the estate of a deceased joint-holder from any liability on shares held by him jointly with any other Person.
- j. The executors or administrators or holder of the succession certificate or the legal representatives of a deceased Shareholder, (not being one of two or more joint-holders), shall be the only shareholders recognized by the Company as having any title to the shares registered in the name of such shareholder, and the Company shall not be bound to recognize such executors or administrators or holders of succession certificate or the legal representatives unless such executors or administrators or legal representatives shall have first obtained probate or letters of administration or succession certificate, as the case may be, from a duly constituted court in India, provided that the Board may in its absolute discretion dispense with production of probate or letters of administration or succession certificate, upon such terms as to indemnity or otherwise as the Board may in its absolute discretion deem fit and may under Article 58 of these Articles register the name of any person who claims to be absolutely entitled to the shares standing in the name of a deceased shareholder, as a shareholder.
- k. No fee shall be charged by the Company in respect of the registration of transfer, transmission of shares, or for registration of any power of attorney, probate, letters of administration and succession certificate, certificate of death or marriage or other similar documents, sub division and/or consolidation of shares and debentures and sub-divisions of letters of allotment, renounceable letters of right and split, consolidation, renewal and genuine transfer receipts into denomination corresponding to the market unit of trading.

- I. The Company shall incur no liability or responsibility whatsoever in consequence of its registering or giving effect to any transfer of shares made or purporting to be made by any apparent legal owner thereof, (as shown or appearing in the Register of Members), to the prejudice of a person or persons having or claiming any equitable right, title or interest to or in the said shares, notwithstanding that the Company may have had any notice of such equitable right, title or interest or notice prohibiting registration of such transfer, and may have entered such notice or referred thereto, in any book of the Company and the Company shall not be bound or required to regard or attend or give effect to any notice which may be given to it of any equitable right, title or interest or be under any liability whatsoever for refusing or neglecting so to do, though it may have been entered or referred to in some book of the Company but the Company shall nevertheless be at liberty to regard and attend to any such notice, and give effect thereto if the Board shall so think fit.

57. TRANSFERS NOT PERMITTED

No share shall in any circumstances be transferred to any minor insolvent or a person of unsound mind, except fully paid shares through a legal guardian.

58. TRANSMISSION OF SHARES

Subject to the provisions of Articles, any Person becoming entitled to shares in consequence of the death, lunacy, bankruptcy of any member or members, or by any lawful means other than by a transfer in accordance with these Articles, may with the consent of the Board, (which it shall not be under any obligation to give), upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title, as the Board thinks sufficient, either be registered himself as the holder of the shares or elect to have some Person nominated by him and approved by the Board, registered as such holder; provided nevertheless, that if such Person shall elect to have his nominee registered, he shall testify the election by executing in favour of his nominee an instrument of transfer in accordance with the provisions herein contained and until he does so, he shall not be freed from any liability in respect of the shares.

59. RIGHTS ON TRANSMISSION

A Person becoming entitled to a share by reason of the death or insolvency of a member shall be entitled to the same Dividends and other advantages to which he would be entitled if he were the registered holder of the shares, except that he shall not, before being registered as a member in respect of the shares, be entitled to exercise any right conferred by membership in relation to meetings of the Company.

Provided that the Directors shall, at any time, give notice requiring any such Person to elect either to be registered himself or to transfer the shares, and if such notice is not complied with within 90 (Ninety) days, the Directors may thereafter withhold payment of all Dividends, bonuses or other monies payable in respect of the shares until the requirements of the notice have been complied with.

60. SHARE CERTIFICATES TO BE SURRENDERED

Before the registration of a transfer, the certificate or certificates of the share or shares to be transferred must be delivered to the Company along with (save as provided in the Act) properly stamped and executed instrument of transfer.

61. COMPANY NOT LIABLE TO NOTICE OF EQUITABLE RIGHTS

The Company shall incur no liability or responsibility whatever in consequence of its registering or giving effect to any transfer of shares made or purporting to be made by any apparent legal owner thereof (as shown or appearing in the Register) to the prejudice of persons having or claiming any equitable rights, title or interest in the said shares, notwithstanding that the Company may have had notice of such equitable rights referred thereto in any books of the Company and the Company shall not be bound by or required to regard or attend to or give effect to any notice which may be given to it of any equitable rights, title or interest or be under any liability whatsoever for refusing or neglecting to do so, though it may have been entered or referred to in some book of the Company but the Company shall nevertheless be at liberty to regard and attend to any such notice and give effect thereto if the Board shall so think fit.

62. TRANSFER AND TRANSMISSION OF DEBENTURES

The provisions of these Articles, shall, *mutatis mutandis*, apply to the transfer of or the transmission by law of the right to any securities including, debentures of the Company.

96. **ADDITIONAL DIRECTORS**

Subject to the provisions of the Act, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the Articles. Any such additional director shall hold office only up to the date of the upcoming Annual General Meeting, unless his/her appointment is regularized by the shareholders in such Annual General Meeting.

97. **ALTERNATE DIRECTORS**

- a. The Board may, appoint a person, not being a person holding any alternate directorship for any other Director in the Company, to act as an alternate director for a Director during his absence for a period of not less than 3 (three) months from India (hereinafter in this Article called the “**Original Director**”).
- b. An alternate director shall not hold office for a period longer than that permissible to the Original Director in whose place he has been appointed and shall vacate the office if and when the Original Director returns to India. If the term of office of the Original Director is determined before he returns to India the automatic re-

appointment of retiring directors in default of another appointment shall apply to the Original Director and not to the alternate director.

98. APPOINTMENT OF DIRECTOR TO FILL A CASUAL VACANCY

If the office of any Director appointed by the Company in General Meeting is vacated before his term of office expires in the normal course, the resulting casual vacancy may, be filled by the Board of Directors at a meeting of the Board which shall be subsequently approved by Members in the immediate next General Meeting. The Director so appointed shall hold office only up to the date which the Director in whose place he is appointed would have held office if it had not been vacated.

99. REMUNERATION OF DIRECTORS

- a. A Director (other than a managing Director or whole-time Director) may receive a sitting fee not exceeding such sum as may be prescribed by the Act or the Central Government from time to time for each meeting of the Board of Directors or any committee thereof attended by him. The remuneration of Directors including managing Director and/or whole-time Director may be paid in accordance with the applicable provisions of the Act.
- b. The Board of Directors may allow and pay or reimburse any Director who is not a bona fide resident of the place where a meeting of the Board or of any committee is held and who shall come to such place for the purpose of attending such meeting or for attending its business at the request of the Company, such sum as the Board may consider fair compensation for travelling, and out-of-pocket expenses and if any Director be called upon to go or reside out of the ordinary place of his residence on the Company's business he shall be entitled to be reimbursed any travelling or other expenses incurred in connection with the business of the Company.
- c. The managing Directors/ whole-time Directors shall be entitled to charge and be paid for all actual expenses, if any, which they may incur for or in connection with the business of the Company. They shall be entitled to appoint part time employees in connection with the management of the affairs of the Company and shall be entitled to be paid by the Company any remuneration that they may pay to such part time employees.

100. REMUNERATION FOR EXTRA SERVICES

If any Director, being willing, shall be called upon to perform extra services or to make any special exertions (which expression shall include work done by Director as a Member of any committee formed by the Directors) in going or residing away from the town in which the Office of the Company may be situated for any purposes of the Company or in giving any special attention to the business of the Company or as member of the Board, then subject to the provisions of the Act, the Board may remunerate the Director so doing either by a fixed sum, or by a percentage of profits or otherwise and such remuneration, may be either in addition to or in substitution for any other remuneration to which he may be entitled.

101. CONTINUING DIRECTOR MAY ACT

The continuing Directors may act notwithstanding any vacancy in the Board, but if the number is reduced below three, the continuing Directors or Director may act for the purpose of increasing the number of Directors to three or for summoning a General Meeting of the Company, but for no other purpose.

102. VACATION OF OFFICE OF DIRECTOR

The office of a Director shall be deemed to have been vacated under the circumstances enumerated under Act.

ROTATION AND RETIREMENT OF DIRECTOR

103. ONE-THIRD OF DIRECTORS TO RETIRE EVERY YEAR

Save as otherwise expressly provided in the said Act and these Articles, not less than two-thirds of the total number of directors shall be persons whose period of office is liable to determination by retirement by rotation at the Annual General Meeting of the Company to be held in every year, one third of such of the Directors as are liable to retire by rotation for time being, or, if their number is not three or a multiple of three then the number nearest to one third shall retire from office. Provided nevertheless that the managing director / Whole-Time Director appointed or the Directors appointed as a nominee director under Articles hereto shall not retire by rotation under this Article nor shall they be included in calculating the total number of Directors of whom one third shall retire from office under this Article.

104. RETIRING DIRECTORS ELIGIBLE FOR RE-ELECTION

A retiring Director shall be eligible for re-election and the Company, at the Annual General Meeting at which a Director retires in the manner aforesaid, may fill up the vacated office by electing a person thereto.

105. **WHICH DIRECTOR TO RETIRE**

The Directors to retire in every year shall be those who have been longest in office since their last election, but as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by lots.

106. **POWER TO REMOVE DIRECTOR BY ORDINARY RESOLUTION**

Subject to the provisions of the Act, the Company may by an Ordinary Resolution in General Meeting, remove any Director before the expiration of his period of office after giving him a reasonable opportunity of being heard and may, by an Ordinary Resolution, appoint another person instead.

Provided that an independent director re-appointed for second term under the provisions of the Act shall be removed by the Company only by passing a Special Resolution and after giving him a reasonable opportunity of being heard.

107. **DIRECTORS NOT LIABLE FOR RETIREMENT**

The Company in General Meeting may, when appointing a person as a Director declare that his continued presence on the Board of Directors is of advantage to the Company and that his office as Director shall not be liable to be determined by retirement by rotation for such period until the happening of any event of contingency set out in the said resolution.

108. **DIRECTOR FOR COMPANIES PROMOTED BY THE COMPANY**

Directors of the Company may be or become a director of any company promoted by the Company or in which it may be interested as vendor, shareholder or otherwise and no such Director shall be accountable for any benefits received as a director or member of such company subject to compliance with applicable provisions of the Act.

PROCEEDINGS OF BOARD OF DIRECTORS

109. **MEETINGS OF THE BOARD**

- a. The Board of Directors shall meet at least once in every three (3) months with a maximum gap of one hundred and twenty (120) days between two (2) meetings of the Board for the conduct of business, adjourn and otherwise regulate its meetings and proceedings as it thinks fit in accordance with the Act, provided that at least four (4) such meetings shall be held in every year. Place of meetings of the Board shall be at a location determined by the Board at its previous meeting, or if no such determination is made, then as determined by the chairman of the Board.
- b. The chairman may, at any time, and the secretary or such other Officer of the Company as may be authorised in this behalf on the requisition of Director shall at any time summon a meeting of the Board. Notice of at least seven (7) days in writing of every meeting of the Board shall be given to every Director and every alternate Director at their address registered with the Company, provided always that a meeting may be convened by a shorter notice to transact urgent business subject to the condition that at least one independent director, if any, shall be present at the meeting and in case of absence of independent directors from such a meeting of the Board, decisions taken at such a meeting shall be circulated to all the Directors and shall be final only on ratification thereof by at least one independent director, if any.
- c. The notice of each meeting of the Board shall include (i) the date and time for the proposed meeting; (ii) the venue for the proposed meeting; and (iii) an agenda setting out the business proposed to be transacted at the meeting.
- d. To the extent permissible by applicable law, the Directors may participate in a meeting of the Board or any committee thereof, through electronic mode, that is, by way of video conferencing or other, audio visual electronic communication facility. The notice of the meeting must inform the Directors regarding the availability of participation through video conferencing. Any Director participating in a meeting through the use of video conferencing shall be counted for the purpose of quorum.

110. **QUESTIONS AT BOARD MEETING HOW DECIDED**

Questions arising at any time at a meeting of the Board shall be decided by majority of votes and in case of equality of votes, the Chairman, in his absence the Vice Chairman or the Director presiding shall have a second or casting vote.

111. **QUORUM**

Subject to the provisions of the Act, the quorum for a meeting of the Board shall be one third of its total strength (any fraction contained in that one-third being rounded off as one) or two Directors whichever is higher and the participation of the Directors by video conferencing or by other audio visual means shall also be counted for the purposes of quorum.

At any time the number of interested Directors is equal to or exceeds two-thirds of total strength, the number of remaining Directors, that is to say the number of Directors who are not interested, present at the meeting being not less than two, shall be the quorum during such time. The total strength of the Board shall mean the number of Directors actually holding office as Directors on the date of the resolution or meeting, that is to say, the total strength of Board after deducting there from the number of Directors, if any, whose places are vacant at the time. The term 'interested director' means any Director whose presence cannot, by reason of applicable provisions of the Act be counted for the purpose of forming a quorum at meeting of the Board, at the time of the discussion or vote on the concerned matter or resolution.

112. **ADJOURNED MEETING**

Subject to the provisions of the Act, if within half an hour from the time appointed for a meeting of the Board, a quorum is not present, the meeting, shall stand adjourned to the same day in the next week at the same time and place or if that day is a national holiday, till the succeeding day, which is not a national holiday at the same time and place or to such other day and at such other time and place as the Directors may determine.

113. **ELECTION OF CHAIRMAN OF BOARD**

- b. If no such chairman is elected or at any meeting the chairman is not present within five minutes after the time appointed for holding the meeting the Directors present may choose one among themselves to be the chairman of the meeting.

114. **POWERS OF DIRECTORS**

- a. The Board may exercise all such powers of the Company and do all such acts and things as are not, by the Act or any other applicable law, or by the Memorandum or by the Articles required to be exercised by the Company in a General Meeting, subject nevertheless to these Articles, to the provisions of the Act or any other applicable law and to such regulations being not inconsistent with the aforesaid regulations or provisions, as may be prescribed by the Company in a General Meeting; but no regulation made by the Company in a General Meeting shall invalidate any prior act of the Board which would have been valid if that regulation had not been made.
- b. All cheques, promissory notes, drafts, hundis, bills of exchange and other negotiable instruments, and all receipts for monies paid to the Company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case maybe, by such person and in such manner as the Board shall from time to time by resolution determine.

115. **DELEGATION OF POWERS**

- a. The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such members of its body as it thinks fit.
- b. Any committee so formed shall, in the exercise of the power so delegated conform to any regulations that may be imposed on it by the Board.
- c. The Board shall from time to time form committees of the Board and the Board shall determine the composition of such committees based on the statutory requirements and the skill sets of the Directors seeking representation of the committees and may also nominate Chairperson of such committees.

116. **ELECTION OF CHAIRMAN OF COMMITTEE**

- a. Subject to Article 120, a committee may elect a chairman of its meeting. If no such chairman is elected or if at any meeting the chairman is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be the chairman of the committee meeting.
- b. The quorum of a committee may be fixed by the Board of Directors.

117. **QUESTIONS HOW DETERMINED**

- a. A committee may meet and adjourn as it thinks proper.
- b. Questions arising at any meeting of a committee shall be determined by a majority of votes of the members present as the case may be and in case of equality of vote, the chairman shall have a second or casting vote, in addition to his vote as a member of the committee.

118. **VALIDITY OF ACTS DONE BY BOARD OR A COMMITTEE**

All acts done by any meeting of the Board, of a committee thereof, or by any person acting as a Director shall notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or more of such Directors or of any person acting as aforesaid or that they or any of them were disqualified be as valid as if even such Director or such person has been duly appointed and was qualified to be a Director.

119. **RESOLUTION BY CIRCULATION**

Save as otherwise expressly provided in the Act, a resolution in writing circulated in draft together with the necessary papers, if any, to all the Directors or to all the members of the committee then in India, at their addresses registered with the Company in India by hand delivery or by post or by courier, or through electronic means and approved by such of the Directors as are then in India and by a majority of such of them as are entitled to vote at the resolution shall be valid and effectual as if it had been a resolution duly passed at a meeting of the Board or committee duly convened and held.

120. **MAINTENANCE OF FOREIGN REGISTER**

The Company may exercise the powers conferred on it by the Act with regard to the keeping of a foreign register; and the Board may (subject to the provisions of those Sections) make and vary such regulations as it may think fit respecting the keeping of any register.

121. **BORROWING POWERS**

- a. Subject to the provisions of the Act and these Articles, the Board may from time to time at their discretion raise or borrow or secure the payment of any such sum of money for the purpose of the Company, in such manner and upon such terms and conditions in all respects as they think fit, and in particular, by promissory notes or by receiving deposits and advances with or without security or by the issue of bonds, debentures, perpetual or otherwise, including debentures convertible into shares of this Company or any other company or perpetual annuities and to secure any such money so borrowed, raised or received, mortgage, pledge or charge the whole or any part of the property, assets or revenue of the Company present or future, including its uncalled capital by special assignment or otherwise or to transfer or convey the same absolutely or in trust and to give the lenders powers of sale and other powers as may be expedient and to purchase, redeem or pay off any such securities; provided however, that the moneys to be borrowed, together with the money already borrowed by the Company apart from temporary loans obtained from the Company's bankers in the ordinary course of business shall not, without the sanction of the Company by a Special Resolution at a General Meeting, exceed the aggregate of the paid up capital of the Company and its free reserves and securities premium. Provided that every Special Resolution passed by the Company in General Meeting in relation to the exercise of the power to borrow shall specify the total amount up to which moneys may be borrowed by the Board of Directors.
- b. The Directors may by resolution at a meeting of the Board delegate the above power to borrow money otherwise than on debentures to a committee of Directors or managing Director or the manager or any principal officer of the company or in the case of a branch office of the company, the principal officer of the branch office or to any other person permitted by applicable law, if any, within the limits prescribed.
- c. To the extent permitted under the applicable law and subject to compliance with the requirements thereof, the Directors shall be empowered to grant loans to such entities at such terms as they may deem to be appropriate and the same shall be in the interests of the Company.
- d. Any bonds, debentures, debenture-stock or other securities may if permissible under applicable law be issued at a discount, premium or otherwise by the Company and shall with the consent of the Board be issued upon such terms and conditions and in such manner and for such consideration as the Board shall consider to be for the benefit of the Company, and on the condition that they or any part of them may be convertible into Equity Shares of any denomination, and with any privileges and conditions as to the redemption, surrender, allotment of shares, attending (but not voting) in the General Meeting, appointment of Directors or otherwise.

Provided that debentures with rights to allotment of or conversion into Equity Shares shall not be issued except with, the sanction of the Company in General Meeting accorded by a Special Resolution.

| Brokerage | 7. | The Company may pay a reasonable sum of brokerage, subject to the ceiling prescribed under the Act. |
| | 8. | Subject to Section 89 of the Act the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not, except as ordered by a Court of competent jurisdiction or as by law required, be bound to recognize any trust, benami or equitable or other claim to or interest in such shares on any fractional part of a share whether or not it shall have express or other notice thereof. |

CERTIFICATE

- | | | |
|-------------------------------|-----|---|
| Certificate | 9. | Any physical share certificates shall be issued under the Seal of the Company. A member shall have the option to hold the certificate of shares in physical mode or may opt to hold the shares in depositary mode. |
| Member's Right to Certificate | 10. | Every member shall be entitled free of charge to one certificate for all the shares of each class registered in his name, or to several certificates each for one or more of such shares if such member so wishes. Unless otherwise provided by the conditions of issue of any shares, the Company shall either within three (3) months from the date of allotment and on surrender to the Company of its letter making the allotment or of its fractions coupons of requisite value (save in the case of issue against letter of acceptance or of renunciation |

or in case of issue of bonus shares) or within one (1) month of receipt of the application for registration of the transfer, sub division, consolidation, renewal or exchange of any of its shares, as the case may be, complete, and have ready for delivery the certificates of such shares. Every certificate of shares shall specify the name of the person in whose favour the certificate is issued, the shares to which it relates and the amount paid up there on. Particulars of every certificate issued shall be entered in the register maintained in the form set out in the Companies (Share Capital and Debentures) Rules, 2014. Provided that in case the shares of the Company are held by a member in dematerialised form, the Company shall recognise the depository as the owner of the shares and the name of the members appearing in the register of the depository shall be recognised as the beneficial owner of such shares and shall be entitled to all the benefits, privileges and shall be subject to the obligations contained in these Articles in so far as it pertains to the shares so held by him.

As to issue of new certificates

11. a. If any certificate of any share or shares be surrendered to the Company for sub-division or consolidation or if any certificate be deface, torn or old, decrepit, worn-out or where the pages on the reverse for recording transfer have been duly utilised, then upon surrender thereof to the Company, the Board, may order the same to be cancelled and may issue a new certificate in lieu thereof, and if any certificate be lost or destroyed then upon proof thereof to the satisfaction of the Board, and on such indemnity as the Board thinks fit being given a new certificate in lieu thereof, shall be given to party entitled to the shares to which such lost or destroyed certificates relate. Where a new certificate has been issued as aforesaid it shall state on the face of it and against the stub or counterfoil that it is issued in lieu of a share certificate or is a duplicate issue for the one so replaced and in the case of certificate issued in place of one which has been lost or destroyed, the word "duplicate" shall be stamped or punched in bold letters across the face thereof. For every certificate issued under this Article, there shall be paid to the Company such out of pocket expenses incurred by the Company in investigating evidence as the Board may determine.
- Fee on sub-division of shares, issue of new certificates etc.
- b. No fee shall be charged for sub-division and consolidation of share and debenture certificate and for sub-division of letters of allotment and split, consolidation, renewal and pucca transfer receipts into denominations corresponding to the market units of trading, for sub division of renounceable letters of right; for issue of new certificate in replacement of those which are old, decrepit, or worn-out, or where the cages on the reverse for recording transfers have been fully utilised. Provided that the Company may charge such fees as may be agreed by it with the Stock Exchange with which its shares may be enlisted for the time being for issue of new certificates in replacement of those that are torn, defaced, lost or destroyed, and for sub-division and consolidation of share and debenture certificate and for sub-division of letter of allotment and split, consolidation, renewal and pucca transfer receipt into denominations other than those fixed for the market units of trading.

JOINT HOLDERS OF SHARES

12. Where two or more persons are registered as the holders of any share they shall be deemed to hold the same as joint-tenants with benefit of survivorship subject to following provisions and to the other provisions of these Articles relating to joint holders.

Maximum Number

- (a) The Company shall not be bound to register more than four persons as the joint-holders of any share.

Liability several as well as joint

- (b) The joint holders of a share shall be liable severally as well as jointly in respect of all payments, which ought to be made in respect of such shares.

Survivors of joint holders only recognised

- (c) On the death of any one of such joint holders the survivor or survivors shall be the only person recognised by the Company as having any title to or interest in such share. The Board may require such evidence of death as it may deem fit.

Delivery of certificates	(d)	Only the person whose name stands first in the Register as one of the joint holders of any share shall be entitled to delivery of the certificate relating to such share.

CALLS

Calls	13.	The Directors may, from time to time, subject to the terms on any shares may have been issued, make such calls as they think fit upon the members in respect of all moneys unpaid on the shares held by them respectively and not by the conditions of allotment thereto made payable at fixed times, and each member shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors. A call may be made payable by instalments.
When call deemed to have been made	14.	A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call is passed.
Notice to call	15.	Not less than 30 (Thirty) Days' notice of any call shall be given specifying the time and place of payment and to whom such call shall be paid.
Amount payable	16.	If by the terms of issue of any share or otherwise, the whole or part of the amount of issue price thereof is made payable at any fixed time or by instalments at fixed times, every such amount of issue price of instalment thereof shall be payable as if it was a call duly made by the Directors and of which due notice had been given and all the provisions herein contained in respect of calls shall apply to such amount or issue price of instalments accordingly.
Interest to be charged on non-payment of call	17.	If the sum payable in respect of any call or instalment be paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made of the instalment shall be due, shall pay interest for the same at the rate of 12 (Twelve) percent per annum, from the day appointed for the payment thereof to the actual payment or at such other rate as the Directors may determine they shall have power to waive the payment thereof wholly or in part.
Evidence in actions by the Company against Shareholders	18.	On the trial or hearing of any action or suit brought by the Company money claimed to be due to the Company in respect of its shares, it shall be sufficient to prove that the name of the defendant is, or was when the claim arose, on the Register of the Company as a holder of one of the holders of the number of shares in respect of which such claim is made, that the resolution making the call is duly recorded in the minute book and that the amount claimed is not entered as paid in the books of the Company, and it shall be necessary to prove the appointment of the Directors who made any call not that a quorum of Directors was present at the meeting at which any calls was made nor that such meeting was duly convened or construed nor any other matter whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
Payment of calls in advance	19.	The Board may, if it thinks fit, receive from any member willing to advance the same, all or any part of the money due upon the shares held by him beyond the sums actually called for, and upon the money so paid or satisfied in advance, or so much thereof as from time to time exceeds the amount of call then made upon the share in respect of which such advance has been made, the Company may pay interest at such rate not exceeding 6 (Six) percent per annum unless the Company in general meeting shall otherwise direct as the member paying such sum as advance and the Board agree upon. Money so paid in excess of the amount of call shall not rank for dividends or confer a right to participate in profits. The Board may at any time repay the amount so advanced upon giving such member not less than three months' notice in writing.

FORFEITURE AND LIEN

Notice may be given for calls or instalments not paid	20.	If any member fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid serve notice on such member requiring him to pay the same together with any interest that may have accrued and expenses, that may have been incurred by the Company by reasons of such non-payment.
---	-----	---

Form of Notice	21.	The notice shall name a day (not being less than thirty (30) Days from the date of the notice) and a place or places on and at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time, and at the place or places appointed, the shares in respect of which such call was made or instalment is payable will be liable to be forfeited.
If notice not complied with shares may be forfeited	22.	If the requirement of any such notice as aforesaid be not complied with, any shares in respect of which such notice has been given may, at the time thereafter before payment of all calls or instalments, interest and expense due in respect thereof, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share not actually paid before the forfeiture, subject to provision of the Act. Neither the receipt by the Company of a portion of any money which shall, from time to time be due from any member of the Company in respect of his shares either by way of principal or interest, nor any indulgency granted by the Company in respect of the payment of any such money shall preclude the Company from thereafter proceeding to enforce a forfeiture of such share as herein provided.
Notice after forfeiture	23.	When any share shall have been forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture and an entry of the forfeiture with the date thereof, shall forthwith be made in the Register but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make such entry as aforesaid.
Forfeited shares to become property of the Company	24.	Any shares so forfeited shall be deemed to be the property of the Company and the Directors may sell, re-allot or otherwise dispose off the same in such manner as they think fit.
Power to annul forfeiture	25.	The Directors may, at any time before any share so forfeited shall not be sold, re-allotted or otherwise disposed off, annul the forfeiture thereof upon such conditions as they think fit
Arrears to be paid notwithstanding forfeiture	26.	Any member whose shares have been forfeited shall notwithstanding such forfeiture, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest and the expenses, owing upon or in respect of such shares, at the time of all instalments, interest and the forfeited together with interest thereupon from time of the forfeiture until payment at 12 (Twelve) per cent per annum or such other rate as the Directors may determine and the Directors may enforce the payment thereof without any deduction of allowance for the value of shares at the time of forfeiture but shall not be under any obligation to do so.
Effect of forfeiture	27.	The forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of and all other rights incidental to the share except only such of those rights as by these Articles are expressly saved.
Evidence of forfeiture	28.	A duly verified declaration in writing that the declarant is a Director of the Company and certain shares in the Company have been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the shares and the receipt of the Company for the consideration, if any, given for the shares on the sale or disposition, thereof, shall constitute written title to such shares.
Company's lien on shares	29.	The Company shall have a first and paramount lien upon all the shares (not fully paid up) registered in the name of each member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such shares, and equitable interest in any share be created except upon the footing and condition that Article 29 hereof is to have full effect. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien, if any, on such shares.
Intention as enforcing lien by sale	30.	For the purpose of enforcing such lien, the Directors may sell the shares subject thereto in such manner as they think fit but no sale shall be made until such period as aforesaid shall have lapsed and until notice in writing of the intention to sell shall have been served on such member, his committee, curator bonus or other person recognised by the

Company as entitled to represent such member and default shall have been made by him or them in the payment of the sum payable as aforesaid for thirty (30) Days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of such part of the amount in respect of which the lien exists as is presently payable by such member, and the residual (if any) be paid to such member, his executors, administrators or other representatives or persons so recognised as aforesaid.

- | | | |
|--------------------------------|-----|--|
| Validity of shares | 31. | Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers by these presents given, the Directors may appoint some person to execute an instrument of transfer of the shares sold and cause the purchaser's name to be entered in the register in respect of the share sold and after his name has been entered in the Register in respect of such shares his title to such shares shall not be affected by any irregularity or invalidity in proceedings in reference to such forfeiture. Sale or disposition, nor impeached by any person and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively. |
| Power to issue new certificate | 32. | Where any shares under the powers in that behalf herein contained sold by the Directors and the certificate thereof has not been delivered to the Company by the former holders of the said shares the Directors may issue new certificate in lieu of certificate not so delivered up. |

Execution of Transfer, etc.	45.	Subject to the provisions of the Act, no Transfer of Equity Securities shall be registered unless a proper instrument of Transfer, duly stamped and executed by or on behalf of the transferor or transferee has been delivered to the Company together with the certificate or certificates of the Equity Securities or if no such certificate is in existence along with the letter of allotment of Equity Securities. The instrument of Transfer of any Equity Securities shall be signed both by or on behalf of the transferor and by or on behalf of transferees and the transferor shall be deemed to remain the holder of such Equity Securities until the name of the transferee is entered in the Register in respect thereof. Provided that in case of Equity Securities held in the depositary mode, the proper application for transfer of Equity Securities duly completed shall be submitted to the registrar and transfer agent appointed by the Company.
Application for transfer	46.	Application for the registration of the Transfer of Equity Securities may be made either by the transferor or the transferee provided that, where such application is made by the transferor, no registration shall in the case of partly paid Equity Securities be effected unless the Company gives notice of the application to the transferee in the manners prescribed by the Act, and subject to the provisions of Articles hereof, the Company shall unless objection is made by the transferee within two weeks from the date of receipt of the notice enter in the Register the name of the transferee in the same manner and subject to the same conditions as if the application for registration was made by the transferee.
Notice of Transfer to registered holder	47.	Before registering any Transfer tendered for registration, the Company may, if it so thinks fit, give notice by letter posted in the ordinary course to the registered holder that such Transfer has been lodged and that unless objection is taken the Transfer will be registered and if such registered holder fails to lodge an objection in writing at the office of the Company within two weeks from the posting of such notice to him he shall be deemed to have admitted the validity of the said Transfer.
Register of Transfer	48.	The Company shall keep a "Register of Transfers" and therein shall be fairly and distinctly entered particular of every Transfer of any Equity Securities. Provided that in case of shares held in the depositary mode, the registrar and transfer agent shall maintain the register of transfer of shares and enter therein the particulars of every Transfer of Equity Securities.
In what case to decline Transfer of shares	49.	Subject to the provisions of Section 58 of the Act, the Board may, within 30 (thirty) days from the date on which the instrument of Transfer was delivered to the Company refuse to register any Transfer of Equity Securities upon which the Company has a lien and in the case of an Equity Security not fully paid up, refuse to register a Transfer to a transferee of whom the Board does not approve, or any other reason subject to Applicable

Law. The Board shall provide reasons for such refusal. Provided that the registration of a Transfer of Equity Securities shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever.

No transfer to person of unsound mind	50.	(1) No Transfer shall be made to a person of unsound mind.
No fee for registration of Transfer		(2) No fee shall be charged for registration of transfer, probate, letter of administration, certificate of death or marriage, power of attorney or similar other instruments.
When instrument of Transfer to be retained	51.	All instruments of Transfer duly approved shall be retained by the Company and in case of refusal, instruments of Transfer shall be returned to the person who lodges the Transfer.
Notice of refusal to register Transfer	52.	If the Directors refuse to register the Transfer of any Equity Securities, they shall, within one month from the date on which the instrument of Transfer was lodged with the Company or intimation given, send to the transferor and the transferee or the person giving intimation of such Transfer notice of such refusal.
Power to close transfer book and register	53.	On giving seven Days' notice by advertisement in newspaper circulating in the District in which the Office of the Company is situated the Register of Members may be closed during such time as the Directors think fit not exceeding in the whole forty five (45) Days in each year but not exceeding thirty (30) Days at a time.
Transmission of registered shares	54.	The executors or administrators of the holder of a succession certificate in respect of shares of a deceased member (not being one of several joint holders) shall be the only person whom the Company shall recognise as having any title to the Equity Securities registered in the name of such member and in case of the death of any one or more of the joint-holders of any registered shares the survivors shall be only persons recognised by the Company as having any title to or interest in such share but nothing herein contained shall be taken to release the estate of a deceased joint holder from any liability on shares held by him jointly with any other person. Before recognising any legal representative or heir or a person otherwise claiming title to the shares the Company may require him to obtain a grant of probate or letters of administration or succession certificate, or other legal representation, as the case may be from a competent court, provided nevertheless that in any case where the Board in its absolute discretion think fit it shall be lawful for the Board to dispense with production of probate or letters of administration or a succession certificate or such other legal representation upon such terms as to indemnify or otherwise as the Board may consider desirable.
As to transfer of shares of deceased or insolvent member	55.	Any person becoming entitled to or to Transfer Equity Securities in consequence of the death or insolvency of any member, upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title as the Directors think sufficient, may with the consent of the Directors (which they shall not be under any obligation to give), be registered as a member in respect of such Equity Securities or may subject to the regulation as to Transfer here in before contained Transfer such Equity Securities. This Article is hereinafter referred to as "The transmission Article". Subject to any other provisions of these Articles if the person so becoming entitled to Equity Securities under this or the last preceding Article shall elect to be registered as a member in respect of the Equity Security himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to Transfer to some other person he shall execute an instrument of Transfer in accordance with the provisions of these Articles relating to Transfer of Equity Securities. All the limitations, restrictions and provisions of these Articles relating to the rights to transfer and the registration of transfer of shares shall be applicable to any such notice of Transfer as aforesaid.

QUALIFIED IPO

- | | | |
|------------------------|------|--|
| Terms of Qualified IPO | 58.1 | 58.1. The terms and conditions of such Qualified IPO including the size of the issue, price of the Equity Shares, the Indian stock exchange on which the Equity Shares will be listed and all related matters will be finalised by the Board in consultation with the merchant bankers appointed for the Qualified IPO, subject to the conditions under this Article 58.1: |
|------------------------|------|--|

58.1.1. Adjustments for capital restructuring events

In the event of a stock split prior to the Qualified IPO, there would be a proportionate adjustment to the shareholding pattern of the Company, pursuant to which the number of shares sold by the Existing DARCL Promoters Family Group and CJL via an offer for sale as part of the Offer (“OFS”) (in terms of Article 58.1.3 and Article 58.1.4), and the new shares issued as part of the Offer (in terms of Article 58.1.2), will also get proportionally adjusted.

58.1.2. Fresh issuance

Subject to there being no capital restructurings of any form in the Company after the Transactions Date and prior to the Consummation of the Qualified IPO, the Company will issue at least 2,61,96,430 (Two Crore Sixty One Lakh Ninety Six Thousand Four Hundred Thirty) new Equity Shares (“**New IPO Shares**”). It is hereby clarified that the New IPO Shares may be subject to adjustments, if any, in order to ensure that CJL is able to consolidate the financial statements of the Company with itself or its Affiliate company, in accordance with Article 58.2.

58.1.3. OFS by the Existing DARCL Promoters Family Group

Subject to there being no capital restructurings of any form in the Company after the Transactions Date and prior to the Consummation of the Qualified IPO, the Existing DARCL Promoters Family Group shall sell at least 95,05,355 (Ninety Five Lakh Five Thousand Three Hundred Fifty Five) Equity Shares via OFS (“**DARCL OFS Shares**”). It is hereby clarified that in the event that minimum public shareholding requirements prescribed by SEBI are not met due to any reason, then the DARCL OFS Shares shall be suitably increased to comply with such minimum public shareholding requirements prescribed by SEBI.

58.1.4. OFS by CJL

Subject to Applicable Law, the difference between the shareholding of CJL (and its Affiliates) and the Existing DARCL Promoters Family Group shall be 20% (Twenty Percent) of the Share Capital (“**Shareholding Gap**”). In case CJL holds any shares in excess of the Shareholding Gap, then CJL shall have the right, but not the obligation, to offer such number of Equity Shares held by it, in addition to the Equity Shares required to maintain the Shareholding Gap, via OFS.

58.1.5. Efforts to complete the IPO

58.1.5.1. CJL hereby unconditionally and irrevocably agrees and undertakes that subject to Applicable Law, it shall take all actions, whether in its capacity as a Shareholder, through the CJL Directors, through independent Directors appointed on CJL’s recommendation or through any management of the Company, who act on the

instructions of or under the control of CJL, for the successful Consummation of the Qualified IPO, in a time bound manner. CJL also recognises that time is of the essence for Consummation of the Qualified IPO.

Notwithstanding the generality above, CJL agrees that the structure of the Qualified IPO shall be as per parameters identified in Article 58.1.2, Article 58.1.3 and Article 58.1.4, subject to Shareholding Gap being met and any adjustments pursuant to the conversion of the CJL Subscription Shares and the Agarwal Family Group Subscription Shares.

- 58.1.5.2. The Existing DARCL Promoters Family Group hereby unconditionally and irrevocably agree and undertake (on a joint and several basis) that, subject to Applicable Law, they shall take all actions, whether in their capacity as a Shareholder, through the Existing DARCL Promoter Directors, through independent Directors appointed on their recommendation or through any management of the Company (who act on the instructions of or under the control of the Existing DARCL Promoters Family Group), for the successful Consummation of the Qualified IPO, in a time-bound manner. The Existing DARCL Promoters Family Group also recognises that time is of the essence for Consummation of the Qualified IPO.

Notwithstanding the generality, the Existing DARCL Promoters Family Group agrees that the structure of the Qualified IPO shall be as per the parameters identified in Article 58.1.2, Article 58.1.3 and Article 58.1.4, subject to Shareholding Gap being met and any adjustments pursuant to the conversion of the CJL Subscription Shares and the Agarwal Family Group Subscription Shares.

- 58.1.5.3. CJL and the Existing DARCL Promoters Family Group agree that, except where specifically required by the left lead merchant banker to the Qualified IPO and the legal counsels appointed by the Company for the purposes of the Qualified IPO (“**IPO Legal Counsel**”), no amendment to the structure or parameters as identified under Article 58.1.2, Article 58.1.3 and Article 58.1.4, shall be made, provided that in the event any changes or amendments suggested by the left lead merchant banker and/or IPO Legal Counsel to the issue lead to a scenario where the Shareholding Gap is not met, the Company, CJL and the Non-CJL Shareholders shall take all steps as may be required, including increasing the DARCL OFS Shares or undertaking a private sale by the Existing DARCL Promoters Family Group to CJL to enable the Shareholding Gap to be met.
- 58.1.5.4. In the event any amendments are required to be made to any documentation (including but not limited to the DRHP or the RHP) or any other forms, reports, data or information, due to: (I) Applicable Law; (II) instructions by the left lead merchant banker; (III) SEBI; (IV) written recommendations by the IPO Legal Counsel, then CJL and the Existing DARCL Promoters Family Group agree to take all such amendments as required for the successful Consummation of the Qualified IPO.

58.1.6. IPO price

The price of the Equity Shares offered in the Qualified IPO will be determined in accordance with the Applicable Law. The Company, CJL and the Non-CJL Shareholders shall take all actions, whether in their capacity as a Shareholder or through any management of the Company (who act on the instructions of or under the control of CJL / Non-CJL Shareholders), to work towards the

successful Consummation of the Qualified IPO in accordance with Article 58.1.8.

58.1.7. The Promoters agree and undertake that for the purpose of a Qualified IPO, to the extent permissible under Applicable Law: (a) both CJL (including its Affiliates which hold CJL Securities) and KKA, DKA, NA, NKA shall be treated or named as ‘promoters’ in any documentation or communication in connection with the Qualified IPO including in any prospectus, offering document, underwriting agreement, memorandum of understanding and/or other agreement, public announcement or any representation made to any Third Party; (b) the Existing Securities held by KKA, DKA, NKA, NA and CJL shall be subject to lock-in restrictions on Transfer as applicable to a promoter’s shareholding under Applicable Law. Notwithstanding anything to the contrary, the Company and Selling Shareholders shall bear all the fees and expenses for the Qualified IPO basis the provisions of the Offer Agreement and the Applicable Law.

58.1.8. Obligations for the Qualified IPO

58.1.8.1. The obligation to undertake the Qualified IPO under this Article 58.1 shall be applicable from the Transactions Date till the earlier of: (i) 36 (Thirty Six) months from the filing of the first DRHP after the Transactions Date; or (ii) the Company having undertaken 3 (Three) attempts for an initial public offering, as evidenced by the filing of a DRHP (“**IPO Obligation Period**”).

58.1.8.2. Upon the completion of the IPO Obligation Period, the obligations of the the Company, CJL and the Non-CJL Shareholders to undertake the Qualified IPO shall fall away. Upon completion of the IPO Obligation Period, the Company, CJL and the Non-CJL Shareholders will endeavour to undertake the Qualified IPO based on mutual consent of CJL and the Existing DARCL Promoters Family Group, in consideration of the best interests of the Company.

58.1.8.3. For the purposes of endeavouring to undertake the Qualified IPO following the completion of the IPO Obligation Period, the structure of the Qualified IPO shall be as per the parameters identified in Article 58.1.2, Article 58.1.3 and Article 58.1.4, subject to the Shareholding Gap being met.

CJL’s ability to consolidate

58.2 58.2.1. CJL shall have the ability (under the laws of the Republic of Korea) to consolidate the financial statements of the Company with itself or its Affiliate company (as long as all rights and obligations of CJL are novated to such Affiliate company) or with its parent company.

58.2.2. The Existing DARCL Promoters Family Group shall:

58.2.2.1. comply with the minimum public shareholding requirements prescribed by SEBI; and

58.2.2.2. sell such number of Equity Shares via OFS to maintain the Shareholding Gap between the respective Share Capital as held by CJL (and its Affiliates) and the Existing DARCL Promoters Family Group.

58.2.3. The Parties shall ensure they will provide the necessary cooperation and shall undertake all actions as may be necessary to give effect to this Article 58

58.3 The Company, CJL and the Non-CJL Shareholders shall provide such representations, warranties, indemnities, information as may be sought by the merchant bankers and needed to be inserted in the offer documents in relation to the Qualified IPO as necessary for the Consummation of a Qualified IPO.

Post-IPO Promoter Lock-in	58.4	CJL and the Non-CJL Shareholders shall be bound by statutory lock-in requirements applicable to individuals/entities designated as “promoters” under the relevant regulations of SEBI, post the Consummation of a Qualified IPO, subject to any agreement that the Company, CJL and the Non-CJL Shareholders may execute, which is applicable post the Consummation of a Qualified IPO.
ESOP Pool	58.5	Subject to Applicable Law, the Existing DARCL Promoters Family Group and CJL may collectively agree to create an ESOP pool of up to 2% (Two Percent) of the Share Capital prior to the Qualified IPO, for the benefit of the employees of the Company. It is however clarified that CJL may agree to the creation of ESOP only in the event that such ESOP does not affect its ability of consolidating the financial statements in accordance with Article 58.2. Further, in the event that ESOP formulation is agreed between the Company, CJL and the Non-CJL Shareholders, any shares or rights from such ESOP pool shall not be offered to any employees within the Existing DARCL Promoters Family Group and/or any of their Affiliates, Relatives or related parties.
	58.6	The Existing DARCL Promoters Family Group and CJL shall form a task force to initiate discussions and finalize the implementation and execution for the business innovative plan, so called ‘Big Jump Plan’.

180. NON-COMPETE AND NON-SOLICITATION OBLIGATIONS OF THE COVENANTING SHAREHOLDERS

Non-Compete
Obligations of the
Covenanting
Shareholders

- 180.1 180.1.1 Each Covenanting Shareholder, hereby, expressly covenants and agrees that during the said Covenanting Shareholder's Non-Compete Term, the relevant Covenanting Shareholder (by themselves or through any Affiliates or through any other member of the Family Group(s) or otherwise): (i) shall not operate, acquire or own any business directly or indirectly competing with the Relevant Business in India; and (ii) shall not, for the avoidance of doubt, invest in or acquire, or merge with any company formed in India, which does business competing with the Relevant Business in India.
- 180.1.2 The Covenanting Shareholder's Non-Compete Term shall, for any Covenanting Shareholder mean: (i) the period during which the said Covenanting Shareholder holds any Equity Shares in the Company; and (ii) a period of 2 (Two) years from the date such Covenanting Shareholder ceases to be a Shareholder. Further, if the aggregate shareholding of CJL's Parent Company falls below the 10% (Ten Per Cent) in the Company (whether directly or indirectly), the obligations contained in this Article 180 shall not apply or be enforceable.
- 180.1.3 It is hereby clarified that the restrictions contained in this Article 180 shall fall away in relation to the relevant Covenanting Shareholder upon completion of the relevant Covenanting Shareholder's Non-Compete Term

Non-Solicitation
Obligations of the
Covenanting
Shareholders

180.2 Non-Solicitation Obligations in relation to Customers

Each of the Covenanting Shareholders (by themselves or through any Affiliates or, through any other member of the Family Group(s) or otherwise) shall not, directly or indirectly, solicit any customers of the Company till such time as the relevant Covenanting Shareholder is a Shareholder and for 2 (Two) years following the Covenanting Shareholder ceasing to be a Shareholder, provided that this restriction shall not apply to any customer of the Company, in the event the services, business or arrangement that the Covenanting Shareholder enters into with the said customer, does not include the Relevant Business.

Non-Solicitation Obligations in relation to Employees

Each Covenanting Shareholder (by themselves or through any Affiliates or, through any other member of the Family Group or otherwise) shall not, directly or indirectly, solicit the employment of any employees of the Company till such time as the relevant Covenanting Shareholder is a Shareholder and for 2 (Two) years following the Covenanting Shareholder ceasing to be a Shareholder, provided that this restriction shall not apply to: (i) the solicitation of the employees who have already resigned from the Company, other than those employees who have resigned in the preceding 6 (Six) months; or (ii) employees whose employment has been terminated by the Company; or (iii) any employee who applies basis a general advertisement not targeting any particular employees of the Company.

Obligations of the
Other Family Group
Members

- 180.3 180.3.1 The Non-CJL Shareholders who are Shareholders as on the Transactions Date, (other than the Covenanting Shareholders) (collectively "**Other Agarwal Family Group Members**") covenant to CJL that:
- 180.3.1.1 In the event any of the Other Agarwal Family Group Members propose to undertake the Relevant Business in India ("**Competing Business**"), then prior to commencing the Competing Business, the relevant Other Agarwal Family Group Member shall issue a notice to the Company and CJL under this Article 180.3.1.1, with the following details:

- (i) the details of the operating vehicle of the Competing Business, along with supporting documents;
- (ii) if the operating vehicle is a company: (a) a list of directors; and (b) list of shareholders, along with supporting documents;
- (iii) if the operating vehicle is a limited liability partnership: (a) a list of designated partners; and (b) a list of partners, along with supporting documents;
- (iv) a description of the Competing Business that the relevant Other Agarwal Family Group Member proposes to undertake; and
- (v) an undertaking that the relevant Other Agarwal Family Group Members have not raised any investment from any of the Covenanting Shareholder.

180.3.1.2 Upon receipt of the notice under Article 180.3.1.1, CJL shall have the right but not the obligations to seek such additional information from the relevant Other Agarwal Family Group Member, as CJL may reasonably need to determine, if any of the Covenanting Shareholder are breaching their non-compete or non-solicitation obligations under Article 180, in relation to the Competing Business of the relevant Other Agarwal Family Group Member.

180.3.2 Non-Solicitation Obligations of the Other Agarwal Family Group Member in relation to Customers

Each Other Agarwal Family Group Member shall (by themselves or through any Affiliates or, through any other member of the Family Group or otherwise) not, directly or indirectly, solicit any customers of the Company till such time as the relevant Other Agarwal Family Group Member is a Shareholder and for 2 (Two) years following the relevant Other Agarwal Family Group Member ceasing to be a Shareholder, provided that this restriction shall not apply to any customer of the Company, in the event the services, business or arrangement that the Other Agarwal Family Group Member enters into with the said customer, does not include the Relevant Business.

180.3.3 Non-Solicitation Obligations of the Other Agarwal Family Group Member in relation to Employees

Each Other Agarwal Family Group Member shall (by themselves or through any Affiliates or through any other member of the Agarwal Family Group or otherwise) not, directly or indirectly, solicit the employment of any employees of the Company till such time as the relevant Other Agarwal Family Group Member is a Shareholder and for 2 (Two) years following the relevant Other Agarwal Family Group Member ceasing to be a Shareholder provided that this restriction shall not apply to: (i) the solicitation of the employees who have already resigned from the Company, other than those employees who have resigned in the preceding 6 (Six) months; or (ii) employees whose employment has been terminated by the Company; or (iii) any employee who applies basis a general advertisement not targeting any particular employees of the Company.

180.4 In the event that the Covenanting Shareholders transfer their Securities to a Third Party pursuant to Article 33.5, then the Exit Transferee(s) shall be deemed to be a Covenanting Shareholder for the purposes of this Article and the non-compete and non-solicitation obligations as provided in this Article 180 shall apply to such Exit Transferee(s).

180.5 Each member of the Family Group, agrees and acknowledges that the restrictions contained in this Article 180 are reasonable and for the legitimate protection of the Business and goodwill of the Company. In the event any of the obligations in this Article 180 is found to be invalid on account of scope, period or area of application under Applicable Laws, then the obligations shall apply with such modifications as may be

required to make the non-compete obligations contained in this Article 180 valid and effective. It being clarified that the modifications made to the obligations hereto shall not result in obligations which are more stringent than the ones currently stated in this Article 180.

180.6 The covenants and obligations as set forth in this Article 180 relate to special, unique and extraordinary matters and are essential for protection of confidentiality, and that a violation of any of the terms of such covenants and obligations shall cause the Company and other Shareholders irreparable injury. Therefore, the Non-CJL Shareholders agree that Company and CJL shall be entitled to an interim injunction, restraining order or such other equitable relief as a court of competent jurisdiction may deem necessary or appropriate to restrain the relevant member of the Family Group from contravening any of the covenants and obligations contained in this Article 180. These injunctive remedies are cumulative and are in addition to any other rights and remedies that the Company or CJL may have under Applicable Law or in equity.

180.7 It being clarified that the restrictions under this Article 180 shall not apply to: (i) any financial investment in a listed company, provided that such investment does not exceed 3% (Three Percent) of the total issued and outstanding shares of such listed company; and (ii) any investment in warehouses as the owner of the land and/or building, and generating lease or rental income.

181. **NON-COMPETE OBLIGATIONS OF CJL**

181.1 CJL hereby expressly covenants and agrees that during the CJL Non-Compete Term, CJL: (i) shall not operate, acquire or own any business directly or indirectly (by itself or through its Affiliates) competing with the Relevant Business in India, and (ii) shall not, for the avoidance of doubt, invest in or acquire, or merge with any company formed in India, which does business competing with the Relevant Business in India, without prior consent of the KKA Family Group, DKA Family Group, NA Family Group, and NKA Family Group. In the event: (a) CJL acquires 51% (Fifty One Percent) or more than 51% (Fifty One Percent) of ownership of any entity incorporated outside India, which undertakes any business which competes with the Relevant Business (the “**Acquired Company**”); and (b) the Acquired Company has a subsidiary in India which competes with the Relevant Business in India (“**Indian Arm of Acquired Company**”) during the CJL Non-Compete Term, then in such case, within 12 (Twelve) months from the date of the acquisition, CJL shall undertake all necessary steps to extend an offer to the Company to acquire the Indian Arm of Acquired Company on the terms and conditions based on the fair market value at the time of the offer as determined by mutual consent of the Company, the Existing DARCL Promoters, the Key Promoter Employees, the Other Shareholders and CJL (“**Business Acquisition Offer**”). It shall be ensured that such Business Acquisition Offer is placed before the Shareholders for their approval. Once the approval for the Business Acquisition Offer is obtained from the Shareholders, the Company shall communicate its intention to accept the same to CJL. In case the Company does not communicate its intention to accept the Business Acquisition Offer to CJL within 30 (Thirty) days from the Business Acquisition Offer, such Business Acquisition Offer shall lapse.

181.2 The CJL Non-Compete Term shall mean the period until such time the aggregate shareholding of Existing DARCL Promoters Family Group remains more than 10% (Ten Per Cent) of the Share Capital. Further, if the aggregate shareholding of CJL falls below the 10% (Ten Per Cent) of the Share Capital, the obligations contained in this Article shall not apply or be enforceable.

181.3 CJL agrees and acknowledges that the restrictions contained in this Article are reasonable and for the legitimate protection of the Business and goodwill of the Company. In the event the non-compete obligation in this Article is found to be invalid on account of scope, period or area of application, then the non-compete obligations shall apply with such modifications as may be required to make the non-compete obligations contained in this Article valid and effective. It being clarified that the modifications made to the non-compete obligations hereto shall not result in obligations which are more stringent than the ones currently stated in this Article.

- 181.4 The covenants and obligations as set forth in this Article relate to special, unique and extraordinary matters and are essential for protection of confidentiality, and that a violation of any of the terms of such covenants and obligations shall cause the Company and other Shareholders irreparable injury. Therefore, CJL agrees that the Company and Non-CJL Shareholders shall be entitled to an interim injunction, restraining order or such other equitable relief as a court of competent jurisdiction may deem necessary or appropriate to restrain CJL from contravening any of the covenants and obligations contained in this Article. These injunctive remedies are cumulative and are in addition to any other rights and remedies that the other party may have under Applicable Law or in equity.
- 181.5 It being clarified that the restrictions under this Article shall not apply to: (i) any financial investment in a listed company, provided that such investment does not exceed 3% (Three Per Cent) of the total issued and outstanding shares of such listed company; and (ii) any investing in warehouse as the owner of the land or building, and generating lease or rental income.
- 181.6 Notwithstanding the provisions of this Article, upon CJL's request, the Existing DARCL Promoters Family Group has the right to waive the obligations and restrictions under this Article applicable on CJL during the CJL Non-Compete Term.

EXISTING DARCL PROMOTERS' AND CJL CONDUCT AND LIABILITY OF PROMOTERS

182. Each of the Existing DARCL Promoters agree that, at all times, during the Term of the Agreement the Existing DARCL Promoters shall:
- (i) at a General Meeting vote as one block, which shall mean that all Existing DARCL Promoters and the other Non-CJL Shareholders shall vote in the same manner;
 - (ii) In relation to a matter under these Articles and the Agreement which requires Existing DARCL Promoters' consent, decide as one block.
183. The Existing DARCL Promoters agree that where any obligation is imposed on the Existing DARCL Promoters under these Articles or the Agreement (irrespective of whether or not such obligation on the Existing DARCL Promoters is independent to or in conjunction with the same obligation being placed on the Company), each Existing DARCL Promoter will have a corresponding obligation to, on a best effort basis, procure that each member of the Existing DARCL Promoters Family Group shall exercise all their powers (including voting powers) and take all necessary steps and do or cause to be done all acts, deeds and things, commissions or omissions as required to ensure compliance of such obligation of the Existing DARCL Promoters.
184. In the event any loss arises from or on account of any breach of any obligation, covenant or undertaking under these Articles or the Agreement by any Non-CJL Shareholder ("**Defaulting Shareholder**"), then the Defaulting Shareholder and the head of the respective Family Group to which the said Defaulting Shareholder belongs shall be jointly and severally liable for the said loss. It being agreed that no member of the KKA Family Group, of the DKA Family Group, of the NA Family Group and/or NKA Family Group, shall in any event be liable for a liability arising from or on account of the breach of the Agreement by a Defaulting Shareholder who is member of another Family Group.
185. CJL covenants to the Existing DARCL Promoters and the Company that prior to October 15, 2017 or such other date as maybe agreed between CJL and the Existing DARCL Promoters, CJL (along with the representatives of the Company) will meet with the officials of the Lenders of the Company and provide such comfort and replacement securities to the Lenders (as maybe sought by the Lenders), together with the Company, that will enable them to release all the Encumbrances on the Carve-Out Assets that are Encumbered for the purposes of the Indebtedness of the Company. It being clarified that the Company shall be the first provider of the replacement securities to the Lenders and CJL shall cover the remaining portion of the replacement securities, in case the replacement securities provided by the Company, are not adequate.

186. In addition to its covenants under Article 185, CJL shall also (along with the representatives of the Company) meet with the Lenders of the Company and agree upon the securities (as may be sought by the Lenders) that will be provided by CJL to the Lenders prior to October 15, 2017 or such other date as may be agreed between the Lenders and the Company, to secure the Indebtedness of the Company. It being clarified that the securities that will need to be provided by CJL in relation to the Company's Indebtedness, under this Article 186, shall be commensurate with the shareholding of CJL in the Company and this understanding of the Shareholders shall be communicated to the Lenders by the Company.

The Existing DARCL Promoters and CJL shall comply with the obligations in relation to the Carve-Out Assets as specified under the Agreement.

CHANGE OF NAME

187. The name of the Company shall be changed to CJ DARCL Logistics Limited and shall remain unchanged till such time that the aggregate shareholding of the Non-CJL Shareholders does not fall below 5% of the Share Capital of the Company, on a Fully Diluted Basis.
